

2020

Q60

INFINITI

EMPOWER THE DRIVE®

FINALLY, LIFE AND LUXURY ARE ON THE SAME PAGE

Only something dynamic and daring could bring life and luxury together. Something like the 2020 INFINITI Q60, where next-generation performance technology and uncompromising design form a vibrant collaboration. This is performance that adapts and it's like nothing you've ever driven. Steering can be enhanced with an INFINITI world's first digital steering system¹ to make cornering feel smooth and instinctual, while available Dynamic Digital Suspension can adjust to the road and the driver in real time to give you the best response in the moment. When a sport coupe is as thrilling as it is forward-thinking, you're at your best. Because it's not about luxury, but what you do with it that counts.

LUXURY SHOULD BE LIVED IN

^ ROLL WITH DISTINCTION **1** 19 X 9.0-inch Aluminum-Alloy Wheels **2** 20 X 9.0-inch Front, 20 X 9.5-inch Rear Staggered Aluminum-Alloy Wheels***

^ EVERY LINE CAPTURES AN EMOTION

The sight of a Q60 stirs something deep inside. You sense it when gazing upon its dramatic creases and distinctive shapes. You anticipate it when looking over its athletic stance. With a sleek body that stands low and wide, the Q60 conveys exciting performance. Opt for the Q60 RED SPORT 400,¹ and the look turns extreme. Large 20-inch wheels, red brake calipers, sport exhaust tips and available Dynamic Sunstone Red exterior paint evoke a very different emotion in onlookers: envy.

^ 300-HP OR 400-HP. EXHILARATION FROM THE START

Press the Push Button Start and feel the power of a 3.0-liter twin-turbocharged V6 come to life. Inside the turbos, an advanced turbine-blade shape moves more air for quicker response. When combined with a speed sensor in the RED SPORT 400, the turbines can reach up to 240,000 rpm, boosting output from 300-hp to 400-hp. The water-cooled air travels a short path to the engine so it stays more dense for more power – and an infinite rush.¹

INSPIRED BY A DRIVER'S GLOVE

Performance drivers know the feeling – personal, fitted and above all, comfortable. This kind of tailored design and craftsmanship was the vision behind the cockpit. High-back bolstered seats offer greater thigh, lumbar and lateral support to enhance your in-control feel. Contrast stitching¹ found on the leather-wrapped steering wheel and shifter complement the contact points of your hand, while available semi-aniline leather appointments¹ provide durable and soft seating surfaces.

This is an exclusive space for drivers, capturing the spirit of a premium sport coupe.

▼ SYNC YOUR LIFE HERE INFINITI InTouch™ with smartphone connectivity^{2,3,4} extends your capabilities. Empower your drive with Apple CarPlay^{3,4} integration for your compatible iPhone.⁵ Or make your

INFINITI InTouch™ featuring Apple CarPlay^{3,4} integration

Android Auto™^{3,4} compatible phone your preferred driving companion. Navigation^{1,4,5} provides real-time Premium Traffic information, turn-by-turn directions and more. Finally, enhanced Wi-Fi capability transforms your Q60 into a high-speed hotspot.⁴

EVOLVE YOUR DRIVE As technology progresses, so does your relationship with your car. When activated, INFINITI drive assist technologies in the ProACTIVE Package¹ allow you to cruise with less stress, follow smarter and steer quicker. Blind Spot Intervention⁶ uses sensors to help detect cars in your blind spot area and can intervene to help avoid a collision. Intelligent Cruise Control (Full-Speed Range)⁷ automatically adjusts your speed to the flow of traffic. To ease the strain of parking, Around View⁸ Monitor with Moving Object Detection,⁸ on the ProASSIST Package, can assist you in parking and tight maneuvering with an overhead view of four sides.

HANDLING IS PERSONAL With two steering and two suspension systems, the path to agility is yours to customize. Select either Rack Electronic Power Steering with Sport mode for a lively response. Or go digital with Direct Adaptive Steering,⁹ on the ProACTIVE Package, and feel how easy it is to carve a perfect turn.¹ The choice of suspension is equally empowering. Independent front and rear suspension gives you a smooth level ride while Dynamic Digital Suspension, on Q60 RED SPORT 400,¹ recalibrates the balance between comfort and performance electronically as adjustable dampers react in real time to changing road demands and driver input.

Bose® Performance Series Audio with Bose® Centerpoint® surround technology

TRIM LEVELS & PACKAGES

Q60 3.0t PURE

MECHANICAL AND PERFORMANCE

- 3.0-liter twin-turbocharged V6 engine (300-hp @ 6,400 rpm, 295 lb-ft @ 1,600-5,200 rpm)
- 7-speed automatic transmission
- Manual shift mode with Downshift Rev Matching
- Rack Electronic Power Steering
- Rear-Wheel Drive or INFINITI Intelligent All-Wheel Drive⁹

DESIGN

- LED automatic-on/off headlights
- LED signature Daytime Running Lights
- LED signature taillights
- LED front fog lights
- 19-inch aluminum-alloy wheels with 255/40R19 run-flat, all-season tires
- Zero-lift aerodynamics
- Front door handle courtesy lights
- 3.0t fender badge

CRAFTSMANSHIP

- Leatherette seating
- Brushed Aluminum interior trim
- Front door aluminum INFINITI kick plates
- 8-way power adjustable front seats

TECHNOLOGY

- INFINITI InTouch™ dual HD display system^{3,4}

- Distance Control Assist²⁰

1 CARBON FIBER REAR DECK LID SPOILER AND CARBON FIBER LOOK REAR BUMPER PROTECTOR 2 20-INCH CHARCOAL METALLIC PERFORMANCE WHEELS

^ EXTERIOR Style without pretense. Carbon Fiber elevates the aggressive character and gives the Q60 a more dynamic look. Select a custom-designed Carbon Fiber Rear Deck Lid Spoiler and you're adding a distinctive design element that also gives the rear a streamlined appearance. Large 20-inch wheels enhance another important aspect of your vehicle – its athletic stance. Every accessory amplifies the true nature of your INFINITI.

v INTERIOR Take life with you. A Console Net keeps a tablet close by, while Sport Floor Mats embrace your performance nature with a specially placed rubber section to save on heels. Sometimes, life is full of imperfect moments. Keep your Q60 protected and aesthetically pleasing with a Carbon Fiber Look Rear Bumper Protector that guards against scrapes when loading and unloading cargo.²⁶

3 CONSOLE NET
4 SPORT FLOOR MATS

GENUINE INFINITI ACCESSORIES FOR EVERY BEAUTIFUL DETAIL

A sport coupe can be more than a sleek, aerodynamic shape. If it's an INFINITI Q60, it can be a work of performance art. Genuine INFINITI Accessories add your unique signature to every vehicle.²⁷ Each accessory is made with exacting standards, the same ones we utilize when building your INFINITI Q60. This approach ensures each item is designed and manufactured to integrate seamlessly with your vehicle and provide a custom fit and finish. For more information and to shop online for Genuine INFINITI Accessories, go to parts.infiniti.com.

ACCESSORY SHOWN: CARBON FIBER FENDER VENTS KIT

v CARGO Hold virtually anything, including memories. A Trunk Protector lets you carry items without causing a mess. It also prevents the things you brought along – the stuff of memories – from sliding around.²⁶

1 TRUNK AREA PROTECTOR
2 INFINITI RADIANT ILLUMINATED KICK PLATES AND INFINITI RADIANT WELCOME LIGHTING

^ LIGHTING Illuminate elegance with signature lighting accessories. The effect lends an upscale ambience and offers a modern appeal that is unmistakable. From the soft glow of the INFINITI logo along the front door sills to the drama of INFINITI Radiant Welcome Lighting, brilliance is all around. Turn it on.

ADDITIONAL ACCESSORIES TO CONSIDER:

- Door Edge Protectors
- Carbon Fiber Front Fog Light Surround Kit
- INFINITI Radiant Interior Ambient Lighting
- 19-inch Charcoal Metallic Performance Wheel
- All-Season Floor Mats

A JOURNEY DRIVEN BY INNOVATION

INFINITI started with a radical philosophy: Build machines that put humans first. For 30 years we've made this vision a reality by combining daring design with world's first technologies that redefine the drive. As we move towards an electrified future, we celebrate our history of world's first innovations and launch a memorable 30th anniversary edition of our vehicles.

1990 FULL-ACTIVE SUSPENSION

Our first car already featured a world's first technology. The Q45 offered a more controlled ride by counteracting body motion in bumps, curves, acceleration and braking.

2001 REARVIEW MONITOR

When in reverse, an in-dash monitor displays a live picture of what's directly behind the vehicle. This feature set a new benchmark in the industry, as it's now standard on all new INFINITI vehicles sold in the U.S.¹⁰

2004 LANE DEPARTURE WARNING

Warns you if you begin to stray from your lane, helping address NHTSA findings that showed a significant number of all traffic fatalities were due to lane departure.²¹

2007 AROUND VIEW® MONITOR

Provides a 360° virtual composite view of what surrounds the vehicle and displays it in the dash.^{8,28}

2010 HYDRAULIC BODY MOTION CONTROL

Monitors force and distributes variable pressure to either the outer or inner suspension, which minimizes body lean and provides a smoother ride at all speeds.

2012 BACKUP COLLISION INTERVENTION

Can detect cross-traffic and stationary objects behind the car and, if necessary, engages the brakes to help avoid a collision.¹⁸

2013 DIRECT ADAPTIVE STEERING®

Transmits steering inputs electronically instead of mechanically, providing a quicker and more precise response.

2013 ACTIVE LANE CONTROL

Can make steering corrections to help you stay straight in your lane in crosswinds and on uneven roads.²²

2013 PREDICTIVE FORWARD COLLISION WARNING

Can warn of risks that lie beyond the driver's field of view by monitoring up to two vehicles directly ahead.¹⁵

2018 VC-TURBO™ ENGINE

Provides power when you need it, efficiency when you don't. Moves seamlessly between compression ratios, transforming from 8:1 for high performance to 14:1 for high efficiency.²⁹

2019 EDITION 30

To celebrate our 30th anniversary, the EDITION 30 equips your Q60 with many world's first innovations.* In addition to revolutionary technologies such as Blind Spot Warning,¹⁷ each EDITION 30 vehicle will feature exclusive style enhancements, including dark finish wheels, dark chrome exterior accents, graphite headliner, and distinct badging.²⁵

*World's first features available on Q60 include RearView Monitor,¹⁰ Lane Departure Warning,²¹ Backup Collision Intervention,⁸ Direct Adaptive Steering,⁸ Around View[®] Monitor with Moving Object Detection,⁸ Predictive Forward Collision Warning,¹⁵ and Active Lane Control.²²

1 Available on select models. 2 Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. 3 Available services/features may be shown. Compatible connected device may be required. Only use services/features and device when safe and legal to do so. Subject to GPS and wireless network availability and connection, and system/technology limitations. Text rates/data usage/subscription may apply. Some services/features provided by companies not within INFINITI or its partners' or agents' control and may be discontinued at any time. For more information, see retailer, Owner's Manual, or www.InfinitiUSA.com/intouch/important-information. 4 If equipped, your vehicle may include INFINITI InTouch connected features and services such as Emergency Call and Automatic Collision Notification for one year, Wi-Fi, Navigation, Bluetooth and other connected features that can be viewed by model on the INFINITI InTouch website here: https://www.infinitusa.com/intouch/system-details For complete information about your INFINITI InTouch features and services, please consult your vehicle's INFINITI InTouch Owner's Manual at https://owners.infinitusa.com/owners/navigation/manualsAndGuides. For more information, please visit: https://www.infinitusa.com/intouch/important-information. Compatible connected device may be required. Subject to GPS and wireless network availability and connection, and system/technology limitations. INFINITI InTouch with Wi-Fi terms and conditions of subscriber agreement apply. 5 Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. 6 Blind Spot Intervention[®] cannot prevent all collisions and may not detect every object or warn in all situations. Driver should always turn and look before changing lanes. See Owner's Manual for safety information. 7 Intelligent Cruise Control uses limited braking and is not a collision avoidance or warning system. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. 8 Around View[®] Monitor with Moving Object Detection cannot eliminate blind spots and may not detect every object. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information. 9 Intelligent All-Wheel Drive cannot prevent collisions or provide enhanced traction in all conditions. Always monitor traffic and weather conditions. 10 RearView Monitor may not detect every object and does not eliminate blind spots or warn of moving objects. See Owner's Manual for safety information. 11 Brake Assist cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. 12 Vehicle Dynamic Control cannot prevent collisions due to abrupt steering, carelessness, or dangerous driving technique. It should remain on when driving, except when freeing the vehicle from mud or snow. See Owner's Manual for safety information. 13 Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. See Owner's Manual for safety information. 14 Forward Emergency Braking with Pedestrian Detection cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. 15 Predictive Forward Collision Warning cannot prevent collisions. See Owner's Manual for safety information. 16 State laws may apply. Review before using. 17 Blind Spot Warning is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents. It may not detect every vehicle or object around you. 18 Backup Collision Intervention may not detect every object. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information. 19 Sonar System may not detect every object. Driver should always check surroundings before driving. See Owner's Manual for safety information. 20 Distance Control Assist uses limited braking and is not a collision avoidance or warning system. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. 21 Lane Departure Prevention and Lane Departure Warning only operate when lane markings are detectable. See Owner's Manual for safety information. 22 Active Lane Control cannot prevent collisions or loss of control. Driver should remain in control of vehicle at all times. See Owner's Manual for safety information. 23 The Advanced Climate Control System with Plasmacluster air purifier helps scrub the air in the vehicle's interior. The system can sense exterior odors, can suppress unpleasant interior odors, can stop the inflow of external odors and helps keep the cabin smelling fresh, but does not always eliminate odors. 24 Monitor traffic conditions and use conventional brake as needed to prevent collisions. See Owner's Manual for safety information. 25 Edition 30 Package available late 2019. 26 Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. 27 INFINITI Genuine Accessories are covered by INFINITI's Limited Warranty for the longer of either 12 months/12,000 miles (whichever is earlier), or the remaining period under the 4-year/60,000-mile INFINITI New Vehicle Limited Warranty. Terms and conditions apply. See Warranty Information Booklet for details. 28 Virtual composite 360° view. 29 VC-Turbo™ launched by INFINITI in model year 2019. 30 2020 Q60 3.0t RWD EPA Fuel Economy Estimates 19 mpg City, 28 mpg Highway.
