

 SEAT

TOLEDO

ENJOYNEERING

The New SEAT Toledo has been designed with the strictest guidelines in mind. Change for the better and not just for the sake of it. Innovate without forgetting the good things you have. Make technical improvements but don't sacrifice the way it feels. We call it: **ENJOYNEERING.**

KEEP THE ROADS BEAUTIFUL

When it came to developing the New SEAT Toledo, we asked ourselves some searching questions. Could design be improved on? Could performance be enhanced? Could emissions be lowered? Could space be better utilised? The answers are here for everyone to see. The New SEAT Toledo turns heads wherever it goes. It has more space in the back and a cavernous boot. It can be specified with a DSG-auto gearbox that's smoother than ever. It delivers high performance with exceptionally low emissions. The New SEAT Toledo is stunning. But what makes it truly beautiful is that it's so affordable.

PRACTICAL IS NOW MORE DESIRABLE

The New SEAT Toledo is a real eye-opener. It combines the understated elegance of a coupe with the practical versatility of an estate, to create the look of a perfect family car. Precise design lines, edges and surfaces together with broad, angular headlamps and horizontal rear light clusters give it a real visual breadth and fit perfectly within current SEAT brand thinking and design DNA. The rear end is something special too. Here you'll find a more than generous boot with over 550 litres of space. And despite its elongated rear deck we've designed it to hinge and open as a hatchback, making it as accessible as it is attractive.

FIND INNER FREEDOM

Sit back, stretch out and relax. You're in the new SEAT Toledo. Whether you're behind the wheel, or enjoying the journey as a contented passenger in the spacious cabin, there's plenty of head and legroom all round. A beautiful, stylish interior, with high quality seats and upholstery, creates a relaxing environment, and superior levels of craftsmanship and finish come as standard. To complement the feeling of relaxation, the SEAT Media System 2.2 with satellite navigation and DAB radio is an option, so you can easily find your way around town, or just listen to your favourite station in perfect clarity. The New SEAT Toledo is quite comfortably one of the most comfortable family cars around.

A THING OF BEAUTY. AND ECONOMY

The New SEAT Toledo isn't just all about style, it's a car of real substance too.

The 7 speed direct shift DSG gearbox delivers effortless, smooth transmission for a ride that feels more like a glide. Economy levels rise with our Ecomotive engines, which consume less fuel and emission levels fall to as low as 104 g/km. Our range of TSI and TDI engines have been built with one single aim, to be the most reliable on the road. Of course, they're powerful, generating up to 122PS, but it's how you get there that's most important to us, rather than how fast.

2802 TLO

TOLEDO

TECHNICALLY SPEAKING, IT'S BRILLIANT

FRONT HEADLIGHT WASHERS Keeping the headlights clean and illuminating the road ahead.

LEATHER STEERING WHEEL STITCHING Feel the quality every time you touch the wheel.

LEATHER DSG GEARKNOB A smooth feeling as you go through the gears.

SUPER SIZED BOOT 550 litres of space and opens like a hatchback for ease of use.

PEACE-OF-MIND INCLUDED

Whether you're the driver or the passenger, front or back, in the New SEAT Toledo your safety is our number one priority. That's why, as well as standard driver's airbag there are passenger airbags front and side, front passenger airbag suppression, head side curtain airbags and seat belt reminders. And this is why, when you add in features such as ABS, ESC, ISOFIX rear seats and Top Tether, the New SEAT Toledo is one of the safest family cars on the road. It's something we think about all the time, so you don't have to worry about it at all.

REAR PARKING SENSORS

When you own such a beautiful car, naturally you'll want to keep it that way. The rear parking sensors will help you keep a safe distance between your Toledo and the car behind, so you never get too close when you reverse or park.

HILL HOLD CONTROL

The Toledo is designed to expect the unexpected. Hill Hold Control stops your car rolling back during hill starts by applying a two second delay in releasing the brakes.

AIRBAGS

In the Toledo safety is the number one priority. A full complement of airbags are standard-fit.

E

- / 15" steel wheels
- / Front electric windows
- / MP3-compatible CD player with AUX-in
- / Four speakers
- / ESC (Electronic Stability Control) with EBA
- / Driver and front passenger airbag
- / Passenger airbag disconnect
- / Combined head-thorax front side airbags

¹ The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of horsepower). To convert from metric to imperial horsepower, divide the PS by 1.0139.

² Where law permits.

³ Official fuel consumption according to EU Directive 99/94. The consumption calculation according to 1999/100/EC is based on the actual unladen weight of the vehicle. Additional specifications can lead to a higher weight class and hence to consumption figures of this higher weight class. The driving style, road traffic conditions, environmental influences and vehicle condition can in practice lead to consumption figures which may differ from those calculated within this standard.

FREEDOM OF CHOICE

Beauty, comfort and unrivalled technology come as standard in the new Toledo. But that's just the beginning of the story. Upgrade and accessorise your car, with infotainment systems, roof bars and transportation racks and more. Every accessory is designed specifically for your SEAT and comes with a two-year warranty unless stated otherwise.

AUTOGLYM LIFESHINE.
An advanced system of bodywork, glass and interior treatment used to give your car maximum protection to maintain showroom appearance. Applied by trained staff at your SEAT dealer.

CENTRAL ARMREST.
Adapted to fit the vehicle console, cloth-covered, ergonomic design for improved comfort. All items for installation are included.

450L LUGGAGE BOX.

BIKE HOLDER.

SURFBOARD RACK.

SKI/SNOWBOARD RACK.

REAR BUMPER PROTECTION FILM.

Clear film that adapts to the shape of the rear bumper. Protects the bumper when loading and unloading.

FRONT AND REAR MUD FLAPS.

Protect the chassis from objects thrown up by the wheels when in motion.

ROOF BARS.

Front and rear roof bars with anti-theft system.

NEXTBASE CLICK 9 LITE DUO PORTABLE DVD SYSTEM

You can relax knowing that back-seat passengers will be entertained all the way with this dual-screen DVD player. Includes two 9-inch portable, high resolution TFT screens with LED backlight technology. Mounting system with click-and-go intelligent car mounting to hold screens and make it easy to fit and remove screens. Includes two sets of wireless headphones.

VEHICLE SAFETY KIT.

Includes first aid kit, warning triangle, torch and high-vis vest.

SILL GUARDS.

Sill guards that adapt to the shape of the door sills to protect the doorframe from scratches and impacts.

DETACHABLE TOWBAR.

Removable tow bar with security system. A colour indicator system makes for easy placement of the hook. Excludes electrics and tow bar cover (available separately).

UPHOLSTERY

MENAR FW

Continue your adventure online

The online configurator is the quick and easy way to visualise your ideal SEAT Toledo. Select your choice of upholstery pattern and colour, and then choose the trim colour you prefer. You can save, download, and even share your ideal interior.

SEAT FINANCE

Your simplest route to a thrilling drive

Before you settle on a model, spec and finish, Solutions from SEAT Finance can help create an effortlessly affordable drive that's tailored just for you.

Solutions is different because you defer a proportion of the car's value until the end of the agreement, giving you significantly lower monthly repayments than if you'd taken out a loan....ever heard of a bank being so imaginative?

Want a higher spec SEAT? Our Solutions personal contract plan could help you drive off with more of a SEAT than you were expecting.

Totally flexible, you get to choose the size of your deposit (from as little as one monthly payment), and a repayment period which suits you and at the end of the term you have three options to choose from.

1. Part-exchange your car for a brand new SEAT on a new Solutions contract.
2. If you love your SEAT and can't bear to part from it, pay the optional final payment and keep the car.*
3. Or return the car to us (subject to terms and conditions).

Ask your local dealer's financial expert what Solutions can do for you and for a personalised quotation – it's more rewarding than you think.

*Subject to terms and conditions and payment of the option to purchase fee. An offer of finance depends on certain conditions. Subject to status. Indemnities may be required. Available to over 18s in the UK only. SEAT Finance.

THE SEAT WARRANTY

THREE-YEAR WARRANTY.

All new SEATs registered in the UK come with a three year/60,000 miles warranty, which protects your car against the failure of most mechanical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 (whichever is soonest) Dealer Warranty. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. If an additional warranty for subsequent years or higher mileage is desired, it may be purchased from an authorised SEAT dealer or repairer, however, this additional warranty must be purchased before the mileage reaches 60,000. Cover is subject to the car being serviced and maintained according to the manufacturer's technical guidelines. Full details of the three-year warranty are available from your SEAT dealer or repairer.

THREE-YEAR PAINT WARRANTY.

The paintwork of the Toledo is covered against manufacturing defects for a period of three years. Naturally, the Toledo must be cared for in compliance with the operating instructions which will be found in your vehicle handbook. Please consult your authorised SEAT dealer or repairer for full warranty details.

TWELVE-YEAR BODY PROTECTION WARRANTY.

The internal body sections and panels of the Toledo is covered against rusting through from the inside for a period of twelve years. Naturally, the Toledo must be cared for in compliance with the operating instructions which will be found in your vehicle handbook. Please consult your authorised SEAT dealer or repairer for full warranty details.

SEAT PARTS WARRANTY.

SEAT parts and accessories supplied after new vehicle delivery are covered by our 24 months parts warranty.

SEAT ACCESSORIES.

Every accessory is designed specifically for SEAT and is fully tested to our high quality standards. All accessories unless otherwise stated come with a two year warranty, extended to three years when purchased and fitted prior to delivery of a brand new vehicle, and what's more, they can be fitted by SEAT approved technicians.

SPECIFICATIONS.

Specifications for the Toledo refer to Model Year 2013. While SEAT makes every effort to make sure that specifications are accurate at time of going to press **(11/12)**, you should always check details with your SEAT dealer as there may have been changes in view of SEAT's policy of continuous product improvement. The right is reserved to change specification and colour at any time. The information in this brochure can therefore be given as guidance only.

SEAT ASSISTANCE (INCLUDING EUROPEAN COVER).

Any new SEAT purchased and registered in the UK from an authorised SEAT dealer, is covered free by SEAT Assistance (including European cover) for roadside repairs or recovery to an authorised repairer for a term of two years. Your member of the SEAT authorised network will ensure that all servicing and repairs are carried out in accordance with the manufacturer's instructions. Terms and conditions apply.

SEAT FINANCE.

SEAT Finance specialises in providing funding solutions for SEAT drivers. Whether your SEAT is for private or business use, you can choose from a range of funding options.

Here is our full range of finance products.

- / Solutions – a personal contract plan
- / Hire purchase
- / Finance lease
- / Lease purchase
- / Contract hire

With all of our finance products you can choose one of our fixed-cost maintenance plans designed to help you budget accurately. No matter what finance product you choose, your local SEAT dealer will be able to provide you with a personalised quote that could meet your budget and vehicle needs. SEAT Finance is a trading name of Volkswagen Financial Services (UK) Limited. An offer of finance depends on certain conditions. Available to people over 18 in the UK only.

TEST-DRIVE A SEAT.

To arrange a test drive at your nearest dealer, or for any questions you may have about SEAT, visit our website at seat.co.uk or call us on FREEPHONE 0500 22 22 22.

FUEL CONSUMPTION INFORMATION.

The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular vehicle. The individual vehicles have not been tested and there are inevitable differences between individual examples of the same model. In addition, a vehicle may incorporate particular modifications. Furthermore, the driving style and road and traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption.

VEHICLE EXCISE DUTY AND CO₂ EMISSIONS.

All vehicles first registered on or after 1st March 2001 are subject to a form of Vehicle Excise Duty (Road Fund Licence) based on the type of fuel the vehicle uses and its carbon dioxide (CO₂) emission level, measured in grammes per kilometre (g/km).

OPTIONAL EQUIPMENT.

Throughout this publication, wherever a feature is described as being an 'Option' or 'Optional Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. Any vehicle ordered with optional equipment (other than metallic paint) will be subject to a 12 week minimum delivery period.

We are Spanish and German. We are passionate perfectionists. We are emotional technologists. Everything we know, is everything you feel. We give design a purpose. We bring technology to life. We call it ENJOYNEERING. We are SEAT.

SEAT recommends  **EDGE** *PROFESSIONAL*

SEAT is committed to a policy of continuous product development and reserves the right to make changes to specifications, colours and prices without notice. Some illustrations in this brochure may depict left-hand drive models. Consequently, controls and some items of equipment may differ or not appear on UK models. The information in this brochure can therefore be given as guidance only. While SEAT makes every effort to ensure that specifications are accurate at the time of publication (**November '12**), you should always check with your authorised SEAT dealership for the latest information. These vehicles and all their parts, as well as the original spares, were designed according to the Legal Regulations governing the prevention and minimisation of Environmental Impact, through the use of recycled/recyclable materials, with measures taken to achieve suitable recycling for the conservation and improvement of environmental quality. SEAT UK has made provision for the correct disposal and recycling* of all SEAT Vehicles when they are delivered by the customer to its national network of Environment Agency authorised treatment facilities. This service is offered at no cost to the last holder and applies to SEAT vehicles of any age which are substantially complete. The service is provided by Cartakeback.com and to find your nearest facility contact 0845 257 32 33 or browse to www.cartakeback.com.

*Since 2006 all vehicles returned to SEAT were certified by UK Government to be recycled to 85%.
