>> FOR a new
urban
joy.

>> FOR more smiles per hour.

The revolution for city traffic has reinvented itself once again – and is now more fun than ever before! Welcome to the new smart fortwo. Where others still think in miles per hour, we think a step further. After all, it's completely different things that count in the city to on the motorway. High agility, a small turning circle, a whole lot of comfort and clever functions – and last but not least always being able to find a parking space, to name just a few. The new smart fortwo shows true greatness in these disciplines. With a length of just 2.69 m.

>> FOR more
fun
per ride.

The new smart fortwo has grown in every respect – just not in length. It sets new standards in its class with a completely new, trendsetting design and even more clever solutions. Innovative assistance systems for more safety and comfort, an unparalleled turning circle, an amazing amount of space and high-quality workmanship are just some of the highlights of the new smart fortwo. In short: alongside the old strengths there are now a whole host of new ones. And that makes city life and city driving even more enjoyable than before.

A new, fresh look that is now more striking and dynamic: the new smart fortwo is ten centimetres wider than its predecessor, and this has a positive effect on both the interior spaciousness and the visual presence. An impressive character that is sure to win you over with a design idiom you immediately click with, even though it is completely new.

>> FOR more
WOW
per view.

>> FOR more love per detail.

The bodypanels made of plastic contribute to the low weight and the bi-colour look of the smart fortwo and withstand minor bumps or scratches virtually unscathed.

Extremely short overhangs: the wheels are positioned on the outer ends of the vehicle – a highly unusual design feature in this form. And not only do they look good; in combination with the rear engine concept this enables the best possible utilisation of space and a greater feeling of spaciousness.

Typically smart and unmistakable: the new smart fortwo combines familiar design features such as the bi-colour concept consisting of tridion safety cell and bodypanels with completely new ideas and details. The result is a design that clearly stands out from the other cars on the road and makes the city a little bit more exciting.

The design of the lights and the radiator grille in a honeycomb design dominate the look of the striking front. On request, the front lights in a clear glass look welcome you with the optional welcome function and elegantly curved, integrated daytime driving lights featuring LED fibre-optic technology.

The tail lights are organically integrated in the rear end of the tridion safety cell. As an option, the sophisticated design can be made even more elegant with tail lights in LED technology.

Optional panoramic roof made of break-resistant polycarbonate: not only does it look good from inside and outside, it creates an even greater feeling of spaciousness. And ensures that you don't miss the sights of the city – such as traffic lights!

>> FOR more
room
per personality.

The new smart fortwo shows true greatness with its wide-opening doors and an amazingly spacious interior. And with an exceptional design that sets new standards in this class.

>> FOR more style per mile.

Plenty of room for a very special style: you'll immediately feel at home in the interior of the smart fortwo. Enjoy a feel-good atmosphere that turns the whole city into your living room.

The ease with which you glide into small parking spaces might be all that reminds you that you are actually sitting in a small car. The interior is surprisingly spacious with materials that are a pleasure to look at and touch and smooth design lines you will enjoy with every mile you drive. Many surfaces are generously covered with fabric and boast colour combinations that range from stylish to extravagant. With all this to enjoy it's almost a shame that you find a parking space so quickly – because you may not feel like getting out at all! The smart fortwo has not only gained in terms of design and quality, you are also sure to notice the interior is ten centimetres wider!

The drawer in the centre console is a clever idea: it creates space where there was none before for storing small items away securely and out of sight.

>> FOR more fun per function.

A doubly delightful interior: in the new smart fortwo you'll be thrilled by the high functionality typical of smart. From very surprising storage space solutions to details such as the design of the air vents – every detail combines functionality with emotional appeal. A functional highlight of the interior is the new, optional Media-System with a 7-inch multi-touch display like a modern smartphone.

The speaker covers can be enjoyed even when there is no music on: the honeycomb design is also cleverly taken up here. Because what sounds good can look good as well.

The mix of materials and colours in the interior underlines the unique character of the new smart fortwo – and gives every equipment line its own special touch.

Fabric covering the dashboard and door panelling demonstrates attention to detail.

The new instrument cluster with a colour 3.5-inch TFT display has all the data and information you need during your journey. Depending on equipment level, the information centre of your new smart fortwo with a dashboard instrument showing the revs and the time.

The large air vents on the dashboard ensure plenty of fresh air. And when not needed they display the smart logo when closed.

Rear engine and transmission: the smart fortwo owes its iconic appearance to a very special construction: the engine and transmission are housed at the rear and make the extremely compact design possible. The efficient 3-cylinder petrol engine with output of 71 hp (52 kW) and a new manual 5-speed transmission offer plenty of driving fun, even on short errands in the city. For a bit of extra driving fun, there is the optional 90 hp (66 kW) turbo engine. And for the short stops in city traffic the automatic start/stop system is on board as a standard feature.

>> FOR more punch per inch.

Rear-mounted engine and rear-wheel drive: does that sound more like a sports car than a car for the city? That's right. And these features are unique to the smart fortwo in this class.

The tiniest turning circle: in this discipline the smart fortwo is unrivalled. Thanks to its length of just 2.69 m and the new Direct-Steer system with variable ratio you can almost turn on the spot – the turning circle of just 6.95 m¹ takes some beating! And that will often make your life much easier. For example, when you spot a free parking space on the other side of the road and simply do a U-turn. And thanks to the high seating position and the good all-round visibility you're likely to see plenty of free parking spaces in the new smart fortwo.

¹Measured from kerb to kerb.

>> FOR more
agility
per road.

>> FOR more
space
per life.

With cargo volume of up to 350 litres the luggage compartment of the smart fortwo is surprisingly spacious. So what you take along with you is determined less by the available space and more by you yourself.

The split tailgate facilitates loading and unloading. Simply open the top section to store smaller items inside the car. And for larger items fold down the lower section for convenient loading.

The passenger seat backrest can be folded right down to extend your options: items up to 1.55 m in length fit easily in the smart fortwo.

>> FOR more connectivity per trip.

smart cross connect is an innovative infotainment solution that offers you far more than the usual radio and navigation functions. Together with the smart Audio-System, the universal smartphone cradle¹ and the smart cross connect app this solution becomes your multimedia control centre.

The smart Audio-System offers extensive functions for unlimited enjoyment of music. Play your favourite music via USB stick or MP3 player. Alternatively, it's simple to stream your audio files via Bluetooth® from your smartphone. This interface also turns the smart Audio-System into a convenient hands-free system.

With the universal smartphone cradle¹ you can connect your mobile phone² with your smart fortwo. Directly integrated in the Audio-System, it turns your smartphone into a central control unit for music, infotainment and navigation – conveniently positioned and simple to operate.

The smart cross connect app is the interface between your smartphone and your smart fortwo. It enables you to access your vehicle data and opens up a whole range of possibilities – for example, analysing your driving dynamics. In addition, the intuitively operated app with navigation function will find parking spaces for you. Furthermore, you can listen to your own personalised radio programme and discover new artists to suit your music taste whilst driving.

And the app also offers useful functions outside the vehicle: for example, it shows you distances and fuel consumption. And not only does the app remember where you have parked, it also knows how long you have parked there for.

¹Approved for smartphones with smart cross connect app.

²For iOS and selected Android smartphones; for compatibility see smart.com/connect

>> **FOR more
multi
per media.**

The smart Media-System¹ opens up a whole range of possibilities – and it's simple and intuitive to operate. Perfectly integrated in the interior design, the optional Media-System boasts a 7-inch capacitive multi-touch display and high functionality: in addition to a hands-free function and music streaming via Bluetooth®, the Media-System has interfaces for AUX, USB and SD card – enabling you to view pictures and films as well as listening to your own music. Thanks to LIVE services² with HD Traffic, your journey planning is always up to the minute – with real-time information on any traffic jams and the weather and TomTom Places location search functions. So not only will you always find a parking space with your smart fortwo, you will also know where the nearest restaurant or cinema is or whatever else you feel like doing. What's more, important functions of the smart Media-System can be controlled with voice command.

¹Standard in conjunction with Premium or Premium Plus package.

²3 years inclusive, individually extendable thereafter.

The JBL Soundsystem incl. 6-channel DSP amplifier with total power output of 240 W turns your smart fortwo into a small concert hall. 8 high-performance speakers surround you with crystal-clear sound from all sides. The subwoofer in the luggage compartment, which is simple to remove without tools if required, delivers powerful bass and will set your pulse racing.

>> FOR more
guard
per body.

The tridion safety cell

The core element of the innovative smart safety system is not only responsible for the typical smart bi-colour look – it also assumes the main role in occupant protection. Just like a nut is protected by its hard shell, the tridion safety cell made of 75% high-strength steel keeps its precious contents safe from harm. In conjunction with further components such as crash boxes and deformation elements, the tridion safety cell ensures maximum safety in a minimum space.

>> FOR more
attention
per situation.

Forward Collision Warning

The Forward Collision Warning function (available as an option) helps to prevent rear-end collisions. If the distance to a moving or stationary object becomes too close you receive a visual warning in the instrument cluster so that you can react quickly. If there is a risk of collision there is also an acoustic warning signal.

Lane Keeping Assist

The optional Lane Keeping Assist¹ is activated at a speed of 43 mph. It monitors the road ahead of you with a camera and warns you with an acoustic and a visual signal in the instrument cluster if you leave your lane.

¹Standard on prime and proxy models.

Crosswind assist

Sudden gusts of wind can lead to tricky situations, especially if you are driving at higher speeds. Crosswind assist, a standard feature, detects deviations from straight-line stability and specifically brakes individual wheels so that you do not have to countersteer as strongly.

Airbags

In addition to airbags for driver and passenger, the smart fortwo comes with a kneebag for the driver and two head/thorax bags in the driver and passenger seat backrests as standard.

>> FOR more **life** per style.

The new smart fortwo is available in three individual equipment lines, each with their own individual character. Extravagant, elegant, technology-affine – whatever your lifestyle there's a smart fortwo that fits it. How do you find your ideal smart fortwo? Select your favourite equipment line and engine and add optional equipment packages and individual options for even more design, comfort or functionality.

>> FOR more ideas per car.

Even the level of standard equipment of the new smart fortwo is anything but ordinary – and truly smart fortwo. With lots of innovative safety functions such as Crosswind assist or cruise control with limiter. In addition, there are lots of functions and features that make life in the city easier and more carefree: for example, five airbags, automatic climate control, smart Audio-System, 15-inch alloy wheels and Direct-Steer speed-sensitive electric power steering. So if you're looking for an uncomplicated way of getting around, why not take a seat behind the wheel and find out how easy getting around in the city can be?

Interior

- > Centre console with pull-out tray and double cup holder
- > Dashboard and door centre panel in fabric and highlights in contrast colour
- > Gear shift lever – trimmed in leather
- > Interior door opener in matt chrome
- > Interior lighting incl. reading light for driver and passenger
- > Load-lashing eyes in luggage compartment
- > Lockable glove compartment
- > Luggage compartment cover
- > Luggage compartment lighting
- > Map pockets on driver and passenger seatbacks
- > Passenger seat with through-loading function (flat-folding seatback)
- > Steering wheel – multi-function 3-spoke, trimmed in leather
- > Storage compartment in front doors
- > Storage compartment in tailgate
- > Vanity mirror in sun visor with parking ticket holder for driver and passenger

Exterior

- > Exterior mirrors – manually adjustable
- > Exterior mirror caps in tridion colour
- > Headlamps – H4 halogen
- > LED daytime running lights
- > Lockable service bonnet
- > Painted door handles
- > Painted front grille
- > Rear spoiler
- > Rear windscreen – heated, with timer control
- > Rear windscreen wiper with intermittent wiper control and automatic wipe/wash function
- > Side indicators in white
- > Tail lights
- > Third rear brake light
- > tridion safety cell – black

proxy.

>> Progressive, sporty, trendsetting.

The tridion safety cell that comes in white as standard and the 16-inch 8-Y-spoke alloy wheels painted in black hint at the continuation of the progressive design in the interior. The Sports package with lowered sports suspension and chrome-plated tailpipe lend the vehicle extra dynamics – and the panoramic roof offers a great view of the sky.

passion.

>> Confident, extravagant, modern.

The smart fortwo passion is the right choice for everyone who enjoys showing off their style. The tridion safety cell comes in black as standard and the 15-inch 8-spoke alloy wheels painted in silver emphasise the character of this equipment line.

prime.

>> Stylish, timeless, chic.

The smart fortwo prime boasts high-quality equipment and a timelessly elegant exterior. The tridion safety cell in black and the 15-inch 5-twin-spoke alloy wheels with a high-sheen black finish are defining features of the classic look of the exterior. The car also features a panoramic roof with sun protection.

>> FOR more entertainment on the road.

smart Audio-System.¹

Music, please! Play your favourite music via USB stick or MP3 player or stream your audio files via Bluetooth®. With a pleasant temperature at all times.

> smart Audio-System with AUX/USB interface, Bluetooth® interface with hands-free system, audio streaming for music transfer and to connect with the smart cross connect app (available separately in the App Store for iOS and Android)²

¹Standard for all trim levels.

²Selected Android smartphones; for compatibility see smart.com/connect

smart Media-System.³

A package with entertainment value:

7-inch multi-touch display, voice control, navigation system and various connection possibilities for mobile devices such as smartphones, SD card or USB stick. Pretty cool as well: the automatic air conditioning.

> smart Media-System: 7-inch capacitive multi-touch display, FM twin tuner and AM tuner, AUX/USB interface (centre console), voice control, Bluetooth® interface with hands-free system, audio streaming for music transfer, 3D navigation system with maps for the whole of Europe including 3 years of LIVE services (individually extendable thereafter), 4 speakers including 2 tweeters in mirror triangle

³Standard for Premium and Premium Plus packages only

>> FOR more dynamic driving in the city.

Would you like to give even more expression to your lively character? No problem: 16-inch 8-Y-spoke alloy wheels painted in black in combination with the lowered sports suspension create an all-round dynamic impression that is continued in the interior with sports pedals and a multi-function sports steering wheel.

Sports package.

A sporty look inside and outside:

- > 16-inch 8-Y-spoke alloy wheels painted in black, with front tyres: 185/50 R 16; rear tyres: 205/45 R 16
- > Sports suspension lowering the vehicle by 10 mm
- > Exhaust system with chrome-plated tailpipe trim
- > 3-spoke multi-function sports steering wheel in perforated leather with grey topstitching
- > Sports pedals in brushed stainless steel with rubber studs

>> FOR more comfort every time.

Comfort package.

Make yourself comfortable – in several respects. The height-adjustable driver's seat and the height-adjustable steering wheel included in the comfort package can be perfectly adjusted to your height.

- > Height-adjustable driver's seat
- > Height-adjustable steering wheel
- > Heated and electrically adjustable exterior mirrors

**>> FOR more
premium lifestyle.**

Premium package.

- > Comfort package
- > Rear parking assistance
- > smart Media-System: 7-inch capacitive multi-touch display, AUX/USB interface, voice control, hands-free system, audio streaming for music transfer, navigation system with 3 years of LIVE services (for further information see page 70)

Premium Plus package.

- > Comfort/Premium package
- > Ambient lighting: when driving at night, ambient lighting emphasises the stylish interior. Fibre optic cables in the door trim, centre console and footwell provide indirect, soft light
- > Coming home function: after dark, exterior lights illuminate the way to and from the house
- > Front fog lamps
- > Headlamps with LED light guide and LED tail lights: H4 halogen headlamps for low and high beam with fibre optic daytime running lamps and tail lights in semi-LED technology as well as direction indicators integrated into the front bumper below headlamps
- > Rain/light sensor: rain sensor controls the windscreen wipers, adapting wipe intervals to amount of rainfall. The accompanying light sensor automatically activates driving lights
- > Rear view camera

>> FOR more interior features.

Optional equipment for the interior:

Decide for yourself whether you would like the interior of your smart fortwo to be more comfortable, attractive or practical.

- > [1] Upholstery in black/orange fabric
- > [2] Upholstery in black/white fabric
- > [3] Digital radio (DAB)
- > [4] Smartphone cradle for smart Audio-System
- > [5] Heated seats for driver and passenger
- > [6] Proxy seats in blue/white fabric

Optional equipment for more safety – for even more relaxed driving.

- > Lane Keeping Assist with visual and acoustic warning
- > Forward Collision Warning with visual and acoustic warning

**>> FOR more
safety and
functionality.**

>> FOR more fun & networking.

It's not just the name that sounds good: the JBL Sound-system for the smart fortwo surrounds you with top-quality sound.

Optional equipment for infotainment, navigation & communication: had enough of listening to the radio? Then listen to your own music on the road – for example with seven speakers plus subwoofer.

- > JBL Soundsystem, including 6-channel DSP amplifier with a total output of 240 W in conjunction with 8 high-performance speakers, including removable subwoofer in luggage compartment
- > Digital radio (DAB) for DAB, DAB+ and DMB standards
- > Universal smartphone cradle for smart Audio-System¹

¹Approved for smartphones with cross connect app.

1

R86 5-inch 8-spoke alloy wheels painted in black and with a high-sheen finish, with front tyres: 165/65 R 15; rear tyres: 185/60 R 15 (only available as smart original accessory)

2

>> FOR more peace of mind: service & road assistance.

To ensure that you enjoy your smart for as long as possible after buying it, it needs professional, customised service – from your smart Retailer. Trust the experts who know the workings of your smart inside out. For your safety and for optimum retention of the value of your vehicle we only use high-quality genuine parts and diagnosis technology tailored to your smart. Pay us a visit and try out our excellent service for yourself.

smart Service Care

With smart Service Care from £15.00 per month, it's easy to enjoy more flexible and affordable car servicing at your local smart Retailer.

Because Service Care guarantees the price of parts and labour for up to four services and cleverly protects you against any further inflationary rises, the price will never go up. It also includes regular service items like spark plugs, air filters and fuel filters.

	2 services		3 services			4 services			
Model	12 months	24 months	12 months	24 months	36 months	12 months	24 months	36 months	48 months
New smart	£30.00	£15.00	£45.00	£22.50	£15.00	£60.00	£30.00	£20.00	£15.00

smart move assist

In good hands. The international smart move assist service provides free breakdown assistance in emergencies. Around the clock and 365 days a year. Your smart comes with a year's cover, which is renewed annually following a service with your local smart Retailer. Further information can be found in your owner's manual.

Full flexibility. Not just in road traffic.

The new manufacturer's warranty without mileage restrictions from smart offers you a comprehensive scope of protection. We also offer smart Service Care, which is a service plan designed to take care of your servicing costs for the next two, three or four services. smart Service Care is a great way of keeping your smart in the best shape at a Retailer whilst keeping the costs as transparent as possible.

24h service:

It's good to know that smart is there for you almost everywhere in Europe, 365 days a year. Should you ever need assistance, you can contact our call centre at any time on the toll-free number: 00800 2 777 7777, or alternatively 020 7975 7079¹. Please check with your telephone service provider before dialling.

¹Calls from mobile telephones may be subject to a charge depending on the service provider.

>> FOR more flexibility: financial services.

With a smart you always stay flexible – also when it comes to financing. Our leasing, financing and insurance products are designed to get you behind the wheel of your smart in no time at all. At attractive terms that can be tailored to your needs. Your smart Retailer will be pleased to advise you.

Leasing

Always drive a new car whilst remaining financially flexible – you simply agree to lease your smart for a fixed monthly rental, over a fixed term. Once the agreement comes to an end, so does your financial obligation. You simply hand the car back with nothing more to pay, subject to meeting the Vehicle Return Standards and your mileage has not been exceeded as charges may apply. You only pay for the use of the vehicle and so benefit from low monthly instalments. We are pleased to inform you about our products that not only give you financial flexibility but also full peace of mind with a wide range of insurance cover.

Financing

Would you like to finance your smart with instalments tailored to your needs? No problem. Talk to your smart Retailer about the options that smart is able to offer you in cooperation with Mercedes-Benz Financial Services. You can also enjoy great flexibility when it comes to financing – a flexible deposit and term allow you to budget precisely. Some of our finance products defer your decision whether to purchase or return your smart until the end of your agreement. smart will guarantee the future value of your vehicle which also lowers your monthly payments.

- > Rear windscreen – heated, with timer control
- > Rear windscreen wiper with intermittent wiper control and automatic wipe/wash function
- > Side indicators in white
- > Tail lights
- > Third rear brake light
- > tridion safety cell – black

Interior

- > Centre console with pull-out tray and double cup holder
- > Dashboard and door centre panel in fabric and highlights in contrast colour
- > Gear shift lever – trimmed in leather
- > Interior door opener in matt chrome
- > Interior lighting incl. reading light for driver and passenger
- > Load-lashing eyes in luggage compartment
- > Lockable glove compartment
- > Luggage compartment cover
- > Luggage compartment lighting
- > Map pockets on driver and passenger seatbacks
- > Passenger seat with through-loading function (flat-folding seatback)
- > Steering wheel – multi-function 3-spoke, trimmed in leather
- > Storage compartment in front doors
- > Storage compartment in tailgate
- > Sunglasses holder
- > Vanity mirror in sun visor with parking ticket holder for driver and passenger

Functions and electrics

- > 12 volt socket with cover
- > Automatic climate control
- > Central locking with radio remote control, visual locking-verification signal
- > Electric windows
- > Instrument cluster with multi-functional 3.5 inch colour display
- > Heated rear window
- > Instrument cluster with monochrome display in LCD technology and trip computer
- > Onboard computer
- > Outside temperature display with frost warning
- > smart Audio-System: matrix display; FM and AM tuner (LW and MW), each with 6 station presets; USB connection for external audio devices (e.g. USB stick, MP3 player); AUX connection; audio streaming via Bluetooth® connection; telephone connectivity via Bluetooth®; volume control via multi-function steering wheel; interface for integration of optional smartphone holder; 2 lower mid-range speakers in doors; free of charge: smart cross connect for iOS and selected Android smartphones

Technical features

- > 5-speed manual transmission
- > Automatic start/stop system
- > Direct-Steer system with speed-sensitive power assistance and variable steering ratio
- > Fuel tank (35 litres)

Safety and assistance systems

- > Airbags – driver and passenger airbags, driver's kneebag
- > Airbags – sidebags for driver and front passenger (combined head/thorax airbags)
- > Alarm system with immobiliser
- > Anti-lock braking system (abs)
- > Brake Assist
- > Breakdown kit
- > Central locking with convenience closing features
- > Crash sensor for activation of hazard warning lights
- > Crosswind assist
- > Cruise control with Speedtronic variable speed limiter
- > Door mirror with aspherically curved mirror glass on the driver's side
- > Drive lock – doors locked automatically when vehicle is on the move
- > electronic stability programme (esp®)
- > Hill start assist
- > ISOFIX child seat attachment point on passenger seat
- > Pedestrian impact protection front and side
- > Seat belts – three-point, with seat belt tensioners and belt force limiters; seat belt reminder for driver and passenger
- > tridion safety cell
- > Tyre pressure monitoring system

Features of the equipment lines

Model-specific features in addition to the standard equipment shown opposite:

passion

Exterior

- > 15-inch 8-spoke alloy wheels painted in silver
- > Radiator trim in black¹
- > Solid roof in black

Interior

- > Dashboard and door centre panel in orange fabric
- > Upholstery in black/orange fabric
- > Alternative of dashboard and door centre panel in black fabric
- > Alternative upholstery in black/white fabric

prime

Exterior

- > 15-inch 5-twin-spoke alloy wheels painted in black with a high-sheen finish
- > Panoramic roof with sun protection
- > Radiator trim in black¹

Interior

- > Dashboard and door centre panel in black fabric
- > Dashboard instruments with cockpit clock and rev counter
- > Grab handle for front passenger
- > Upholstery in black leather with white topstitching

Functions and electrics

- > Heated seats for driver and front passenger

Safety and assistance systems

- > Lane Keeping Assist with acoustic and visual warning

proxy

Exterior

- > 16-inch 8-Y-spoke alloy wheels painted in black
- > Panoramic roof with sun protection
- > Radiator trim in white²

Interior

- > Dashboard and door centre panel in blue fabric
- > Dashboard instruments with cockpit clock and rev counter
- > Grab handle for front passenger
- > Upholstery in leather look/fabric in white/blue

Safety and assistance systems

- > Lane Keeping Assist with acoustic and visual warning

Sports package

- > 3-spoke multi-function sports steering wheel in leather
- > Brushed stainless steel sports pedals with rubber studs
- > Exhaust system with chrome-plated tailpipe
- > Sports suspension lowered by 10 mm

¹Alternatively in white or cool silver at no additional cost.

²Alternatively in black or cool silver at no additional cost.

Equipment packages

Equipment packages available for the passion, prime and proxy equipment lines

Sports package¹

- > 3-spoke multi-function sports steering wheel in leather
- > 16-inch 8-Y-spoke alloy wheels painted in black
- > Exhaust system with chrome-plated tailpipe
- > Sports pedals in brushed stainless steel with rubber studs
- > Suspension lowered by 10 mm

Comfort package

- > Height-adjustable driver's seat
- > Height-adjustable steering wheel
- > Heated and electrically adjustable exterior mirrors

Premium package

- > Comfort package
- > Rear parking assistance
- > smart Media-System: 7-inch capacitive multi-touch display; FM twin tuner and AM tuner; AUX/USB interface (centre console); voice control; Bluetooth® interface with hands-free system; audio streaming for music transfer; 3D navigation system with maps for the whole of Europe including 3 years of LIVE services (individually extendable thereafter); 4 speakers incl. 2 tweeters in mirror triangle

Equipment package available for the prime and proxy equipment lines

Premium Plus package

- > Comfort/Premium package
- > Ambient lighting: when driving at night, ambient lighting emphasises the stylish interior. Fibre optic cables in the door trim, centre console and footwell provide indirect, soft light
- > Coming home function: after dark, exterior lights illuminate the way to and from the house
- > Front fog lamps
- > Headlamps with LED light guide and LED tail lights: H4 halogen headlamps for low and high beam with fibre optic daytime running lamps and tail lights in semi-LED technology as well as direction indicators integrated into the front bumper below headlamps
- > Rain/light sensor: rain sensor controls the windscreen wipers, adapting wipe intervals to amount of rainfall. The accompanying light sensor automatically activates driving lights
- > Rear view camera

¹Only available in conjunction with proxy or edition #1.

edition #1 [P88]

Exterior

- > bodypanels in white
- > Door mirror caps in tridion colour
- > edition #1 badge in mirror triangle
- > Panoramic roof with sun protection¹
- > Radiator trim in white²
- > tridion safety cell in lava orange, optionally in cool silver (metallic)

Interior

- > Dashboard and door centre panel in orange fabric and black highlights
- > Dashboard instruments with cockpit clock and rev counter
- > Upholstery in black/orange fabric
- > Velour floor mats with edition #1 lettering

Sports package

- > 3-spoke multi-function sports steering wheel in leather
- > 16" 8-Y-spoke alloy wheels painted in black
- > Exhaust system with chrome-plated tailpipe
- > Sports pedals in brushed stainless steel with rubber studs
- > Suspension lowered by 10 mm

Comfort package

- > Height-adjustable driver's seat
- > Height-adjustable steering wheel
- > Heated and electrically adjustable exterior mirrors

Premium package

- > Comfort package
- > Rear parking assistance
- > smart Media-System: 7-inch capacitive multi-touch display; FM twin tuner and AM tuner; AUX/USB interface (centre console); voice control; Bluetooth® interface with hands-free system; audio streaming for music transfer; 3D navigation system with maps for the whole of Europe including 3 years of LIVE services (individually extendable thereafter); 4 speakers including 2 tweeters in mirror triangle

¹Figures according to Directive 80/1269/EEC in the current applicable version. ²Electronically limited. ³All figures are based on a standard specification with smallest tyre size.

⁴The choice of wheels and transmissions may affect CO₂ emissions and corresponding Road Fund Licence. ⁵EUDC: extra-urban driving cycle. Testing procedures adhere to EU Directive 93/116. ⁶Figures in accordance with Directive 92/21/EC in the version 95/48/EC mass in running order, fuel tank 90% full, with driver, 68 kg and luggage, 7 kg for vehicles with standard equipment. Optional equipment and accessories generally increase this figure, which means that the payload is reduced accordingly.

⁷Whichever comes first, service interval shown via multifunction display. An oil change plus has to be carried out every 12,500 miles or once a year. ⁸Subject to full Terms and Conditions, dependent on date of registration, available upon request.

Figures are correct at the time of going to print. Please refer to the government website for latest data – www.vca.gov.uk

We are pleased to take back your smart for environment-friendly disposal in accordance with the European Union (EU) Directive on End-of-Life Vehicles – but that day lies a long way off. To make it as easy as possible for you to return the vehicle, a network of companies exists which will take back your old car and dismantle and recycle it. You can return your vehicle to one of these companies free of charge. In this way you make a valuable contribution to closing the recycling loop and to saving resources. Further information on recycling end-of-life vehicles and the conditions of return is available at www.thesmart.co.uk.

Regarding the information in this publication: changes to the product may have been made after going to press on 30 June 2014. The manufacturer reserves the right to effect structural or design modifications, colour changes and changes to the scope of delivery during the delivery period, insofar as such changes or modifications are reasonable for the buyer in due consideration of the seller's interests. Should the seller or the manufacturer employ codes or numbers to describe the order or object ordered, this alone shall not constitute a valid basis for the derivation of any rights. The photographs may include accessories or options that are not part of the standard scope of delivery. Any colour deviations result from the printing process. This publication may also contain variants and services that are not available in individual countries. Information on statutory, legal and fiscal provisions and their consequences apply only to the Federal Republic of Germany at the time that this publication goes to press. Please refer any questions on the provisions that currently apply in other countries and their effects to your smart sales representative.
