CALIBRA DTM

VAUXHALL

WHITE HOT METAL

The DTM (*Deutsche Tourenwagen Meisterschaft*), or German Touring Car Championship, is the most powerful and most advanced saloon car racing series in Europe, featuring cars of such technical complexity that even Formula One teams look on with envy.

Last season, General Motors' representatives in this most competitive of championships — the breathtaking DTM Calibras — proved their ability not only to live with, but to beat, the very best touring cars in Europe.

Now, in celebration of Calibra's superb performance in the DTM series, Vauxhall is proud to unveil the Calibra DTM — a stunning new special edition that pays homage to the awesome power and graceful beauty of its DTM racing counterparts.

With its lowered sports suspension, white BBS alloy wheels, motorsport-inspired interior and a choice of three potent engines, including the 204PS turbocharged 2.0i in the six-speed 4x4 version, Calibra DTM leaves no-one in any doubt as to its racing heritage.

Certainly the car will attract a great deal of attention — some, unfortunately, of the unwanted variety. With this in mind, Calibra DTM comes equipped with an ultrasonic alarm, the Vauxhall

engine deadlock immobiliser and an additional and highly effective anti-theft device.

And while DTM race cars are not exactly renowned for their luxurious qualities, the Calibra DTM offers a leather steering wheel with grey grip inserts an SC 804 CDC stereo radio/cassette/compact disc player with boot-mounted autochanger and six speakers both as standard.

The Calibra DTM. White hot metal. But eminently cool.

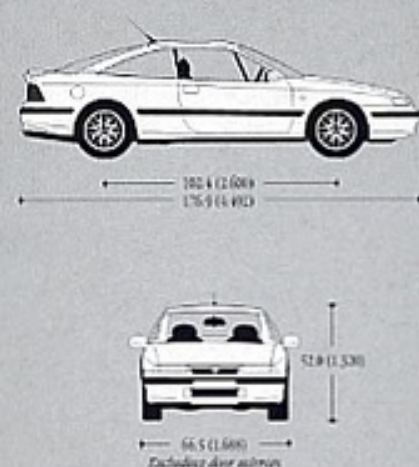

Calibra DTM style is exemplified by this unique Chequers cloth seat trim.

SPECIFICATIONS

DIMENSIONS

Inches (mm)

*Nil: overall width including door mirrors is 75.0 (1,900)
overall height including roof antenna is 63.1 (1,604)*

Every effort has been made to ensure that the contents of this publication were accurate and up-to-date at the time of going to press (May 1995). However, with Vauxhall's policy of continuous product improvement, the company reserves the right to change specifications and make modifications to the vehicles described and illustrated at any time. Vauxhall cars are equipped with components manufactured by various General Motors operating units and outside suppliers. Any alterations affecting the description and illustrations in this publication will be notified to Vauxhall dealers at the earliest opportunity. Please consult your Vauxhall dealer for the latest information. The colours reproduced may vary slightly from the actual paint colour or material due to the limitations of the printing process. - Electrically operated front windows
- Twin electrically adjustable and heated door mirrors
- Electrically operated sliding/tiltable steel sunroof
- Front halogen fog lamps integrated into headlamp units
- Green tinted glass with windscreen shatterband
- Intermittent tailgate wash/wipe
- Three-way catalytic converter

ENGINES

2.0i 16v Petrol (1998cc) ECOTEC-4

Max. power: 136PS (100kW) @ 5600rpm
Max. torque: 136.4 lb. ft. (185Nm) @ 4000rpm

2.5i V6 24v Petrol (2498cc) ECOTEC-V6

Max. power: 170PS (125kW) @ 6000rpm
Max. torque: 167.4 lb. ft. (227Nm) @ 4200rpm

2.0i Turbo Petrol (1998cc)

Max. power: 204PS (150kW) @ 5600rpm
Max. torque: 206.5 lb. ft. (280Nm) @ 2400rpm

PERFORMANCE

(Manufacturer's figures)	2.0i 16v	2.5i V6	2.0i Turbo
	16v	24v	4x4
Maximum speed mph	133	147	152
Acceleration 0-60 mph (secs)	8.0	7.3	6.4
Accel. 30-50 mph (4th gear) (secs)	7.5	8.5	5.5

INSURANCE GROUPS

2.0i 16v	16
2.5i V6 24v	18
2.0i Turbo 4x4	18

Insurance groups as recommended by the Association of British Insurers.

FUEL CONSUMPTION DATA

mpg (litres/100km)	Simulated urban driving	Constant 56 mph (90 km/h)	Constant 75 mph (120 km/h)
2.0i 16v ECOTEC-4	26.9 (10.5)	47.9 (5.9)	39.8 (7.1)
2.5i V6 ECOTEC-V6	24.8 (11.4)	42.8 (6.6)	34.4 (8.2)
2.0i Turbo 4x4	24.4 (11.6)	40.9 (6.9)	34.0 (8.3)

FUEL CAPACITY

14.0 Imp. gallons (63 litres)

WEIGHTS (kg)

	Kerbweight	Gross Vehicle Weight
2.0i 16v	1365	1670
2.5i V6 24v	1340	1745
2.0i Turbo 4x4	1390	1760

COLOUR AND TRIM

Calibra DTM is available in Glacier White. Interior trim is Chequers cloth with new Motorsport colour scheme. Artificial leather trim may be specified at extra cost.

Please note: Calibra DTM has been built in strictly limited numbers. There is only restricted availability of engine and option choice. Please consult your Vauxhall dealer for more details.

This leaflet highlights the unique features of Calibra DTM plus the major specification details carried over from the standard Calibra. For more comprehensive specification details please refer to the main Calibra brochure V7436.
