

RODIUS

SSANGYONG

INDIVIDUAL

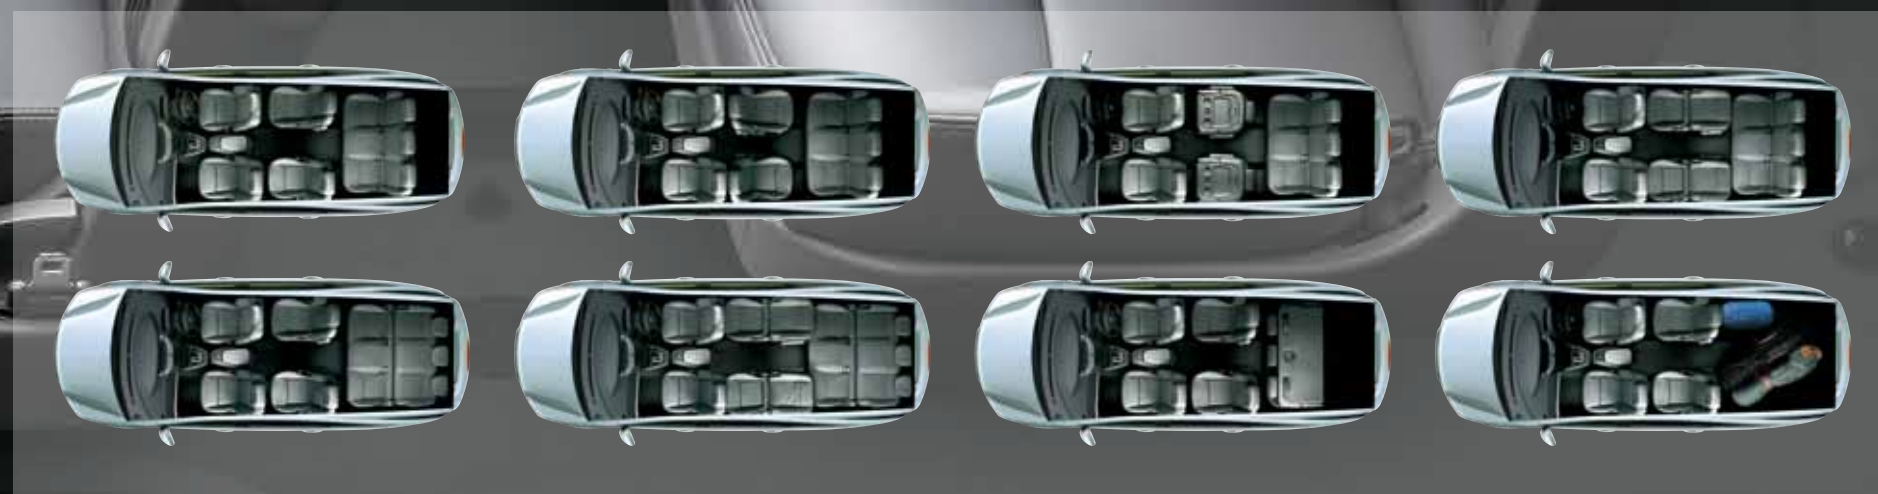

Luxury accommodation for seven (plus luggage) in a unique, well appointed cabin. Proven diesel engines with the refinement of a Mercedes-Benz gearbox*, all backed by a 5 year limitless mileage warranty. No wonder Rodius is in a class by itself.

*ES Auto and EX Auto feature Mercedes-Benz T-Tronic 5-speed automatic transmission

RODIUS

Rodius is designed to accommodate you. Turn the middle seats to face the rear* or fold them as tables. Lay all the seats flat or remove the back row for luggage. Let your space adapt to your needs.

*All seats must face forward when vehicle is in motion.

RODIUS OFFERS UP TO 7 SEATS AND 10 POSSIBLE CONFIGURATIONS

At its heart, a potent 2.7 litre turbodiesel engine guarantees unflustered progress whatever the load or conditions. Formidable pulling power means Rodius can easily tow a large load, while optional 4x4* brings added security and grip.

*Torque On Demand 4x4 is standard on Rodius EX

165BHP, 340NM

Towing ability is revealed by numbers. With engine peak output of 165bhp and 340Nm of torque at low engine speeds, Rodius has plenty of muscle.

2.5 TONNES TOWING

Inherent structural integrity combined with all that engine power gives Rodius great towing ability of up to 2.5 tonnes.

4X4 WITH LOW RATIO

Rodius EX is equipped with an advanced Torque On Demand 4x4 system with low ratio for added grip and control.

SAT NAV RADIO (OPTIONAL)

SEAT SWIVEL FEATURE

CRUISE CONTROL

LEATHER SEATS WITH WARMERS TO FRONT*

Note: UK Rodius stereo system upgraded from unit shown

*ES and EX only

Set your climate, perfect your view and select your sounds. With automatic air conditioning front and rear, front seat height adjustment (powered in ES and EX), a high quality Kenwood six speaker stereo and cruise control*, you're flying high.

*Available on automatic models only

* At maximum towing weight the trailer must have remote braking capability.
** A guide to fuel economy and CO2 emissions which contains data for all new passenger car models is available at any point of sale free of charge. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel consumption and CO2 emissions. CO2 is the main greenhouse gas responsible for global warming.
