CALIBRA SE9

VAUXHALL

A classic for your collection

The SE9 is the last in the desirable Calibra Special Edition series. And as you would expect, there is plenty to savour.

On SE9, Calibra's designer curves are emphasised in sporting Flame Red paint. Its classic BBS 16 inch alloy wheels are matched with ultra-low profile tyres. And the rear spoiler with integrated brake light, adds as much to the car's striking good looks as it adds to performance and safety.

Inside you'll find soft, anthracite leather trim and full air-conditioning, while under the bonnet is a 170PS 2.5i V6 24v engine, backed by a five-speed manual or optional

four-speed automatic transmission. Both traction control and electronic anti-lock braking (ABS) are standard.

Comprehensive safety features include twin full-size airbags, twin side-impact door bars and front body-lock seatbelt pretensioners. Security features include a deadlock immobiliser and ultrasonic security alarm.

Special Edition Calibras have always been exclusive. But SE9 could well be the most exclusive of all.

The end of an era? We think not. For those lucky enough to secure one, it's more like the start of a very exciting partnership.

EXTERIOR DIMENSIONS

(Millimetres (inches))

Every effort has been made to ensure that the contents of this publication were accurate and up-to-date at the time of going to press (August 1997). However, with Vauxhall's policy of continuous product improvement, the company reserves the right to change specifications and make modifications to the vehicles described and illustrated at any time. Vauxhall cars are equipped with components manufactured by various General Motors operating units and outside suppliers. Any alterations affecting the description and illustrations in this publication will be notified to Vauxhall dealers at the earliest opportunity. Please consult your Vauxhall dealer for the latest information. The colours reproduced may vary slightly from the actual paint colour or material due to the limitations of the printing process. It should be noted that Vauxhall dealers are not the agents of Vauxhall Motors Limited and are not authorised to bind the company by any specific or implied undertaking or representation.
