CALIBRA SE

VAUXHALL

enjoy the

style, comfort and performance

Whichever way you look at it, the Calibra SE 2.0i 8v is definitely different. Those 15" alloy wheels are a new design, and come equipped with ultra-low profile tyres for ultra-high grip. There's also an exclusive colour - Caribic Blue two-coat metallic. The inside is different too. Exclusive Rain velour trim and specially branded velour carpet mats are both standard, as is a leather-trimmed steering wheel.

Get behind that wheel, though, and you'll be pleasantly reassured. Calibra SE offers twin side impact door bars and body-lock front seat belt tensioners. It provides a highly sophisticated ultrasonic alarm with immobiliser and central locking with security deadlocks. And its performance curves are every bit as impressive as those of its body. Just as you'd expect of every Calibra.

Right: The SE interior is finished in the exclusive Rain Velour Trim or (above) optional leather upholstery at a special price.

Vauxhall cars are equipped with components manufactured by various General Motors operating units and outside suppliers. In line with Vauxhall's continuous product improvement, the company reserves the right to change specifications and make modifications to vehicles described and illustrated at any time.

Any such modifications affecting the description and illustrations in this publication will be notified to Vauxhall dealers at the earliest opportunity; please consult your local dealer for the latest information.

The colours reproduced in this brochure may vary slightly from the actual paint colour or trim material due to the limitations of the printing processes. However, all Vauxhall dealers have a comprehensive colour and trim album, with highly accurate exterior colour samples and actual interior trim samples, available to customer inspection.
