EMPOWER THE DRIVE

For those who dare to define themselves beyond the usual measures, there’s INFINITI – an experience that challenges the limits of what’s possible. See this take shape on the INFINITI Q70, where graceful elegance inside and out complements innovative technologies to elevate your senses. Begin by crafting your Q70 for your personal journey. Every selection is designed to move, inspire and empower the drive.

LEAD WITH AUTHORITY With dramatic curves, the Q70 form is punctuated by a double-wave hood that rises to meet the elevated front fenders. An INFINITI signature double-arch grille sets off its expressive, powerful LED headlights, whose eye-inspired design is echoed by the taillights. An Adaptive Front lighting System further illuminates your path by improving visibility around curves. The Sport Package enhances its elegant form with a sharper-edged front fascia and split 5-spoke 20-inch wheels.¹

INTENSIFY EACH MILE Unleash a potent force no matter which engine you choose. Its eager 3.7-liter V6 engine releases a stirring 330 hp. Or opt for our most powerful production engine ever: a 5.6-liter V8 that produces a rush of up to 420 hp with polish and precision to suit any scenario.

How will your Q70 come to life? Designed for those who define their own path, it offers bold ideas for the driven. Choose an elegant interior that best reflects your ambitions. Command technology that anticipates, then exceeds your needs. After all, excellence never settles, and neither do you.

INVITE MORE COMFORT The Q70 interior's sweeping lines define a space that is precisely tailored to the needs of every guest. From the width of its stance to the arc of its roof, passenger room is maximized throughout. With the Sport Package, you accelerate luxury with the choice of either Graphite or Stone Sport leather-appointed seats that offer circulating cool or warm air through the perforated surface to immerse you in comfort quicker than you ever imagined.

DELIGHT IN ALL ITS DETAILS Enter an atmosphere of quality: an exceptional space that immediately rewards you with craftsman-worthy materials and impressive attention to detail. Opt for the Premium Select Edition and elevate your Q70 further with sophisticated semi-aniline leather seating, distinctive Aluminum weave trim and premium soft-touch materials throughout the cabin.

DEMAND PURE AUDIO Indulge in rich sound with the Bose® Studio Surround® sound system. It boasts 16 speakers, including 2 mounted on the shoulders of each front seat, to serenely submerge you in your music. All 16 are custom-tuned to help deliver full and realistic 5.1 surround sound, while Active Noise Control cancels disruptive noise with opposing sound waves.

DRIVE WITH CONFIDENCE Amplify your ability to respond and react with the safety innovations in the ProACTIVE Package. It includes the world's first Predictive Forward Collision Warning that enables your Q70 to monitor not only the vehicle directly in front of you, but the vehicle in front of that one as well, to help warn you of danger. Another INFINITI world's first technology, Backup Collision Intervention is there as well to warn you if approaching vehicles or large objects are detected behind your vehicle and can help you avoid a collision by applying the brakes.
