EFFICIENCY IN 3 SIZES.

With 3 engines in the lineup, Fiesta lets you choose just how efficient you want your drive to be. First up is the standard 1.6L Ti-VCT engine that's paired with a 5-speed manual transmission. If you prefer Fiesta to do the shifting for you, a PowerShift 6-speed automatic transmission¹ delivers that extra-connected feel by helping to provide torque to the front wheels 100% of the time during shifts.

For the ultimate in Fiesta efficiency, opt for the SE EcoBoost® Fuel Economy Package. Equipped with the 1.0L EcoBoost engine,¹ Fiesta has an EPA-estimated rating of 41 hwy mpg² – along with an impressive 123 horsepower and 125 lb.-ft. of torque. Rounding out the trio is the 197-horsepower,³ high-output 1.6L EcoBoost engine in the Fiesta ST. It supplies enthusiastic performance, plus an EPA-estimated 33 hwy mpg.²

ST

THRILL SEEKERS, TAKE YOUR SEAT.

Car and Driver describes Fiesta ST as “hot, spicy and ready to party.” One drive and you’ll know why. Its turbocharged, high-output 1.6L EcoBoost® engine delivers a best-in-class¹ 197 horsepower² and 202 lb.-ft.² of torque. An “overboost” feature can extend peak torque for up to 16 seconds. Paired with a 6-speed *manual* transmission, the engine’s power is put to good use by a unique sport-suspension architecture with European-inspired tuning and 17” summer-compound performance tires³. For that extra touch of bravado, opt for the 17” Premium Ebony Black-painted aluminum wheels with Red brake calipers⁴.

Red-painted brake calipers add attitude.

As you throw the leather-wrapped 6-speed manual shift knob through its paces, you can be firmly gripped by the supportive bolsters of RECARO® partial leather-trimmed, heated front seats¹ for the driver and front passenger. From this exhilarating vantage point, enjoy the amplified engine sounds from EcoBoost® that are piped into the cabin through a sound symposer, as well as the resounding boom of the 8-speaker Audio System from Sony® with HD Radio™ Technology. Behind this perforated leather-wrapped steering wheel, the rush is always on.

6 speeds. Countless thrills.

TITANIUM

TAKE A SHINE TO IT.

EATC and SYNC 3 are standard on Titanium.

New 16" premium Sparkle Silver-painted wheels. Chrome beltline and decklid moldings. Chrome bezels around the headlamps and fog lamps. Chrome surround accenting the Piano Black-painted lower grille. Together with standard heated sideview mirrors, Reverse Sensing System¹ and rear view camera,¹ it's easy to take a shine to Fiesta Titanium.

Inside, standard Titanium amenities include heated, leather-trimmed front seats with driver-adjustable lumbar support, electronic automatic temperature control (EATC), an auto-dimming rearview mirror, and an 8-speaker Audio System from Sony[®] with HD Radio[™] Technology. Plus, all the voice-activated benefits of SYNC[®] 3², which also includes swiping capability on its 6.5" color LCD screen.

Pull up in Fiesta and people will notice. They'll be even more impressed when they step inside. Especially when you enter and start Fiesta – without using a key. With its Intelligent Access key fob¹ in your pocket, just touch the door handle and you're in. Then, press the brake pedal and push the start button. Keep your paired smartphone charged¹ by plugging into the full center console with padded armrest.¹

Heat¹ your front seats, in cloth or leather trim. They're sport-bolstered for support. Cool things down with electronic automatic temperature control,¹ which automatically maintains settings chosen by the driver or front passenger. Choose your interior accent hue from one of 7 colors of ambient lighting.¹ Or, let the sun and breeze stream in through the power moonroof.¹ With its long list of standard and available features, your 2017 Ford Fiesta can be equipped just the way you want it.

Warm your front seats with 1 of 2 settings.

SiriusXM Radio

Listen to everything you love with SiriusXM.^{®1,2} Get over 150 channels including all genres of commercial-free music, plus every major sport and the best talk, news, comedy and entertainment. And you'll hear it all with a 6-month trial subscription to the All Access package, included with your new Fiesta. So you can rock your ride, plus listen anywhere online and on the SiriusXM app.

PACK & PLAY.

Enjoy easy access to the rear cargo area in Fiesta Hatchback. With the rear seat up, you'll find 14.9 cu. ft. of storage space¹ to utilize when you open the hatch. Or, fold both sides of the 60/40 split rear seat down and you've got 25.4 cu. ft. of cargo space at your disposal. Hauling passengers and gear? Fold one side of the seat down for longer items and leave one side up for a rear passenger. In Sedan models, enjoy 12.8 cu. ft. of trunk space and the same 60/40 split rear seat for even more versatility.

A 60/40 split rear seat increases storage versatility.

BIG ON SAFETY.

Underneath the aerodynamic shape of the 2017 Fiesta, there are many protective layers. Strength surrounds you in the form of a rigid safety cage. High-strength and ultra-high-strength boron steel work with SPACE (Side Protection And Cabin Enhancement) Architecture to help divert crash forces from occupants. Next, 7 standard airbags include: driver and front-passenger front; driver's knee; front-seat side, and side curtains.

Underpinning it all, AdvanceTrac® electronic stability control automatically helps avoid skidding and fishtailing, helping keep all 4 wheels firmly planted!
