**Prius+ is a car that stands out:
a dynamic look combined with
countless possibilities.**

Prius+ has been purposely engineered to harmonise all aspects of aerodynamics, space and design. While Prius+ inherits and evolves from the styling of Prius, it also boasts a unique rear design to accommodate a large luggage space and a contoured roof with a spoiler. Prius+ is big on space, yet sports a silhouette that is both eye-catching and streamlined for optimum fuel efficiency.

Driving is an integral part of our busy daily lives: What if there was a car that made every journey easier and more enjoyable?

Where will you drive today: to the school, the office and then home through the rush hour? Another busy day on inevitably congested roads. Now imagine the smooth, silent experience of hybrid drive, and the positive effect it has on those inside the car, leaving everyone feeling relaxed. That might just make you fall in love with driving again.

FROM TWO SEATS TO SEVEN

COUNTLESS POSSIBILITIES.

Whether it's an unexpected lift for a friend or buying furniture, Prius+ provides multiple combinations of seating positions and loading possibilities. From seven people on board to a total load capacity of 1731 litres*.

* Total load capacity achievable with second and third row seats folded completely flat as part of Toyota Easy Flat 7 system.

6 seats – 2nd row middle seat stored:
Simply fold the middle seat to create a large armrest.

5 seats – 3rd row seats stored:
Seat five with a generous 768 litres of load space.

5 seats – 2nd and 3rd row right-hand seats stored:
Fold individual seats for longer loads.

2 seats – 2nd and 3rd row seats stored:
The ultimate load carrier: 1731 litres of space.

YOUR DRIVE MADE EASIER

INFORMATION IN YOUR LINE OF SIGHT.

Your daily drive can be demanding, but the advanced features of Prius+ will make your journeys easier.

Driving can be demanding: busy morning traffic, navigating your route, keeping your children happy – all at the same time. Prius+ makes that challenge easier. A Head Up Display places key information in your line of sight, whilst Intelligent Parking Assist (IPA)* takes the hassle out of parking.

Head Up Display

Projects speed information directly onto the windscreen, thereby allowing the driver to keep their eyes on the road at all times.

Toyota Touch® 2 with Go navigation

Toyota Touch® 2 with Go adds enhanced full-map navigation and class-leading connected services. Intuitive navigation provides clear visual display of signposts, junctions and lane guidance as well as speed limit and speed camera warning.

Intelligent Parking Assist (IPA)*

Using a rear-mounted camera and Electric Power Steering (EPS), IPA calculates the steering movements required to park. Simply define the limits of the space in which you want to park and then control the reversing speed.

* Excel and Excel *plus* only.

A WORLD OF INFORMATION AND ENTERTAINMENT

TOYOTA TOUCH® 2

The Toyota Touch® 2 multimedia system features an easy-to-use high resolution 6.1" colour touchscreen. It lets you access and monitor a range of information related to your car. From viewing trip data and climate control settings, you'll find everything you need to make your journeys more comfortable. The system also helps to take the stress out of parking with a reversing camera display.

Toyota Touch® 2 images are for illustration purposes only and may not be to UK specification.

The Toyota Touch® 2's advanced audio system lets you appreciate your favourite music in rich quality and view album, artist and track information clearly, all via convenient Bluetooth® or USB connections. Additionally, your audio options can be accessed through the clear touchscreen, letting you select a wide choice of DAB+ stations or enjoy a favourite CD or MP3, so you can appreciate the full, crystal-clear multimedia experience with ease.

TOYOTA TOUCH® 2 WITH GO

Now with three years' free map care and connected services.

Toyota Touch® 2 with Go adds enhanced full-map navigation as well as class-leading connected services, delivered through its wide range of apps. Intuitive navigation provides clear visual display of signposts, junctions and lane guidance as well as speed limit and speed camera warning.

The new auto navigation function lets you programme up to four destinations, for each day of the week. So when you set off within a departure window, your chosen destination will be automatically activated and a route plotted. The system will also show you traffic information, making your daily commutes less of a grind.

In addition, the enhanced multimedia offering available on Excel grade includes features such as 3D maps, voice recognition and text-to-speech.

Compatibility and synchronisation: Device synchronisation and compatibility may depend on a number of factors, including the device being used, software versions installed, inbox size and your mobile network. All features are developed to industry-wide standards. Toyota cannot guarantee that all devices will operate or be compatible with our vehicles.

YOUR MULTIMEDIA WORLD

Toyota Real-Time Traffic powered by TomTom

Works on real-time traffic flow, alerting you to slow-moving or queuing traffic, with the option to re-route your journey to avoid congestion and save time.

TRAFFIC MONITOR

Provides a clear visual display of any traffic incidents or congestion along your route, estimating any delay to your journey.

DETOUR OPTION

Offers specific information about traffic incidents along your route and suggests a detour option to save you time.

DETOUR INFORMATION

Gives you on-screen graphic information of a detour, along with the delay and additional mileage incurred compared with your current route, for informed journey planning.

Online applications

Activate apps on your Toyota Touch® 2 with Go navigation system to keep you informed and entertained. Apps are available for everything from the weather, to fuel costs and available parking places, helping you to drive safely and more economically.

Breakthrough connected services are pre-installed in your system (Toyota Touch® 2 with Go) and are free for the first 3 years. To activate and access these services, simply create a **My Toyota** account and register your device. You can commence the registration process directly from within

TOYOTA ONLINE

your vehicle in a few simple steps. By pairing/connecting your phone, you can enjoy many benefits, including innovative Toyota Real-Time traffic powered by TomTom and Google Street View™.

Google Street View™ and Panoramio™

Provides imagery of your current location, or a location of your choice, allowing you to start navigating directly from the image, so you'll never be lost.

GOOGLE STREET VIEW™

Simply enter an address for a visual preview of any unknown destination. Six different Google Street View™ images offer a panoramic view to familiarise you with the location and promote peace of mind.

PANORAMIO™ MAP

Maps city landmarks and places of interest to help you discover a new city easily and effortlessly. Simply choose your location of interest from the images shared by the Panoramio™ community.

PANORAMIO™ IMAGES

View full image of your chosen location and let the navigation system guide you there, taking all the stress out of visiting unfamiliar places of interest.

Online Local Search

Point Of Interest database enhanced by an online search facility. Connects to the internet via your phone, allowing you to search easily for the nearest fuel, restaurant, hospital or any type of place of interest.

Toyota Online services available on Toyota Touch® 2 with Go. Availability of Toyota Online services depends on compatibility with a Bluetooth®-equipped mobile phone (with DUN or PAN Bluetooth® profile) with a data plan. It also requires a mobile network operator that permits tethering.

PASSIVE SAFETY EMBEDDED

+ ACTIVE SAFETY FOR YOUR PEACE OF MIND.

Safety is our priority, and it's your peace of mind that's our reward.

We know the wellbeing of your family matters to you more than anything else. That's why Prius+ has been designed to incorporate not only all the passive safety features you'd expect, such as seven airbags and a strong bodyshell, but also advanced active technology including a radar-based Pre-Crash Safety (PCS) system and Adaptive Cruise Control (ACC).

Pre-Crash Safety (PCS) system*

PCS uses radar technology to predict possible collisions with other vehicles or obstacles ahead, and triggers a series of safety features. This helps to lessen the potential impact and damage if a collision occurs.

* Standard on Excel and Excel *plus* only.

Adaptive Cruise Control (ACC)*

ACC goes beyond conventional cruise control, with a vehicle-to-vehicle distance control function that maintains a pre-set distance from the vehicle in front by matching its speed. Vehicle-to-vehicle distance control mode incorporates constant speed control, deceleration/acceleration control and follow-up control.

Tyre Pressure Warning System (TPWS)

TPWS features a sensor valve within each wheel to constantly monitor tyre air pressure. These sensors link with a dashboard indicator that illuminates to warn you if the pressure falls below the recommended level.

Hill-start Assist Control (HAC)

HAC helps to ensure a smooth start on steep inclines by applying the brakes for up to two seconds after the brake pedal is released. This prevents the vehicle from rolling back.

OPTIONS*

Toyota accessory packs offer a great value way of customising the Prius+ for you and your family. Each pack is themed around a carefully chosen range of complementary accessories.

PARKING PACK

The Parking Pack uses front and rear ultrasonic parking sensors to give you greater protection in car parks or when manoeuvring close to low objects. The colour-coded sensors in the bumpers are linked to an in-cabin alarm that becomes progressively louder the closer your car gets to an obstacle. Includes cancellation switches to enable the system to be de-activated. The Parking Pack comprises front and rear painted sensors and cancellation switches.

* Options should be ordered in conjunction with vehicle.

PROTECTION PACK

The Toyota Protection Pack offers individuality, value and convenience. With a tough rubber liner for the boot and stylish scuff plates to guard the door sills, the pack adds to your car's day-to-day practicality.

1. Mud flaps

Especially shaped to fit the wheel arches and reduce water, mud and stones spraying onto your car's body. For the front and rear.

2. Scuff plates

Genuine scuff plates for the door sills create an immediate impression of style while also serving the very practical purpose of protecting the sill paintwork from dirty marks, scrapes and scratches.

3. Rear bumper protection plate

Strong bumper protection with a stylish matt black finish.

4. Boot liner

Tailored to fit the boot of your vehicle and provide protection against dirt and spills. The design features a special anti-slip surface pattern to help stop luggage moving.

OPTIONS*

ENTERTAINMENT PACKS

A new rear-seat Toyota entertainment system that you can configure for complete flexibility—featuring a multi-purpose docking station that is compatible with a 7" DVD player and iPad® holder. The DVD player can be configured in a master/slave arrangement, where one DVD plays on both screens, or as master/master, where each screen can play a different DVD. The iPad® holder can be mounted either landscape or portrait, to exactly match your requirements. The dock itself provides all the power to the attachments and does not affect anti-whiplash head restraints for those sitting in the front seats.

* Options should be ordered in conjunction with vehicle.

DVD player (shown left)

- Features a 7" screen with stereo sound and a remote control, so children can watch without adjusting their seat belts.
- Can be combined as either master/master or master/slave configurations.
- Compatible with wireless headphones for superb stereo sound.
- Can be removed from car and used at home.

iPad® holder (shown right)

- Clips into docking station as a secure holder for your iPad®.
- Charges your iPad® while docked.
- Can be combined with WiFi hotspot (sold separately) to allow your iPad® to connect to the internet.

Optional wireless headphones

- Superb stereo sound.
- Independent volume control.
- Automatically shut down to preserve battery life.

Security

- DVD and iPad® holder easily removed for security when not in use.

Safety

- Meets European crash and impact testing standards.
- Does not affect anti-whiplash seat head restraints.
- Integrated installation with no trailing wires or cords.

Compatible with iPad® generations 2, 3 and 4 only. iPad® is a trademark of Apple Inc., registered in the US and other countries.

INDIVIDUAL ACCESSORIES

A range of individual accessories are also available for your new Prius+, allowing you to personalise your vehicle even further to your own bespoke requirements. These can offer greater protection, add further stylish touches, or provide additional carrying capacity for your new car. All of these additional items are available from your local Toyota Centre.

SAFETY

Looking after young passengers needs careful thought. Be assured, with Toyota child restraint seats you have individual options for each age group.

Nothing is left to chance with a Toyota child restraint seat. The fixings are secure, the fabrics are robust and the design offers both safety and comfort. Whether travelling near or far, you can be sure your most precious cargo will be well protected.

TECHNOLOGY

Toyota Hotspot

As the name suggests, Toyota Hotspot gives you internet access and effectively turns your car into a mobile hotspot. Simply load the Toyota Hotspot box with a SIM card of your choice and, as long as you're in a 3G area, you'll have instant access to the internet and all the web has to offer.

The Toyota Hotspot connects up to five WiFi-capable devices including laptops, tablets, smartphones, iPads, iPhones and game systems and also enables in-car interaction between them. Importantly, the Toyota Hotspot is wired into your car's electrical system to ensure a constant power supply.

- Designed specifically for in-car use and the special demands of temperature variation and vibration.
- Automotive design high speed dual antenna that enhances mobile reception and minimises 3G connection problems.
- Open to any GSM operator and so allows you to use a SIM card of your choice. It will accept a dedicated data transfer card and, when travelling abroad, you can fit a local card to avoid roaming charges or enable roaming on your card.
- Over-the-air software updating happens almost automatically.
- User-friendly web interface allows personalisation of Toyota Hotspot functions such as the connection parameters.
- Easy to use with a simple on/off switch and coloured diodes to inform of status and activity.
- Securely mounted within your car to avoid trailing wires.
- Free from the technical problems associated with using a smartphone as a hotspot and also the restrictions imposed by internet providers. For example, the Toyota Hotspot does not limit you to just one user surfing the net.
- Covered by a Toyota warranty.

INDIVIDUAL ACCESSORIES

PROTECTION

1. Bumper corner protectors

Ideally positioned to guard against accidental scrapes. For the front and rear, available in black or painted to match your car.

2. Rubber floor mats

Genuine tailored-fit rubber floor mats help protect your

carpets against the very worst conditions that you or your passengers dare to tread inside. They are impervious to dirt, mud and water and can be removed for easy cleaning.

3. Dog guard

The durable mesh design prevents your pet climbing over the back seats.

4. Vertical cargo net

Strong, woven, black nylon net with two compartments for holding small items securely in your car's boot area. The net fixes neatly onto pre-fitted side and floor hooks.

5. Horizontal cargo net

Strong, woven, black nylon net for holding items securely in your car's boot area. The net fixes neatly onto pre-fitted hooks.

STYLING

1. Front bumper trim

A dash of chrome to highlight the distinctive Prius+ grille.

2. Side mouldings with chrome insert

Side mouldings provide your vehicle with an extra layer of protection to help guard the side panels against minor bumps and scrapes.

3. Aluminium scuff plates with Hybrid logo

Genuine scuff plates for the door sills create an immediate impression of style while also serving a very practical purpose of protecting the sill paintwork from dirty marks, scrapes and scratches.

TOURING

1. Roof rack

Strong, lightweight aluminium design with security locking.

OWNING YOUR NEW PRIUS+

Servicing your Toyota

Toyota Fixed Price Servicing means you will be sure to know the cost of your service up front. Expertly trained technicians using only genuine Toyota parts will carry out your service at one of over 200 Authorised Toyota Service Centres. The technicians will advise you on the correct service for your car based on the car's age, mileage and service history.

For more information visit toyota.co.uk/service

Service Plans

Inflation-proof pricing with a monthly or one-off payment plan means one less thing to worry about. With Toyota Service Plans the price you're quoted is guaranteed for the duration of your plan. The service, parts and labour are all paid for either in monthly instalments or as a one-off payment at the beginning of your plan.

5-Year Toyota Warranty

Every new Toyota comes with a 5-year/100,000-mile (whichever comes first) manufacturer's warranty, covering you against the unlikely event of a manufacturing defect causing a mechanical fault.

For full details, please ask your official Toyota Centre or visit toyota.co.uk/5yearwarranty

Corrosion Cover

The 12-year unlimited mileage cover protects against rust perforation affecting sheet metal body panels as a result of a manufacturing fault. This warranty can also be transferred to any future owner throughout the 12-year period.

Rust and Paint Cover

The 3-year unlimited mileage cover protects against defects and surface rust as a result of a manufacturing fault.

Toyota Extended Warranty

You have the choice of either the low-user option that restricts you to 15,000 miles per year or 12 months whichever comes first or the 12-month unlimited mileage cover. You also have a choice between 12 and 24 months' cover (subject to vehicle eligibility). The 24-month option will show a saving over two 12-month Toyota Extended Warranty policies and is available with the low-user option at 30,000 miles or 24 months whichever comes first.

The Toyota Extended Warranty can be renewed until the vehicle is 12 years old with less than 100,000 miles at point of sale, and if a part covered by the Toyota Extended Warranty suffers electrical or mechanical failure at any time during the term, Toyota is committed to fixing it. You don't pay for replacement parts or labour.

Quoted mpg & CO₂ figures: All mpg and CO₂ emissions figures quoted in this brochure are sourced from official EU-regulated test results. These are provided for comparability purposes only and may not reflect your actual driving experience. Fuel consumption varies significantly depending on a number of factors, including driving style, conditions, speed and vehicle weight. In order to allow consumers to compare and make an informed choice between one vehicle and another, there is a European Commission standard (93/116/EC and 692/2008) to measure fuel consumption. This common standard must be adhered to by all manufacturers selling motor vehicles in the EU and is the basis for fuel consumption figures published by each manufacturer. For further information please visit www.dft.gov.uk/vca/fcb/faqs-fuel-consumption.asp or speak to your local Toyota Centre.

The use of the term 'Toyota Accessories' should not be taken to imply that the products on the accessory pages are actually manufactured by the Toyota Motor Corporation or Toyota (GB) PLC. Toyota (GB) PLC is continually updating and changing specifications of accessories and reserves the right to do so at any time without prior notice.
