

KODIAQ

ŠKODA

As ŠKODA's first ever seven-seater SUV, the KODIAQ comes with more as standard. More opportunities to explore unknowns, escape the norm and banish boredom on exhilarating 4x4 family adventures. More ways to rediscover and reconnect with nature.

You'll also find more practical spaces, more inventive design touches and be more connected on the road than ever before. And the more you throw at the KODIAQ, the more fun you'll have.

So jump in and break free.

Models shown are not UK specification.

DESIGNED TO MAKE A STATEMENT

The KODIAQ isn't just a car built to take on the toughest terrains with ease. Its tornado lines, precise edges and crystalline influences add to its distinguished style.

FRONT LIGHT SYSTEM

This adaptive system adjusts light intensity to match the conditions, providing a wider lighting field for city driving and a longer reach for motorways. When oncoming traffic is detected, it automatically adjusts to prevent dazzling others.

REAR LED LIGHTS

Designed to be seen in every sense, these rear LED lights feature ŠKODA's distinctive C-shape crystalline style with their prominent and eye-catching multi-faceted finish.

PANORAMIC SUNROOF

This electrically adjustable panoramic sunroof and blind provides extra sunlight and fresh air at the simple touch of a button.

WHEELS

Ranging from 18" to 20", a choice of alloy wheel options are available, giving you the opportunity to uniquely personalise the KODIAQ's distinctive exterior.

Models shown are not UK specification. Some of the equipment shown is optional.

FIRST-CLASS TRAVEL FOR UP TO SEVEN PASSENGERS

With many clever features designed to make your life just a little easier, the only thing not packed into the KODIAQ's stylish interior are your passengers. Available with up to seven seats.

Models shown are not UK specification. Some of the equipment shown is optional.

TRI-ZONE CLIMATE CONTROL

This intelligent system enables different temperatures to be set for the driver, co-driver and rear passengers. It's also fitted with a sun sensor and humidity sensor to reduce windscreen misting.

PERSONALISATION OPTIONS

The infotainment system enables different drivers to save their individual preferences, from seat positioning and driving mode to the choice of music on the radio.

LED INTERIOR LIGHT PACK

Selecting the KODIAQ's LED ambient lighting is anything but a black and white decision. From the understated to the unapologetically bold, ten colour options are available.

DIGITAL VOICE ENHANCEMENT

Particularly handy on noisy roads, this innovative feature transmits the voices of those in the front seats to rear seat occupants in real time through the infotainment system.

MAKE THE UNEXPECTED A FAMILY TRADITION

Even when tackling extreme terrains, every twist and turn is easier with off-road mode, providing hill-hold control, descent and braking assistance.

Models shown are not UK specification. Some of the equipment shown is optional.

FUEL-EFFICIENT ENGINES

Whether you favour petrol or diesel, you'll find a clever engine to suit.

DYNAMIC CHASSIS CONTROL

This feature lets you switch between six driving modes, giving you added comfort, power or grip, depending on the terrain.

FOUR-WHEEL DRIVE

The 4x4 system is designed to smoothly distribute the torque between front and rear axles automatically, to help you maintain control and stability.

DIRECT SHIFT GEARBOX (DSG)

DSG automatically adapts to your driving style, whilst taking road conditions into account. It reduces the strain on the engine and stress to the driver, by deciding when to change gear, leaving you free to concentrate on the journey.

CONNECTIVITY TO GO WHEREVER YOU GO

By enabling you to be fully online on the move, the KODIAQ helps you stay connected wherever your adventure takes you. Thanks to its smart assistance systems, you'll also know the best places to park, shortcuts to take and routes to avoid.

ŠKODA CONNECT

The new ŠKODA Connect system turns the KODIAQ into a fully interconnected car. Infotainment Online provides satellite navigation, traffic reports and calendar updates. With Proactive Services the car will contact your ŠKODA Retailer to arrange a service. Finally, Emergency Call will contact the emergency services in the event of an accident to get you the help you need.

[Click here to go to ŠKODA Connect.](#)

SMARTLINK+

SmartLink+ enables you to connect your smartphone through the infotainment system with Apple CarPlay™ and Android Auto™ as standard across the range.

NAVIGATION SYSTEM

The Columbus satellite navigation with 9.2" touchscreen display and integrated Wi-Fi will get you from A to B, but why stop there? With its Bluetooth®, SmartLink+ and Wi-Fi capability, it offers more connectivity on-the-go.

CANTON SOUND SYSTEM

Premium German sound engineering, tailor-made to your KODIAQ. The CANTON Sound System delivers powerful clarity from ten speakers around the car.

VIRTUAL COCKPIT
Put all the information you need right in front of your eyes with the customisable 10.25" digital display. It replaces the traditional instrument dials and can be customised with four views (Classic, Basic, Extended and Modern). A fifth Sports view is available for SportLine models.

Images shown may not be UK specification. Some of the equipment shown is optional.

AN INTERIOR FOR LOVERS OF WIDE OPEN SPACE

There's always room for more toys, more snacks and the occasional four-legged friend. After all, life's too short to let anything ever get in the way of quality family time away. Especially a lack of space.

JUMBO BOX

Equipped with cup holders and handy storage compartments, the Jumbo Box will store your gadgets, house keys and books.

SPACIOUS STORAGE

Several spacious storage compartments have been included in the interior to help you keep it looking its best. Some can also be air-conditioned, making it perfect for storing chilled refreshments.

MORE ROOM TO PLEASE

With one of the best luggage capacities in its class, you no longer need to compromise on what you pack. With the rear seats folded (five seat versions), there's a remarkable 2,065 litres of space available. That means ample room for everything that's important to you. The remote release button makes folding the rear seats easy.

Models shown are not UK specification.

DOOR EDGE PROTECTION

All side doors can be fitted with plastic strips that eject upon opening and cover the edge of the door. Ideal when you're in a tight parking spot.

Models shown are not UK specification. Some of the equipment shown is optional.

CLEVER DESIGN
WITH A HUMAN
TOUCH

At ŠKODA we believe the best ideas are those that make our lives simpler. That's why the KODIAQ is full of practical touches to ensure every trip is easy.

UMBRELLA
STORAGE

A spot of rain will never dampen your spirits again thanks to the umbrella located in the front door.

FUEL DOOR

With fuel-fill protection, you'll never load up with the wrong fuel again. You'll also find a handy ice scraper on the fuel door for those frosty mornings.

REMOTE BOOT OPENING

When your hands are full, simply swipe your foot underneath the luggage compartment to automatically open the door. We call this the Kick Activation (Virtual Pedal), which only works when it detects your keys are in range.

CHILD SAFETY LOCKS

With a quick push of a button, you'll enjoy the peace of mind that comes from knowing the youngest adventurers onboard aren't going anywhere.

ALWAYS LOOKING OUT FOR YOUR SAFETY

EVERY ANGLE COVERED

Obstacles come from every direction and in all shapes and sizes. Once Area View is activated, four wide-angled cameras make you aware of the challenges immediately surrounding you, enabling you to react quickly to whatever comes your way.

PEDESTRIAN MONITOR

Whether it's a child chasing a loose ball or an adult glued to their smartphone screen, if someone unexpectedly crosses your path the Pedestrian Monitor automatically reduces your car's speed to help prevent a collision.

MULTI-COLLISION BRAKE

In the unthinkable event you have an accident in your KODIAQ, the Multi-Collision Brake system will automatically slow the car to help protect you from any further collisions.

TRAVEL ASSIST

The onboard camera recognises and displays key traffic signs on the trip computer and navigation system, helping you to be safer behind the wheel.

BLIND SPOT DETECT

An extra set of eyes on the road that monitors the blind spots allowing you to manoeuvre safely.

HIGH BEAM CONTROL

Safer for you, kinder to others. Light Assist with High Beam Control can switch to high beam and back automatically, ensuring optimum visibility without dazzling any oncoming traffic.

PARK ASSIST

This function removes the stress of reverse and parallel parking by identifying if the parking spot is big enough before automatically steering into the space for you.

Build your own

A white Skoda Kodiaq SUV is shown from a front-three-quarter perspective, driving on a paved road. The car is in motion, with a slight blur on the wheels and background. The background features a dense forest of evergreen trees on a hillside, with mountains visible in the distance under a hazy sky. The car's license plate area displays the word "KODIAQ".

A close-up photograph of the side of a white car, focusing on the rear door and window. The car has a sleek, modern design with a black trim around the window. The background is a light, textured surface.

KODIAQ LAURIN & KLEMENT – THE ULTIMATE STATEMENT PIECE

The Laurin & Klement is our most prestigious KODIAQ model ever, celebrating our founders and showcasing the ultimate levels of luxury and high-end technologies that the KODIAQ has to offer.

Models shown are not UK specification. Some of the equipment shown is optional. Excludes drawers under driver and front passenger seats.

An elegant reminder of ŠKODA's founders, the original Laurin & Klement badge appears on both front wings.

Parking or manoeuvring will never be a struggle again thanks to the 360° Area View camera system which is completed with front & rear parking sensors.

Whether indulging in a spot of in-car karaoke or catching up on the news, the CANTON Sound System delivers 575 watts of powerful clarity from ten speakers around the car.

Unique 19" Sirius alloy wheels in anthracite design allow you to conquer new ground in style.

Another mark of exclusivity is featured on the beige leather seats, which feature an elegantly embroidered Laurin & Klement logo. The seats are also available in black leather.

> TRI-ZONE CLIMATE CONTROL

Allows three autonomous thermal comfort zones to be set: driver, front passenger and rear passenger. Temperature range is 16-29.5°C and the rear can be deactivated when not in use.

Controlled via the infotainment system to warm hands on even the coldest of winter mornings.

Always in a combination of perforated leather/leatherette upholstery, providing that all-important extra comfort on long journeys for the driver and front passenger.

Simply swipe your foot underneath the luggage compartment to automatically open the door. We call this the Kick Activation (Virtual Pedal), which only works when it detects your keys are in range.

Allows the driver to adapt the chassis properties to their preference or needs. The system is designed to continuously evaluate to various driving situations, adapting the damping and steering characteristics.

Pricing valid as of 7th May 2020.

* From 1 April 2020, the official CO₂ emissions values used to calculate Vehicle Excise Duty (VED) charges will change for all passenger car registrations in the UK, due to a change in the method of testing. This will affect the recommended 'on the road' price you pay (in most circumstances, prices will increase).

The recommended 'on the road' prices and any VED charges quoted reflect the VED charges which apply to vehicles registered after 1 April 2020. Choice of wheels and other options may affect fuel consumption, BiK and emissions data (which may affect the amount of VED payable and therefore the ROTR price). The price and charges you pay may differ from any prices or charges displayed or quoted before 1 April 2020.

From 6 April 2020, the official CO₂ emissions values used to calculate benefit in kind (BIK) charges for fleet channels will change for passenger car registrations in the UK. This is due to a change in the method of testing. The BIK charges quoted reflect the charges which apply to vehicles registered after 6 April 2020. These charges may differ from any charges displayed or quoted before 6 April 2020.

YOUR KODIAQ, YOUR WAY

From stylish extras that make ordinary trips feel extraordinary, to practical touches that ensure nothing gets left behind, it's your call to make.

NEXTBASE 522GW DASH CAM AND GO PACK

Recording in 1440p HD, the new Nextbase 522GW Dash Cam now packs even more features into the UK's most popular dash cam brand, including built-in Amazon Alexa, HD touchscreen and Intelligent park mode - which begins recording when any physical vehicle movement is detected, keeping your vehicle safe when parked.

RUNNING BOARDS

To enhance the luxury look, our exclusive, stylish stainless steel, anti-slip running boards make it easier to get in and out of your car, as well as loading various objects stored in the roof box. To guarantee a high load capacity (up to 300 kg) and resistance to damage, they are made from metal and are designed to ensure that their contact surface perfectly copies that of the door sills.

ROOF BOX AND ROOF BARS

By using the roof box in conjunction with our aluminium roof bars, you solve a common problem when transporting large, awkward objects such as skis, snowboards, pushchairs and golf bags that don't fit into the luggage compartment of a fully seated car. With its spacious 380 litres of volume, it can comfortably carry up to 75 kg in total stability.

THERMO-ELECTRIC COOLING BOX (15L)

Its utility and versatility make this ideal for travelling, whether it's long journeys or for food that needs to be kept cool when doing your daily shop. It cools your food quickly and uniformly - drinks, fruit and other food are always within easy reach on hot summer days. When switched to Thermobox mode, it allows you to warm up snacks or keep them at the temperature you require.

NETTING SYSTEM

Practical netting system for the boot of the car to assist in stopping items from moving around. Useful to keep shopping in place or separated from other heavy items.

REAR SEAT PROTECTION AND DOG SAFETY BELT

Forget worrying about the cleanliness of your car, particularly when transporting your pet. This easy-to-clean seat protector is sufficiently sized to cover the back seats. It is waterproof, washable and has an anti-slip treatment for your pet's safety. The safety belt keeps your dog safe and is available in a variety of sizes.

PROTECTION PACK

Avoid mud splashes and debris around your KODIAQ's wheels and sills, as well as in the boot and underfoot. Included in the pack are mudflaps, front and rear floor mats (either textile or rubber), and a double-sided boot mat for five seat vehicles. All of these items can also be purchased separately.

MUDFLAPS

Mudflaps prevent stones, grit and road spray from ruining your precious bodywork. This custom design is moulded to fit snugly into the contours of the wheel arches.

REVERSIBLE BOOT LINER

Keep your car's boot immaculate with this easy-to-clean boot liner. Fabric on one side and plastic on the other, it fits perfectly onto the car's floor cushion and protects your boot space when transporting dirty or wet items.

FLOOR MATS

These quality mats will keep your carpeted floors looking pristine. Thanks to quick release floor poppers, they won't slip around beneath your feet. They come in textile fabric but rubber versions are also available for the more outdoorsy types.

OTR (On The Road)

Recommended 'On The Road' prices include delivery, 12 months Road Fund Licence, DVLA First Registration Fee and apply to the UK only.

VED (Vehicle Excise Duty)

All vehicles will be subject to Vehicle Excise Duty based on the fuel type of the vehicle and its carbon dioxide (CO₂) emissions level, measured in grams per kilometre (g/km). Due to changes in vehicle emissions data, CO₂ figures may differ on these vehicles if taken from current ŠKODA UK stock.

Vehicle Excise Duty (VED) is correct at time of publication, but this may alter to reflect any change in the applicable VED rate.

* This rate applies to diesel cars tested to real driving emissions step two (RDE2) standards

** This rate applies to diesel vehicles that do not meet the real driving emissions step two (RDE2) standards - this rate currently applies to all ŠKODA diesel models.

Note: Vehicles with a list price exceeding £40,000 (including factory installed options, delivery charge, number plates and VAT) will pay an additional £325 plus the standard rate VED from year 2 to, and including, year 6. After the 6th year only the standard rate VED will apply.

BiK CALCULATION EXAMPLE

Based on KODIAQ SE 1.5 TSI 150PS ACT (5-seat)		
P11D value		£26,215.00
Company car BiK tax based on CO ₂ emission level		33%
Taxable BiK (for 2020/2021 tax year):	33% of £26,215.00	£8,650.95
Annual company car tax (2020/21)		
20% income tax	20% of £8,650.95	£1,730.19
40% income tax	40% of £8,650.95	£3,460.38
Monthly company car tax (2020/21)		
20% income tax	£1,730.19 divided by 12 months	£144.18
40% income tax	£3,460.38 divided by 12 months	£288.37

Company car tax is based on the vehicle's carbon dioxide (CO₂) emissions. The higher the emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes. The table above will help you calculate your tax liability.

P11D (expenses and benefits)

The P11D value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

BiK (Benefit in Kind)

The BiK percentage value is based on the CO₂ emissions of the vehicle for the current tax year 2020/2021.

All cars must be set to time and distance servicing. Exclusions and terms and conditions apply. Offer is available to retail customers only from participating ŠKODA Retailers. Offers may be varied or withdrawn at any time. Freepost ŠKODA Financial Services. Pricing effective from 1st August 2020.

ŠKODA Financial Services is a trading name of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR Registered in England number 2835230.

When you order your KODIAQ, you can choose whether your car is on a fixed or a flexible service regime. Your ŠKODA retailer will help you decide which regime suits how your car will be driven, enabling your car to stay in the best possible shape.

Fixed regime: service every 10,000 miles or one year (whichever comes first).

This is recommended if the vehicle is likely to be used in the following way:

- Flexible regime: Sensors in the engine detect when a service is needed. A service light will show between 9,000 and 20,000 miles or up to 24 months (whichever comes first).

The flexible service regime is recommended for vehicles with a daily mileage of more than 25 miles where the vehicle is driven regularly and mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner.

Routine maintenance and servicing is not covered by the warranty. Incidental or consequential costs such as hotel charges, car hire, and loss of personal effects or income are not recoverable under the terms of the warranty.

Adding that little extra to your car

If the standard specification and factory fitted options aren't enough for you, then why not take a look at our range of retailer fitted accessories? A separate accessories brochure can be found at your local retailer, or can be viewed online at: skoda.co.uk/owners/accessories-and-merchandise

Figures shown are for comparability purposes; only compare fuel consumption and CO₂ figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 1st April 2020. Choice of wheels and other options may affect fuel consumption and emissions data. For more information, please see skoda.co.uk/owners/wltp-info or consult your retailer.

For fuel consumption data based on the outgoing test cycle (NEDC equivalent data), which is the 'official' UK fuel consumption data until 31.12.18, please consult your retailer.

ŠKODA UK may change RRP's at any time (this includes where there are government changes in regulation and/or legislation). There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen ŠKODA Retailer.
