

SKODA

The new Kamiq

Explore your many sides

Exploring is part of who we are. From everyday discoveries to great voyages, you need a bold companion to explore the world. To explore yourself. Someone like the new Škoda Kamiq. With the Kamiq, the go-anywhere capabilities of the small SUV are packaged in a playfully creative design. Inside, it is as attractive and functional as ever with a long list of comfort, connectivity and safety features. Life is made easier with touches of everyday magic like the LED headlights, Climatronic panel and an immersive infotainment display. That's the smart way to explore. That's what we call Škoda.

Introducing the new Kamiq.

Pricing valid as of 6th February 2024.

* The recommended 'on the road' prices and any VED charges quoted reflect the VED charges which apply to vehicles registered after 1 April 2023. Choice of wheels and other options may affect fuel consumption, BiK and emissions data (which may affect the amount of VED payable and therefore the ROTR price). The price and charges you pay may differ from any prices or charges displayed or quoted before 1 April 2023.

From 6 April 2020, the official CO₂ emissions values used to calculate benefit in kind (BIK) charges for fleet channels will change for passenger car registrations in the UK. This is due to a change in the method of testing. The BIK charges quoted reflect the charges which apply to vehicles registered after 6 April 2020. These charges may differ from any charges displayed or quoted before 6 April 2020.

Information regarding tyre technical specifications can be found by visiting the Škoda car configurator [here](#).

VED (Vehicle Excise Duty) from 1st April 2023

VED Band	CO ₂ (g/km)	Petrol car/diesel car* (tax class 48 and 49) 12 months	Diesel car** (tax class 49) 12 months	Alternative fuel car (tax class 59) 12 months
A	0	£0	£0	£0
B	1-50	£10	£30	£0
C	51-75	£30	£130	£0
D	76-90	£130	£165	£120
E	91-100	£165	£185	£155
F	101-110	£185	£210	£170
G	111-130	£210	£255	£200

M	over 255	£2,605	£2,605	£2,595

OTR (On The Road)

Recommended 'On The Road' prices include delivery, 12 months Road Fund Licence, DVLA First Registration Fee and apply to the UK only.

VED (Vehicle Excise Duty)

All vehicles will be subject to Vehicle Excise Duty based on the fuel type of the vehicle and its carbon dioxide (CO₂) emissions level, measured in grams per kilometre (g/km). Due to changes in vehicle emissions data, CO₂ figures may differ on these vehicles if taken from current Škoda UK stock.

Vehicle Excise Duty (VED) is correct at time of publication, but this may alter to reflect any change in the applicable VED rate.

* This rate applies to diesel cars tested to real driving emissions step two (RDE2) standards.

** This rate applies to diesel vehicles that do not meet the real driving emissions step two (RDE2) standards.

Note: Vehicles with a list price exceeding £40,000 (including factory installed options, delivery charge, number plates and VAT) will pay an additional £390 plus the standard rate VED from year 2 to, and including, year 6. After the 6th year only the standard rate VED will apply.

Based on Kamiq SE 1.0 TSI 95PS

P11D value		£23,765.00
Company car BiK tax based on CO₂ emission level		29%
Taxable BiK (for 2023/2024 tax year):	29% of £23,765.00	£6,891.85
Annual company car tax (2023/24)		
20% income tax	20% of £6,891.85	£1,378.37
40% income tax	40% of £6,891.85	£2,756.74
Monthly company car tax (2023/24)		
20% income tax	£1,378.37 divided by 12 months	£114.86
40% income tax	£2,756.74 divided by 12 months	£229.73

Company car tax is based on the vehicle's carbon dioxide (CO₂) emissions. The higher the emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes. The table above will help you calculate your tax liability.

P11D (expenses and benefits)

The P11D value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

BiK (Benefit in Kind)

The BiK percentage value is based on the CO₂ emissions of the vehicle for the current tax year 2023/2024.

Explore beauty from every angle

Bold style for the everyday explorer. The perfect SUV for the city, the new Kamiq blends everyday comforts with adventure-ready capabilities, whenever you need them. As well as a bold look that constantly demands attention.

Dynamic front design

The eye-catching design starts in the front, with the wider grille, sharper headlights, and distinctive new bumper. Together, they give the new Kamiq a more solid, dynamic style.

Side view

Designed to protect passengers in the back from glare, the rear-tinted windows also beautifully draw attention to the Kamiq's signature Škoda design lines and precise edges.

Rear view

From the back, you'll notice the rear bumper with integrated diffuser and restyled rear lights. Together with rear reflectors, the taillights create the characteristic C-shape, making the Kamiq immediately identifiable. A family explorer with an impactful look.

 **Build your own**

Turn on the light show

The new Kamiq powerfully combines robust design with signature Škoda styling. This is design without compromise. Beauty without limits. A crossover that leads, but never follows.

Matrix LED headlights

As eye-catching as they are practical. The crystal-structured three-dimensional design is one of the most prominent visual features of the car, while advanced LED Matrix technology improves visibility for the driver.

Panoramic roof

From the outside, the panoramic sunroof embodies a sleek, stylish design. From within, it brightens the interior and opens the view of the sky above.

LED rear lights

Never go unseen thanks to bright LEDs and an immersive design. The crystalline elements of the rear lights, paired with the dynamic turn signal, will ensure you always attract the attention of those behind you.

Exploration begins within

Family-friendly, yet driver-focused and built for style, the new interior's dominant features include the 8" Digital Display and the new Infotainment display in the middle of the dashboard. The dashboard also boasts a choice of new upholstered décors made of fabric, microsuede or the new Carbon look. These are matched by the redesigned seat upholstery for all trim levels.

Models shown are not UK specification. Some of the equipment shown is optional.

Virtual cockpit

Replacing the traditional instrument dials, the dynamic 10.25" digital display can be customised with five views (Classic, Basic, Extended, Modern and Sports).

LED ambient lighting

Your interior, your way. The LED light strip located below the dashboard's decorative trim offers a choice between red and white colours to set off the atmosphere with a finishing touch.

2 front and 2 rear USB-C ports

With a pair of 45W fast-charging USB-C slots for both front and rear passengers, you can keep your devices charged at all times with ease.

8" Digital Display

The new Kamiq is now fitted as standard with an 8" Digital Display that offers three layouts—Speedometer, Tachometer and Digital. It is complemented on both sides by two backlit templates, which fluidly flow on from the display to create one coherent surface.

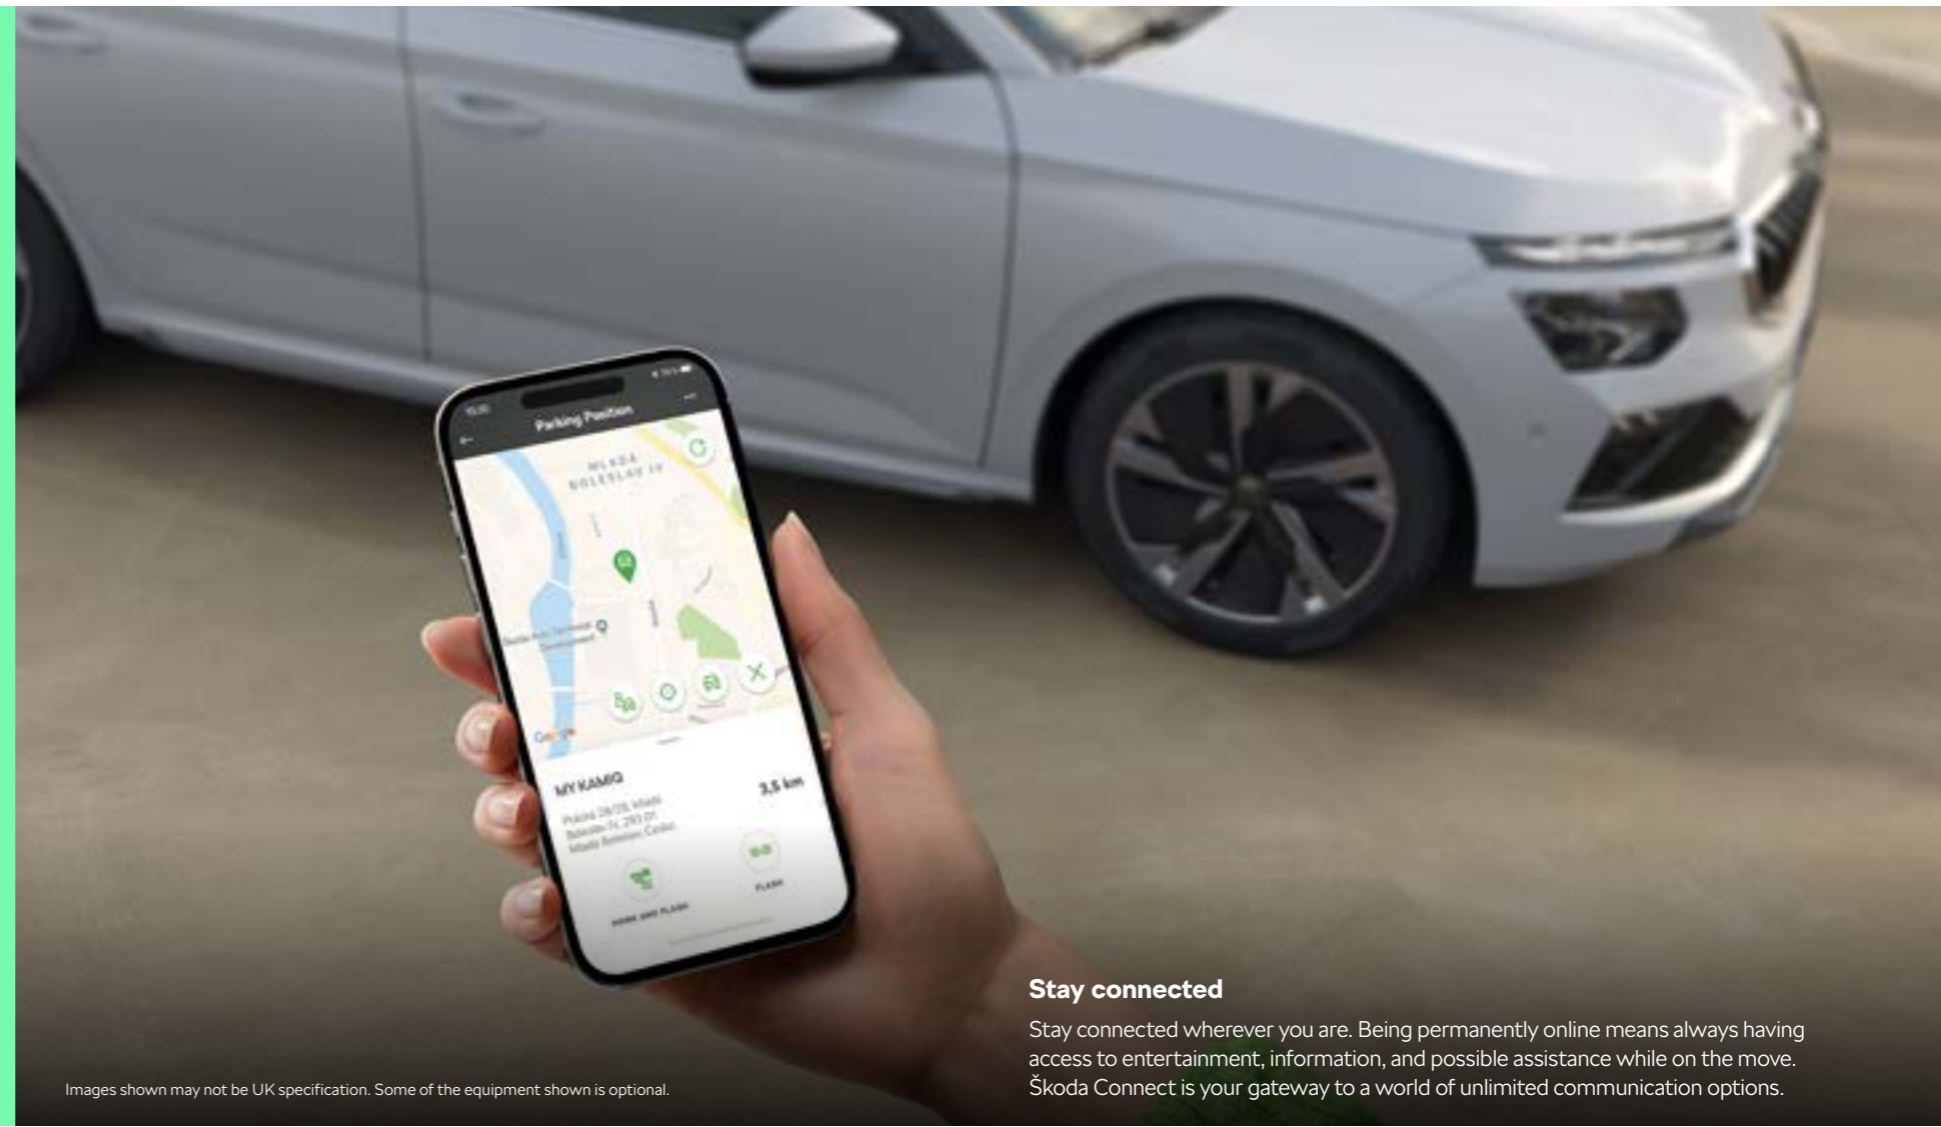

Innovation at every turn

Škoda Connect: stay online on the go

Your Škoda vehicle is your everyday companion – and thanks to MyŠkoda Essentials application you can go even further in interaction with your vehicle.

Depending on your equipment and activated packages, you can, for example, display your vehicle's parking location or make it blink its lights and honk; remotely lock, unlock your car or display notifications about low oil and wiper fluid level or active your air conditioning. This service is complimentary with your new Kamiq for the first 3 years.

Images shown may not be UK specification. Some of the equipment shown is optional.

Stay connected

Stay connected wherever you are. Being permanently online means always having access to entertainment, information, and possible assistance while on the move. Škoda Connect is your gateway to a world of unlimited communication options.

Wireless SmartLink

With the SmartLink feature, supporting Apple CarPlay and Android Auto, the car's infotainment system allows you to use your phone safely while driving.

Navigation system

Stay up to date with Online Traffic Information, saving you the time and stress of sitting in traffic jams. If enabled, the navigation system will automatically recalculate your route to ensure you arrive at your destination just in time.

Emergency call

In the event of an emergency on the road, the Kamiq will automatically send an SOS signal for help to give you that extra peace of mind. It can also be activated manually by pressing a red button in the roof headlining.

Big on practicality

Wherever your exploring takes you, it's always good to have space for everything. Even better to have things well-organised and secured safely. With 400 litres of luggage space and various clever storage solutions, you'll never have to leave anything behind.

Packed with creativity

Style and substance has always been the Škoda design way. The Kamiq's spacious boot continues the trend, featuring a host of design touches that ensure your belongings stay in place and your car stays clean.

Net programme
Have everything you need secure and in sight. This set of three nets prevents your items from moving around while keeping them visible.

Cargo elements
The easy way to secure larger items, cargo elements are fixed to the floor using velcro and can be folded into any angle.

Double pocket
Keep your things organised with the double pockets on the rear sides of the front seats. The larger one is perfect for a small laptop, while the smaller one securely fits a smartphone.

Glasses compartment
A glasses compartment above the rear-view mirror can be used to store your sunglasses or reading glasses. They are protected from damage in their own dedicated pocket and you have the peace of mind that they will always be at your fingertips.

Images shown may not be UK specification. Some of the equipment shown is optional.

We've got you covered

You never know what you might encounter on the road. To ensure that the car is ready to handle any situation that may occur en route, additional assistants with multiple functions are on hand to keep you safe.

			
<p>Matrix LED headlights</p> <p>The LED Matrix headlights feature Matrix Beam Function. This allows you to use the high beams continuously, without blinding other drivers. Using a windscreen camera, the Matrix Beam Function responds to the traffic situation and turns off only some segments of the light. Other segments are turned on and illuminate the road.</p>	<p>Lane assist</p> <p>This feature monitors road markings and helps the driver to keep the car in lane by nudging the steering wheel in a direction away from the lane marking.</p>	<p>Rear view camera</p> <p>The rear view camera makes reversing and parking significantly easier. It shows the image of the situation behind the car on the infotainment system screen and displays guide lines to help you navigate through a difficult parking situation.</p>	<p>Front assist</p> <p>Using a radar in the front grille, this smart feature monitors the distance from the vehicle ahead and automatically brakes to avoid any collisions. The system also includes predictive pedestrian protection, which warns the driver via an audio/visual signal, as well as a gentle jolt of the brakes.</p>

New Kamiq SE

Packed with technology and increased driver assist systems, the SE delivers uncompromised safety and enjoyment behind the wheel.

Standard equipment

Wheels

- > 17" Stratos alloy wheels
- > Wheel bolts with anti-theft protection

Exterior

- > Full LED headlights with LED daytime running lights
- > Front and rear fog lights
- > Rear LED lights
- > Black roof rails

Interior

- > 'Loft' interior with black/grey upholstery
- > 2-spoke leather multi-function steering wheel (with paddles for DSG)
- > Height adjustable front seats with lumbar support

Entertainment and communication

- > 8.25" Škoda Infotainment display
- > Care Connect for 3 years
- > Wireless Smartlink
- > 4 x USB-C fast-charging ports

Safety and security

- > Alarm with interior monitoring, back-up horn and towing protection
- > ISOFIX-preparation for back seats
- > Front assist and lane assist
- > Emergency call
- > Hill hold control

Comfort and convenience

- > 8" digital instrument display
- > Traffic sign recognition
- > Dual-zone air conditioning
- > Rear parking sensors
- > Cruise control
- > Keyless Start/Stop

18" Fornax silver alloy wheels

Virtual cockpit with 10.25" display

'Loft' interior with black/grey fabric upholstery

Rear LED lights with dynamic turn indicator

Privacy glass and chrome window surround

9.2" Škoda satellite navigation with touchscreen display, web radio and voice control

New Kamiq SE L

With increased connectivity and a host of comfort-enhancing features, this trim provides the best of every world.

Standard equipment (over SE)

Wheels

- > 18" Fornax alloy wheels

Exterior

- > Rear LED lights with dynamic turn indicators
- > Chrome window frame surrounds
- > Chrome roof rails
- > Privacy glass

Interior

- > 'Lodge' interior with black fabric/grey microsuede upholstery
- > Grey microsuede decorative inserts with copper hotstamping
- > Ambient lighting in white/red
- > Rear centre armrest

Entertainment and communication

- > 9.2" Škoda satellite navigation with touchscreen display, web radio and voice control
- > Care Connect and Infotainment Online for 3 years

Comfort and convenience

- > Virtual Cockpit with 10.25" display
- > Light and rain sensors
- > Electrically adjustable, folding and heated door mirrors

Additional information

New Kamiq Monte Carlo

Our sporty legacy, now yours

In the true spirit of Škoda's rallying legacy, the new Kamiq Monte Carlo is ready to take you through the wintry mountains as well as into the glamorous city streets. A sporty style for a night on the town or a weekend out of it.

Models shown are not UK specification. Excludes drawers under driver and front passenger seats. Information regarding tyre technical specifications can be found by visiting the Škoda car configurator [here](#).

Standard equipment

Panoramic glass roof

Enhance your travel experience by lighting up the interior and, on sunny days, prevent dazzling passengers with the electric sun blind.

Alloy wheels

Turn heads and steal attention with the 18" Ursa black brushed alloy wheels.

Matrix LED headlights

They catch the eye and help you see. The three-dimensional design with crystal structure is one of the most prominent visual features of the car, while the advanced LED Matrix technology improves visibility for the driver.

Virtual Cockpit with 10.25" display

The dynamic 10.25" digital display can be customised with five views (Classic, Basic, Extended, Modern and Sports).

Stylish interior

The Carbon look dashboard pad and Carbon door inserts create an attractive, modern style, highlighted by the typical red accents on the upholstery. The multifunction sport steering wheel in perforated leather, sports pedal covers, and black headliner, create a dynamic atmosphere to amplify your driving fun.

Information regarding tyre technical specifications can be found by visiting the Škoda car configurator [here](#).

* Please note, if a tow bar or tow bar preparation is not fitted on the car, the VIN plate may not show any towing weights and the car will never be eligible for towing. As such it may not be possible to retrospectively fit a tow bar if the car is not fitted with tow bar preparation at Factory. Please speak to your Retailer to confirm the exact towing eligibility.

Škoda Financial Services

Škoda Financial Services offer a wide range of finance, insurance and servicing packages designed to fit your needs.

We specialise in providing simple and convenient funding options for drivers. The Solutions Personal Contract Plan offers a flexible, fixed-rate plan designed around your budget, by deferring a proportion of the car's value until the end of the agreement. This means a significantly lower monthly repayment compared to a loan or hire purchase agreement, so you can have more car for your money or just reduce the size of your repayments.

You choose the size of your deposit, from as little as one monthly payment, and a repayment period that suits you. At the end of the term, there are three options:

1. Part exchange your car for a new Škoda on a Solutions contract.
2. Pay the optional final payment to own the car.
3. Return the car (subject to terms and conditions).

Škoda Financial Services also offers hire purchase, contract hire and service and maintenance plans. Speak to your Škoda Retailer for your personalised quotation today.

T&Cs apply, Škoda Financial Services.

Škoda Car Insurance

Complimentary Škoda Drive Away Insurance

Every new and Approved Used Škoda comes with five days' complimentary insurance cover, getting you on the road quickly and easily so you can enjoy the things that matter. Škoda Drive Away Insurance is designed specifically for your Škoda and guarantees that your car will be repaired in a Škoda Approved Repairer. Speak to your Škoda Retailer for more details.

Subject to eligibility.

We will also provide you with an annual quote, with no additional questions asked, so you can continue to enjoy all the benefits Škoda Car Insurance offers.

Read on for more details.

Škoda Car Insurance

Škoda Car Insurance offers quality service and support when you need it most, with a policy tailored specifically for your Škoda. Just as you'd expect from Škoda, our annual car insurance provides comprehensive cover, with lots of benefits included at no extra cost.

Insure your car with Škoda and relax knowing we only use Škoda trained technicians, who know your car inside out, and Škoda genuine parts*, giving you the peace of mind that your Škoda will be repaired to the same high standards as before and to original manufacturer specifications.

*Excludes windscreen claims.

There's a lot to like about being a Škoda driver.

Alternatively, call us on **0345 246 9091**. Lines are open 8am-8pm Monday to Friday and 9am-5pm Saturday.

Škoda Car Insurance is underwritten by U K Insurance Limited. Calls may be recorded.

Škoda Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ("VWFS UK"), registered in England and Wales No.2835230 (registered office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR). Until 31st October 2022 Volkswagen Insurance Service (Great Britain) Ltd operates as an appointed representative of VWFS UK, after this date all references to Volkswagen Insurance Service (Great Britain) Ltd should instead be read as VWFS UK. VWFS UK is authorised and regulated by the Financial Conduct Authority. VWFS UK and U K Insurance Limited are not part of the same corporate group.

Škoda Gap Insurance

What is Škoda Gap Insurance?

If your Škoda is written off, your motor insurer will usually pay out based on the current market value of your vehicle. This could be a lot less than its original value and therefore may leave you with an unexpected shortfall.

Our Gap Insurance helps to cover the gap left by this shortfall to get you back in a new Škoda or help pay off any outstanding finance, lease or hire agreement.

There are two options for you to choose from:

Škoda Gap Insurance

This pays the difference between the write off settlement from your motor insurer and the price you paid for your Škoda or the outstanding balance payable to the finance company, whichever is the greater amount.

If your vehicle is leased or hired, Škoda Gap Insurance will cover the difference between the write off settlement from your motor insurer and the early termination charge. This includes any rentals paid in advance as a deposit.

Cover lasts for 36 months and the maximum claim limit is based on your vehicle purchase price.

Škoda Gap Insurance Plus

In addition to all the benefits of Škoda Gap Insurance, the Škoda Gap Insurance Plus policy includes a 12-month fixed benefit. This will start once your 36-month Gap Insurance cover ends.

If your vehicle is written off during the additional 12-month fixed benefit period of insurance, Škoda Gap Insurance will pay a fixed sum of £2,500.

Why choose us?

Škoda Gap Insurance gives you the financial protection your Škoda deserves. So you can relax knowing that if you need to make a claim, we could help you get back into a replacement Škoda.

To discover the additional benefits and full terms and conditions, please refer to the Cover Booklet.

For more information about Škoda Gap Insurance, please speak to your nearest participating Škoda Retailer or go online www.insurewithskoda.co.uk/gap-insurance

Škoda Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ("VWFS UK"). Registered office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR.

Škoda Gap Insurance is administered by Car Care Plan Limited and underwritten by Motors Insurance Company Limited. VWFS UK is not part of the same corporate group as Motors Insurance Company Limited and Car Care Plan Limited.

Service and maintenance

Our range of servicing and maintenance plans will help to keep your Škoda in prime condition. Plus, the price is fixed so you won't be caught out by any unbudgeted costs.

All our service plans use genuine Škoda approved parts and trained technicians so you know your car is in the hands of experts. Parts and labour also come with two years warranty too.

Service Plan for cars under a year old

This covers your first 2 services for a fixed payment, protecting you from inflation. You can choose to pay upfront or monthly across 24 monthly payments. The service plan includes a maximum of one oil service and one oil and inspection service with pollen filter change. The vehicle service regime affects the entitlement service plan if you choose to purchase this.

Our service plans are designed for customers that travel 10,000 miles or less per year. If you travel over 10,000 miles per year, or would prefer to add maintenance or tyres, then speak to your Škoda Retailer to create a more tailored service plan.

Exclusions, terms and conditions apply. Servicing must be carried out in line with the requirement of the service schedule. All work must be carried out at a ŠKODA Authorised Repairer. Additional work, including wear and tear, is excluded. Freepost ŠKODA Financial Services.

ŠKODA Financial Services is a trading name of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR Registered in England number 2835230.

Service intervals

When you order your Kamiq, you can choose whether your car is on a fixed or a flexible service regime. Your Škoda retailer will help you decide which regime suits how your car will be driven, enabling your car to stay in the best possible shape.

Fixed regime: service every 10,000 miles or one year (whichever comes first).

This is recommended if the vehicle is likely to be used in the following way:

- > Driven fewer than 10,000 miles per annum.
- > Mainly short journeys, driven mostly in towns or cities.
- > High vehicle loading/towing and frequent hill climbs.
- > Heavy accelerating and braking, using high revs.

Flexible regime: Sensors in the engine detect when a service is needed. A service light will show between 9,000 and 20,000 miles or up to 24 months (whichever comes first).

The flexible service regime is recommended for vehicles with a daily mileage of more than 25 miles where the vehicle is driven regularly and mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner.

Additional information – continued

Roadside assistance

A three year, European-wide, unlimited mileage Škoda Assistance policy comes free of charge with every new Škoda. There's a team of specially trained technicians who carry the right diagnostic equipment and parts to get you back on the road as quickly as possible in the unfortunate event of a breakdown.

Škoda Roadside Assistance 24-hour helpline: 0330 100 3243.

Provided in partnership with the AA. Exclusions and terms and conditions apply. For details please speak to your local Škoda Retailer.

Customer services

Talk to us on **03330 037 504**. No matter what the query, our dedicated call centre is always ready to listen. No matter how big or small the request, speak to one of our customer care advisors to see if they can help. The call centre is open Monday to Friday from 8.30am-5.30pm. You can also talk to one our advisors via live chat, open Monday to Sunday from 8am-10pm.

A network that's here to help

You can be sure that as a Škoda customer, your retailer will look after you from the moment you walk through the door and throughout the life of your Škoda. Your Kamiq will be serviced and maintained by specially trained Škoda technicians, and when you need a spare part you'll be happy to know that most are held in stock, or ordered within 24 hours. So if top class customer satisfaction is what you're after, the Škoda network will be there for you.

Motability

People who are in receipt of one of the following allowances, and have at least 12 months remaining on their reward, may be eligible for a vehicle via the Motability scheme.

Enhanced Rate of the Mobility Component of Personal Independence Payment (PIP), Higher Rate Mobility Component of Disability Living Allowance (HRMC DLA), War Pensioners' Mobility Supplement (WPMS), Armed Forces Independence Payment (AFIP), Higher Rate Mobility Component of the Child Disability Payment (CDP), or Enhanced Rate Mobility Component of the Adult Disability Payment (ADP).

For full details of the scheme, current model availability and pricing, please contact the Motability specialist at your local Škoda Retailer.

Warranty

Peace of mind with a Škoda warranty

In the first two years of owning your car, you'll get the peace of mind of a two year unlimited mileage warranty. In addition, you'll also get a further warranty on new vehicles supplied through the appointed retail network until the vehicle has completed 60,000 miles or the end of the third year, whichever is sooner. Your Kamiq also benefits from a three-year paint warranty and 12-year body protection warranty.

Exclusions and terms and conditions apply.

Owning a Škoda

Three-year vehicle warranty from new

First two years unlimited mileage.
Third year with 60,000 mile limitation, whichever is sooner.
Four to five years Optional Extended Warranty.

Three-year paint warranty

Up to 12 years body protection.

Exclusions and limitations

Wear and tear components will only be considered under the terms of the warranty for the first of six months or 6,500 miles, whichever is soonest. These include, but are not limited to brake linings and disc pads, clutch release bearings, clutch pressure plates and centre plates, tyres, wiper blades, seat and backrest covers, floor coverings, spark

plugs, batteries for key fobs and alarms, light bulbs and shock absorbers. Mechanical adjustments including but not limited to adjustments to doors, flaps, boot lids, bonnets and sunroof, brake adjustment, clutch adjustment, v belt adjustment, headlight adjustment, steering geometry adjustments and wheel balancing are excluded.

Damage (including but not limited to the following) is excluded:

- > Damage caused by your failure to take all reasonable steps to prevent mechanical damage from occurring.
- > Damage or defects caused by not having the vehicle serviced in accordance with the manufacturer's guidelines.
- > Damage or defects caused by improper use of the vehicle, neglect or use of the vehicle for motor sports activities.
- > Damage caused by an accident.
- > Damage to paintwork or chrome caused by external influences, such as climatic, chemical or industrial pollution.
- > Damage resulting from the use of non-original replacement parts.

Routine maintenance and servicing is not covered by the warranty. Incidental or consequential costs such as hotel charges, car hire, and loss of personal effects or income are not recoverable under the terms of the warranty.

Adding that little extra to your car

If the standard specification and factory fitted options aren't enough for you, then why not take a look at our range of retailer fitted accessories? A separate accessories brochure can be found at your local retailer, or can be viewed online at: skoda.co.uk/owners/accessories-and-merchandise

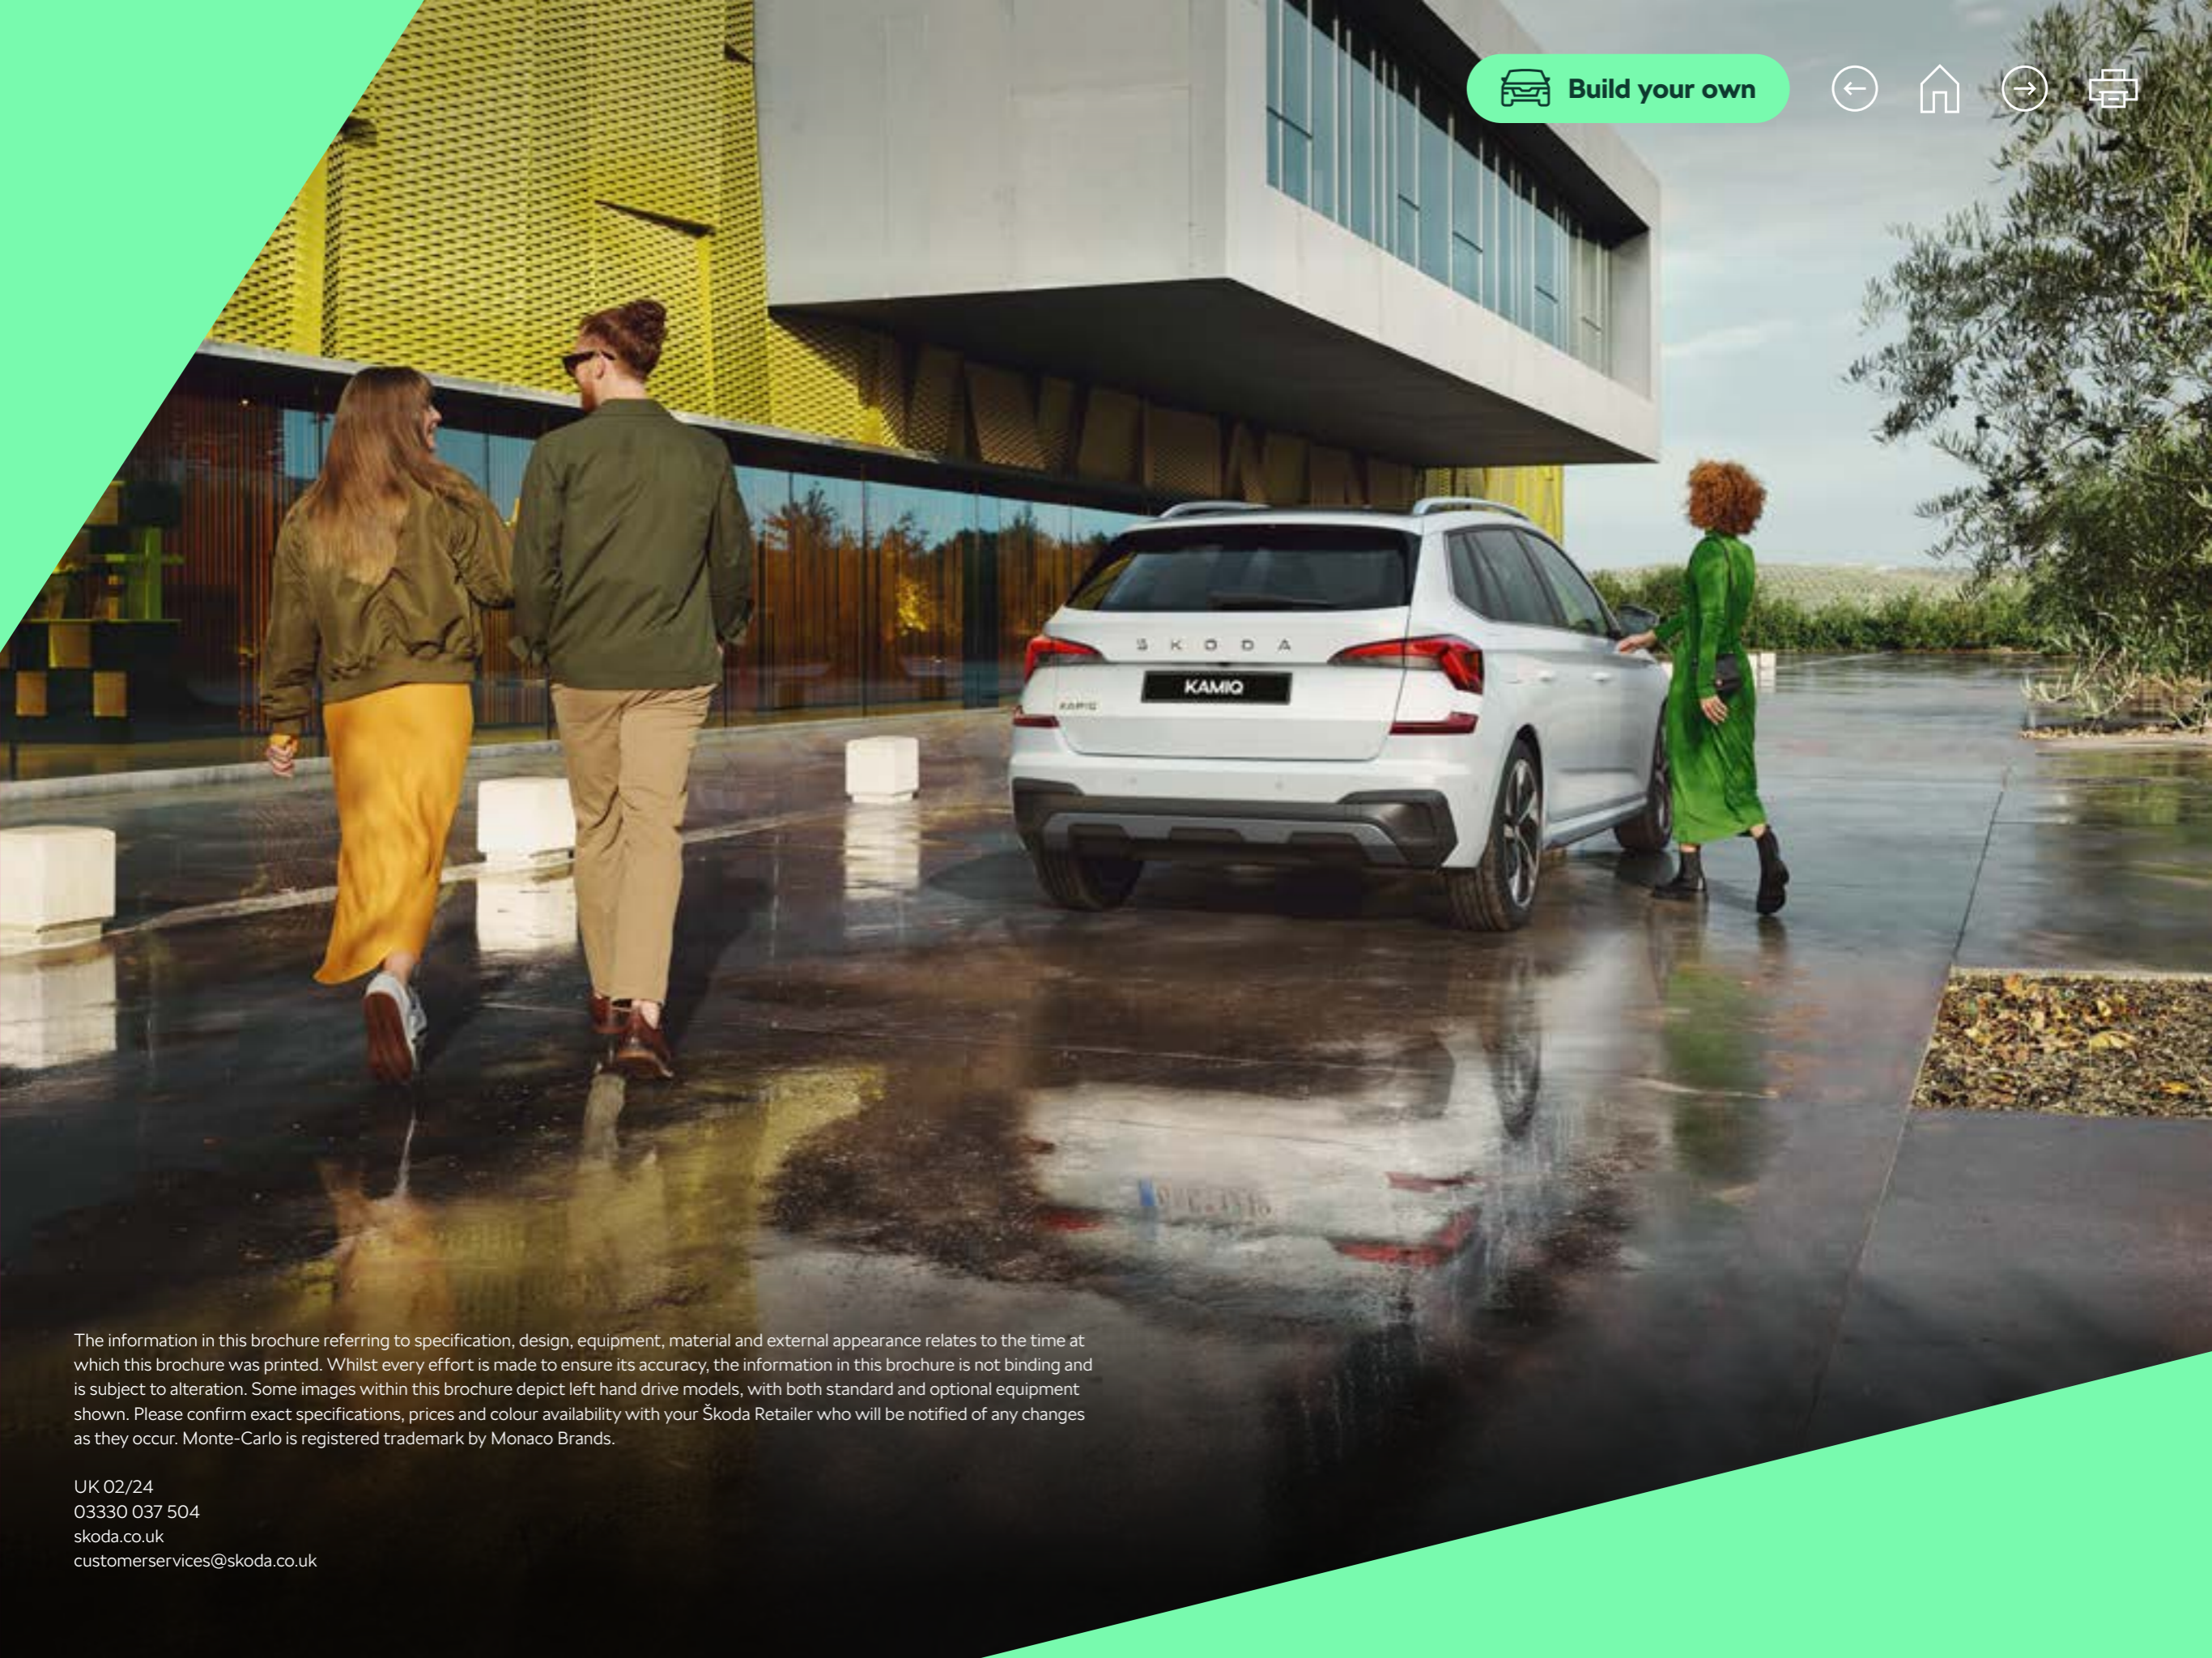

Škoda UK may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen Škoda Retailer.
