TECHNOLOGY TO ENJOY

## INSIDE SEAT

In 1953, with the very first SEAT, the dreams of one country started to move forward. Today, more than 60 years later, our technology has evolved with a very focused aim: to make beautiful things happen every day in the world...

Engineers get inspiration from all they see and experience. SEAT is inspired by Barcelona, where design goes through the essence of beauty. And we combine our design, with the top technology and quality standards of the Volkswagen Group.

Our history is built by the stories of millions of people. And we will always be driven by our customers, because all that we want to do is to provide technology to be enjoyed by you.

<sup>3</sup>Official fuel consumption according to EU Directive 99/94. The consumption calculation according to 1999/100/EC is based on the actual unladen weight of the vehicle. Additional specifications can lead to a higher weight class and hence to consumption figures of this higher weight class. The driving style, road traffic conditions, environmental influences and vehicle condition can in practice lead to consumption figures which may differ from those calculated within this standard.

Plus it's fully transferable to the new owner (and subsequent owners) should you sell your car – enhancing the resale value of the car.

Taking out a SEAT Extended Warranty is easy, you can choose the warranty to last until the end of the 4th year/up to 75,000 miles or until the end of the 5th year up to 90,000 miles (age or mileage, whichever comes soonest).

You'll enjoy all the following:

/ Exactly the same cover as the original manufacturer warranty.

/ No limit to the number of claims, no excess and no need to pay and reclaim (within the UK)

/ Repairs carried out by a member of the SEAT authorised network using SEAT genuine parts.

/ Simple process to have the repairs done. Just contact your SEAT Dealer and take your policy with you when you drop your car in.

These Extended Warranties are only available at the time of ordering a new SEAT.

# SOLUTIONS PERSONAL CONTRACT PLAN (PCP)

Making your budget go the extra mile

Solutions (PCP) is a flexible finance package that really puts you in the driving seat. Solutions offers flexibility – from your deposit and monthly repayments to what you do with your SEAT at the end of the agreement.

By paying a small deposit (as little as a single month's repayment) over a period from 18 months up to four years, you can enjoy a plan individually suited to your needs and monthly budget.

Solutions takes away the worry of depreciation because a proportion of the value is left until the end of the agreement (the optional final payment), which acts as a guaranteed minimum future value. By doing this, you can lower your monthly repayments or make your budget stretch even further with a higher spec.

The options are wide open with Solutions.

### DECISION TIME

1. Choose a repayment period and annual mileage.
2. Pay your deposit which can be made up of cash or a part exchange.
3. Agree the number of repayments.

**Setting the deposit and repayment term helps create the right combination for a monthly payment budget.**

### AT THE END OF YOUR AGREEMENT YOU HAVE 3 OPTIONS

1. Part exchange your existing car for a new SEAT.
2. Pay the optional final repayment and keep your SEAT.
3. Hand the car back (subject to terms and conditions).

### IMPORTANT INFORMATION TO CONSIDER

/ You may end your agreement earlier than the full term. However, depending how far you are in to your agreement will affect the final amount left to pay.

/ If you exceed the anticipated mileage agreed at the start of your agreement and intend to return the vehicle then excess mileage charges will apply.

/ It is important to keep the vehicle in good condition as this will affect the value of the vehicle. If returned you may be charged for any damage that goes beyond fair wear and tear, if you choose to return your vehicle.

## COST OF YOUR CAR

### DEPOSIT

As little as one repayment

### AMOUNT TO FINANCE

Divided into any choice of 18 to 48 fixed repayments

### ADDITIONAL FINAL PAYMENT

You have three choices at the end of your agreement

An offer of finance depends on certain conditions. Finance subject to status. Available to 18s and over. Terms and conditions apply. SEAT Finance.
