

CORSAVAN

2018 Models Edition 1

VAUXHALL

BE THE BUSINESS.

When you're choosing a commercial vehicle, you need the right tool for the job. So welcome to our range, which includes four award-winning models Corsavan, Combo, Vivaro and Movano – with over 300 variations for every kind of job, from panel

vans, chassis cabs, crew cabs and platform cabs to box vans, tippers, dropsides and passenger carriers. Even better, our reliable, fuel-efficient vehicles are supported by a dedicated network of retailers across the UK, giving you expert help

when and wherever you need it. And another thing – not only do we build more commercial vehicles than any other UK manufacturer (almost 74,000 built in the last year), we've won over 30 major awards since 2010, given by the toughest

judges in the industry. But what exactly does that mean for you? Well, it means you always know your van is made by the best in the industry, supported by professionals who care about doing a great job just as much as you.

Now isn't that the business?

CORSAVAN. THE SMALL VAN THAT GIVES YOU MORE.

An impressive redesign of its award-winning predecessor, the Corsavan is now more stylish and capable for your business than ever.

Its sharp exterior projects a dynamic business image, and its high-class ergonomic interior is packed with innovative features like touchscreen infotainment, Bluetooth® connectivity, Vauxhall OnStar personal connectivity and service assistant* complete with a 4G Wi-Fi Hotspot* and heated windscreen, to make your daily drive more enjoyable.

Corsavan is powered by an impressive range of fuel-efficient engines, with active safety systems and six airbags fitted as standard. An impressive payload of up to 581kg ensures it can deliver the goods too.

In every way, Corsavan is the perfect small van – that gives you more.

*OnStar optional on Corsavan. Terms and conditions apply, see pages 10-13 for full details.

Some of the vehicles shown include options and accessories available at extra cost. And not all of the features, options or accessories described are available on every model. For model and equipment availability please refer to the latest Commercial Vehicle Range Price and Specification Guide available to download at vauxhall.co.uk for details.

EASY DOES IT.

Designed for hard working businesses everywhere, Corsavan makes loading and unloading easy.

The tailgate opens high to give you plenty of headroom, yet drops down for a conveniently low loading height – it also features interior handles to make pulling the tailgate down easier too.

With an impressive 581kg payload, an accommodating 1257mm maximum load floor length and a generous 0.92 cubic metres load capacity, it's easy to see why Corsavan is more than up to the job.

1. Load protection. A sturdy half-height steel bulkhead, tough sidewall half-height panelling and load restraint lashing eyes help protect against heavy, shifting loads. And an upper load restraint mesh and rubber floor mat (pictured above) are available as extra cost options.

2. Load area storage. A handy four-part load compartment cover is also available as an extra cost option.

1. Bluetooth® connectivity and digital radio. Corsavan doesn't just work hard, it plays hard too. As well as the usual CD player and stereo radio, it's kitted out for you to connect all the media on your smartphone, MP3 player or tablet using the aux-in socket, USB or Bluetooth® for hands-free connectivity and music streaming. Digital radio means a broader range of channels with easier tuning and crystal clear sound.

2. IntelliLink infotainment*. Designed to work without a CD player, the optional R4.0 IntelliLink system features a touchscreen interface with smartphone** projection that enables certain apps and features to be displayed on the colour screen through Apple CarPlay™ or Android Auto™.

3. Banish winter blues. Ice and condensation melt away with the heated windscreen. Standard on Sportive/LE Nav models.

4. Storage spaces. Corsavan provides plenty of handy storage spaces too, including a centre console with drink holder and large door pockets (big enough for a 1.5-litre bottle) with specialised compartments for mobile phones and all those essential odds and ends.

INTERIOR COMFORT.

Whatever your business, Corsavan is ready to provide a safe, easy and comfortable journey with a full range of interior features.

The Corsavan features sharp and distinctive interior styling together with an in-cab environment designed for maximum comfort and durability. In addition, ambient lighting and reduced levels of noise and vibration guarantee a relaxed and stress-free workday experience, whatever your trade. And when it comes to cabin clutter, Corsavan has everything well organised with a range of smart and handy storage ideas for both the cabin and the load area.

As well as the usual creature comforts like electric windows, door mirrors and remote central deadlocking, both models feature digital radio, USB and Bluetooth® connectivity. Sportive/LE Nav models really turn it on with sports-style seats, a heated windscreen and air conditioning – you can even equip Corsavan with the added convenience of electronic climate control as an affordable option.

*When specified, the R4.0 IntelliLink infotainment system does not feature an aux-in socket.

**Please note that compatibility and certain functions may be different depending on the type of device and version of operating system you're using with the IntelliLink systems. To check compatibility go to www.apple.co.uk or www.android.co.uk. You may also incur additional costs from your operator for some services and as such we recommend that you check the data costs on your tariff. Apple CarPlay and Apple are trademarks of Apple Inc. registered in the U.S. and other countries. Android is a trademark of Google Inc.

THIS COULD BE THE IDEAL TRAVEL COMPANION.

Journeys go faster with great company. It's just a good feeling to have someone with you along the way. Which is why you can specify Vauxhall OnStar¹ for your Corsavan,^{*} a personal connectivity and service assistant who's always there for you, 24/7, 365 days a year.

At the push of a button, it puts you in touch with someone to help you – could be help to find or unlock your van or immediate help in an emergency – whatever happens, it's there.

It also gives you a super-handy 4G Wi-Fi Hotspot². Perfect for hooking up to seven devices (And keeping ahead of the game).

Isn't this just the kind of work mate you'd like around?
And we guarantee it won't complain about the music you play.

^{*}Optional at extra cost on Corsavan models. ¹The OnStar services require activation and account with OnStar Europe Ltd. Charges apply after applicable trial period. All services subject to mobile network coverage and availability. The OnStar subscription packages could be different from the services included in the free trial package. Check vauxhall.co.uk/onstar for details of availability, coverage and charges. Terms and conditions apply. ²The 4G Wi-Fi Hotspot services require account with OnStar Europe Ltd. and nominated network operator. The Wi-Fi trial has a time limit and capped data allowance. Charges apply thereafter. All services subject to mobile network coverage and availability.

SOS

YOU'RE SAFE.

With OnStar you have emergency assistance at your fingertips, available 24 hours a day, 365 days a year.

- **Automatic Crash Response¹:** in case of a crash and an airbag deploys, our advisors automatically connect to your van. If needed, they immediately brief the emergency services with key van information and can send them to your exact location.
- **24-Hour Emergency Call Service¹:** you or a passenger are not feeling well? Push the red SOS button and our advisors make sure to send help right away.
- **Roadside Assistance^{1,3}:** if you have a flat tyre or a warning light in the dashboard goes on, just contact our advisors and they will send Roadside Assistance to your location, if required. This is even more valuable in areas with weaker mobile phone coverage or if your smartphone has run out of battery.
- **Stolen Vehicle Assistance²:** in case your van gets stolen, report it to the police and get a crime reference number. Once the van stops and is turned off, OnStar blocks the ignition so the van can't be restarted again and provides the police with the exact vehicle location to help retrieve your van safely.

YOU'RE WELL CONNECTED.

Nowadays, we're pretty used to having Wi-Fi on tap almost everywhere. So why not your van? And you can use the smartphone app to view the status of some functions, locate your van, and lock or unlock it if needs be.

- **Wi-Fi Hotspot^{1,2}:** a fast and stable Internet connection enables you and your passengers to work, surf or just stream movies on up to 7 devices – thanks to the powerful OnStar roof antenna.
- **Remote Control^{1,4}:** if you forgot to lock your van, you can use your smartphone to remotely lock or unlock it, even from afar, thanks to the My Vauxhall Smartphone App.
- **Van Locator^{1,4}:** forgot where you've parked? Pinpoint your van's location on the app. If you are close and still do not see it, just blink the headlights or honk the horn to see where you've parked.

YOU'RE LOOKED AFTER.

Who wouldn't want a personal assistant?

At the touch of a button, you'll be connected to an assistant who's at your service – 24 hours a day, 7 days a week.

- **Hotel Booking^{1,5}:** plans changed? Or too tired to keep driving? Let our advisors take care of your hotel booking en route, powered by Booking.com. Just press the blue Service Button.
- **Destination Download^{1,6}:** no more address typing! Our advisors assist you in finding an alternative route, a restaurant or a petrol station. They will remotely download the address onto your in-built navigation system, too.
- **Parking Service^{1,7}:** never search for a car park space again! Using Parkopedia.com, OnStar can find the nearest car park to your destination. That way, before you even get there, you'll already know the availability and parking fee. With destination download⁶, OnStar can send the information direct to your sat nav, making it even easier.

How's that for personal service?

All without leaving your new Corsavan.

³ OnStar will direct a professional breakdown recovery team to your location. If your van is within the Vauxhall New Vehicle Roadside Assistance coverage period, OnStar will connect with the Vauxhall Roadside Assistance service, who will send help free of charge, subject to the Vauxhall Roadside Assistance terms and conditions. If your vehicle is outside the coverage of the Vauxhall New Vehicle Roadside Assistance service, the provider of the breakdown recovery service may apply charges for the services provided. ⁴ Some elements of Smartphone App may not be available for all vans/trim levels. Check vauxhall.co.uk/onstar for service limitations and charges. ⁵ An OnStar advisor can help you book a hotel room using Booking.com, subject to Booking.com user terms and privacy statement, which can be found on the Booking.com website, and the applicable terms and conditions for your hotel. OnStar assists you in making a booking and is not responsible for the services provided by Booking.com or your hotel. Email address and credit card required. ⁶ Some elements of Smartphone App and Destination Download may not be available for all vans/trim levels. An embedded Vauxhall navigation unit and map data are requirements for the Destination Download service. Check vauxhall.co.uk/onstar for service limitations and charges. ⁷ Only available for car parks which are listed in Parkopedia. Information about availability applies for the time of contact with OnStar.

HOW TO GET ONSTAR.

Vauxhall OnStar is optional extra cost on all models.

1. We will send you an e-mail so you can activate your account – then just complete your registration and set your preferences.
2. Just activate OnStar when you take delivery of your new Vauxhall Corsavan.
3. OnStar is ready to go!

Best of all the OnStar services are free of charge for the first 12 months¹. You'll also get a free data trial period for the 4G Wi-Fi Hotspot².

You can purchase Wi-Fi Hotspot data packages separately from the nominated network provider by following the instructions on vauxhall.co.uk/onstar. Charges apply after the free trial period.

To ensure your privacy, you can turn OnStar off and on anytime*. Find out more at vauxhall.co.uk/onstar

*OnStar can only override the Privacy Button in an emergency or if your van is reported stolen.

1 The OnStar services require activation and account with OnStar Europe Ltd. Charges apply after applicable trial period. All services subject to mobile network coverage and availability. The OnStar subscription packages could be different from the services included in the free trial package. Check vauxhall.co.uk/onstar for details of availability, coverage and charges. Terms and conditions apply.

2 The 4G Wi-Fi Hotspot services require account with OnStar Europe Ltd. and nominated network operator. The Wi-Fi trial has a time limit and capped data allowance. Charges apply thereafter. All services subject to mobile network coverage and availability.

GET MORE FROM YOUR VAN WITH MY VAUXHALL.

My Vauxhall is your one-stop shop for everything to do with your Corsavan. Manage your OnStar account. Organise your van's next service. Get rewards and exclusive savings for you.

- Manage your Vauxhall – take care of your Vauxhall online and book a service
- Access your OnStar services – get diagnostics reports, manage your subscription and more
- Exclusive offers – stay up to date on special offers, the latest news and current events
- Retailer locator – find your nearest Vauxhall retailer

HOW TO GET MY VAUXHALL.

If you already use Vauxhall OnStar, you can access all the My Vauxhall services. Otherwise, simply register for My Vauxhall this way:

1. When you order your Corsavan, your retailer will help you pre-register for My Vauxhall.
2. We'll send you an e-mail invitation to activate your My Vauxhall account and complete your registration.
3. My Vauxhall is ready to go – use it through any web browser, or the My Vauxhall app on your mobile device, available to download from the Google Play or Apple App Store.

ENGINES AND DRIVING DYNAMICS.

Delivering impressive engine efficiency and driving agility, Corsavan comes with a range of Euro 6 compliant engines, including one petrol and three powerful turbo diesel units that add up to some serious cost savings. Which means Corsavan makes absolute business sense whatever the requirement.

Engine efficiency

Featuring a turbocharger design that achieves higher torque from lower revs, the ecoTEC 1.3CDTi (95PS) Start/Stop engine boasts 78.5mpg on the combined cycle, with CO₂ emissions as low as 94g/km. The Sportive 1.3CDTi (95PS) Start/Stop engine achieves 68.9mpg on the combined cycle and CO₂ emissions of just 108g/km.

Driving agility

Of course Corsavan is a joy to drive too, with electrically powered steering and a totally redesigned chassis for a smooth, superior ride that makes the working day less stressful. The speed-sensitive electric power steering system features City Mode – which boosts power assistance for easier parking and manoeuvrability. At the same time, suspension modifications optimise steering for a more responsive feel. In addition, the Easytronic transmission is available with the 1.3CDTi (95PS) Start/Stop ecoTEC diesel.

1. City Mode. Specially developed for Corsavan's electric power steering system, City Mode lightens the steering for easier parking and manoeuvrability in tight situations.

2. Front camera system. This clever safety technology reads and alerts you to traffic signs before you do, warns if you drift from your lane or approach vehicles in front too fast – it even helps you keep your distance too.

3. Rear-view camera and rear parking distance sensors. Mounted in the tailgate, the optional rear-view camera gives a wide viewing angle of the area behind the vehicle displayed on the infotainment system screen, while optional parking distance sensors alert you to the proximity of objects to the rear bumper.

4. Easytronic transmission. Easytronic offers all the main features and flexibility of a regular automatic plus the performance and control of a 'one-touch' manual gearbox. Available as an extra cost option on standard Corsavan models.

ENGINES AND TRANSMISSIONS

	Maximum power	Maximum torque	Fuel economy mpg (litres/100km)#			CO ₂ emissions (g/km)#
			Urban driving	Extra-urban driving	Combined figure	
Petrol						
1.2i (70PS)	70PS (51kW) @ 5600rpm	115Nm (85 lb.ft) @ 4000rpm	42.2 (6.7)	61.4 (4.6)	52.3 (5.4)	126
Diesel						
1.3CDTi (75PS) S/S	75PS (55kW) @ 3750rpm	190Nm (140 lb.ft) @ 1500–2500rpm	55.4 (5.1)	83.1 (3.4)	70.6 (4.0)	107
1.3CDTi (95PS) S/S ecoTEC	95PS (70kW) @ 3750rpm	190Nm (140 lb.ft) @ 1500–3500rpm	68.9 (4.1)	88.3 (3.2)	78.5 (3.6)	94
1.3CDTi (95PS) S/S ecoTEC Easytronic	95PS (70kW) @ 3750rpm	190Nm (140 lb.ft) @ 1500–3500rpm	70.6 (4.0)	91.1 (3.1)	83.1 (3.4)	91
1.3CDTi (95PS) Sportive S/S	95PS (70kW) @ 3750rpm	210Nm (155 lb.ft) @ 1500–3000rpm	57.6 (4.9)	78.5 (3.6)	68.9 (4.1)	108

MAKE IT YOUR OWN.

Corsavan gives you plenty of options and packs to make it work even better for you.

As well as the IntelliLink infotainment system, Driving Assistance Pack, Winter Pack and electronic climate control, further options include:

- Vauxhall OnStar*
- Load area rubber floor mat
- Upper load restraint mesh
- Cargo net
- Fixings for cargo net
- Load compartment cover
- Easytronic transmission
- Rear parking distance sensors
- Rear-view camera (Sportive)
- 16-inch black alloy wheels (Sportive)
- Security alarm system

*Terms and conditions apply, see pages 10-13 for full details.

1. IntelliLink. Compatible with Apple and Android systems, the touchscreen based infotainment system is designed to connect Bluetooth® and USB devices to share apps and content from your smartphone or MP3 player.

2. Driving Assistance Pack. Helping drivers to keep safe on the road, this pack includes forward collision alert, traffic sign recognition, lane departure warning, following distance indicator and electro-chromatic anti-dazzle rear-view mirror.

3. Winter Pack. Making the colder months more bearable for drivers, this pack includes electrically heated seats and an electrically heated leather-covered steering wheel.

4. Electronic climate control. Incorporating air conditioning, Corsavan's electronic climate control is a sensor-controlled, single-zone, fully automatic system that can set and hold the desired cabin temperature.

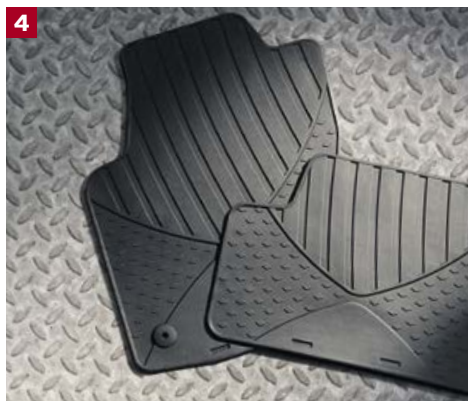

1. Base carrier. Our roof rack system starts off with this base carrier, and can be complemented by two T-track bars – the system also works with a range of Thule attachments.

2. Detachable tow bar. Comes complete with 13-pin electrics and is easily mounted and detached.

3. Splash guards. A smart appearance is important to business, so Corsavan's accessory splash guards help protect the vehicle's paint and bodywork.

4. Rubber floor mats. A pair of hardwearing, non-slip rubber mats help protect the Corsavan's interior floor from everyday wear and tear.

ACCESSORIES.

With all the big stuff taken care of, the little things make a real difference to your driving experience. Fitted by trained Vauxhall professionals, Genuine Vauxhall Accessories allow you to get more out of your working day.

All are designed and specified to the same exacting standards as the Corsavan, and all come with a comprehensive warranty.

Other accessories include:

Interior

- Floor mats
- Door sills

Safety

- First aid kit
- Warning triangle
- Hi-visibility vest

Security
