

Mii BY MANGO

ENJOYNEERING

PRÊT-À-PORTER

Ready to Drive

You are quick to spot the latest trend. But you also seek affordable quality, beauty and efficiency. It all needs to fit into your daily life. Get to work, early meetings, shop, meet friends, have fun. You deserve a car that understands your lifestyle. Meet the New SEAT Mii by MANGO. Starting now, parking spaces will be bigger. Rush hour traffic lighter. Even your favourite restaurants will suddenly seem closer. For the first time ever, SEAT has partnered up with MANGO, another powerful Barcelona-born fashion brand to create a special edition of our popular city car, a compact car that's brimming with style, design and attitude.

Once you sit behind the leather steering wheel, you'll know that the SEAT Mii by MANGO is a quality compact car. Topping a list of distinctive design features, is the Mii by MANGO's attractive exterior, available in unique Nude or Deep Black paint with contrasting exterior side mouldings, 15-inch alloy wheels and "Mii by MANGO" lettering on the rear and sides. Say hello to a refreshingly urban chic car that will take you from work to weekend in top style. Prêt-à-porter!

MODEL CITY CAR

Go from day to night

The New SEAT Mii by MANGO is highly versatile and fits effortlessly into any urban environment. Whether you opt for the 3dr or 5dr body style, the stylish interior optimises space with clever design features. On the 3dr, the front seats smoothly fold and slide with the Easy Entry system. If your agenda calls for more space, the 5dr model blends compact charisma with practical city living, thanks to its spacious cabin offering comfortable seating for four and a generous boot.

When it comes to equipment, the Mii by MANGO packs the latest safety technology, including ESC, ABS, front and lateral airbags for both driver and passenger, head-thorax airbags, passenger airbag deactivation, and iSOFIX anchoring points with Top Tether on both rear seats. For added comfort, besides the standard air conditioning and 12V socket in the centre console and front electric windows, the Mii by MANGO lets you sit back and enjoy the ride with the CD/MP3 audio system + AUX-in, and SEAT Portable System, while always feeling safe thanks to the hill hold control and remote controlled central locking.

RUNWAY PERFORMANCE

Bursting with Energy

A car this special needs to be agile and responsive. Be it circling around the city or out on the open road, the New SEAT Mii by MANGO struts the streets with absolute confidence. The 1.0 75 PS engine is designed to achieve maximum performance with amazingly low fuel consumption.

The SEAT Mii by MANGO is equipped with a range of active and passive safety systems, such as ABS installed as standard, combined with Electronic Stability Control (ESC), for assured, progressive braking.

Super compact, super-efficient, super good-looking.

UNIQUE LIKE YOU

Tailored Accents

A good design is timeless, adaptable, and effortless. It's about using the right materials, outside and inside. The customised finish of the New SEAT Mii by MANGO will make you stand out. Available in two colours Nude or Deep Black, the exterior is trimmed with stylish details that reflect high design. Special side mouldings, 15-inch alloy wheels and grey or chrome mirror covers create a winning look that's finished off with the Mii by Mango badge.

Like a favourite tailored outfit, inside you'll love the feel of the SEAT Mii by MANGO's Alcantara seats, leather gear knob, steering wheel and handbrake with attractive nude stitching. The front and rear seats carry the exclusive "Mii by MANGO" lettering stitched onto headrests. Distinctive door steps give way to the elegant black interior defined by subtle accents including driver's sun visor and mirror matching flawlessly with specifically designed floor mats, door sills and key cover.

It's much more than a fashion statement.

GETTING AROUND

Worry-free

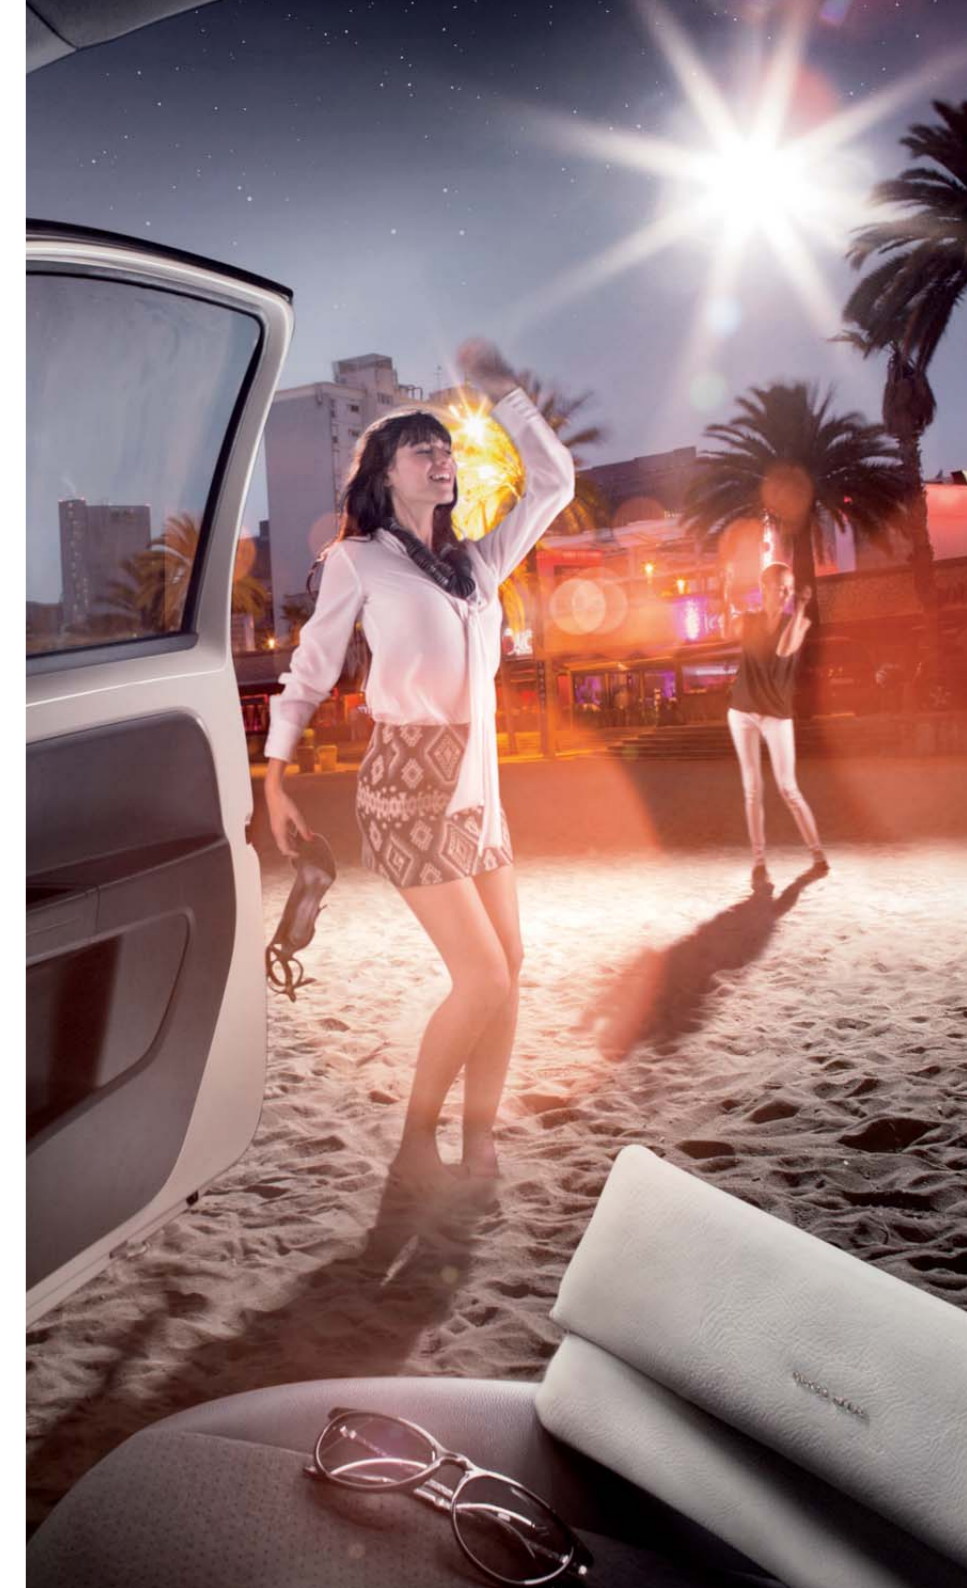

Be it for work or fun, driving is about getting there on time, comfortable and safe. That's why the SEAT Mii by MANGO is fitted with the latest active and passive safety features, to ensure easy short or long-distance travel, backed up by driver and passenger head and chest airbags and seatbelt warning.

When it comes to stopping power, ABS is standard-fit, combined with Electronic Stability Control (ESC), making for assured, progressive braking. Don't forget the SEAT Mii has been awarded the maximum five-star Euro NCAP safety rating*.

Now you can enjoy every trip worry-free.

ADVANCED MANAGEMENT SKILLS

Technologically Fun

The SEAT Portable System Live* and the following features are standard: Navigation, Radio/CD/MP3, Live Services, SEAT call App, on board computer and Bluetooth®.

NAVIGATION.
The SEAT Portable System Live* is a standard feature and comes equipped with satellite navigation that allows you to select alternative routes using the 5" colour touch screen. You can also use voice command to enter your destination and get real-time traffic information by connecting to online search via Bluetooth® tethering on your smart phone. Or use hands-free Bluetooth® to access your contact list and make calls through the car's speakers.

RADIO/CD/MP3.
The media system gives you total control of your SEAT Mii audio environment. You can select radio stations by name or icon, view a diagram of the car's interior and adjust volume, bass and treble for each individual area. Activate the CD and MP3 option to navigate your CD collection song by song, or search for tracks by folder. The system includes a Micro SD slot for your MP3 player as well as Bluetooth® tethering to listen to music from your mobile, to keep your SEAT Mii music library up to date.

LIVE SERVICES AND SEAT CALL APP.
Stay connected on the road with online search. Get real-time traffic information, including best route recommendations and current traffic situation, as well as weather updates and access to online destination info along the road. Use the SEAT CALL for one-click access to SEAT Service Mobility and SEAT Customer Care when you need it most.

ON BOARD COMPUTER.
All the information you need at the touch of a button. The on board computer monitors the live status of your Mii and the SEAT Portable System* gives you a heads-up display of the information. For example, instantly checks current fuel consumption and projected mileage, so you'll know exactly when the next refill is due. You'll have access to a host of other key data too, like outdoor temperature, coolant level and a digital rev counter.

* Includes one month free Live Services. Lifetime service available for purchase at Garmin Fresh shop. To find out more please contact your local dealer.

FASHIONABLE COMFORT

To suit your needs

The New SEAT Mii by MANGO clearly makes a statement. An attractive, freshly modern interior and exterior design becomes even more appealing when paired with the right equipment lineup of innovative features. That's why this car connects with your lifestyle.

The Nude colour features Atom Grey door mirrors and wheels which complement the chrome mouldings. While the Deep Black version goes for a bolder look with chrome door mirrors and details combined with eye-catching alloy wheels in silver. Both versions flaunt exclusive Mii by MANGO logos on the boot and sides.

There is no doubt that the SEAT Mii by MANGO brings together the best of two worlds and two brands. SEAT and MANGO. Innovative design and technology meet urban fashion.
