ELANTRA N

ELANTRA N:
For drivers who take fun seriously.

ELANTRA N in Performance Blue

To create a sedan with high-performance credentials worthy of the Hyundai N designation, we knew it had to be based on our new generation Elantra. Clearly, we'd have the foundation of a sport sedan with head-turning style, innovative technology and the advanced safety of Hyundai SmartSense.

But to justify wearing the N insignia, Elantra N would need to channel everything we've developed through our global motorsports race cars and our Veloster N sports coupe.

Visually, the 2022 Elantra's distinctive body creases are enhanced with sportier styling in front and a rear wing spoiler. But Elantra N doesn't just look the part. It has all of the parts, starting with a 2.0L Turbo GDI 4-cylinder engine that produces 276 hp and 289 lb-ft of torque. You can opt for a 6-speed manual transmission with downshift rev matching, or an available 8-speed Wet Dual Clutch Transmission with exclusive N features like N Grin Shift, an overboost that gives Elantra N an additional 10 hp for 20 seconds just by pressing that red button on the steering wheel.[1] N Grin, indeed.

Elegantly untamed.

Elantra N is geared for straight-line speed. Its 2.0L Turbo "Flat Power" engine maintains its maximum output through the majority of the rev range for brisk acceleration. Launch Control is standard, which also helps Elantra N blast off the line. Armed with the available Wet Dual Clutch Transmission and its N Power Shift feature (which minimizes torque reduction during wide-open throttle upshifts), you'll sprint from 0-60 mph in about 5 seconds on the racetrack.

Of course, Elantra N loves carving corners just as much as launching down straightaways. Part of the inspiration for the N designation in our high-performance models is the Nürburgring road circuit in Germany. One lap is nearly 13 miles and 154 turns – the ultimate test of a performance car's steering, braking and handling dynamics.

To tackle the tarmac's twists and turns, Elantra N starts with a multi-link rear suspension, then adds a host of N-specific enhancements. An electronic limited-slip N Corner Carving Differential facilitates faster corner exits, with 245/35R19 Michelin® Pilot Sport 4S summer tires offering plenty of grip.[2] An Integrated Drive Axle inspired by Hyundai's WRC rally cars enhances handling under extreme lateral g-forces, while a second-generation Electronically Controlled Suspension allows the widest range of suspension settings ever – from an extreme track situation to a family road trip.

Everything about Elantra N is engineered for adrenaline. The suspension is stiffer. The steering ratio is quicker. The brakes are beefier. There's even a variety of drive modes, including a full-on N performance setting and two custom modes accessed by big blue steering wheel buttons.

Elantra N TCR race cars

Hyundai SmartSense Technologies

[1] Maximum of 10 hp overboost operates at 5,500 rpm and above for 20 seconds. There is a 40-second interval before overboost can be reactivated. Overboost deactivates when time expires or the driver lifts off the accelerator pedal.
[2] Summer tires not intended to be used in low temperatures or on roads covered by snow or ice.

ELANTRA N in Black Leather-Trimmed Seats with Microsuede Inserts

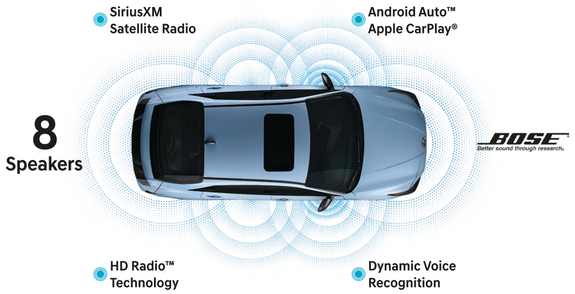

Get on the right track.

Settle into the well-bolstered front sport bucket seats emblazoned with an illuminated N badge. Your seating position is low, so you feel a close bond with the road – and fully immersed in the performance of your Elantra N. In front of you is clustered an array of digital gauges, along with a 10.25˝ central touchscreen that can display torque and boost pressure, cornering g-forces, lap times and more.

Elantra N was bred on racetracks and proving grounds. So while it's happy to prowl whatever kind of roads your daily driving demands, the track is where it lives up to its full potential. Which is why its spacious interior is filled with features that focus on what drivers like you crave: Immediate response.

Exactly how your Elantra N responds is up to you. As the driver, you choose between five drive modes. In the N Custom mode, you can calibrate a variety of chassis and powertrain settings to match your driving preferences and road conditions. Or just max out everything by pressing the dedicated N Mode button on the steering wheel.

Depending on the drive mode, a twin-outlet variable exhaust valve system lets you select exhaust sounds ranging from normal to powerful pops, snaps and snarls. An N Sound Equalizer provides more dynamic, driver-customizable engine sound through the car's speakers.

In a world run by remote control, stay connected.

Hyundai's Bluelink® Connected Car System makes it easy to stay connected from wherever you are.[1] Simply download the MyHyundai app, and your smartphone becomes a remote control that lets you unlock your Elantra N's doors, start the engine and activate climate controls while you're getting ready to leave.[2]

Starting your Elantra N remotely, or with the Hyundai Digital Key,[3] also tunes radio/navigation presets and restores digital instrument cluster display preferences ahead of time using your Bluelink personal profile. Want to remotely check if you've left your doors unlocked or a window open? Just consult your MyHyundai app for the answers.[2] Of course, Bluelink is just one of the ways Hyundai helps to make your digital life seamless.

Apple CarPlay® and Android Auto™ sync your smartphone with your Elantra N's large color touchscreen display for easy access to contact lists, texts, calls, maps and navigation, your music library and more – ensuring the smarts of your smartphone travel with you wherever you go.[4] Wireless device charging is also onboard[5] – like those dual front USB charging ports, you'll wonder how you ever got along without it.

Bluelink

Automatic Emergency Assistance
Bluelink Connected Care offers 24/7 SOS Emergency Assistance as well as Automatic Collision Notification that calls for help if you're in an accident where your vehicle's airbags deploy.[6]

On-Demand Diagnostics
Run vehicle diagnostics from your car's touchscreen, report issues at the press of a button and receive Monthly Vehicle Health Reports or maintenance reminders by email.

Destination Send-to-Car
Use your smartphone to find restaurants or points of interest, then send the destination to your Elantra N's navigation system for driving directions before you slip behind the wheel.[7]

Remote Vehicle Controls
You can use your smartphone, smartwatch or home assistant device to remotely start your Elantra N's engine, unlock or lock the doors, set the car's cabin temperature and more.

Hyundai Car Finder
Our Car Finder smartphone app feature helps you find your way back to your vehicle after a day of downtown shopping or an evening spent rooting for your favorite team.

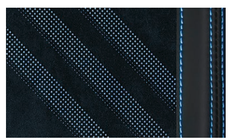

Remote Vehicle Status
Wondering how much fuel is in your car's tank? If the trunk is open or the doors are unlocked? Your MyHyundai app knows the answers to these questions, and much more.

[1] The 2022 Hyundai Elantra N includes 3 years of the Bluelink Connected Care, Remote and Guidance (factory-equipped navigation required) packages. All trials require an active Bluelink subscription agreement subject to the Connected Services Terms and Conditions. Three-year term starts from the new vehicle date-of-first-use, is available for new vehicle purchases and leases, and is transferable to subsequent owners subject to the Terms and Conditions. Only use Bluelink and corresponding devices when safe to do so. Cellular and GPS coverage is required. Features, specifications and fees are subject to change. For more on details and limitations, visit HyundaiUSA.com or your authorized Hyundai dealer. [2] Requires active Bluelink subscription with Remote package. Remote start not available with manual transmission. Remote stop only available when in remote start mode. [3] The Hyundai Near Field Communication Digital Key requires a compatible Android™ smartphone and appropriately equipped 2022 Hyundai Elantra N. Not all Android devices are compatible. Lock and unlock functionality work on the front doors only. See your Owner's Manual for details and limitations. [4] Apple CarPlay® is a registered trademark of Apple Inc. Android Auto™ is compatible with Android phones running Android 5.0 or higher. Android Auto may not be available on all devices and is not available in all countries or regions. Additional apps may be required. Android and Android Auto are trademarks of Google LLC. [5] Qi wireless charging function is based on smartphone compatibility and/or specific accessory cases. [6] Bluelink agents will contact existing emergency service responders. [7] Requires active Bluelink subscription with Guidance package. [8] EPA estimates for comparison only. Mileage may vary. Your actual mileage will vary with options, driving conditions, driving habits and the vehicle's condition.

Hyundai Hope On Wheels®

Helping Kids Fight Cancer Since 1998

HYUNDAI

Hope makes every Hyundai better.

Each time we sell a Hyundai, a portion goes to Hyundai Hope On Wheels® to help find a cure for childhood cancer. Over the last 23 years, Hyundai Hope On Wheels has donated more than $185 million. Hope is our greatest feature. And it comes standard on every Hyundai. For more information, please visit HyundaiHopeOnWheels.org.

America's Best Warranty

POWERTRAIN LIMITED WARRANTY	NEW VEHICLE LIMITED WARRANTY	ANTI-PERFORATION WARRANTY	24/7 ROADSIDE ASSISTANCE
10 YEARS 100,000 MILES	5 YEARS 60,000 MILES	7 YEARS UNLIMITED MILES	5 YEARS UNLIMITED MILES

Hyundai Complimentary Maintenance

Complimentary maintenance includes Hyundai-approved oil and oil filter change (except for electric vehicles and fuel cell electric vehicles) plus tire rotation at normal factory-scheduled maintenance intervals for 3 years or 36,000 miles, whichever comes first. More frequent maintenance due to severe driving or conditions is excluded. Offer valid only for new 2020-2022 Hyundai models purchased or leased on or after February 1, 2020. See your Hyundai dealer for further details and limitations.

Owner Assurance

Our commitment to Hyundai owners does not end with the transfer of keys. Wherever the road takes you, we've got your back with Owner Assurance, an umbrella of services and benefits that includes America's Best Warranty, 24/7 Roadside Assistance, innovative safety and car care features...and more.
