FAMILY INC.

Here is a vehicle that leaves a lasting impression on everyone. Driver, passengers and the unsuspecting passerby. Never before had a family car blended so intelligently the concepts of space, technology and functional design. Call it your very own spaceship. Meeting room. Or private lounge with the best views in town. In here, versatility takes on a new meaning. Meet the new SEAT Alhambra, the most complete, up to date MPV for the modern family. By space we mean plenty of it. For business, hobbies and everything in between. Just think, enough room for 7 seats or 2297 litres of storage space with both rows of rear seats discreetly stowed flat in the floor. Slip inside through the sliding rear doors, available with electric control, and indulge in the latest in comfort and technology, all wrapped up in a sleek design that will steal more than one glance from your neighbours.

Besides the choice of electric panoramic glass roof and chrome roof rails, you will find an adaptable, snug interior equipped with the 'Easy-Fold' system and smart storage options. The sporty feel and ergonomics are only enhanced by the advanced technology, plus new optional features like the Park Assist and rear view camera*, to help you park your vehicle into the tightest spots. Whether it's a quick trip to football practice, your daily commute or a long weekend getaway, the SEAT Alhambra understands the way you think and move. And makes it even better.

*Restrictions on rear view camera currently apply. Please contact your local SEAT Dealership for further details.

ENOUGH ROOM FOR LIFE.

Because there are as many sides to family life, as individuals involved, we created a car that responds to each need - big or small - with intelligent space, top technology and state-of-the-art design. Outside the SEAT Alhambra dazzles with its distinctive arrow-shaped design and longer silhouette - exactly 4.85 metres long. A sleek panoramic glass sunroof blends easily with the chrome roof rail and window frames, while the stylish bumpers, mirror housing with LED-turn indicator and door handles in body colour accentuate the sporty exterior.

The refreshingly urban appeal of the Alhambra is perfectly matched by the versatility of its interior space. Just look at the choices: integrated electric sliding doors on each side, electric tailgate and the sunroof open sky system, reaching almost from windscreen to rear window. Once inside, it's all about high quality comfort and smart solutions. Like a flexible seat system with foldable seats convertible to a flat floor available with boot management system to easily store all the family gear. Three individual seats in the centre row can be moved back and forth if required and folded to create a flat load space to store luggage, sports gear and even that irresistible antique chair you had to buy. Pull up the adjustable seats to make more room for friends. Too bright outside? Separate sun blinds allow passengers to protect themselves individually against the sun and help keep things cool inside. Life is smiling.

PERFECT ROAD MANAGER.

Admit it. Your car has become your second home and there are more weekdays than weekends. But why not make it all the more enjoyable? With the new SEAT Alhambra you will find more than one reason to love driving. For starters, the Alhambra will always lead you in the right direction. Designed to follow the movements of the steering wheel by swivelling the headlights towards the direction of travel, the bi-xenon headlights with AFS (Adaptive Front-lighting System) become an invaluable night time companion which you can add as an option.

The new Alhambra clearly conveys its dynamic character through its design. The broad, taut proportions, the clear lines and the distinctive wheel arches give it a powerful presence and a level of sporting appeal that is unusual in the MPV sector. With its arrow-shaped bonnet, hallmark grille and highly distinctive front skirt continuing the Arrow Design, the new Alhambra clearly displays its SEAT DNA. The sleek side profile shows great technical precision, with the sliding doors perfectly integrated. The muscular spoiler on the rear edge of the roof, the low-reaching rear hatch and the expansive light clusters dominate the rear end. The range of innovative technologies offered as optional equipment on the new SEAT Alhambra is considerably broader. The optional panoramic glass sliding roof has an opening that is 300 percent larger than a conventional sunroof, while three-zone Climate Control ensures optimum temperature in all seating areas. Optional electric motors simplify the operation of the sliding doors and rear hatch. The optional DSG with paddle-shifters offers drivers the option of driving the car manually, using paddles attached to the steering wheel, or switching over and taking a break by driving in automatic mode. We have replaced the traditional hand brake system with an Electric Parking Brake button to optimize space, while maintaining the focus on design. This also includes Auto-Hold Control which automatically applies the brake when stopped and releases again when pulling away. Combined with the optional towbar this allows you to tow heavy loads with amazing control, even when stopping and starting up the hill. Every family deserves a break, a vacation, a place to share. The new Alhambra MPV with Top Technology and intelligent space concept, that respects the environment and accounts for low maintenance costs.

LIFE INSIDE.

Family life is multifaceted. Your needs evolve, and so has the new Alhambra. It has become 22 centimetres more generous in length than its predecessor and 9 centimetres wider. Everything about this vehicle exudes versatility and flexibility. It comes with seating for up to seven adults. All in refined interior finishes, including optional leather to suit your sporty style. Besides the 'Easy-Fold' rear seating system with integrated child seats available as an option, both the driver and passenger seats can be individually adjusted in height, inclination and backrest angle, and with lumbar support.

The three-spoke multi-function leather steering wheel with two sets of controls arranged symmetrically, allows driver to operate radio system and phone at once, make adjustments on the infotainment system or activate the Bluetooth® hands-free system. For maximum convenience, choose the SEAT Media System including satellite navigation, 5-inch colour display with touch-screen, radio CD player and AUX-in socket for connection to iPod® or MP3 player. And even if you are busy singing along with your favourite tracks, you can stay on course by keeping an eye on the neat control panel display and instrument cluster with split-screen featuring map and traffic information.

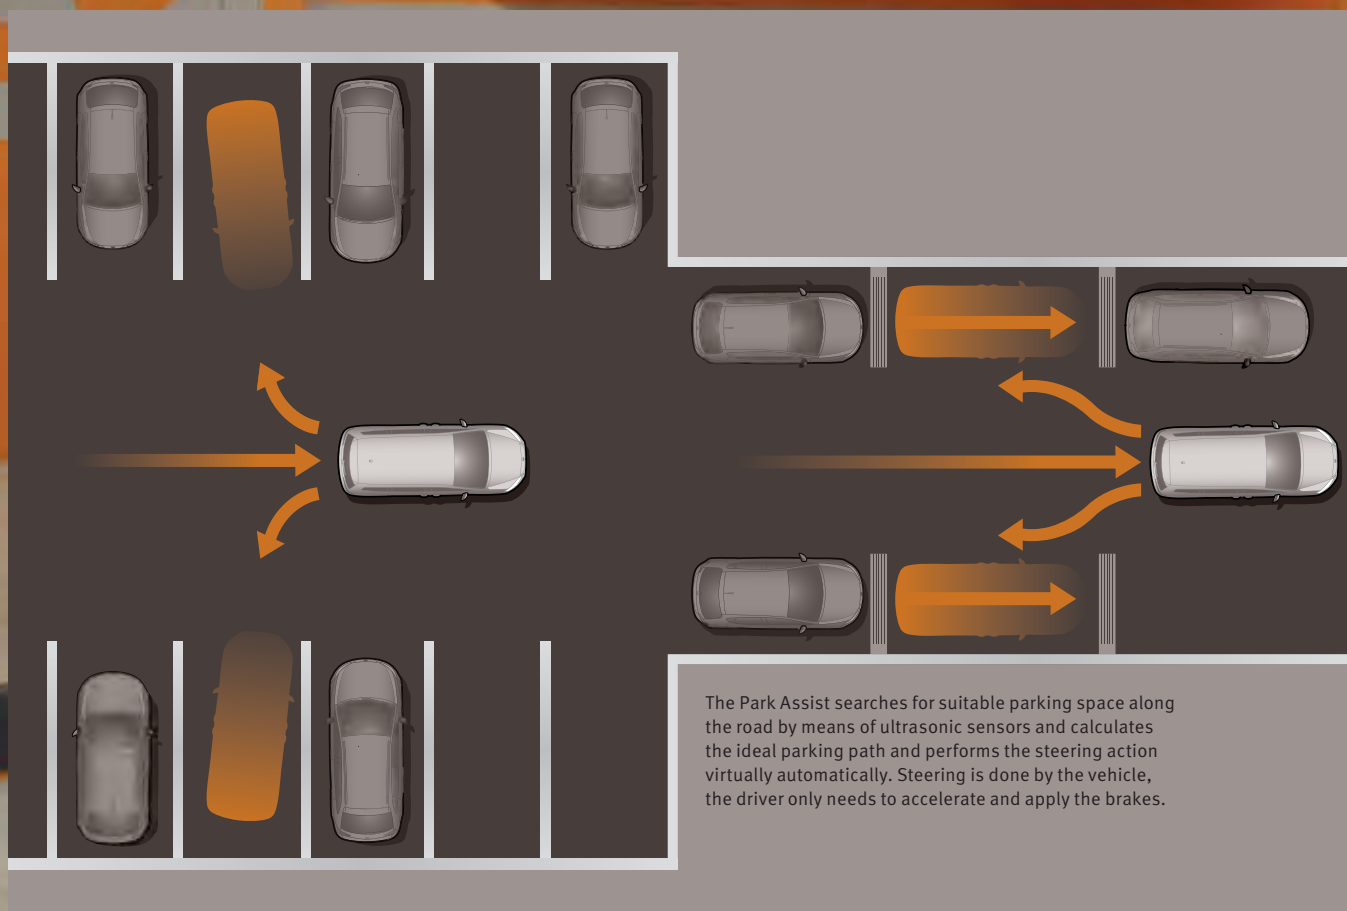

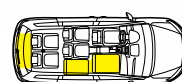

HIGHLY EFFICIENT ASSISTANT.

The multi-tasking nature of the SEAT Alhambra goes further. Now parking is even easier. Front and rear parking sensors come as standard and this also incorporates the Optical Parking System (OPS), which graphically represents the distance between you and the surrounding obstacles.

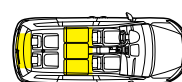

Also new is the clever Park Assist option which takes care of the Alhambra's steering when manoeuvring into parking spaces - parallel as well as 'bay' parking. This ensures perfect parking every time, even in the tightest of spaces. The optional rear view camera* ensures you're always aware of what's going on behind your vehicle - a crucial feature for a car designed for size and safety.

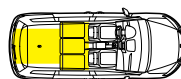

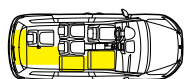

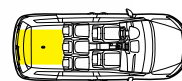

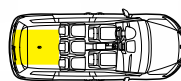

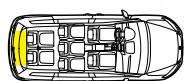

The electric tailgate and sliding doors enables easy opening and closing of the tailgate and sliding doors.

SMART VERSATILITY.

Imagine a panoramic glass roof with an opening that is 300 percent larger than a conventional sunroof. Then it's easy to visualize the natural light inside the SEAT Alhambra. The roof blind can even be closed when the roof is open. The Alhambra is the perfect size for an MPV – its increased dimensions deliver an outstanding level of interior space.

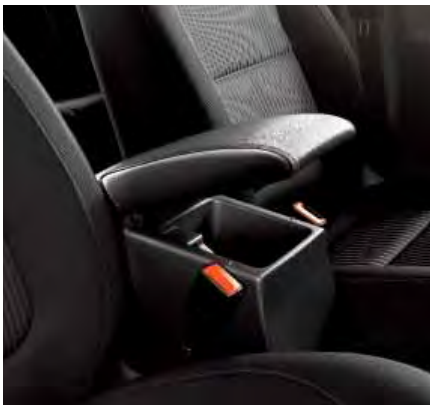

Thanks to its great visibility and nimble handling, however, it is incredibly manoeuvrable in city traffic. There is even plenty of room for adults to sit comfortably in the third row, while the large sliding doors (with optional electric operation) enable easy entry. Now look back and indulge on the generous space. Need more storage room? Already mentioned 'Easy-Fold' system can be used to push the second and third-row seats easily into the floor, while the middle row seats can be rearranged longitudinally. The seating position of both the driver and front seat passenger combines the best visibility with an exceptionally sporty feel and perfect ergonomics. And the boot management system will ensure you have the room you need for both work and weekend plans.

SPECIAL FEATURES

The integrated child's seat, assures the protection and comfort for the smaller ones (suitable for Group 2 & 3).

The armrest doubles as a storage space for smaller items.

Heated front leather seats with 12-way electric adjustment.

The bi-xenon headlights with Adaptive Front-lighting System provides illumination where you need it most.

Folding towbar with electric release.

You can adjust the stereo and operate Bluetooth® via the multi-functional steering wheel or by voice command.

The DSG-auto combines the sportiness of a manual gearbox with the benefits of an automatic transmission.

12V sockets in boot and in front centre console.

SEAT Sound System 2.0 with 8 speakers.

The Climate Control maintains an ideal interior temperature.

The SEAT Media System 2.2 features a split-screen with map and information route options and traffic conditions.

The SEAT Sound System 3.0 includes 6.5" colour touch-screen display and 6-CD changer with MP3 and rear view camera*.

The Optical Parking System shows the parking situation around the vehicle on the display of the SEAT Sound System or SEAT Media System.

Rear view camera* helps you guide your vehicle into parking spaces.

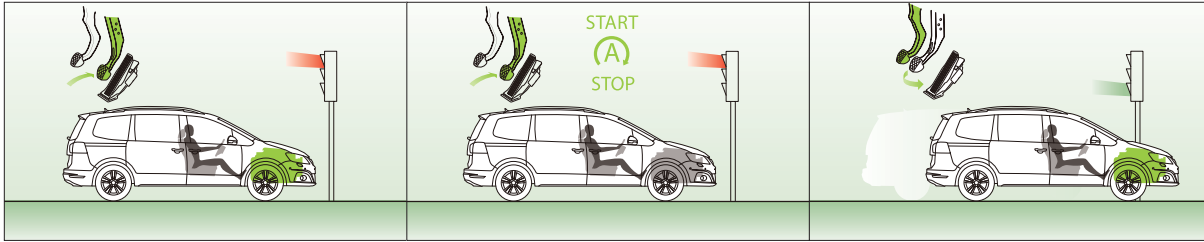

E ECOMOTIVE

THE HEART OF THE MATTER.

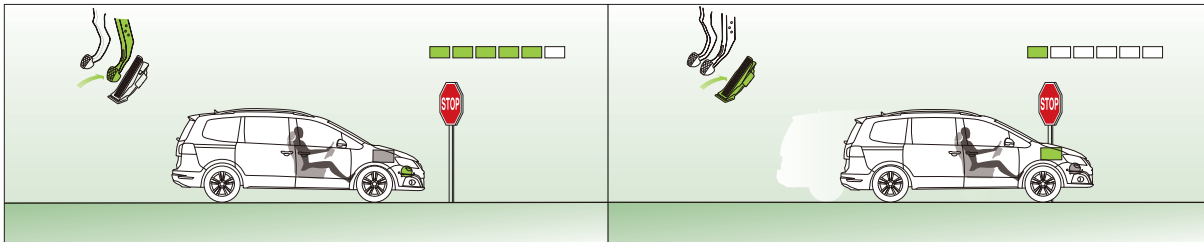

The versatility of the new Alhambra is evident from the moment you lay eyes on it. But also in the details not visible to the eye. Like its generous engine line-up. You can choose between TSI and TDI CR (Common Rail) power units equipped with direct fuel injection and turbo-charging. The TSI units deliver 150PS, while the three TDI CR engines offer 115PS, 140PS and 170PS. The TDI CR is also equipped with an SCR (Selective Catalytic Reduction) catalytic converter, which reduces NOx (Nitrogen Oxides) emissions that otherwise contribute towards the formation of acid rain and smog, making even the diesel model one of the world's cleanest MPVs. With an average fuel consumption of 50.4 mpg and CO₂ emissions of just 146 g/km, the SEAT Alhambra 2.0 TDI CR with 140PS sets a clear benchmark in its class. And just like the TSI and TDI engines, the DSG-auto clutch transmission delivers the perfect combination of sporty character, comfort and efficiency.

We have incorporated the Start/Stop and Energy Recovery Systems in all of the Alhambra units. These technologies help reduce fuel consumption and emissions while offering enhanced comfort and a smoother dynamic performance. The result is an MPV that respects the road and the earth beneath it.

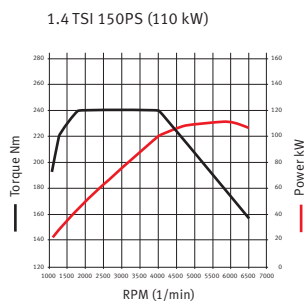

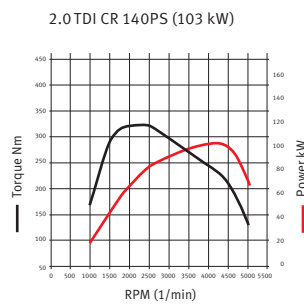

When the car is stopped, the gear lever set to neutral and clutch pedal is released, the Start/Stop System switches the engine off. Once the clutch is engaged again the engine starts automatically.

An Energy Recovery System works by varying the amount of power absorbed by the alternator. During braking, power which would otherwise be wasted is drawn into the electrical systems and battery. Under acceleration the alternator draws less energy, so more can be sent to driving the wheels. This system helps you reduce overall fuel consumption, and consequently the CO₂ emission level.

Make a statement with the 1.4 TSI 150PS (110 kW) petrol engine.

All diesel engines are state-of-the-art 2.0 TDI's fitted with soot-emission reducing Diesel Particulate Filters (DPF).

PETROL	Urban driving mpg (l/100 km)	Extra urban driving mpg (l/100 km)	Combined consumption mpg (l/100 km)	CO ₂ emissions (g/km)
1.4 TSI 150PS	30.7 (9.2)	46.3 (6.1)	39.2 (7.2)	167
1.4 TSI 150PS DSG-auto	30.1 (9.4)	42.8 (6.6)	37.2 (7.6)	178

DIESEL	Urban driving mpg (l/100 km)	Extra urban driving mpg (l/100 km)	Combined consumption mpg (l/100 km)	CO ₂ emissions (g/km)
2.0 TDI CR Ecomotive 115PS	40.9 (6.9)	57.6 (4.9)	50.4 (5.6)	146
2.0 TDI CR Ecomotive 140PS	40.9 (6.9)	57.6 (4.9)	50.4 (5.6)	146
2.0 TDI CR 140PS DSG-auto	40.9 (6.9)	56.5 (5.0)	49.6 (5.7)	149
2.0 TDI CR 170PS	38.7 (7.3)	56.5 (5.0)	48.7 (5.8)	152
2.0 TDI CR 170PS DSG-auto	42.2 (6.7)	52.3 (5.4)	47.9 (5.9)	154

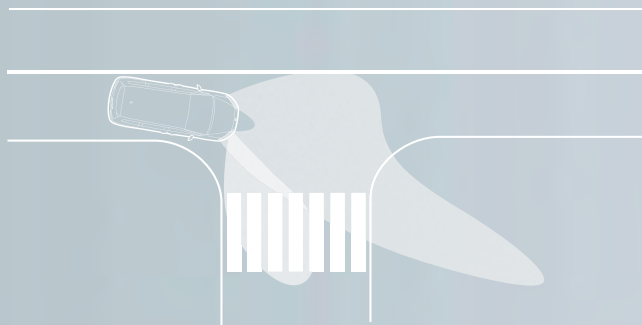

SAFETY BOX.

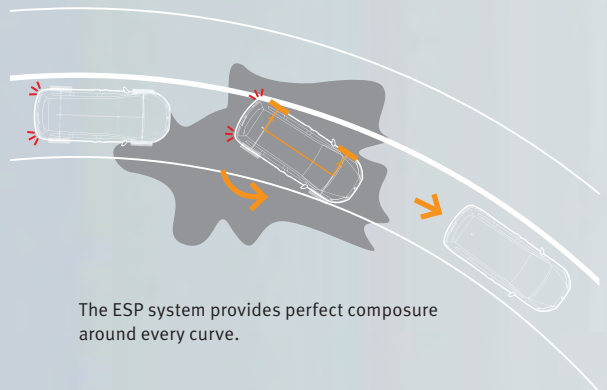

There is more to driving the new Alhambra than experiencing the highest level of comfort. We have created a safe haven for you and your family by incorporating some of the most advanced safety equipment already exceeding the industry average. This means you have seven airbags, including a driver-side knee airbag, plus electric child locks on the rear doors. For your peace of mind, the Alhambra is equipped with integrated child seat with ISOFIX/Top Tether anchoring system. Also standard in the Alhambra are the Anti-Lock Braking System (ABS) and the Electronic Stability Programme (ESP), including electronic Brake Assist, trailer stabilisation and tyre pressure monitoring system. But we have made safety more active than ever with new technologies such as the self-sealing tyre system, which allows you to continue to keep driving after a tyre has been punctured by a foreign object such as a nail or screw. It features a protective layer on the inside of the tread, which immediately seals holes caused by such objects, so that no air can escape. This means that you can avoid having to repair the puncture on the roadside, enabling you and your most treasured ones to arrive safe and sound - with no delay.

Because the driver may not always notice that an object has penetrated the tyre, as with all tyres, it is recommended that they are examined regularly for damage and wear. If in any doubt, please consult with your local SEAT Dealership or tyre Dealer.

Front fog lights have cornering function for safer driving at night and in inclement weather.

The Adaptive Front-lighting System (AFS) enables the headlights to follow the direction of the steering wheel, providing illumination where you need it most (always with bi-xenon headlights).

The ESP system provides perfect composure around every curve.

SEAT ALHAMBRA S

- 16" 'Izaros' alloy wheels
- Body coloured door mirrors with integrated LED indicators
- Body coloured door handles and bumpers
- Sliding rear side doors
- Chrome centre radiator grille surround
- Lockable, illuminated and refrigerated glove box
- Storage compartment on dashboard without cover
- Sun visors with vanity mirrors
- Front and rear interior reading lights
- Sunglasses storage compartment in roof console
- Front armrest (height and reach adjustable) with storage compartment
- Retractable luggage compartment cover (removable)
- 4 lashing hooks in boot
- Twin halogen headlights with electric range adjustment
- 3-zone climate control (driver/passenger/rear)
- Electric adjustable and heated door mirrors
- Height and reach adjustable steering wheel
- Electric front and rear windows
- Front & rear parking sensors
- Electric handbrake
- Auto-hold control
- Two 12V sockets (front central console / boot)
- Start/Stop System
- Energy Recovery System
- Steering wheel mounted shift paddles (DSG-auto only)
- Electro-mechanical power steering (speed sensitive)
- Comfort front seats
- Driver's and passenger's seat with manual height and lumbar adjustment
- Trip computer
- High resolution multi-function display
- SEAT Sound System 2.0 with 8 speakers
- AUX-in
- Integrated Bluetooth® handsfree system with voice control
- Multi-function steering wheel
- Driver and front passenger airbags
- Front passenger airbag de-activation
- Front side airbags
- Curtain airbags (front, 2nd & 3rd row)
- Driver's knee airbag
- Three-point seatbelts
- Seatbelt reminder for all seats (visual & acoustic)
- Height adjustable front seatbelts with pre-tensioners and load limiter
- ISOFIX (with Top Tether) child seat anchorage points on all rear seats
- Electronic Stability Programme (ESP) with Brake Assist
- Tyre pressure monitoring
- Electric child lock for rear side doors, operated from driver seat
- Remote control central locking with deadlocks
- Electronic engine immobiliser
- Volumetric alarm with backup horn and tilt sensor
- Locking wheel bolts

Alhambra 2.0 TDI CR Ecomotive 140PS S

Model shown with optional black roof rails and front fog lights.

SEAT ALHAMBRA SE

- Body coloured door mirrors with integrated LED indicators
- Body coloured door handles and bumpers
- Sliding rear side doors
- Chrome centre radiator grille surround
- Lockable, illuminated and refrigerated glove box
- Front and rear interior reading lights
- Sunglasses storage compartment in roof console
- Front armrest (height and reach adjustable) with storage compartment
- Retractable luggage compartment cover (removable)
- 4 lashing hooks in boot
- Twin halogen headlights with electric range adjustment
- 3-zone climate control (driver/passenger/rear)
- Electric adjustable and heated door mirrors
- Height and reach adjustable steering wheel
- Electric front and rear windows
- Front & rear parking sensors
- Electric handbrake
- Auto-hold control

- Tyre pressure monitoring
- Electric child lock for rear side doors, operated from driver seat
- Remote control central locking with deadlocks
- Electronic engine immobiliser
- Volumetric alarm with backup horn and tilt sensor
- Locking wheel bolts

And in addition to S:

- 17" 'Kiroa' alloy wheels
- 3-spoke steering wheel in leather
- Gearshift knob in leather
- Chrome side window trims
- Dark tinted rear windows (from B-pillar backwards)
- Roof rails in chrome finish
- Covered storage compartments in 2nd row floor
- Storage compartment on dashboard with cover
- Storage box under driver and front passenger seat
- Sun visors with illuminated vanity mirror
- Integrated sunblinds in rear side doors
- Folding table on front seat backrests with integrated cup holders
- Pockets on front seat backrests
- Front fog lights with cornering function
- Light sensors (auto-lights)
- Coming home/leaving home headlight function
- High beam assist
- Rain sensors (auto-wipers)
- Electrically folding door mirrors with exterior puddle lighting
- Passenger door mirror with 'kerb' function when reversing
- Auto-dimming rear view mirror
- Cruise control
- Additional 12V socket (armrest storage box)
- 230V AC Euro socket - 2nd row centre console (max load 150W)
- Driver's seat with manual height adjustment, electric lumbar and backrest adjustment
- Chrome interior dashboard detailing
- MDI (USB/AUX-in)

Model shown with optional SEAT Sound System v3.0.

SEAT ALHAMBRA SE LUX

- Body coloured door mirrors with integrated LED indicators
- Front fog lights with cornering function
- Light sensors (auto-lights)
- Coming home/leaving home headlight function
- High beam assist
- Rain sensors (auto-wipers)
- Electrically folding door mirrors with exterior puddle lighting
- Chrome side window trims
- Dark tinted rear windows (from B-pillar backwards)
- Roof rails in chrome finish
- Integrated sunblinds in rear side doors
- Lockable, illuminated and refrigerated glove box

- ISOFIX (with Top Tether) child seat anchorage points on all rear seats
- Electronic Stability Programme (ESP) with Brake Assist
- Tyre pressure monitoring
- Electric child lock for rear side doors, operated from driver seat
- Remote control central locking with deadlocks

And in addition to SE*:

- 17" 'Kosta' alloy wheels
- Black leather upholstery (some parts may contain leatherette)
- Power sliding rear side doors
- Power operated tailgate
- Panoramic glass sunroof with electrically opening front pane (slide/tilt) and electrically operated sunshade
- Headlight washer system
- Heated front washer nozzles
- Sport-style comfort front seats
- 12-way electrically adjustable front seats
- Heated front seats
- SEAT Media system 2.2 with satellite navigation, 5" colour touch-screen, rear view camera**, DAB radio tuner & SD card slot

*SE Lux comes without storage box under front seats.

**Restrictions on rear view camera currently apply. Please contact your local SEAT Dealership for further details.

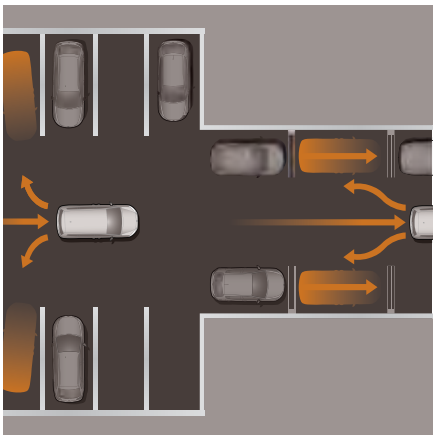

OPTION HIGHLIGHTS

Relax, there's cruise control.

S SE SE Lux

The Park Assist searches for suitable parking space and performs the steering action automatically.

SE SE Lux

The multi-functional camera including Lane Assist and Traffic sign recognition (requires SEAT Media System and not available with heated windscreen).

SE SE Lux

The electric tailgate and sliding doors enables easy opening and closing of the tailgate and sliding doors.

S SE SE Lux

Electric panoramic sunroof with an opening that is 300 percent larger than a conventional sunroof. Easy operation using the one-touch controls.

SE SE Lux

The Adaptive Front-lighting System provides illumination where you need it most (always with bi-xenon headlights).

SE SE Lux

Bi-xenon headlights with Adaptive Front-lighting System which provides illumination where you need it most.

SE SE Lux

Black roof rails.

S

The rear view camera* is situated at the tailgate (as part of SEAT Media System v2.2 and SEAT sound system v3.0).

SE SE Lux

Folding towbar with electric release.

¹ The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of horsepower). To convert from metric to imperial horsepower, divide the PS by 1.0139.

² Where law permits

³ Official fuel consumption according to EU Directive 99/94. The consumption calculation according to 1999/100/EC is based on the actual unladen weight of the vehicle. Additional specifications can lead to a higher weight class and hence to consumption figures of this higher weight class. The driving style, road traffic conditions, environmental influences and vehicle condition can in practice lead to consumption figures which may differ from those calculated with this standard.

MAIN ACCESSORIES

Chrome tailgate trim made out of high-resistant ABS.
7N5071360

Exterior door sill guards personalised with model name.
7N5071300

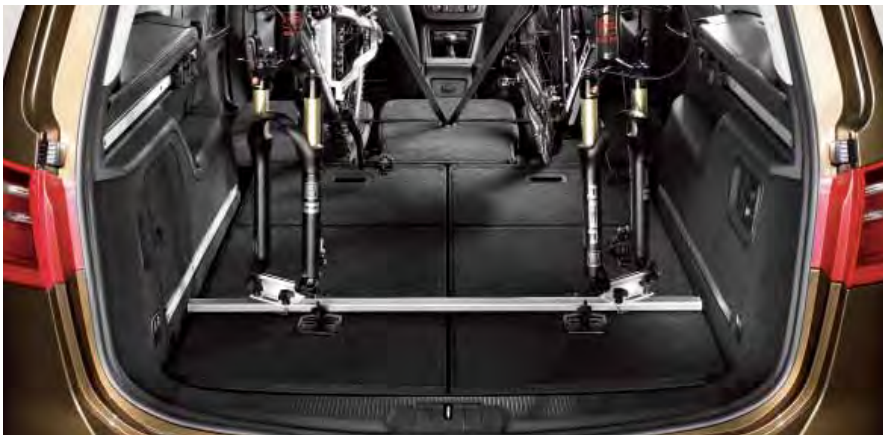

Chrome mirror caps.
7N5072530

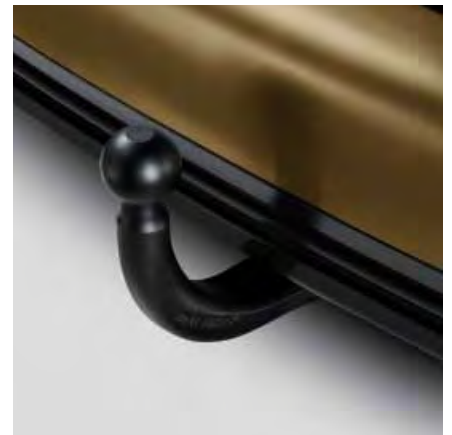

Tailgate Bike Carrier. Transports up to three bikes.
7N5071104

Ski/Snowboard holder. 4 pairs of skis or 2 snowboards / 6 pair of skis or 4 snowboards
3B0071129F / 3B0071129G

Interior bike holder. Transports 2 bikes.
7N5071134

Fixed Tow Bar / Detachable Tow Bar.
(Electrics not included)
7N0921101 / 7N5092101A

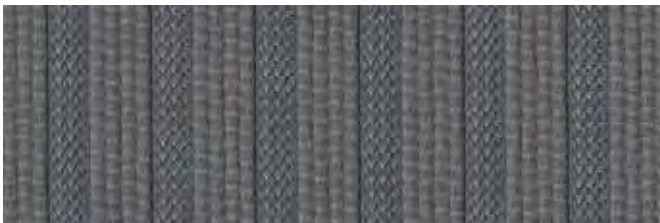

Flexible load liner.
7N5017221C

Horizontal partition grille (requires Cargo Pack).

SEAT INFORMATION

The SEAT Warranty

Three-year Warranty. All new SEATs registered in the UK come with a three year/60,000 miles warranty, which protects your car against the failure of most mechanical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 (whichever is soonest) Dealer Warranty. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. If an additional warranty for subsequent years or higher mileage is desired, it may be purchased from an authorised SEAT dealer or repairer, however, this additional warranty must be purchased before the mileage reaches 60,000. Cover is subject to the car being serviced and maintained according to the manufacturer's technical guidelines. Full details of the three-year warranty are available from your SEAT dealer or repairer.

Three-year Paint Warranty. The paintwork of the Alhambra is covered against manufacturing defects for a period of three years. Naturally, the Alhambra must be cared for in compliance with the operating instructions which will be found in your vehicle handbook. Please consult your authorised SEAT dealer or repairer for full warranty details.

Twelve-year Body Protection Warranty.

The internal body sections and panels of the Alhambra are covered against rusting through from the inside for a period of twelve years. Naturally, the Alhambra must be cared for in compliance with the operating instructions which will be found in your vehicle handbook. Please consult your authorised SEAT dealer or repairer for full warranty details.

SEAT Parts Warranty. SEAT parts and accessories supplied after new vehicle delivery are covered by our 24 months parts warranty.

SEAT Accessories. Every accessory is designed specifically for SEAT and is fully tested to our high quality standards. All accessories unless otherwise stated come with a two year warranty, extended to three years when purchased and fitted prior to delivery of a brand new vehicle, and what's more, they can be fitted by SEAT approved technicians.

Specifications. Specifications for the Alhambra refer to Model Year 2012. While SEAT makes every effort to make sure that specifications are accurate at time of going to press (11/11), you should always check details with your SEAT dealer as there may have been changes in view of SEAT's policy of continuous product improvement. The right is reserved to change specification and colour at any time. The information in this brochure can therefore be given as guidance only.

SEAT Assistance (including European cover).

Any new SEAT purchased and registered in the UK from an authorised SEAT dealer, is covered free by SEAT Assistance (including European cover) for roadside repairs or recovery to an authorised repairer for a term of two years. Your member of the SEAT authorised network will ensure that all servicing and repairs are carried out in accordance with the manufacturer's instructions. Terms and conditions apply.

SEAT Finance. SEAT Finance specialises in providing funding solutions for SEAT drivers. Whether your SEAT is for private or business use, you can choose from a range of funding options. Here is our full range of finance products.

- Solutions – a personal contract plan
- Hire purchase • Lease purchase
- Finance lease • Contract hire

With all of our finance products you can choose one of our fixed-cost maintenance plans designed to help you budget accurately. No matter what finance product you choose, your local SEAT dealer will be able to provide you with a personalised quote that could meet your budget and vehicle needs. SEAT Finance is a trading name of Volkswagen Financial Services (UK) Limited. An offer of finance depends on certain conditions. Available to people over 18 in the UK only.

Test-Drive a SEAT. To arrange a test drive at your nearest dealer, or for any questions you may have about SEAT, visit our website at seat.co.uk or call us on FREEPHONE 0500 22 22 22.

Fuel Consumption Information.

The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular vehicle. The individual vehicles have not been tested and there are inevitable differences between individual examples of the same model. In addition, a vehicle may incorporate particular modifications. Furthermore, the driving style and road and traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption.

Vehicle Excise Duty and CO₂ Emissions. All vehicles first registered on or after 1st March 2001 are subject to a form of Vehicle Excise Duty (Road Fund Licence) based on the type of fuel the vehicle uses and its carbon dioxide (CO₂) emission level, measured in grammes per kilometre (g/km).

Optional Equipment. Throughout this publication, wherever a feature is described as being an 'Option' or 'Optional Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. Any vehicle ordered with optional equipment (other than metallic paint) will be subject to a 12 week minimum delivery period.

SEAT Business Sales. SEAT Business Sales is committed to meeting all your fleet requirements and driver needs. For Fleet & Small Businesses please call our Fleet Business Centre directly to speak to our business advisors on 0800 096 2328 or email us at businesscentre@seatfleet.co.uk. For Fleet & Small Businesses please call our Fleet Business Centre directly to speak to our business advisors on 0800 096 2328 or email us at businesscentre@seatfleet.co.uk. For more information on SEAT Business Sales and the Business Sales Centre network, please visit the Business Sales area at seat.co.uk.

SEAT is committed to a policy of continuous product development and reserves the right to make changes to specifications, colours and prices without notice. The information in this brochure can therefore be given as guidance only. While SEAT makes every effort to ensure that specifications are accurate at the time of publication (**November '11**), you should always check with your authorised SEAT dealership for the latest information. Due to limitations of the printing process the colours reproduced in this brochure may vary slightly from the actual paint colour and material. These vehicles and all their parts, as well as the original spares, were designed according to the Legal Regulations governing the prevention and minimisation of Environmental Impact, through the use of recycled/recyclable materials, with measures taken to achieve suitable recycling for the conservation and improvement of environmental quality. SEAT UK has made provision for the correct disposal and recycling* of all SEAT Vehicles when they are delivered by the customer to its national network of Environment Agency authorised treatment facilities. This service is offered at no cost to the last holder and applies to SEAT vehicles of any age which are substantially complete. The service is provided by Cartakeback.com and to find your nearest facility contact 0845 257 32 33 or browse to www.cartakeback.com.

*Since 2006 all vehicles returned to SEAT were certified by UK Government to be recycled to 85%. This brochure has been produced from Hello Silk paper which is Forest Stewardship Council certified.
