EXPLORER

EXPLORER | XLT | LIMITED | SPORT | PLATINUM

2019

EXPLORER

As it has for almost 3 decades, Ford Explorer continues to offer an exceptional mix of confidence, capability and adaptability for active families and outgoing individuals alike. For 2019, you can choose from 5 well-equipped models: Explorer, XLT, Limited, Sport and Platinum. Refined seating for up to 7 people is offered in a wide range of durable fabrics and luxurious leather trims, with 2 new designs in the XLT Desert Copper Package and the Limited Luxury Package.

Your choice of 3 engines includes a 365-horsepower[1] 3.5L EcoBoost.®[2] Ford Co-Pilot360™ Technology offers you driver-assist features like Adaptive Cruise Control & Forward Collision Warning with Brake Support.[2] Intelligent 4WD with the Terrain Management System™[2] helps you go everywhere in style, while SYNC® 3[2,3] voice-activated technology with smart-charging USB ports, and FordPass™ Connect with 4G LTE Wi-Fi hotspot[2,4] help you stay connected along the way. The 2019 Explorer is made for modern adventurers.

XLT. WHITE PLATINUM METALLIC TRI-COAT. XLT SPORT APPEARANCE PACKAGE. AVAILABLE EQUIPMENT. [1]Horsepower rating achieved with 93-octane fuel. [2]Available feature. [3]Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. [4]Certain restrictions, 3rd-party terms, or message and data rates may apply. See footnote 2 on XLT/Limited page of Specifications, and your Ford Dealer for details.

CONFIDENT

Camping in the woods. Floating on the water. However you prefer to spend your weekend getaways, Explorer can help you tow up to 5,000 lbs.[1] with the 3.5L Ti-VCT V6 or 3.5L EcoBoost®[2] engine. Even if you're a towing novice, Explorer helps put you at ease with Ford Co-Pilot360™ Technology, like a standard Rear View Camera that helps you see what's behind your vehicle[3] and makes hooking up a trailer simple. Plus, standard Trailer Sway Control can automatically reduce engine speed and selectively apply the brakes if trailer sway is detected.[4] Tow your dream camper, boat or other recreational gear with confidence in Explorer.

PLATINUM. BURGUNDY VELVET METALLIC TINTED CLEARCOAT. AVAILABLE EQUIPMENT. [1]When properly equipped. [2]Available feature. [3]Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. [4]Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

Ford
Go Further

3.5L Ti-VCT V6

This powerful V6 is matched to a 6-speed SelectShift® automatic transmission that's standard with all engines. Twin independent variable camshaft timing (Ti-VCT) allows intake and exhaust valves to adjust independently, helping optimize performance on every trip.

290 hp @ 6,500 rpm 255 lb.-ft. of torque @ 4,000 rpm

EPA-estimated ratings[1]

FWD: 17 city / **24** highway / **20** combined mpg
Standard: Explorer, XLT Optional: Limited

4WD: 16 city / **22** highway / **18** combined mpg
Optional: Explorer, XLT, Limited

2.3L ECOBOOST

This twin-scroll turbocharged, direct-injection EcoBoost® engine has quick turbine spin-up for responsive acceleration performance. Pair it with the Class II Trailer Tow Package to pull up to 3,000 lbs.

280 hp @ 5,600 rpm[2] 310 lb.-ft. of torque @ 3,000 rpm[2]

EPA-estimated ratings[1]

FWD: 19 city / **27** highway / **22** combined mpg
Standard: Limited Optional: Explorer, XLT

4WD: 18 city / **25** highway / **21** combined mpg
Optional: Explorer, XLT, Limited

3.5L ECOBOOST

Best-in-class[3] V6 horsepower. Plus, a robust supply of torque. Combining twin turbochargers with direct-injection technology, this responsive V6 engine empowers you to say yes to lots of road trips, and lead the way, too.

365 hp @ 5,500 rpm[2] 350 lb.-ft. of torque @ 3,500 rpm[2]

EPA-estimated ratings[1]

4WD: 16 city / **22** highway / **18** combined mpg
Standard: Sport, Platinum

PLATINUM. BURGUNDY VELVET METALLIC TINTED CLEARCOAT. AVAILABLE EQUIPMENT. [1]Actual mileage will vary. [2]Horsepower and torque ratings achieved with 93-octane fuel.
[3]Class is Large Utilities based on Ford segmentation, excluding other Ford vehicles.

Ford
Go Further

CAPABLE

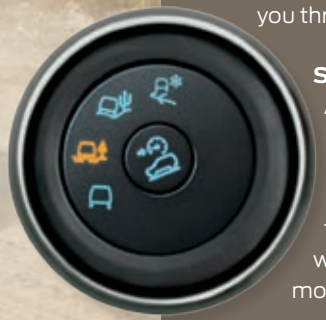
Getting off the beaten path makes life interesting.

ALL AROUND

Explorer features Intelligent 4WD with the Terrain Management System,™[1] which is designed for seamless shift-on-the-fly confidence on all sorts of surfaces.

NORMAL
Normal is ideal for everyday driving on wet or dry paved roads. Using Hill Descent Control™[1,2] (center button) helps regulate your speed on steep declines, so you can concentrate on maneuvering.

MUD, RUT
Backroads can get muddy after a good rain. In this mode, powertrain torque is a bit more aggressive, limiting transmission upshifts and letting the wheels spin to get you through the thick stuff.



SAND
A day at the beach or on the dunes is a blast in a vehicle that takes the soft stuff in stride. This mode uses more aggressive throttle progression and holds gears longer to help transfer optimized torque to the wheels. They can spin aggressively to maintain momentum and keep the fun going.

SNOW, GRAVEL, GRASS
Getting off the beaten path makes life interesting. When you go there in this mode, the transmission delivers earlier upshifts and less aggressive engine torque distribution, limiting wheelslip to help improve traction on tricky terrain. All-season adventures await.

[1]Available feature. [2]Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle.

Ford

YOUR COMMAND STATION

Wherever you're headed, it's important to feel comfortably in command at the wheel. Explorer helps you get there with a 10-way power[1] driver's seat, power[1] tilt/telescoping steering column, power-adjustable[1] pedals and power-folding[1] heated sideview mirrors. Once you've found your optimal driving position, you can use the convenient memory[1] feature to store and recall settings for all of these features with the push of a single button. To help new drivers stay focused, standard MyKey® technology lets you program reminders to drive at appropriate speeds, keep the audio volume low and much more. Steering wheel-mounted controls allow you to customize MyKey and adjust other driver-assist features to your liking within the information display in your gauge cluster. Explorer puts all kinds of power at your fingertips.

PLATINUM. PREMIUM LEATHER-TRIMMED INTERIOR IN MEDIUM SOFT CERAMIC WITH MICRO-PERFORATED INSERTS AND QUILTED BOLSTERS. AVAILABLE EQUIPMENT. [1]Available feature.

Ford
Go Further

ADAPTABLE

Explorer seats up to 7 with the 2nd-row 60/40 split-fold-flat seat and PowerFold® 3rd-row seat.[1] Or up to 6 with the power-assist folding 2nd-row heated bucket seats[1] and your choice of a pass-through to the 3rd row or a 2nd-row console.[1] With all seats occupied, you have 21 cu. ft. of cargo space behind the 3rd row.[2] To carry up to 81.7 cu. ft. of gear, just fold the 2nd- and 3rd-row seats flat. The hands-free foot-activated liftgate[1] opens with a simple kick of your foot under the rear bumper, while the Intelligent Access[1] key fob stays tucked in your pocket or bag. Whatever the day brings, Explorer adapts right along with you.

STAY CONNECTED ON THE MOVE

IT ALL STARTS HERE

This vibrant 8" touchscreen is the command center of SYNC® 3 voice-activated technology,[1,2] which integrates your paired mobile phone with Ford Explorer as soon as you start your vehicle. Make calls. Send and receive text messages. And so much more. Just swipe left or right, or use simple voice commands, to help ensure that your life doesn't miss a beat. SYNC 3 also features 2 smart-charging USB ports to help keep your devices powered up.

LINK YOUR APPS

SYNC 3 AppLink®[3] links your favorite compatible mobile apps with your voice, giving you convenient control. iPhone® users can view the Waze™ app's community-based navigation and traffic features on the large SYNC 3 touchscreen. Amazon Alexa users can access thousands of skills and services they enjoy on their Amazon Echo with the Ford+Alexa[4] app.

CONNECT TO FORDPASS CONVENIENCE

FordPass™ Connect with 4G LTE Wi-Fi hotspot[2,5] lets passengers connect tablets, laptops and smartphones. It includes a complimentary 3-month or 3GB data trial. And that's only part of its convenience. Together with the FordPass smartphone app,[6] FordPass Connect allows you to remotely start[2] your vehicle and climate control system using your smartphone. As well as locate your vehicle and check approximate fuel range. FordPass also helps you find fuel and compare prices. Find, reserve and pre-pay for parking in select locations. Plus, get help 24/7 from our trained team of Ford Guides.

CONNECT YOUR iPhone

Apple CarPlay™ compatibility[2,7] displays the iPhone interface on your vehicle's touchscreen. Send and receive text messages by voice. Get directions. Access playlists from Apple Music.® Just ask Siri® for help. She already knows your voice.

CONNECT YOUR ANDROID PHONE

Android Auto™ compatibility[2,7] displays the Android™ interface on your vehicle's touchscreen. Get voice-guided navigation from Google Maps™ and Waze. Access your favorite music from your apps. Make calls. Send and receive messages. Just talk to Google Assistant™ and go.

MAP YOUR ROUTE

Voice-activated navigation[2] delivers turn-by-turn directions and vivid 3-D maps on the SYNC 3 touchscreen. Pinch-to-zoom capability allows for a closer look. SiriusXM® Traffic and Travel Link®[2,8] helps you avoid traffic – before you're in the middle of it. It also provides fuel prices and station locations. Current and forecasted weather. Movie locations and showtimes. Plus, the scores of your favorite sports teams, and more.

[1]Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. [2]Available feature. [3]Certain restrictions, 3rd-party terms and data rates may apply. See your Ford Dealer for details. Commands may vary by phone and AppLink software. [4]Certain Alexa functionality is dependent on smart phone and home technology. [5]Certain restrictions, 3rd-party terms, or message and data rates may apply. See footnote 2 on XLT/Limited page of Specifications, and your Ford Dealer for details. [6]Available via download and compatible with select smartphone platforms. Learn more at fordpass.com. Message and data rates may apply. [7]Requires phone with active data service and compatible software. SYNC does not control 3rd-party products while in use. 3rd parties are solely responsible for their respective functionality. [8]Certain restrictions, 3rd-party terms, or message and data rates may apply. See footnote 3 on Standard Features page of Specifications, and your Ford Dealer for details.

DRIVE CONFIDENTLY
WITH FORD CO-PILOT360™ TECHNOLOGY

Backing into a perpendicular spot or parallel parking? Enhanced Active Park Assist[1,2] can help. The system uses ultrasonic sensors to identify a parking space that's just the right size, then steers Explorer into it. All you do is follow on-screen prompts, and operate the accelerator, brake and gear shifter as needed. It can steer out of parallel spots, too. A front 180-degree camera[1,2] helps with visibility, allowing you to see around corners in certain circumstances, while the standard Rear View Camera with Washer[2] shows you what's behind Explorer as you slowly back up. So you can park it, and get on with the fun.

ADVANCETRAC® WITH RSC® (ROLL STABILITY CONTROL™)[3] enhances vehicle stability in a wide range of conditions. By selectively applying individual brakes and modifying engine power, the system helps keep all 4 wheels firmly planted. In addition, Curve Control[3] helps slow the vehicle down if you're heading into a curve too quickly.

BLIS® (BLIND SPOT INFORMATION SYSTEM) WITH CROSS-TRAFFIC ALERT[1,2,4] warns you if it detects a vehicle in either of your blind spots, or approaching from either side while in Reverse.

FORD SAFE AND SMART™ PACKAGE makes it easy to get all of these helpful driver-assist technologies:

ADAPTIVE CRUISE CONTROL & FORWARD COLLISION WARNING WITH BRAKE SUPPORT[1,2] helps maintain your choice of speed and preset gaps from the vehicle in front of you. It can also alert you to a potential collision. If one is detected, the system flashes a warning, sounds an alarm, and can pre-charge the brakes to provide full responsiveness when you do brake.

AUTO HIGH BEAM HEADLAMPS[1] can detect vehicles and street lights ahead of you, automatically switching between low and high beams as a convenience to you, and a courtesy to other motorists.

LANE-KEEPING SYSTEM[1,2,5] alerts you with steering wheel vibration if it detects you drifting out of your lane, and can even apply steering wheel torque to help direct you to return to your lane.

RAIN-SENSING WINDSHIELD WIPERS[1,2] can activate themselves automatically as needed, once you've turned the system on.

PLATINUM. BURGUNDY VELVET METALLIC TINTED CLEARCOAT. AVAILABLE EQUIPMENT. [1]Available feature. [2]Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. [3]Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions. [4]BLIS replaces standard integrated blind spot mirrors. [5]Lane-Keeping System does not control steering.

[1]After your trial period ends, SiriusXM audio and data services each require a subscription sold separately, or as a package, by Sirius XM Radio Inc. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Trial subscriptions not available in AK and HI. [2]FordPass Connect includes complimentary 1-year subscription for remote features, excluding Wi-Fi hotspot, and starts with vehicle sale date. Subscription is subject to compatible 4G network availability. Certain restrictions, 3rd-party terms, or message and data rates may apply. Evolving technology/cellular networks may affect future functionality. Wi-Fi hotspot includes complimentary wireless data trial that begins upon AT&T activation and expires at the end of 3 months or when 3GB of data is used, whichever comes first, but cannot extend beyond the complimentary subscription period for remote features. To activate, go to www.att.com/ford. [3]FordPass smartphone app, for use with FordPass Connect, is available via download and compatible with select smartphone platforms. FordPass is on the App Store® and Google Play.™ Learn more at fordpass.com. Message and data rates may apply. [4]Restrictions may apply. See dealer for details. [5]Ford Licensed Accessory.

New Vehicle Limited Warranty. We want your Ford Explorer ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Protect™ Extended Service Plans. Whether you purchase or lease your Ford vehicle, insist on genuine Ford Protect extended service plans. Ford Protect has a variety of plans to give you peace-of-mind protection whether you want vehicle component or maintenance coverage. Plus, they are fully backed by Ford and honored at all Ford dealerships in the U.S., Canada and Mexico. When you visit your dealer, insist on genuine Ford Protect extended service plans.

Insurance Services. Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

Ford Original Accessories. They're warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.
