

SUBARU 4WD PICK-UP.

THE BRAT.

The Subaru Brat will take you and your gear anywhere you want to go.

Inside the cab there's all the luxury of a top class saloon car, with a well laid-out dash, reclining seats with head restraints and even a radio.

Under the bonnet there's a powerful 1600 c.c. flat four engine, with full-time front wheel drive and a four wheel drive system that can be engaged or disengaged at the push of a lever whilst the car is in motion, without even using the clutch. And it uses two-star fuel.

The Brat is precision engineered and built to withstand the most rugged conditions.

It's even guaranteed for 18 months or 18,000 miles.

So if you've a load to carry, in town or country, the Brat is the practical and stylish way of getting around.

DEALER

Subaru (UK) Ltd., West Bromwich, West Midlands, B70 7JT. Tel: 021 553 6741
