RANGE PROFILE

VAUXHALL

Forward into '96

Vectra. Technology that puts you in charge

Introducing Vectra from Vauxhall: a stunning new range of saloons and hatchbacks that turn new technology into everyday reality.

As congested roads force you to spend more time 'on board', so Vectra helps you relax with greater interior space and impressive improvements in driver control, comfort and convenience.

To help you enjoy your time at the wheel, Vectra's all-independent chassis boasts superb ride and handling characteristics. And to help you save on your motoring costs, Vectra's six-engine range boasts outstanding fuel economy. Cleaner engine emissions, reduced noise levels (to EU 96 standards) and a high level of recyclability also add to Vectra's 'green' credentials.

Even though the provision of certain basic driver and family safety features is now often taken for granted, Vectra protects with the most advanced safety systems ever seen on a Vauxhall car.

High-tech security features also reduce the inconvenience, costs and distress caused by car crime.

Above all, Vectra is the car that puts you in charge.

Music to your ears

Most Vauxhalls offer new audio equipment for '96. The new R 100 stereo radio comes with Traffic Programme – unusual for this level – while the new CAR 200 stereo radio/cassette adds the security of remote display through the car's Multi Function Display (MFD) panel.

The new CAR 300 and CAR 400 stereo radio/cassette players add RDS/EON with Traffic Programme, and a host of latest audio features while the top-of-the-range CDR 500 stereo radio/compact disc player is reserved for flagship models, such as the new Vectra CDX.

Omega moves up

With an updated model choice and detail improvements across the board, the '96 Omega range redefines the executive standard.

Omega Select is now available with economical 2.0i 8v petrol or 2.5 turbo-diesel engines and Omega CDX is now available with a 2.0i 16v engine. A stunning new paint colour, Titanium pearlescent, adds even greater definition to Omega's perfectly proportioned lines.

Every Omega now comes with the latest Vauxhall audio updates and an electrically operated sunroof with pre-select facility. Elite and CDX now feature electronic climate control.

Safety updates include new hybrid type airbags and side impact safety enhancements, while new radio frequency type remote control central locking is joined by a freewheeling driver's door lock cylinder.

Security update

The latest Vauxhall security innovations increase peace of mind without reduced driver convenience.

For '96, Vauxhall's innovative engine deadlock immobiliser is standard on virtually every model – including diesels. Many Vauxhalls now feature freewheeling lock cylinders. And many Vauxhall factory alarms now feature a 'power siren' with integral power supply.

Vectra and Omega also debut a new radio frequency remote control locking system, which can lock and unlock all doors and fuel filler flap and even arm the car's security alarm (where fitted). On Omega it can also close the electric sunroof and windows.

New look Corsa

With the introduction of the new 1.4i 16v Corsa Sport and feature upgrades across the range, Corsa offers even better value for '96.

Exterior styling updates extend to new Rio Verde and Aurora pearlescent paints, and body colour bumpers on LS, GLS and Sport. Inside you'll find distinctive new Circus trim on LS, electric front windows and door mirrors and a sliding/tiltable glass sunroof on GLS, Sport and CDX plus Vauxhall's latest audio updates across the range.

Improved side impact protection measures plus an engine deadlock immobiliser across the range also make Corsa safer and more secure than ever before.

Calibra is the ultimate sporting all-rounder that perfectly combines saloon-style practicality with sports car performance. There's room for four adults and plenty of luggage, and when it comes to feature specification, the 115PS 2.0i model sets a high standard with:

- Driver's full-size airbag
- Front seat body-lock restraint system
- Twin side impact door bars
- Deadlock central door locking
- Engine deadlock immobiliser
- Ultrasonic security alarm
- SC 303 stereo radio/cassette player
- Alloy road wheels
- 205/55 R15 ultra-low profile tyres
- Four-wheel disc brakes with electronic ABS
- Power steering
- 60/40 split-folding rear seat
- Green tinted glass
- Electrically operated front windows
- Electric sliding/tiltable steel sunroof

Move up to the all-action 136PS 2.0i 16v model and you also add:

- Heated front seats with leather seat trim
- Check control warning panel
- Halogen front fog lamps

Vauxhall's awesome 170PS 2.5i V6 engine adds a little magic to every car it powers. In Calibra, it is joined by:

- Front passenger's full-size airbag
- CD 300 stereo radio/CD player
- Traction control

But for the ultimate sporting Vauxhall, look no further than the 204PS 2.0i 16v turbo 4x4 which also adds the following:

- Six-speed close-ratio gearbox
- Permanent four-wheel drive
- 205/50 R16 ultra-low profile tyres
- Seven-function trip computer

Customer care

From Corsa to Omega Elite the Vauxhall car range is one of the widest in the UK. And every model comes with the unique reassurance of the Vauxhall Customer Care package.

Choosing a new Vauxhall means you can enjoy the peace of mind offered by Vauxhall Assistance, Vauxhall Price Protection and Vauxhall Security. Order a new Vauxhall for build in the current model year (as confirmed by your dealer) and the price you are quoted is the price you pay – irrespective of any subsequent price rises between order and delivery of your new car.

The only qualifications are that your order must be placed no more than three months ahead of the required delivery date and that you take delivery as soon as the car is available. Regrettably, Price Protection does not cover Government-imposed tax changes.

To eliminate any uncertainty about 'hidden' costs when buying your new car, Vauxhall quotes a recommended price for an on-the-road package. This includes number plates and delivery to the Vauxhall dealer and should be added to the published list price of any model to arrive at the total. Full details can be found in the Vauxhall price guide or ask your dealer.

So that you can buy a Vauxhall with confidence, there's a **no-quibble Exchange Plan** on all our new cars. It's simple. Providing you've driven less than 1,000 miles, if you change your mind about your new Vauxhall within 30 days of buying it – for whatever reason – we'll be happy to change it for another new Vauxhall. The plan does not affect your statutory rights and certain exclusions apply.

The comprehensive Vauxhall new car warranty provides reassuring cover for the first 12 months of ownership with no restrictive clauses on total mileage. There's further cover too with Vauxhall's six-year body panel

anti-perforation warranty that requires no periodic checks. Both warranties are transferable if the car is sold.

Vauxhall justifiably has an excellent reputation for vehicle security. However, should you be unfortunate enough to have your new Vauxhall stolen within the first 12 months of registration, simply phone Freephone Vauxhall Security – after reporting the theft to the police – and you'll be entitled to the free loan of a car, excluding fuel and insurance, for up to seven days.

The benefits of buying Vauxhall are apparent even when the time comes to sell. With the success of **Network Q** – Vauxhall's fully-warranted pre-owned car operation – there's even more of a demand for high quality used Vauxhalls.

Vauxhall has one of the largest franchised dealer networks in the UK, with over 500 dealerships, each one committed to providing high standards of aftersales care and support.

And while your local dealer is perfectly placed to answer any customer enquiry, our unique **Vauxhall Customer Assistance Centre** provides valuable back-up on a wide range of Vauxhall subjects.

As part of Vauxhall's total customer care concept, our Service and Parts operations are fully integrated into one customer-focused organisation – **Vauxhall Aftersales**.

Vauxhall's aftersales support extends to a national network of **Vauxhall Approved Accident Repair Centres**. Independent assessment on a regular basis ensures that stringent operating standards are maintained and is your assurance of excellent workmanship, outstanding customer care and value for money.

MasterFit is the drive-in maintenance service for Vauxhall drivers which provides friendly convenient fitting of Vauxhall replacement parts by Vauxhall-trained technicians at competitive prices.

Vauxhall has a strong reputation for vehicles which have minimal routine servicing requirements to help reduce running costs.

Naturally, Vauxhall replacement parts are a key element of the service provided by dealers.

The Vauxhall central warehouse has an inventory of around 24 million replacement parts – all rapidly available and carrying a 12 month unlimited mileage warranty against defect.

Vauxhall Assistance

Complete peace of mind, whatever Vauxhall you drive

Vauxhall Assistance is one of the most comprehensive motoring assurance packages in the UK. It is automatically extended to every new Vauxhall car for the first 12 month warranty period.

This vehicle-based cover is designed to keep Vauxhall drivers mobile following an accident or other roadside incident. It covers almost any journey interruption, whether it is due to mechanical breakdown, a flat tyre, illness while driving – or even the loss of keys. Drivers are allocated a special Vauxhall Assistance Emergency Contact Number.

Among its wide-ranging list of benefits are:

- **Full rescue service** – includes roadside assistance round-the-clock, 365 days a year.
- **Recovery** – if a problem cannot be solved at the roadside, or if someone is taken ill while driving, the driver, vehicle and passengers are transported to their nearest Vauxhall dealer or to any British destination.
- **'At home' service** – if there is a vehicle problem at the driver's home, help will be sent.
- **Onward travel** – if a vehicle is immobilised by a roadside accident, Vauxhall Assistance can help the driver (and passengers) reach their destination.
- **Overnight hotel accommodation or loan car** – may be provided when a vehicle is immobilised through major breakdown or accident.*

The Vauxhall Assistance package also comprises European Cover and a helpful Accident Management Service that relieves members of much of the paperwork – and a lot of the worry – that follow a road accident.

You will also be entitled to many other benefits including free technical advice on all aspects of motoring, holiday discounts, free legal advice and support, and a full European travel insurance and booking service. Ask your dealer for full details.

*Subject to certain limitations.

Vauxhall Finance

No-nonsense funding from the people who understand your needs

From hire purchase to leasing, Vauxhall Finance offers a full range of finance packages to help you acquire a new or used vehicle through your Vauxhall dealer.

With more than 75 years experience in automotive funding, who could be better to advise you on financing your vehicle?

For further information or a written quotation on the vehicle of your choice, please contact Vauxhall Finance, Wesley House, 19 Chapel Street, Luton LU1 2SE.

Security may be required.

Vauxhall Sureguard

Protection for up to three years beyond your first year warranty

Offering mechanical and breakdown protection for one, two or three years beyond your first year warranty, Sureguard is the new vehicle mechanical insurance provided by Vauxhall.

One of the most comprehensive policies offered by any manufacturer, Sureguard not only provides protection against the costs of mechanical failure, but also offers other benefits such as extending Vauxhall Assistance cover for the duration of the policy.

There is a range of policies to suit all types of driver. Ask your local Vauxhall dealer for more information on Sureguard – or telephone free of charge on 0800 413816.

Vauxhall Rental

Quality car rental with the accent on value

Vauxhall Rental offers an extensive range of vehicles from a network of registered dealers.

Only Vauxhall dealers offer Vauxhall Rental, so you can be confident that the vehicle you select will be clean, well prepared and maintained and offered at really competitive rates.

Ring Vauxhall Rental Headquarters on 01582 861800 or 863333 for details of your nearest dealer.

Vauxhall Motability

The specialist approach to assisted mobility

People in receipt of the Higher Mobility Component of the Disability Living Allowance receive special help from Vauxhall.

Attractive preferential prices or the advantages of low cost contract hire are available on many Vauxhall models through your local Vauxhall Motability Registered Dealer. In addition, Orange Badge holders also qualify for preferential prices through our own Mobility Plan.

For full details contact your local Vauxhall dealer, whose fully trained Motability staff will help you, or ring the Vauxhall Motability Helpline on 01582 861888.

Vauxhall Mastercover

Service and maintenance made easy

Mastercover is a comprehensive service and maintenance policy available on all new Vauxhalls for two to four years from date of first registration, up to specified mileage limits.

The vehicle is covered for all scheduled services, including labour and parts, during the period as well as any unforeseen maintenance such as mechanical or electrical repairs whilst the complete range of Vauxhall Assistance and Vauxhall Security benefits are included.

Full details and a brochure are available from your local Vauxhall dealer.

Vauxhall Master Hire Leasing

The locally available contract hire service

A nationwide network of selected Vauxhall dealers provides competitively priced, service oriented car contract hire to business, professional and local authority users. And the full service is based at a nearby Vauxhall dealership.

Vehicle leasing has many advantages, not least being the reduced burdens on company finances. Call Master Hire Leasing on 01926 452557 for the location and telephone number of your nearest Master Hire Leasing dealer. Their Master Hire specialist will outline the advantages.

Vauxhall Insurance

A comprehensive plan for new and used cars

The Vauxhall Insurance Plan (VIP) is a quality policy with wide cover and many attractive features. With a VIP policy, you do not get caught out by hidden policy excesses and limitations of cover. Remember, all comprehensive policies are not the same. Features include:

- Up to 65% No-Claims Bonus, transferable from your existing insurer; bonus can be protected for a small additional premium.
- Introductory bonuses for ex-company car drivers.
- New-for-old replacement if, in its first year of registration, the car is stolen or repairs cost more than 60% of the manufacturer's published on-the-road price.
- Up to 90 days free European 'Green Card' cover.
- Full audio equipment cover for original factory-fit audio.

- Unlimited windscreen cover – subject to a £40 excess.
- Unlimited manslaughter defence costs.
- Personal accident benefits up to £5000.
- Personal effects covered up to £100.
- Uninsured loss legal protection service – up to £50,000.
- Free legal advice service.
- Medical expenses up to £200.

VIP could also bring you substantial savings because, by using a specially selected panel of insurers – including Lloyds syndicates – it can offer a very competitive quotation regardless of the model or vehicle, new or pre-owned.

Ask your dealer for details of the Vauxhall Insurance Plan or ring the VIP quotation and instant cover hotline on 01705 650850.

From Corsa, Tigra, Astra and Astra Convertible to Vectra, Calibra, Omega, Frontera and Monterey, Vauxhall offers a range of cars to suit all tastes, all pockets and all requirements.

Success for The GM Card

Over half a million people are enjoying the benefits of The GM Credit Card. Every purchase made with the Card allows them to save Rebate Points which are redeemable when buying a new Vauxhall. Over 14,000 GM Cardholders have already redeemed points on their Card for significant savings towards their new Vauxhall.

Mr and Mrs Nichols (pictured right) decided to apply for a GM Card when they realised the amount of money they could save on a new Vauxhall.

"We liked the idea of building up points to be deducted from the purchase price of a new Vauxhall," said Mr Nichols. "I pay for most items on it – clothes, groceries, petrol, restaurants." Having totted up Rebate Points worth £500 by using his GM Card, Mr Nichols was prompted to purchase a Tigra as an early Christmas present for his wife and join thousands of customers who have cashed in their Rebate Points and purchased Vauxhalls at substantial price reductions.

For an application form for The GM Card please CALL FREE ON 0800 445566 quoting reference F03.
