Defining the **FUTURE** leading the **WAY**

REDEFINING HYBRID FOR OVER 20 YEARS

The car that defined Hybrid more than two decades ago is still redefining it today. Prius combines intelligent design and technology to deliver dynamic performance and excellent handling, making this a car that is as fun to drive as it is efficient. It's also quieter than ever, for a tranquil driving experience that always puts you at ease.

REASSURANCE

ENJOY ENHANCED PEACE OF MIND WITH HYBRID AWD-i

The innovation continues with Hybrid AWD-i. Tailor-made for Prius, it's the first time a car in this class has had an intelligent all-wheel drive system. Designed to provide extra control in low-grip conditions such as rain and snow, it gives you added peace of mind when you really need it. Because it's so compact, you don't have to compromise on efficiency or boot space.

In the right conditions

Hybrid AWD-i is designed for low-grip conditions such as rainy roads, snow-covered streets and wet cobblestones.

At the right speeds

Under 6 mph, Hybrid AWD-i is always on, helping you start smoothly. Between 6 and 43 mph, it engages when needed.

Contemporary **DESIGN** Intelligent **DRIVE**

THE CLEAN LINES OF AN EYE-CATCHING SILHOUETTE

This is a car with a contemporary look that matches its advanced capabilities. The new design keeps the iconic triangular Prius silhouette, but updates it with distinctly modern clean lines designed to optimise airflow. The result is a car that's as pleasing to the eye as it is a pleasure to drive.

Front lights

At the front of the car, the lights form a stylishly shaped cluster that emphasises the elegant slope of the bonnet.

Rear lights

The striking new rear combination lights draw attention to the car's sleek horizontal lines.

Genuine **COMFORT** *and intuitive*

TECHNOLOGY

A CABIN DESIGNED FOR EVERYDAY DRIVING

When it comes to creating an inviting space, every detail counts. The Prius cabin combines quality materials with clean, contemporary design, while ergonomic seats come in a range of stylish new fabrics. A large Head Up Display* projects speed, hybrid data and radar-assisted warnings for vehicle distance directly onto the windscreen, while the intuitive Toyota Touch® 2 with Go navigation§ system makes entertainment and navigation simple.

* Standard on Business Edition, Business Edition Plus and Excel grades.

§ Standard on Business Edition Plus and Excel grades.

Air conditioning

Dual-zone automatic air conditioning uses sensors to direct airflow only to the seats that are occupied.

Wireless charger*

A large wireless charging tray lets you keep compatible devices charged without the need for cables.

RESPOND

ENJOY REAL PEACE OF MIND WITH TOYOTA SAFETY SENSE

The innovative Toyota Safety Sense system takes driver assistance to the next level. It uses 22 sensors strategically placed around the vehicle to anticipate potential hazards and alert you to them so that you can respond right away – helping to keep everyone in the car, and those around you, more secure.

Toyota Safety Sense 2

Five active technologies are at the heart of Toyota Safety Sense: Pre-Collision System with Pedestrian Detection, Lane Departure Alert with Steering Control, Automatic High Beam and Adaptive Cruise Control with Road Sign Assist.

Blind Spot Monitor*

This allows you to manoeuvre more safely during lane changes. If the rear-mounted radar sensors detect a vehicle in your side or rear blind spot, a warning indicator illuminates on the appropriate side mirror. If you indicate to change lanes and a vehicle is in your blind spot, the warning indicators will flash.

Simple Intelligent Parking Assist[§]

This automatically manoeuvres you into your chosen parking spot, whether between two vehicles or behind one, using ultrasonic sensors. You control the reversing speed with the support of automatic braking that helps prevent or reduce collisions at slow speeds.

* Standard on Business Edition, Business Edition Plus and Excel grades.

§ Standard on Business Edition Plus and Excel grades.

ALL ACTIVE SAFETY TECHNOLOGIES are intended to be back-up systems only and are not a substitute for safe and attentive driving. The functionality of these systems may be impacted by driving conditions. Further information is available from your local Toyota Centre.

ACCESSORIES

1. Aluminium scuff plates

The polished aluminium finish protects the surface of your door step frame from any shoe scratches whilst getting in and out of the vehicle.

2. Boot liner

Made of versatile material with a non-slip surface and raised edges to protect the boot carpet against mud, dirt, sand and liquids.

3. Rubber floor mats

On a rainy day, this set of tailored-fit rubber floor mats protects your vehicle floors from water, mud and stains carried from your shoes. It provides full coverage for driver, side and rear passengers.

PROTECTION PACK

The Protection Pack is designed specifically to help protect your new Prius, keeping your vehicle in the best condition.

REAR PARKING SENSORS*

The Prius is easy to park, but even so, the Toyota parking aid system is a big help in avoiding accidental scrapes where space is tight. Sensors linked to an in-cabin alarm get increasingly louder as you approach objects. The sensors can be switched off, a useful feature in heavy traffic.

* Optional on Active grade. Please note this is not the same as Simple Intelligent Parking Assist fitted to Business Edition Plus and Excel grades.

TOWING

Your new Prius is a distinctive car and you can make it even more special with genuine Toyota accessories. They're designed with the same care, attention to detail and quality as your Prius.

Available on all grades, except on Business Edition Plus with AWD-i.

SAFETY

Caring for young passengers needs careful thought. Be assured, with Toyota child restraint seats you have individual options for each age group.

Nothing is left to chance with a Toyota child restraint seat. The fixings are secure, the fabrics are robust and the design offers both safety and comfort. Whether travelling near or far, you can be sure your most precious cargo will be well protected.

INDIVIDUAL ACCESSORIES

A range of individual accessories is also available for your new Prius, allowing you to personalise your vehicle even further to your own bespoke requirements. These can offer greater protection, add further stylish touches, or provide additional carrying capacity for your new car. All of these items are available from your local Toyota Centre.

1. Illuminated scuff plates

In brushed aluminium finish with illuminated Prius logo to provide stylish protection to front door sills.

2. Textile floor mats

Soft, tailored-fit textile mats on a hard-wearing base for maximum comfort and protection.

3. Rubber floor mats

Tailored-fit rubber floor mats provide ultra strong protection.

4. Black side sills

Customise your vehicle to enhance the aesthetic look of your vehicle. This side sill is carefully designed to integrate with the contours of your car.

5. Chrome side sills

Customise your vehicle with a touch of chrome to enhance the aesthetic look of your vehicle. This side sill is carefully designed to integrate with the contours of your car.

6. Wind deflectors

Aerodynamically shaped to reduce wind noise and provide your passengers with a quiet and comfortable riding experience.

7. Door handle protection film

This transparent film is virtually invisible and fits into the concave area of the door handles. It provides reliable protection against scratches to the paintwork caused by rings or any other jewellery.

8. Adjustable tablet holder

The tablet holder combines with the headrest docking unit to provide a strong, stable base to hold your tablet. It is adjustable to fit different tablet sizes and enables you to tilt the angle for viewing comfort.

TOURING

Toyota touring accessories are custom-designed to make even more of the Prius's sense of adventure. Choices including roof-top storage and bicycle holders add extra capacity. This means you can quickly and safely load up and go wherever your passion takes you.

BICYCLE HOLDER

Roof rack

The roof rack provides a base for the range of specialised Toyota carrying attachments such as ski and bicycle holders and luggage boxes.

Quick and easy roof mounting

The lockable lightweight aluminium design attaches to Toyota crossbars and has secure wheel and frame grips. Conveniently, the frame grip can be adjusted at roof height.

OWNING YOUR PRIUS

Servicing your Toyota

Toyota Fixed Price Servicing means you will be sure to know the cost of your service up front. Expertly trained technicians using only genuine Toyota parts will carry out your service at one of over 200 Authorised Toyota Service Centres. The technicians will advise you on the correct service for your car based on the car's age, mileage and service history.

For more information visit toyota.co.uk/owners/service-mot-maintenance

Service Plans

Inflation-proof pricing with a monthly or one-off payment plan means one less thing to worry about. With Toyota Service Plans the price you're quoted is guaranteed for the duration of your plan. The service, parts and labour are all paid for either in monthly instalments or as a one-off payment at the beginning of your plan.

For more information visit toyota.co.uk/owners/service-mot-maintenance

Toyota Fixed Price Repairs using Genuine Parts

We offer fixed prices on a number of repair items for your Toyota giving you peace of mind when it comes to managing costs. Also don't forget we only use genuine Toyota parts, all of which come with at least 12 months' warranty (some even offer unlimited mileage warranties); and your car will always be dealt with by a trained Toyota technician.

For more information visit toyota.co.uk/owners/service-mot-maintenance

Toyota Accessories

Toyota accessories are designed and manufactured with the same care, quality and attention to detail as Toyota vehicles. Tailor-made for your Toyota, they fit perfectly and add a personal touch of style, comfort and practicality. Also, because they've been tested under the most severe conditions, you can have complete confidence in their reliability and durability. To add to the reassurance, every genuine Toyota accessory has a 5-year warranty when purchased together with the vehicle.

For more information visit toyota.co.uk/owners/parts-accessories

Toyota Roadside Assistance

When you buy a Toyota you will automatically receive 12 months' AA Roadside Assistance in the UK and Europe, free of charge. After the first year the cost of Toyota Roadside Assistance is £7 per month if paid by monthly Direct Debit, £72 per annum if paid by annual Direct Debit, and £76 per annum when paid by all other payment methods.[§]

For full terms and conditions please visit toyota.co.uk/owners/roadside-assistance

5-Year Toyota Warranty

Every new Toyota comes with a 5-year/100,000-mile (whichever comes first) manufacturer's warranty, covering you against the unlikely event of a manufacturing defect causing a mechanical fault.

For full details, please ask your official Toyota Centre or visit toyota.co.uk/owners/warranty/toyota-warranty

Corrosion Cover

The 12-year unlimited mileage cover protects against rust perforation affecting sheet metal body panels as a result of a manufacturing fault. This warranty can also be transferred to any future owner throughout the 12-year period.

Rust and Paint Cover

The 3-year unlimited mileage cover protects against defects and surface rust as a result of a manufacturing fault.

Toyota Extended Warranty

You have the choice of either the low-user option that restricts you to 15,000 miles per year or 12 months whichever comes first or the 12-month unlimited mileage cover. You also have a choice between 12 and 24 months' cover (subject to vehicle eligibility). The 24-month option will show a saving over two 12-month Toyota Extended Warranty policies and is available with the low-user option at 30,000 miles or 24 months whichever comes first.

The Toyota Extended Warranty can be renewed until the vehicle is 12 years old with less than 100,000 miles at point of sale, and if a part covered by the Toyota Extended Warranty suffers electrical or mechanical failure at any time during the term, Toyota is committed to fixing it. You don't pay for replacement parts or labour.

This brochure cannot be regarded as infallible (some of the vehicles shown may not be to exact UK specification), and as such does not constitute an offer for sale of any particular vehicle or specification. For the latest specification and availability, we ask that you contact your local Toyota Centre. Vehicle body colours may differ slightly from the printed images in this brochure.

Figures are provided for comparability purposes; only compare fuel consumption and CO₂ figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results. Fuel consumption and CO₂ produced varies significantly depending on a number of factors, including the accessories fitted (post-registration), driving style, conditions, speed and vehicle load. All models and grades are certified according to the World Harmonised Light Vehicle Test Procedure (WLTP), which replaces the New European Driving Cycle test procedure (NEDC). All CO₂ figures quoted are NEDC equivalent. This means the CO₂ figures are based on the new WLTP test procedure but calculated (using a standard European calculation method) to allow comparison with the NEDC test procedure and will be used to calculate vehicle tax on first registration. All mpg figures quoted are full WLTP figures. More information can be found by visiting: www.vehicle-certification-agency.gov.uk/fcb/wltp.asp.

The use of the term 'Toyota Accessories' should not be taken to imply that the products on the accessory pages are actually manufactured by the Toyota Motor Corporation or Toyota (GB) PLC. Toyota (GB) PLC is continually updating and changing specifications of accessories and reserves the right to do so at any time without prior notice.
