Stay calm and tow steady.

High winds, steep grades and other common towing challenges are no match for Explorer. To help you maintain control of both the vehicle and the trailer, standard trailer sway control automatically reduces engine speed and selectively applies the brakes if trailer sway is detected.[1] Standard hill start assist is particularly useful at traffic lights and on boat launch ramps. It helps prevent the vehicle from rolling downhill when you transition from the brake to the accelerator, whether you're negotiating an incline in Drive or in Reverse. Pairing the Class III Trailer Tow Package with the 3.5L EcoBoost®[2] or the standard 3.5L Ti-VCT V6 engine empowers Explorer to tow up to 5,000 lbs.[3]

5,000 LBS. MAX. TOWING[3]

CONTROLS SWAY

HILL START ASSIST

Limited. Dark Side Metallic. Available equipment.

[1]Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions. [2]Available feature. [3]When properly equipped.

Click here to learn more about Terrain Management.

Turn the dial and keep going.

Challenging conditions? Simple solution: Just turn the dial to match the scene outside. Our highly capable Terrain Management System™[1] is paired with Intelligent 4WD[1] to give you seamless shift-on-the-fly confidence. It's one more way Explorer inspires adventure.

Mud, Rut
Lets the tires spin a bit if needed to help keep you on the go.

Snow, Gravel, Grass
Optimizes traction and control on a wide array of slippery surfaces.

Sand
Allows aggressive wheel spin to help you stay on top.

Normal
Ideal for everyday driving on wet or dry paved roads.

Hill Descent Control™
Regulates your speed on steep declines with push-button ease.

[1]Available feature.

Speak and it listens.

Voice-activated Ford SYNC®[1] with 911 Assist® delivers hands-free calls, music and more in response to simple voice commands. Once paired, it can download your contacts and play music from your phone, MP3, USB or iPod.® Just touch a button on the steering wheel and say things like "Call: The cabin" or "Play playlist: Road trip." SYNC AppLink™[2] lets you control Pandora,® iHeartAuto,™ MLB.com At Bat® and select other apps by voice too. SYNC. Say the word.

SYNC POWERED BY Microsoft

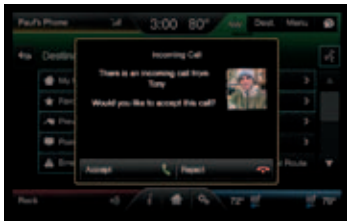
Limited. Charcoal Black leather trim. SYNC with MyFord Touch.® Available equipment.

[1]Available feature. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Not all features are compatible with all phones. [2]SYNC AppLink is available on select models and compatible with select smartphone platforms. SYNC AppLink is not compatible with MyFord Touch. Commands may vary by phone and AppLink software.

Touch and it responds.

Via the 8" LCD touch screen on SYNC®[1] with MyFord Touch.®[1] Simple graphics make it easy to control your phone, entertainment, navigation[2] and climate. SiriusXM Satellite Radio[2] includes a 6-month trial subscription that brings you over 130 channels including commercial-free music, sports, news, talk, comedy and entertainment. Pair it with the voice-activated Navigation System,[2] which includes SiriusXM Traffic and Travel Link as part of the trial, and you'll have the ability to look up fuel prices, check local and national weather, and get detailed information on traffic speed, accidents, construction and road closings. The 12-speaker Audio System from Sony®[2] features HD Radio™ Technology and even lets you "Tag" songs for purchase later at the iTunes® Store.

SiriusXM SATELLITE RADIO | HD Radio Digital AM & FM



[1]Available feature. Driving while distracted can result in loss of vehicle control. Only use SYNC/MyFord Touch/other devices, even with voice commands, when it is safe to do so. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. [2]Available feature.

Gather up to 7 and treat them well.

You and your family will travel in style and luxury inside Explorer Limited. Standard leather-trimmed seating features environmentally friendly, supportive, soy-based foam in the seat cushions and seat backs to help conserve limited resources and reduce CO_2 emissions. Up front, 10-way power heated and cooled seats[1] take your comfort to extremes, while heated outboard seats are standard in the 2nd row on Limited this year. A dual-panel moonroof[1] fills the cabin with light. Featuring the most 2nd-row head room in its class[2] and unsurpassed 3rd-row leg room, this graceful and carefully crafted space is sure to please one and all.

HEATED STEERING[1]

SONY® AUDIO[1]

80.7 CU. FT. MAX. CARGO

Limited. Charcoal Black leather trim with perforated inserts. Available equipment.

[1]Available feature. [2]Class is Large Utilities vs. 2013 competitors.

Equip it to go and do what you like.

Bulky sports equipment? No problem thanks to the flexible seating inside Explorer. With the standard 2nd-row 60/40 split seat and the class-exclusive PowerFold®[1] 3rd-row seat folded flat, you can pack up to 80.7 cu. ft. of gear in back. And even with all rows occupied, you can still stow 21.0 cu. ft.[2] of cargo in the extra-deep space behind the 3rd-row seat. Treat 2nd-row riders to comfy bucket seats[1] with a pass-through to the 3rd row. Or add the 2nd-row center console[1] for more storage. A power liftgate[1] eases access. And a 110-volt power outlet[1] recharges all sorts of devices. Your needs change. Explorer adapts.

[1]Available feature. [2]Including rear seat well.

Click here to see how Explorer technologies assist drivers.

Let it assist you here and there.

With its advanced technologies,[1] Explorer can help you parallel park, avoid collisions and more. Class-exclusive[2] active park assist[1] helps you find a spot, then steers the vehicle into place as you control the gear shifter, and brake and accelerator pedals. BLIS® (Blind Spot Information System) with cross-traffic alert[1] uses lights embedded in the sideview mirrors[3] to warn of traffic detected in blind spots as you're driving forward or traffic nearing either side of the vehicle as you're slowly backing up. Adaptive cruise control and collision warning with brake support[1] flashes a warning on the windshield, sounds an alarm, and preps the braking system to help if a potential front-end collision is detected. The Lane-Keeping System[1] detects lane markings with a forward-facing camera and shudders the steering wheel to prompt you to steer back toward center if needed – a friendly reminder.

Lane-Keeping System does not control steering. Driver-assist features are supplemental and do not replace the driver's judgment.
[1]Available feature. [2]Class is Large Utilities vs. 2013 competitors. [3]BLIS replaces standard integrated blind spot mirrors.

Relax and travel confidently.

Explorer has earned a "Top Safety Pick" from the Insurance Institute for Highway Safety (IIHS) 3 years in a row (2011–2013). And it's no wonder. In addition to 7 standard airbags, Explorer offers inflatable rear safety belts[1] in its 2nd-row outboard seating positions – the first of their kind in automotive production. Standard Curve Control helps reduce the vehicle's speed by up to 10 mph in approximately 1 second if it senses you're taking a curve too quickly.[2] Please turn the page for a comprehensive list of Safety & Security features engineered into every 2014 Explorer.

2013 IIHS TOP SAFETY PICK

INFLATABLE 2ND-ROW SAFETY BELTS[1]

New Vehicle Limited Warranty. We want your Ford Explorer ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty. **Roadside Assistance.** Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages. **Ford Credit.** Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com. **Ford Extended Service Plan.** For a purchase or lease, the Ford Extended Service Plan (ESP) gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford Lincoln dealerships. **Insurance Services.** Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company. **Genuine Ford Accessories** will be warranted for whichever provides you the greatest benefit: 12 months or 12,000 miles (whichever occurs first), or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's warranty. FLA are fully designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.

Comparisons based on 2013 competitive models (class is Large Utilities), publicly available information and Ford certification data at time of release. Some features discussed may be optional. Vehicles shown may contain optional equipment. Features shown may be offered only in combination with other options or subject to additional ordering requirements or limitations. Dimensions shown may vary due to optional features and/or production variability. Following release of the PDF, certain changes in standard equipment, options and the like, or product delays may have occurred which would not be included in these pages. Your Ford Dealer is the best source for up-to-date information. Ford Division reserves the right to change product specifications at any time without incurring obligations.
