Combi

The Combi combines real-world versatility with an innovative all-electric drivetrain. Making it perfect for use as a work transportation vehicle or taxi.

Design

First up for comfort is the Design, which is packed with plenty of practical features as standard. Complimented with 8-seats and ample accommodation for the family.

Ultimate

Ultimate is your more premium all-electric people carrier, with plenty of great features and top of the range tech.

Vivaro Life Electric Range Highlights

Combi

Standard features include:

- Multimedia system
 - 7-inch colour touchscreen
 - AM/FM/DAB digital radio
 - Bluetooth®
 - USB connection
- Four speakers • Vauxhall Connect
- 16-inch steel wheels • Air conditioning
- Multi-function trip computer
- Electronic parking brake
- Dual front passengers’ seat with underseat storage
- Second-row three-passenger 60/40 split bench seat with tilt function
- Third-row three-passenger fixed bench seat
- Electrically operated front windows
- Nearside and offside sliding side-access doors with fixed windows
- Tailgate with wash/wipe and heated rear window
- Side-protection mouldings • Six airbags
- Height-adjustable lap and diagonal inertia-reel seatbelts
- Electronic stability programme with traction control
- Anti-lock braking system
- Tyre pressure monitoring system
- Hill start assist
- LED daytime running lights
- Remote control central deadlocking
- Selective door locking
- Electronic engine deadlock immobiliser
- Remote control security alarm system

Design

Features over Combi models:

- Tinted privacy rear windows and tailgate
- Individual driver and passenger seats
- 60/40 split bench seat in second- and third-rows
- 3 power outlets
- Automatic anti-dazzle rear view mirror
- Electrically adjustable/heated door mirrors
- 17-inch steel wheels with full diameter trims
- Front fog lights
- Front and rear body-coloured bumpers
- Body-colour side protection mouldings
- Driver Assistance Pack
- Rear parking sensors
- Rain-sensitive windscreen wipers
- Automatic lighting control and high beam assist
- Curtain airbags in second- and third-rows

Ultimate

Features over Design models:

- Multimedia Navi Pro system
 - Satellite Navigation
 - Voice control
 - USB connection
- Ten speakers
- 17-inch bi-colour alloy wheels
- Electrically operated sliding side-access doors
- Leather seat trim
- Leather-covered steering wheel
- Heated power driver’s seat and heated front passenger’s seat with massage facility
- Dual-zone electronic climate control with rear air conditioning
- Roof-mounted rear heater controls
- Rear parcel shelf
- Third-row three-passenger foldable 60/40 split individually sliding bench/single seat
- Rear seat back tables
- Chrome-effect front grille
- Panoramic rear-view camera
- Ten airbags

Vivaro Life Electric Combi

Combi M

(Medium) 9-seater

OTR from

£36,995

Infotainment:

- Multimedia system
 - 7-inch colour touchscreen

gov.uk

WLTP Combined CO₂ (g/km) figures are based on a configured vehicle as per LCDV code for UK with no options fitted.

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £750.00 (inc. £125.00 VAT), 12 months’ Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price. Price has been calculated using manufacturer estimates. Retailers may be required to carry out more than one credit check during the course of the order process. You may be required to place a deposit when placing your order with your supplying Retailer. In the event of a price change, deposit refunds will be governed by your supplying Retailer’s policy and as such must be discussed with the supplying Retailer.

Vivaro Life Electric is not covered by our Price Protection Guarantee. See ‘Further Information’ page for details.

Safety

Standard Features – The following features are standard across the entire Vivaro Life Electric range.

Airbags

- Driver’s airbag
- Front passenger’s airbag
- Two front seat side-impact airbags
- Full-size curtain airbags for driver and front and outer rear seat passengers
- Full-length curtain airbags second- and third-row seating (Long wheel base models only)

Seating

- Height-adjustable front seat head restraints

Seatbelts

- Lap and diagonal inertia-reel seatbelts (height-adjustable front)
- Front body-lock diagonal seatbelt pretensioner system.
- Drivers and front passenger’s lap belt pretensioner system
- Front seatbelt force limiters

Braking

- Anti-lock Braking System (ABS)
- Emergency brake assist – When emergency braking is detected the vehicle automatically applies the maximum possible braking assistance

- Electronic brakeforce distribution – Automatically apportions the optimum braking force to each wheel
- Hill start assist – Briefly maintains rear brake pressure to stop the vehicle rolling back on an incline

Child safety

- Deactivation switch for front passenger’s front and side-impact airbags
- ISOFIX child seat mountings incorporating top tether anchor points located on second-row rear seats (does not include child seat) – Allows ISOFIX child safety seats to be securely fixed into the car. The ISOFIX mounting system reduces forward movement in an accident and makes the child seat easier to install
- Child-proof locks on rear doors

Stability

- Electronic Stability Programme (ESP) – ESP monitors many different inputs to determine when the car starts to lose traction, it can then immediately respond by varying the brake pressure between up to three wheels and adjust the engine output to help correct the loss of traction and improve stability

Additional ESP features

- Traction control
- Cornering brake control
- Straight line stability control

Tyre pressure

- Tyre pressure monitoring system

Vauxhall driver assistance systems are intended to support the driver within the system-imminent limitations. The driver remains responsible for the driving task at all times.

Driver drowsiness system (see next page).

ISOFIX child seat mountings.

Lane departure warning (see next page).

Driver Assistance

Standard Features – The following features are standard across the entire Vivaro Life Electric range. Specific features by model are outlined in the separate tabular information.

Steering

- Speed sensitive electrically assisted power steering
- Reach and rake adjustable steering

Wipers

- Two-speed windscreen wipers with variable intermittent wipe
- Intermittent rear window wash/wipe

Infotainment

Standard Features

Multimedia with 7-inch touchscreen (WLX9)

Standard on Combi and Design models

Onboard features:

- 7-inch colour touchscreen
- AM/FM stereo radio
- DAB Digital radio
- RDS with Traffic Programme
- Speakers (4 Combi/8 Design)

Media connections:

- USB connection
- Bluetooth® A2DP audio streaming (Advanced Audio Distribution Profile)

Mobile phone portal:

- Bluetooth® connectivity
- Vehicle microphone
- Phone book access – Contacts/last calls/missed calls etc. are mirrored on the display and are easily navigated using the touchscreen (features dependent on mobile phone)
- Smartphone interface – Apple CarPlay/Android Auto™

Additional features:

- Flexible roof-mounted aerial

Multimedia Navi Pro with 7-inch touchscreen (WLX7)

Standard on Ultimate models and optional at extra cost on Combi and Design models at £650 inc. VAT

Features as Multimedia, with the addition of:

- Satellite navigation system
- 2D/3D street level mapping
- European coverage
- Points-of-interest search
- Eco routing
- Map updates via USB
- Three years subscription to TomTom Live*
- On-line navigation services provided by TomTom®
- Vivaro Life Electric shortcut key – Energy flow visualization
 - Energy stats visualization
 - Deferred charging options
 - Thermal pre-conditioning
 - Battery/range check
- Ten speakers

Vauxhall Connect**

e-Call and b-Call:

Help when you need it, 24/7, 365 days a year, that’s what you get with new Vauxhall Connect. In an emergency or breakdown, you’ll be put in touch with a trained advisor, with just the touch of a button.

Live Navigation Plus and more:

You can also access live navigation services, receive regular vehicle diagnostic info plus there’s a host of remote convenience features available through the MyVauxhall app.

- **Peace of mind:** emergency call, breakdown call and regular vehicle status and information
- **Convenience:** remote functions (e.g. lock/unlock the door).
- **Our additional services for electric vehicles:** trip planning, remote settings or public charging solutions – we keep you going!
- **Smart driving:** enjoy a relaxed ride thanks to live navigation and trip management
- **Traffic alerts:** Live Navigation Plus introduces speed camera, traffic light camera and accident hotspot alerts

Please note that compatibility and certain functions may be different depending on the type of device and operating system you're using with the Multimedia systems. Apple CarPlay is a trademark of Apple Inc. Apple and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries. Android is a trademark of Google Inc, also registered in the U.S. and other countries. *Additional terms and conditions apply to connected services, including customer acceptance of location sharing prior to activation. **Services may require a subscription/fee and are subject to mobile network coverage and availability. Standard on Nav models only. Live navigation services are included for 3 years and thereafter are subject to an additional subscription fee.

Interior Styling and Comfort

Combi

A photograph showing the front interior of a vehicle. The view is from the passenger side looking towards the driver's seat. The front seats are upholstered in a light grey fabric with black vertical stripes on the seatbacks. The driver's seat is on the left, and the passenger seat is on the right. The dashboard and steering wheel are visible on the left side of the frame. The interior has a clean, modern look with a light-colored ceiling and door panels. A sun visor is visible on the left side of the ceiling.

Specifications*

Single-speed electronic drive selector

As the motor is an all-electric single-speed drive unit, there is no need for multiple gears. Instead, the shifter lets the driver select from the following:

- Park
- Reverse
- Neutral
- Drive
- Braking (for increased regenerative braking)

Drive Mode Selector

The driver can determine the driving style through selecting one of the following modes:

- **Power:** with high power reserves for the highest top speed and torque. Recommended at full capacity
- **Normal:** for a balanced drive that offers a compromise between performance and energy efficiency. WLTP range is validated in this mode
- **ECO:** for maximum range and energy efficiency. The ECO mode deactivates all unnecessary energy-consuming features and reduces the top speed, torque and overall performance

Braking

Energy recuperation

The regenerative braking system works when the vehicle is in motion, energy created by the resistance of the brakes against the drivetrain is converted into DC voltage to partially recharge the battery. The driver can also engage braking mode through the drive selector to increase the level of energy recuperation.

Single foot driving experience

The system not only utilises the energy when the brakes are being used, but also engages when the vehicle is coasting, recovering more energy and enabling single foot driving as the brakes automatically engage when the throttle pedal is released.

Drivetrain	Vivaro Life Electric	
CO ₂ emissions	0g/km	
Maximum power	100kW (136PS)	
Maximum torque	260Nm (192lb. ft.)	
Acceleration 0–62mph	13.1 sec	
Maximum speed	81mph	
Transmission	Automatic electric drive with fixed gear ratio	
Service interval	Every 25,000 miles or 2 years (whichever comes sooner). Initial inspection at 12,500 miles or 1 year (whichever comes sooner)	
Electric range	136 miles	
Weights kg	L Combi 9-seater	L Ultimate 8-seater
Gross vehicle weight	3030	2965

The Vivaro Life Electric is a battery electric vehicle requiring mains electricity for charging. Range data given has been determined according to WLTP test procedure methodology. The figures shown are intended for comparability purposes only and should only be compared to other cars tested to the same technical standard. The range you achieve under real world driving conditions will depend upon a number of factors, including but not limited to: the accessories fitted (pre and post registration); charging frequency; personal driving style; vehicle load and route characteristics; variations in weather; heating/air conditioning; pre-conditioning and battery condition. For more information, contact your local Vauxhall Retailer.

*Provisional data.

Specifications*

Charging

Vivaro Life Electric comes fitted with an 7.4kW on-board charger and mode 3 cable. An 11kW on-board charger is available as an extra cost option.

The charging flap’s Padlock LED lights up when the cable is correctly plugged in and locked and then acts as a user interface to show the charging status via coloured LED lights:

- **White:** welcome light that helps to light up the area, especially useful in dark conditions
- **Flashing green:** charging in progress
- **Solid green:** charging complete
- **Solid blue:** delayed charging toggled; changes to flashing green when charging commences
- **Solid red:** malfunction

The driver may also choose from two settings:

- **Immediate charging (the standard setting):** Starts charging as soon as the vehicle is docked for charging
- **Delayed charging:** This is especially useful for when cheaper electric rates are desired, e.g. charging at night. Simply enter a charging start time

Please note, EV range assumes that vehicle has been pre-conditioned prior to journey. This function can be accessed either via MyVauxhall App (standard with all Vivaro Life Electric models or with optional Multimedia Navi Pro).

Charging		
Supply	Socket	Charge Time (0–100%)
AC current – Domestic 3 pin socket (2.3kW)	Type 2	21h 45m
AC current – Home wallbox or public charger (7kW)	Type 2	7h 30m
AC current – Public charger (11kW)**	Type 2	5h
DC current – Rapid charger (100kW)	CCS	30m (0–80%)

Battery	
Battery capacity	50kWh
AC on-board charger speed (standard)	7.4kW
WLTP Range (Combined)	135–137 miles
WLTP Range (City)	184–188 miles
Energy consumption (Combined low/high)	25.3–25.7kWh/100km
Battery warranty	8 years/100,000 miles/70% capacity

Company Car Driver and Fleet Information

Benefit in kind company car taxation*

The car benefit charge will be the car’s list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%** for Basic Rate, 40%** for Higher Rate) to calculate your annual benefit in kind tax liability.

Generic example:

ELECTRIC vehicle: 0g/km CO₂	
On-the-road RRP	£27,305.00
Deduct: Vehicle Excise Duty	£0.00
New vehicle first registration fee	-£55.00
Effective list price	£27,250.00
Add: Optional two-coat metallic paint	£600.00
List price for tax purposes (P11D value)	£27,850.00
Car benefit charge 2023–24 tax year (2%)	£557.00
Benefit in kind tax liability	
Basic Rate (20%) tax payer	£111.40
Higher Rate (40%) tax payer	£222.80

*Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.
**Excludes residents of Scotland.

BiK for Scottish Residents

Effective 6 April 2018 the Scottish Government have introduced their own BiK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BiK rates for Scotland are:

- Over £12,570 – £14,732 Starter Rate 19%
- Over £14,732 – £25,688 Basic Rate 20%
- Over £25,688 – £43,662 Intermediate Rate 21%
- Over £43,662 – £150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

CO ₂ emissions (g/km)	Electric range (miles)	Percentage of cars price to be taxed 2023–24 tax year
0	–	2%
1 – 50	130+	2%
1 – 50	70 – 129	5%
1 – 50	40 – 69	8%
1 – 50	30 – 39	12%
1 – 50	<30	14%

To calculate your own personal liability, search: **Vauxhall BiK**, or click the link below: [Vauxhall BiK Tool](#)

Fleet Toolbox

Discover the facts in our online Toolbox for both Company Car Drivers and Fleet Decision Makers. The Fleet Toolbox has a host of useful calculators, comparators, interactive listings and information.

Further Information

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £750.00 (including £125.00 VAT), 12 months’ Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available.

Please note: Price protection does not apply to Electric models. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit [vauxhall.co.uk/AccidentManagement](#)

LEASYS

Leasys UK

Leasys, one of the UK’s fastest growing leasing companies in the UK is equally owned by Stellantis and Crédit Agricole Consumer Finance. Our vision is to shape the future of mobility, and our mission as a mobility provider is to foster innovative solutions, designed around our customers for a best-in-class experience.

[Leasys](#) offers medium to long-term leasing solutions and fleet management systems, to guarantee efficient, rational, safe and sustainable mobility designed for individuals, professionals and companies of all sizes.

For further information, please contact your local Vauxhall Retailer or visit [vauxhall.co.uk/offers-finance/business-leasing.html](#)

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A ‘first year rate’ of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the ‘standard rate’. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £390 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

Band	CO ₂ emissions in grams per kilometre	Standard rate Electric
A	0	£0
B	1 – 50	–
C	51 – 75	–
D	76 – 90	–
E	91 – 100	–
F	101 – 110	–
G	111 – 130	–
H	131 – 150	–
I	151 – 170	–
J	171 – 190	–
K	191 – 225	–
L	226 – 255	–
M	Over 255	–

*Correct at time of issue.

Further Information

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer’s warranty and a second and third year manufacturer’s warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years’ body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and ‘at home’ service to flat tyres. For even more peace of mind, on fully electric models, the cover is extended* to 3 years. Even more reason for you to stay calm and let us take care of everything should the need arise. With Vauxhall Assistance help is literally just a free** phone call away, 24 hours a day, 365 days a year!

Protecting the environment

Vauxhall’s commitment to the environment is demonstrated by our products’ many environmental awards. For even more information on Vauxhall’s efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see vauxhall.co.uk/recycling

Vauxhall Care

This all-inclusive service package is available on Vauxhalls under 10 months old (from date of first registration). This package offers complete peace of mind for the first 3 years of your Vauxhall’s life with fixed monthly payments for the plan duration.

- **3 years’ Vauxhall servicing** – covers first, second and third annual services. Including a brake-fluid change in the second service
- **2 years’ Vauxhall Roadside Assistance** – first year from us
- **First years’ MOT[†]** – free of charge by your local Vauxhall Retailer
