

2019 TRANSIT CONNECT

PASSENGER WAGON | CARGO VAN

CONNECT WITH YOUR PASSION

Boating. Home improvement. Biking. Gardening. Baking. Wherever work and play intermingle – that’s where you’re likely to find Transit Connect. Our remarkably nimble lineup of compact Cargo Vans and Passenger Wagons with seating for up to 7¹ is designed to empower all sorts of entrepreneurs, active families, and savvy individuals like you.

New HID headlamps with signature LED lighting and LED fog lamps¹ help create a dramatic new look for Transit Connect this year, while redesigned seating enhances interior comfort. Your choice of 2 all-new engines includes a 2.0L GDI I-4¹ and a class-exclusive² 1.5L EcoBlue[®] TCDi Diesel.^{1,3} Plus, there’s an array of new standard driver-assist technologies, such as class-exclusive Pre-Collision Assist with Automatic Emergency Braking, which includes Pedestrian Detection and Forward Collision Warning.⁴ Whether it’s for business or pleasure, the new 2019 Ford Transit Connect is a smart move.

2019 Transit Connect | ford.com

Cargo Van XLT LWB. Frozen White. Passenger Wagon TITANIUM LWB. Kapoor Red. Both shown with available equipment. ¹Available feature. ²Class is Small Vans based on Ford segmentation.

³Available Spring 2019. ⁴Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle.

Vehicles throughout this brochure may be shown with optional and aftermarket upfit equipment, and without standard antenna.

LEAD THE WAY WITH FORWARD THINKING

The new Transit Connect offers you innovative conveniences like a class-exclusive new wireless charging pad¹ that helps keep your compatible device powered up without the hassle of a cord.² Fully integrated with the redesigned instrument panel, it's located between the large new vents and below the vibrant SYNC[®] 3 touchscreen⁴ that seems to rise up from the center stack. Standard tilt and telescoping adjustability of the steering column lets you position the steering wheel right where you like it. When it's chilly outside, heated sideview mirrors¹ and a Quickclear™ electric windshield defroster¹ help you get on your way quickly. Class-exclusive new Pre-Collision Assist including Pedestrian Detection³ can help reduce the severity of, and, in some cases, eliminate a frontal collision with a vehicle traveling in the same direction, or a pedestrian. This advanced technology is among the many new driver-assist features you'll find on the 2019 Transit Connect.

NEW WIRELESS CHARGING PAD is the only one available in the class

SEAT YOURSELF + PLENTY MORE

With a choice of 5-, 6- or 7-passenger seating,¹ the new Transit Connect Passenger Wagon helps you share everyday trips and memory-making getaways with family and friends. Loading and unloading are easy with the low step-in height, standard dual sliding side doors, and your choice of a rear liftgate or 180° swing-out rear cargo doors.¹ Stylish seating features redesigned front-seat bolstering for enhanced comfort, and can be trimmed in leather,¹ cloth¹ or vinyl. TITANIUM models include leather-trimmed seats with 6-way power adjustability for the driver, plus heat and adjustable lumbar support for those in front. Cupholders in every row, plus 2 smart-charging USB ports, two 12V powerpoints and a 110V/150W AC power outlet, help keep passengers happy. And a panoramic fixed-glass Vista Roof^{®1} brightens every ride.

THE MOST AVAILABLE SEATING CONFIGURATIONS IN ITS CLASS makes it easy to find your match. SWB Passenger Wagon² models feature a 2nd-row bench seat. LWB models offer a choice of 2nd-row bucket seats with a convenient pass-through to the 3rd row, or a 2nd-row bench seat, plus 3rd-row bucket seats.

FOLD 'EM DOWN TO SWITCH IT UP

Plans change – sometimes at a moment's notice. No matter which adventure you embark on next, you can rest assured the new Transit Connect Passenger Wagon is designed to keep pace. An overhead storage shelf in the front row lets you keep essentials close at hand with a sunglasses holder,¹ while its observation mirror¹ helps you keep an eye on those in back. Passengers can use the in-floor storage compartment⁴ behind the front-passenger seat to stow small items. Plus, they can tuck even more gear out of sight in their own aircraft-style overhead console¹ featuring closeable bins.

Loading sports gear or heading home from the store? It's easy to fold any – or all – of the rear seats to meet your cargo-transporting needs. SWB² models can carry items up to 49.4" tall, with up to 47.2 cu. ft. of space behind the 2nd-row seats or over 77 cu. ft. with them folded. LWB models feature a flat load floor and can hold up to 106.0 cu. ft. of cargo that's up to 85.6" long. No matter which model you choose, Transit Connect offers you outstanding capability and impressive versatility.

LOW LOAD FLOOR HEIGHT (UNDER 2') makes it easy to pack up to 24.9 cu. ft.³ of cargo behind the 3rd row inside LWB models, or bring your beloved canine companion along for the ride.

SPLIT-FOLDING FLEXIBILITY of the 2nd- and 3rd-row seating allows you to secure large objects (up to 43.3" tall inside LWB models) alongside your seated passengers.

ITEMS UP TO 85.6" LONG FIT INSIDE LWB models with the 2nd- and 3rd-row seats folded flat, where there's up to 106.0 cu. ft. of cargo space for you to fill.

EXPERIENCE THE POWER OF ECO

New EcoMode and EcoCoach technologies are designed to help you drive more efficiently. They can monitor certain driving characteristics to illustrate your Instantaneous Efficiency Level on the information display, offering you valuable real-time feedback. You'll find the all-new 2.0L GDI I-4 engine¹ provides plenty of power. Plus, there's an all-new, class-exclusive turbocharged, direct-injection 1.5L EcoBlue[®] Diesel^{1,2} that offers you an added degree of performance.

Both engines are paired with a new 8-speed SelectShift[®] automatic transmission featuring Auto Start-Stop Technology, which engages when you bring the vehicle to a stop at idle – potentially helping reduce fuel consumption and vehicle emissions. A class-exclusive new standard feature, Side-Wind Stabilization can selectively apply the brakes if needed to help you handle sudden side-wind gusts and stay on your intended path.³

STAY CONNECTED ON THE MOVE

IT ALL STARTS HERE

This vibrant 6.5" touchscreen is the command center of SYNC® 3 voice-activated technology,^{1,2} which integrates your paired mobile phone with Ford Transit Connect as soon as you start your vehicle. Make calls. Send and receive text messages. And so much more. Just swipe left or right, or use simple voice commands, to help ensure that your life doesn't miss a beat. SYNC 3 also features 2 smart-charging USB ports to help keep your devices powered up.

LINK YOUR APPS

SYNC 3 AppLink³ links your favorite compatible mobile apps with your voice, giving you convenient control. iPhone® users can view the Waze™ app's community-based navigation and traffic features on the large SYNC 3 touchscreen. Amazon Alexa users can access thousands of skills and services they enjoy on their Amazon Echo with the Ford+Alexa⁴ app.

CONNECT TO FORDPASS CONVENIENCE

FordPass™ Connect's 4G LTE Wi-Fi hotspot^{2,5} lets passengers connect tablets, laptops and smartphones. It includes a complimentary 3-month or 3GB data trial. And that's only part of its convenience. Together with the FordPass smartphone app,⁶ FordPass Connect allows you to remotely start² your vehicle and climate control system using your smartphone. As well as locate your vehicle and check approximate fuel range. FordPass also helps you find fuel and compare prices. Find, reserve and pre-pay for parking in select locations. Plus, get help 24/7 from our trained team of Ford Guides.

CONNECT YOUR iPhone

Apple CarPlay™ compatibility^{2,7} displays the iPhone interface on your vehicle's touchscreen. Send and receive text messages by voice. Get directions. Access playlists from Apple Music.® Just ask Siri® for help. She already knows your voice.

CONNECT YOUR ANDROID PHONE

Android Auto™ compatibility^{2,7} displays the Android™ interface on your vehicle's touchscreen. Get voice-guided navigation from Google Maps™ and Waze. Access your favorite music from your apps. Make calls. Send and receive messages. Just talk to Google Assistant™ and go.

MAP YOUR ROUTE

Voice-activated navigation² delivers turn-by-turn directions and vivid 3-D maps on the SYNC 3 touchscreen. Pinch-to-zoom capability allows for a closer look. SiriusXM® Traffic and Travel Link⁸ helps you avoid traffic – before you're in the middle of it. It also provides fuel prices and station locations. Current and forecasted weather. Movie locations and showtimes. Plus, the scores of your favorite sports teams, and more.

2019 Transit Connect | ford.com

¹Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. ²Available feature. ³Certain restrictions, 3rd-party terms and data rates may apply. See your Ford Dealer for details. Commands may vary by phone and AppLink software. ⁴Certain Alexa functionality is dependent on smart phone and home technology. ⁵FordPass Connect includes complimentary 1-year subscription for remote features, excluding Wi-Fi hotspot, and starts with vehicle sale date. Subscription is subject to compatible 4G network availability. Certain restrictions, 3rd-party terms, or message and data rates may apply. Evolving technology/cellular networks may affect future functionality. Wi-Fi hotspot includes complimentary wireless data trial that begins upon AT&T activation and expires at the end of 3 months or when 3GB of data is used, whichever comes first, but cannot extend beyond the complimentary subscription period for remote features. To activate, go to www.att.com/ford. ⁶Available via download and compatible with select smartphone platforms. Learn more at fordpass.com. Message and data rates may apply. ⁷Requires phone with active data service and compatible software. SYNC does not control 3rd-party products while in use. 3rd parties are solely responsible for their respective functionality. ⁸Certain restrictions, 3rd-party terms and data rates may apply. See footnote 4 on page 12, and your Ford Dealer for details.

DRIVE SMARTER

Whether you'll share your Passenger Wagon with a partner or a young driver-in-training, or you plan to have multiple employees drive your Cargo Van, the 2019 Transit Connect offers more smart technology than ever before, helping keep all drivers confident at the wheel.

The standard rear view camera displays a full-color image on the screen in your center stack, and also offers guidelines to help you steer into place or hook up a trailer.

Is there a lot of highway driving in your future? New Adaptive Cruise Control¹ can help by maintaining your choice of speed and preset gaps from the vehicle in front of you.

Passenger Wagon TITANIUM models can even take the hassle out of parking with enhanced active park assist.¹ Its sensors not only detect an appropriate parking spot, it steers the vehicle into it while you control the brake, accelerator and shifter. It can provide assistance as you pull out of a parallel spot as well.

MEET YOUR NEW GO-TO

An intelligent partner can make all the difference in business and in life. As America's best-selling compact cargo van,¹ Transit Connect continues to improve its offerings with enhanced interior comfort and the most driver-assist technologies available in the class, making this the smartest Transit Connect ever.

Standard dual sliding side doors ease cargo access while providing space to promote your business. You can also add 2nd-row fixed glass² to both sides or just the passenger's. Mounting a ladder rack up top? Choose the 180° swing-out rear cargo doors with or without fixed glass.² Unpredictable weather in your area? The rear liftgate² offers some rain protection when loading, and includes fixed glass with a defroster for those early-morning starts. Built Ford Tough® in your choice of long wheelbase (LWB) or short (SWB) with rugged cloth² or durable vinyl seating, plus plenty of options and upfits, the 2019 Transit Connect is the hard-working Cargo Van you can count on to help grow your business faster and smarter.

CAPITALIZE ON EVERY INCH

The new Transit Connect Cargo Van makes it easy, starting with a maximum payload rating of 1,570 lbs.¹ A low load floor height means moving things in and out is no sweat. Fold the passenger seat down in LWB models for up to 145.8 cu. ft. of cargo room.¹ Items up to 4' wide, 4' tall, or over 9' long will fit inside.¹ The flat rear load floor, convenient cargo tie-down hooks, and near-vertical walls help you make the best use of all that room. Plus, the durable vinyl floor covering is washable for quick cleanup. Add in a 38.3' curb-to-curb turning diameter for negotiating tight spots, and you're ready to take your business everywhere you want it to go.

New Vehicle Limited Warranty. We want your Ford Transit Connect ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Protect™ Extended Service Plans. Whether you purchase or lease your Ford vehicle, insist on genuine Ford Protect extended service plans. Ford Protect has a variety of plans to give you peace-of-mind protection whether you want vehicle component or maintenance coverage. Plus, they are fully backed by Ford and honored at all Ford dealerships in the U.S., Canada and Mexico. When you visit your dealer, insist on genuine Ford Protect extended service plans.

Insurance Services. Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

Ford Original Accessories. They're warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.
