

# SEAT Alhambra.

# Created in Barcelona.

1953. The first SEAT rolls off our Barcelona production line and a whole country starts moving. More than 60 years later and we're moving people all over the world.

But Barcelona still inspires us. Its creative spirit runs through our veins. Feeds into every car we produce. (In fact, 50% of the energy we use to make our cars comes direct from Mediterranean sunshine). This is a city that never stops. And neither will we. Why? Because you have places to be.

# Ready to own it?

Big family decisions feel exciting when you know you've made the right choice. When it comes to an outstanding family car, you expect everything from space and safety to technology and efficiency, plus a powerful, sporty edge. This is the award-winning 7-seater Alhambra – one of the easiest choices you'll make together.

# Your Alhambra.

## The memories start here.

Whatever the size, every family needs backup. Safety, comfort and technology, with zero compromises. The little things that make a big difference. Because these aren't just roads, they're memories. The SEAT Alhambra. Get ready to turn journeys into stories.

Integrated child seats are not available in the UK.

## Exterior design

# A world of possibility.

When you have the details right, anything's possible. The SEAT Alhambra brings them all together, with smart and sophisticated features like chrome fittings, LED headlights, dark tinted rear windows, and 17" alloy wheels. Because it's your world. You decide how to get the most out of it.

Model shown: Alhambra XCELLENCE in Romance Red Metallic Paint.

#### Interior design

## Room to grow? You've got it.

Every family's different. There's no one size fits all. With a total boot capacity of 2,297 litres when the second and third rows are folded, or 700 litres with all seven seats upright, you have all the flexibility you need, for whatever life throws at you.

## Technology

# They call it magic. You call it easy.

Long journeys feel shorter in the Alhambra. Maybe that's because it's as big on technology as it is on space. It's packed with features to keep you comfortable, entertained and in control, from the SEAT Media System to KESSY (Keyless entry & go). All you have to do is find a song the whole family likes.

Technology

# Smartphone? Smarter car.

Social media. Entertainment. Maps. Everything you need for in-car infotainment, and more. SEAT Navigation System comes with USB, Aux-in, SD card slot, Bluetooth®, Audio streaming and 8 speakers. You can control your world from your 6.5" colour touchscreen. Smart just got simpler.

Model shown: Alhambra XCELLENCE in Romance Red Metallic Paint.

## Safety

# Everything to keep them safe.

Nothing matters more than their safety. The Multi-Collision Braking System automatically initiates braking after the vehicle suffers a collision. Tiredness Recognition actively monitors your surroundings, and responds accordingly. And with the comprehensive airbag system, everyone is protected. Think about it once, and then know it's taken care of.

# Your way.

# The time's come to set the rules.

# Your Alhambra.

We've made it really simple to pick the SEAT Alhambra that's right for you. There are 3 individual trims, each with their own unique equipment and appeal.

**1** Pick the trim that sounds like your kind of car.

**2** Choose the engine that suits you.
