

Volkswagen

The new Golf SV

*Model shown is new Golf SV GT with optional 17 inch 'Madrid' alloy wheels, panoramic sunroof, 'Vienna' leather upholstery and metallic paint.

The new Golf SV. More style, more space, more options.

The new Golf SV is the vehicle of choice for those who are loyal to the Golf, yet want more flexibility and space. The dynamic silhouette and elegantly elongated bonnet highlight its sporty appeal, underlined by newly designed bumpers, larger headlights with LED daytime running lights, bumper and front air intake. New LED rear lights, a choice of sporty new alloy wheels and exciting new paint colours, like Cranberry Red, complete its powerful new look. Quite simply, it's all you'd expect from a Golf. And more.

01 New optional **LED headlights** give the new Golf SV a self-assured look, highlighting its dynamic appearance. Optional on SE models and above. Image shown features optional metallic paint.

Made for adventure. Designed for relaxation.

A choice of contemporary fabrics and decorative trims combined with an elevated seating position, ergonomic design and a host of refinements creates a luxurious interior that's as dynamic as it's peaceful. Never has it been so easy to relax while enjoying the spirit of adventure. Relax while you have fun. That's the message from the new Golf SV.

As practical, flexible and versatile as you could wish for.

Whatever your plans and however quickly they change, the new Golf SV adapts with ease. The Driver Personalisation profile can be set to your individual radio, temperature, phone and driving settings ensuring optimum comfort, while the variable rear seats offer a wealth of options, giving you as much space as you need, and a selection of storage compartments keeps the interior tidy. Practical, flexible and versatile, the new Golf SV is literally ready for anything.

01 The flexible rear seats ensure there's plenty of space, whatever your requirements. The **split-folding 60:40 rear backrest** moves backwards and forwards, depending whether you need more space for passengers or luggage. You can also fold it flat to create a larger cargo area if you're carrying bulkier items. The central armrest features a useful load-through provision, ideal if you want to transport skis, snowboards or parasols without folding away the rear seats. Standard on all models.

02 The practical **storage compartment** on the dashboard provides a useful space, allowing you to stow away items such as sunglasses, documents and wallets easily and quickly. Standard on SE models and above.

03 Easily accessible **storage compartments in the doors** ensure anything you need on your journey is easily within reach, keeping the interior clutter-free and well organised. Standard on all models.

04 **Folding tables** on the rear of the front seats, along with practical pockets, make the journey even more comfortable for rear seat passengers. Standard on SE models and above.

Leave everyday life behind you. Here comes the sun!

What better way to enjoy the sunshine or the evening sky? And what better way to view the night stars? The optional panoramic sunroof introduces a new dimension of light and space, flooding the interior with fresh air on a warm day or ambient light on a cool day. If the sunshine gets too strong, tinted glass and an integrated roller blind offer protection, all at the push of a button. Make the most of the great outdoors – from the inside.

Panoramic sunroof is optional on SE models and above.

Stay informed and make the most of every journey.

The new Golf SV is all about freedom. Thanks to the latest Car-Net on-line services, you can stay informed and enjoy total independence. Whether you're looking for the fastest route, nearest restaurant or perfect soundtrack, a wealth of communication, entertainment and navigation information enables you to make the most of every journey.

01 The Composition Media infotainment system is equipped with an 8.0 inch colour touch-screen, DAB digital radio receiver, Multi Device Interface (MDI), single CD player, SD card reader and USB connection. It allows music playback from MP3, WMA and AAC files, simultaneous pairing of two compatible mobile devices, SMS functionality (when stationary and on compatible Android smartphones only), Bluetooth telephone and audio functionality¹, and provides driver tips and journey analysis via the 'Think Blue. Trainer.' Eight speakers, situated to the front and rear, deliver 4 x 20 watt output. Standard on S and SE models.

02 The Discover Navigation touch-screen navigation/infotainment system adds navigational functionality to the 'Composition Media' system, providing dynamic navigation based on TMC+, branded points of interest, preloaded European navigation data, Speed Limit Display² and three routes (Fast, Short and Eco), and 2D/3D map view. It comes with 3-years' Car Net 'Guide and Inform'³, providing online access to such information as traffic, fuel pricing, weather and news feeds; and includes online navigation software updates, enabling you to download the latest map data. The system also offers Volkswagen Media Control⁴, which allows remote control of the infotainment system via a smartphone or tablet. Standard on SE Navigation and GT and optional on S models.

03 The Discover Navigation Pro touch-screen navigation/DVD infotainment system features a glass-covered 9.2 inch colour touch-screen for navigation, DVD, CD and radio functions. It responds to spoken voice commands for navigation and telephone functions, and also features gesture control for use with various different menus, responding to a sideways swiping gesture and confirming a successful swipe with a sound effect, which can be deactivated if required. Building on the Composition Media specification, the system offers Volkswagen Media Control⁴, allowing remote control of the infotainment system via a smartphone or tablet, preloaded European navigation data, 3D map view, three calculated routes (Fast, Short and Eco), dynamic navigation based on TMC+, branded points of interest, Speed Limit Display², photo display from JPEG and PNG files, two SD card readers and a 64 GB SSD hard drive. It comes with 3-years' Car Net 'Guide and Inform Plus'³, providing online access to such information as traffic, fuel pricing, weather and news feeds; and includes online navigation software updates, enabling you to download the latest map data. Optional on SE Navigation and GT models.

04 Depending on which smartphone you have, you can connect **Car-Net 'App-Connect'**⁴ via one of three interfaces: Apple 'CarPlay', Google 'Android Auto' or 'MirrorLink'TM, allowing your smartphone display to be 'mirrored' on the infotainment touch-screen via USB connection and giving access to your favourite smartphone functions, such as music, messages, phone and news. Volkswagen apps such as 'Think Blue. Trainer.', 'Shared Audio', 'Drive & Track' or 'My Guide' can help to make your journey more pleasant and interesting by providing useful tips about handling your car, parking opportunities and even where to find the closest café. Volkswagen apps are only available with compatible smartphones. Please consult www.volkswagen.co.uk to check smartphone compatibility. Usage of certified apps only while driving. Standard on SE models and above and optional on S models. Image shown features optional Discover Navigation Pro touch-screen navigation/DVD infotainment system.

05 The wireless smartphone charger allows compatible smartphone charging without the use of cables. The storage compartment in the front centre console contains a wireless charging pad that you place your phone on top of to charge. The advantage of wireless charging is that it's quicker and easier, as you don't have to plug and unplug each time and, it also looks neater without any trailing cables. Non-Qi-compatible smartphones can be retrofitted with a cover or wireless charging module to allow operation. Also included with this option are two handy USB ports. Please see www.qi-wireless-charging.net for full details. Optional on all models.

¹ Devices must be Bluetooth HFP (Hands Free Profile) compatible, please contact your authorised Volkswagen retailer for specific phone compatibility.
² Speed Limit Display only reflects national speed limits and does not show temporary speed limit restrictions, or where permanent changes to speed limits are made in-between map updates.
³ Car-Net 'Guide and Inform' and 'Guide and Inform Plus' services are accessed via a compatible mobile device. Please see www.volkswagen.co.uk for more information. The use of 'Guide and Inform' services entails exchanging large volumes of data. As such, we strongly recommend that you sign-up for a flat rate data plan with your mobile network provider. After the initial 3-year Car-Net contract, an annual subscription is chargeable for the continuation of Car-Net 'Guide and Inform' services.
⁴ Only operable in conjunction with compatible tablets and smartphones including iPhone 5 and above. Please see www.volkswagen.co.uk to check compatibility.

Advanced assistance when you need it.

Advanced driver assistance systems draw on the latest technology to provide greater comfort and convenience on your journey, while helping you overcome or avoid potentially critical situations. Whatever your plans, you can rely on your new Golf SV to make life easier and safer.

05 The **Front Assist** monitoring system combines Predictive Pedestrian Protection with City emergency braking, alerting you if it detects vehicles or pedestrians at the edge of the road or on the carriageway, via acoustic and optical signals, as well as a gentle application of the brakes. The system even performs an emergency stop should the distance become critical, helping to protect other road users and possibly avert potential accidents. Standard on all models.

06 The **Dynamic Light Assist** ensures greater visibility on the road by automatically controlling the main beam by partially masking the beam so it doesn't dazzle oncoming road users, but allows main beam to remain on. Optional on SE Nav and GT models as part of the optional Lane Assist Plus and Lane Assist with Dynamic Light Assist and Traffic Sign Recognition. Also available on SE models and above as part of LED headlights with Dynamic Light Assist.

07 **Side Scan** with rear traffic alert provides additional peace of mind by assisting when you want to change lanes. A radar sensor controlled warning system monitors your blind spot and should it detect a potentially hazardous situation, it warns you by means of flashing warning lights in the door mirror housing. The rear traffic alert monitors the area to the rear and both sides when in reverse gear. If it detects a vehicle moving towards you, the system provides audible and visual warnings and will initiate braking if necessary. Optional on SE Nav and GT models as part of the optional Lane Assist Plus.

01 **Traffic Jam Assist** is a camera and radar sensor controlled warning system that helps you keep your distance in congested traffic and avoid a typical congestion type collision. Optional on SE Nav and GT models in conjunction with DSG gearbox as part of the optional Lane Assist Plus.

02 **Adaptive Cruise Control (ACC)**, including Front Assist radar sensor controlled distance monitoring system, City emergency braking system, cruise control and speed limiter offers you intelligent control of your driving speed by automatically adjusting acceleration and braking. Whether around town or on the motorway, the system will adjust your speed to that of the vehicle in front, keep your specified distance, warn if you are approaching too fast and, in an emergency situation, generate enough braking force to try to reduce the severity of a collision or possibly even prevent the collision entirely. Standard on SE models and above in conjunction with DSG gearbox.

03 **Emergency Assist** can help save lives in medical emergencies by recognising the incapacity of the driver. As soon as the system cannot detect any steering, braking or acceleration activity, it alerts the driver. If the driver remains inactive, it keeps the vehicle in lane and initiates an emergency stop, automatically activating the hazard warning lights. Optional on SE Nav and GT models in conjunction with DSG gearbox as part of the optional Lane Assist Plus.

04 The new Golf SV effortlessly tows a trailer or caravan and, depending on your choice of engine, can tow up to a maximum weight of up to 1,800 kg. **Trailer Assist including Park Assist** helps you reverse more easily and accurately with a trailer or caravan hitched. The optical display visualises actual and possible steering angles in the instrument cluster. Reverse steering is automatic, with direction controlled via the mirror adjustment switch which acts as a joystick, while the driver controls the pedals and keeps a good look out. Optional on SE models and above. Only in conjunction with the optional swivelling towbar.

Images shown feature optional metallic paint.

There's a Volkswagen for all of us.

Nippy city run around? Luxurious executive saloon? Open-top cruiser? Whatever it is you're looking for, we probably have it. From the iconic Beetle and Golf GTI to the compact up!, there's a Volkswagen for everyone.

If you're thinking you might like to try a different Volkswagen, there are over 20 models in our range, so there's bound to be at least one that catches your eye.

To see these models and configure your ideal Volkswagen, visit: www.volkswagen.co.uk

Sporty

Golf: As exciting to drive as it is to look at. Style, performance and power.

You will also find our sporty gene in the iconic Golf GTD, Golf GTI and Golf R.

Spacious family cars

Sharan: The ultimate in convenience with sliding rear doors, and enough space for the whole family. And their luggage. And the dogs.

If it's space you're after, then you might also like to consider the Tiguan, Tiguan Allspace, Golf SV, Golf Estate, Touran and Passat Estate.

Style

Beetle: The original icon. And still the most unique way to make a fashion statement.

For more fun with the top down, why not consider the Beetle Cabriolet.

City run around

up!: The ideal city car. Fun, easy to manoeuvre and surprisingly spacious, with that trademark Volkswagen solidity.

If you're looking for something slightly more spacious, then why not consider the up!'s bigger sibling, the Polo. City run around practicality with more versatility and even more space can be found on the iconic Golf.

Executive

Volkswagen Passat: Perfectly turned out high-tech, executive luxury. A contemporary, stylish and innovative Saloon.

All the luxury you need can also be found in the Jetta, as well as the spacious, stylish and practical Passat Estate.

4x4

Touareg: The SUV just got smarter. True four by four capability off-road, and smooth, luxurious and powerful when on it, with four wheel drive technology, '4MOTION' as standard.

Go everywhere, do anything in our four wheel drive alternatives: Golf Alltrack, Tiguan, Tiguan Allspace and Passat and Passat Estate 4MOTION models.

[] GT figures.

Technology.

Technical specification notes

- 01) The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of horsepower). To convert from metric to imperial horsepower, divide the PS figure by 1.0139.
- 02) Figures are calculated in accordance with manufacturer's criteria. The individual unladen weight depends on the specification of the vehicle, this then reduces the possible payload accordingly. The unladen weight and payload both include the fuel tank 90% full, driver (68kg) and luggage (7kg) in line with EU directive 95/48. Unladen weight shown refers to 3-door models. The unladen weight of 5-door models will increase by 30kg.
- 03) With increasing altitude the engine performance diminishes. From 1,000m above sea level and for every 1,000m thereafter 10% of the vehicle/trailer weight (trailer weight + gross vehicle weight) must be deducted.
- 04) The use of 100% RME and FAME (bio diesel) is not possible. Forecourt diesel with up to 7% bio diesel content, adhering to standard BS EN 590, can be used in diesel engines. The use of ethanol in forecourt petrol meeting BS EN 228 is allowable.
- 05) The size of the fuel tank is approximate and therefore it may be possible to add a greater amount of fuel than the size of the tank specified, due to the space in the filler neck.
- 06) Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption and CO₂ emissions achieved in 'real world' driving conditions. More information is available on the Volkswagen website at www.volkswagen.co.uk and at www.dft.gov.uk/vca. CO₂ is the main greenhouse gas responsible for global warming. This information should be used for illustration purposes only. Choosing larger alloy wheels than standard may result in increased fuel consumption as well as higher CO₂ emissions and subsequently increased Vehicle Excise Duty (VED) band, and BIK rates paid for company car drivers will increase. In some instances, the 'On the road' cost paid for the vehicle may increase as a result of the increased VED rate. The specifications contained in this brochure are for information purposes only and are subject to change.

Transmission

- Electronic differential lock, combined with a hydraulically operated single-plate dry clutch with asbestos-free lining via seven speed automatic DSG gearbox
- Front wheel drive through asbestos-free single-plate dry clutch. Hydraulic clutch-mechanism. Five or six speed manual, or seven speed automatic DSG gearbox with double joint half axles

Brakes

- Electronically controlled Anti-lock Braking System (ABS) with Electronic Brake-pressure Distribution (EBD)
- Diagonal twin-circuit brake system with ventilated front disc brakes and rear disc brakes
- Asbestos-free brake pad
- HBA (Hydraulic Brake Assist)

Steering

- Electro-mechanical steering rack
- Collapsible, height and lengthways adjustable safety steering column

Running gear

- ESC (Electronic Stability Control) including EDL (Electronic Differential Lock), ASR (Traction Control) and Countersteer Support
- Front suspension through coil springs with telescopic shock absorbers, all elements integrated in chassis legs
- Rear suspension with gas pressure shock absorbers and separate springs
- Twist beam rear axle (1.0 litre TSI 85 PS, 1.0 litre TSI 110 PS, 1.6 litre TDI 115 PS)
- Multilink rear axle (1.5 litre TSI EVO 130 PS, 1.5 litre TSI EVO 150 PS, 2.0 litre TDI 150 PS)
- Wheel control: front through chassis legs and (lower) triangular wishbones (directionally stabilising steering roll radius)
- Wheel control: rear through four-link suspension with independent wheel suspension
- Front and rear anti-roll bar

Engines

- Front transverse-installed engine
- 1.0 litre/85 PS ⁽⁰¹⁾ (63 kW) petrol engine: EU6 emissions standard, three cylinder in-line direct injection engine, with two valves per cylinder. Fitted with a turbocharger module with electric boost pressure regulation. Available with a five speed manual transmission
- 1.0 litre/110 PS ⁽⁰¹⁾ (81 kW) petrol engine: EU6 emissions standard, three cylinder in-line direct injection engine. Available with a six speed manual or a seven speed automatic DSG transmission
- 1.5 litre/130 PS ⁽⁰¹⁾ (96 kW) petrol engine: EU6 emissions standard, four cylinder in-line direct injection turbocharged engine, with four valves per cylinder. Fitted with a turbocharger. Available with a six speed manual or a seven speed automatic DSG transmission
- 1.5 litre/150 PS ⁽⁰¹⁾ (110 kW) petrol engine: EU6 emissions standard, four cylinder in-line direct injection turbocharged engine, with four valves per cylinder. Fitted with a turbocharger. Available with a six speed manual or a seven speed automatic DSG transmission
- 1.6 litre/115 PS ⁽⁰¹⁾ (85 kW) common rail diesel engine: EU6 emissions standard, four cylinder in-line common rail diesel engine, with four valves per cylinder. Fitted with a turbocharger and a DPF (diesel particulate filter). Available with a five speed manual or a seven speed automatic DSG transmission
- 2.0 litre/150 PS ⁽⁰¹⁾ (110 kW) common rail diesel engine: EU6 emissions standard, four cylinder in-line common rail diesel engine, with four valves per cylinder. Fitted with a turbocharger and a DPF (diesel particulate filter). Available with a seven speed automatic DSG transmission

Dimensions.

Exterior dimensions

Length – min., mm	4351

Height – max., mm	1613
Height – opened tailgate/floor, mm	2045
Wheelbase, mm	2670
Turning circle, m	11.1

Interior dimensions

Effective headroom – front max., mm (with sunroof)	1059 (1059)
Effective headroom – rear, mm (with sunroof)	1008 (980)
Interior width – front, mm	1488
Interior width – rear, mm	1477

Maximum luggage capacity, litres VDA measuring method using

200 x 100 x 50mm blocks

With rear seats upright and rear bench forward	590
With rear seats folded and rear bench forward	1520

Figures shown are for standard specification models. The addition of certain factory-fitted options and/or accessories may affect some of the dimensions shown.

New Golf SV

On illustrations, where arrows and figures are shown inside of the vehicle, the measurements are for interior dimensions. Where arrows and figures are shown outside of the vehicle, the measurements are for exterior dimensions.

CO₂ emissions and VED bands with optional wheels.

Effect of wheel size on CO₂ emissions and VED Bands

Choosing larger alloy wheels than standard as an option, may result in increased fuel consumption as well as higher CO₂ emissions and subsequently increased Vehicle Excise Duty (VED) band and BIK rates paid by company car drivers may increase. This is due to the fact that larger wheels have both more aerodynamic drag and more mechanical drag, resulting in increased rolling resistance and increased wind resistance. As a result, the VED band that the vehicle falls into may increase from its original VED band when fitted with standard size wheels. In some instances, the recommended ‘On the road’ retail price paid for the vehicle may increase as a result of the increased VED rate. The chart below shows CO₂ emissions and the related VED bands for vehicles with both standard-fit wheels and larger optional alloy wheels, as well as the change in VED band.

			Output, PS	Standard wheel size	CO ₂ emission, g/km*, standard wheels	Firstyear VED £, standard wheels	Optional alloy wheel and size	CO ₂ emission, g/km* , optional alloy wheels	Firstyear VED £, optional wheels

* Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in ‘real world’ driving conditions. More information is available on the Volkswagen website at www.volkswagen.co.uk and at www.dft.gov.uk/vca. Please note: the increase in VED rate that is payable is in addition to the cost of the optional alloy wheels. Please consult your Volkswagen retailer for full details.

Model shown is new Golf SV GT with optional 18 inch ‘Jurva’ alloy wheels, LED headlights, panoramic sunroof and metallic paint.

Volkswagen service.

Exclusions and terms and conditions apply to all warranties and plans listed. For pricing and further details of Volkswagen Warranties and Service Plans, please consult your authorised Volkswagen retailer or repairer, or visit www.volkswagen.co.uk

The Volkswagen Warranty Three-year Warranty

All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most technical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is soonest) Retailer Warranty¹. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

Body Protection Warranty

The internal body sections and panels of the Golf SV are covered against rusting through from the inside for 12 years. Naturally, the vehicle must be cared for in compliance with the manufacturer's operating instructions. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

Three-year Paintwork Warranty

This latest paintwork warranty, pioneered by Volkswagen, provides you with cover on a new car. Naturally, during the warranty period the car must be cared for in compliance with the manufacturer's operating instructions. Any paintwork defects, as a result of the manufacturing process, will be rectified without charge.

Approved Accessories

A comprehensive range of accessories from alloy wheels to carpet mats is available to complement the factory-fitted option list. Volkswagen approved accessories purchased from and fitted by your authorised Volkswagen retailer at the point of vehicle sale will also benefit from the three-year vehicle warranty.

Extended Warranty

If you order the Volkswagen Extended Warranty as an option when buying your new Golf SV then you get the 100% Volkswagen Warranty and you can continue to enjoy comprehensive Volkswagen protection against many unforeseeable repair costs. Designed to your needs, you can purchase an extra one or two year's warranty up to a maximum of five years or 90,000 miles.

Service Intervals

Volkswagen is pleased to offer you a choice on how your Volkswagen is serviced. The appropriate selection is entirely dependent on how the car is likely to be driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guide.

The Fixed Service is recommended for vehicles that will cover less than 10,000 miles in 12 months and if the vehicle is likely to be used in the following way:

- Predominantly urban driving, short journeys with frequent cold starts.
 - Activities regularly producing high engine loading, e.g. frequent hill climbs, driving with vehicle fully loaded and towing.
 - Uneconomical driving style using high rpms with heavy acceleration and heavy braking.
- The service intervals for the Fixed Service are as follows:
- Oil change service – After 1 year or 10,000 miles (15,000km), whichever is soonest.
 - Inspection service² – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

The Flexible Service is recommended for vehicles with daily mileage of more than 25 miles where the vehicle is driven regularly mainly on longer distance journeys. The vehicle is driven mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner. With the Flexible Service the vehicle can cover anywhere between 10,000³ and a maximum of 20,000³ miles or 24 months (whichever is soonest) between oil changes.

The service intervals for the Flexible Service are as follows:

- Oil change service – According to flexible service interval display (after 2 years at the latest).
- Inspection service² – First after 2 years or 20,000 miles (30,000km), then every one year or 20,000 miles (30,000km), whichever is soonest.

The up! model is only available with the Fixed Service schedule. Please consult your authorised Volkswagen retailer or repairer for advice and full details.

Please note: If you purchase a Volkswagen Fixed Price Service Plan your vehicle will follow the Fixed Service schedule.

Volkswagen Insurance⁴

We want you to start enjoying your new car from day one and thanks to Volkswagen free 5 day insurance, you can. Call free on 0330 303 6930 (lines are open Monday to Friday 8am – 9pm and Saturday 9am – 5pm), provide a few details and a cover note will be sent to your retailer. They will then tax your car and you can drive it away.

Volkswagen Ensurance⁵

Get three years' Volkswagen Ensurance cover for free.

Another great benefit of being a Volkswagen driver. If your Volkswagen was damaged in an accident, wouldn't you want it fixed by a Volkswagen trained technician using only genuine Volkswagen parts? Ensurance is Volkswagen's accident and repair cover which does exactly that. It works alongside your main comprehensive motor insurance policy no matter who you are insured with, to make sure you get the quality repair and service you would want. If you're involved in an accident or your car is stolen, just one call to us and we'll look after your claim from start to finish ensuring your Volkswagen is restored to the highest standard.

Activate your cover and benefit from:

- A guarantee that your Volkswagen will be repaired by a Volkswagen approved repairer and Volkswagen trained technicians, using only genuine Volkswagen parts and paints.
- A dedicated Claims Manager who will manage your claim from start to finish, liaising with your insurer and the repairer so you don't have to.
- Help to recover any uninsured losses using our Legal Expenses Cover.
- Online claims tracking so you can keep up to date with the status of any claim.

Volkswagen Ensurance is free to all Volkswagen customers for three years and it only takes a minute to get cover. To find out more and to activate your cover, visit volkswagen-ensurance.co.uk

Volkswagen Finance⁶

Volkswagen Finance specialises in providing funding solutions for Volkswagen drivers. Whether your Volkswagen is for private or business use, you can choose from a range of funding options.

- Solutions – a Personal Contract Plan
- Hire purchase
- Lease purchase
- Finance lease
- Contract hire

With all Volkswagen Finance products you can choose a fixed-cost maintenance plan to help you budget for your servicing and maintenance costs. No matter what finance product you choose, your local Volkswagen retailer will be able to provide you with a personalised quote that could meet your budget and vehicle needs.

Fuel consumption and CO₂ Emissions

Fuel consumption and CO₂ figures are obtained under standardised EU test conditions (Directive 93/116/EEC). This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available on the Volkswagen website at www.volkswagen.co.uk and at www.dft.gov.uk/vca. The weight of a vehicle will influence the level of CO₂ emissions it produces; as a result, vehicles with higher levels of specification and factory-fitted options may emit higher levels of CO₂. Choosing larger alloy wheels than those fitted as standard may result in increased fuel consumption as well as higher CO₂ emissions and subsequently an increased Vehicle Excise Duty (VED) band. BIK rates paid by company car drivers may also increase. In some instances, the recommended 'On the road' retail price paid for a vehicle may increase as a result of the increased VED rate. CO₂ is the main greenhouse gas responsible for global warming. The specifications contained in this brochure are for information purposes only and are subject to change.

Volkswagen Roadside Assistance

Every new car is registered for Volkswagen Roadside Assistance for one year except the Touareg which is registered for three years. This provides vehicle roadside and home recovery in the unlikely event of a breakdown in the UK and Europe (subject to conditions). Volkswagen Roadside Assistance can also be purchased for subsequent years. Exclusions and terms and conditions apply. For pricing and further details of Volkswagen Roadside Assistance, please consult your authorised Volkswagen retailer, or visit www.volkswagen.co.uk

Tax Free Sales

For full details, please contact your authorised Volkswagen retailer.

Please note:

Some illustrations in this brochure do not necessarily reflect UK specifications and may not be available. In particular, controls and some items of equipment are positioned differently for the UK. The specifications contained in this brochure are for information purposes only and are subject to change. If you require any specific feature, you must consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Please check model availability and full specification details with your authorised Volkswagen retailer prior to ordering. Note: we would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. All our monitoring and recording processes meet Ofcom regulations.

¹ All warranty work must be completed by an authorised Volkswagen retailer or repairer.

² The inspection service first at 3 years (or 40,000 miles) and then every second year (or 40,000 miles) has additional workscope.

³ The quoted mileage is based on a conversion from kilometres and is therefore unlikely to exceed circa 18,000 miles between oil changes.

⁴ Volkswagen Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ('VWFS UK'). Registered in England and Wales number: 2835230. Registered Office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR. Financial and consumer credit services are provided by VWFS UK. Annual insurance credit is provided by Ageas Retail Limited. Volkswagen Motor Insurance from VWFS UK is sold and administered by Ageas Retail Limited, registered in England and Wales number: 1324965 Registered Office: Ageas House, Hampshire Corporate Park, Templars Way, Eastleigh, Hampshire SO53 3YA. VWFS UK and Ageas Retail Limited are not part of the same corporate group.

⁵ Ensurance from Volkswagen Financial Services is sold and administered by Lawshield UK Limited, registered in England number: 3360532. Registered office: Lawshield House, 850 Ibis Court, Lakeside Drive, Centre Park, Warrington, Cheshire, WA1 1RL and underwritten by UK General Insurance Limited on behalf of Great Lakes Insurance SE. Great Lakes Insurance SE is a German insurance company with its headquarters at Königinstrasse 107, 80802 Munich. UK Branch office: Plantation Place, 30 Fenchurch Street, London, EC3M 3AJ.

⁶ Finance is available to 18s and over, subject to status. Terms and conditions apply. Volkswagen Finance.
