

**The new  
SEAT Arona.**

**Do your thing.**

# The crossover has landed.

Be this. Go there. Drive that. Life is full of voices telling you what to do. The truly bold listen to their own voice. Strike their own path.  
And now there's backup. The new SEAT Arona is the city crossover built for the fearless. Smart. Powerful. Dynamic. So you can get out there and do your thing. Whatever that might be.

Model shown: Arona FR Sport in Desire Red special metallic paint with Midnight Black roof.

# Created in Barcelona.

Barcelona, 1953. The First SEAT rolls off the production line. Six decades later, SEAT cars are being driven in over 80 countries across the world. Beautiful Barcelona remains the heartbeat of SEAT. A city that is the inspiration of what we do.

We are even blessed with 50% of the energy we use to make our cars from the sun that beats down on this special place. Vibrant, exciting, passionate. The spirit of Barcelona is the spirit of SEAT. You can't help being moved by it.

## Take the Easy Route.

You know where you're going and SEAT is here to make getting there that bit easier. If it doesn't make life easier and help you make those big moves, then what's the point?

## Want more. Get more.

How do you want it? That's how you'll get it. The new SEAT Arona lets you pick what's right for you. Orange on grey? Done. Black on red? Naturally. With the bi-colour roof available as standard, whatever you choose, the new SEAT Arona lets you express yourself, your way.\* Do your thing with the new SEAT Arona in three simple steps. Simply: Pick your favourite trim, choose the engine that suits you, and then personalise your Arona with your favourite colour and contrasting roof.

\*For full bi-colour roof combinations and availability, see page 42.

## How's the view from up there?

Stand out, for all the right reasons. The new SEAT Arona commands the road with its hot stamped, chrome detailed front grille and higher driving position. From here, it's easy to plan the next move. With the Rear view camera and Park Assist, make urban driving a breeze and parking easy, even in a tight spot. Do your thing, with confidence.

## Turn heads. Conquer hearts.

From the custom 18" alloy wheels to its blistering lines, the new SEAT Arona says it all, without saying a word. Because style isn't just about looking good. It's about making it look easy. The new SEAT Arona also features an 'X' detail in the C pillar, which stands for crossover. Push the boundaries, blur the lines and show the world you've got style, with class.

## See further. Go further.

Brighter than the rest. The new SEAT Arona is equipped with the latest full LED headlights and rear LED taillights. So you've got the power, and the vision, to go the distance. # In your space, it's limitless.

When you've got big plans, you need plenty of room. Stretch out. Enjoy a quality of finish that feels just right. And take command of your drive. It's all right where you want it. And with a boot space of a massive 400l, you've got all the room you need to do your thing. Question is, how are you going to fill it?

Model shown: Arona FR in Desire Red special metallic paint.

# Everywhere. All the time.

Be where you need to be, without being there at all. The new SEAT Arona's Wireless Charger and GSM Amplifier means everything's charged, at full signal and ready to go. Full Link smartphone integration with Mirror Link, Apple CarPlay and Google Android Auto, seamlessly integrates your smartphone with your media system, keeping you connected to your digital world at the touch of a button, adding total connectivity and control.

## See them coming. Easily.

Not everyone pulls the smartest moves. Sometimes, they'll come out of nowhere. So the new SEAT Arona's there for you, alerting you to anything in your blind spot that presents a hazard, and rear cross traffic alert is there to make sure the coast is clear when reversing out of a parking space. Let them do their thing. You can do yours.

# Your Arona.
