QX50

Design and Ingenuity To Empower Your Bold Era

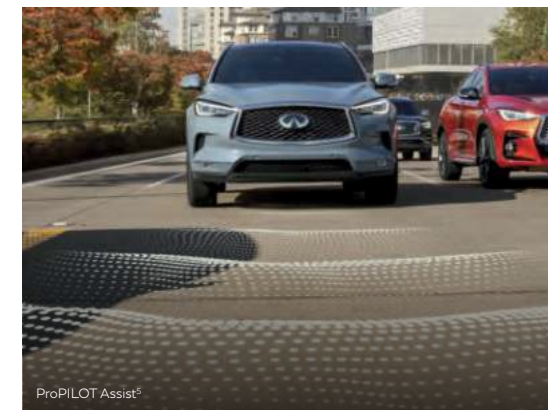

To go against the grain or to set a new trend? You decide. The striking 2024 INFINITI QX50 is the crossover that matches your energy by effortlessly pushing the boundaries of expectation to combine timeless design and cutting-edge technology. With INFINITI world's first production VC-Turbo[®] engine,¹ it delivers quick bursts and adjusts for optimal efficiency^{2,3} by adapting to your driving needs without you ever lifting a finger. Available drive assist and safety technologies put you in a place of cool confidence. And let's not forget the luxurious and spacious interior with a sliding second-row seat⁴ designed to care for up to 5 guests. It's a space made to empower you to break the mold, no matter what you decide to take on next.

POWER OR EFFICIENCY AT ANY MOMENT

The first production variable compression turbo engine, the INFINITI VC-Turbo[®], continuously transforms for optimal power and efficiency.^{1,2,3} The secret is its unique multi-link system that varies the compression

ratio between 8:1 for more power and 14:1 for greater mileage.^{2,3} When your engine literally changes from within, whether you need to pass quickly or cruise steadily, the best of power and efficiency is yours.^{2,3}

YOUR DRIVE EVOLVED WITH EASE

Take back your commute. Based on some of the same technologies that will make full autonomy possible in the future, standard ProPILOT Assist⁵ can automatically react to the flow of highway traffic and can help you stay centered in your lane, even around gentle curves. So you'll never feel "stuck" in traffic again. And to help increase your awareness of posted speed limits, available Traffic Sign Recognition⁶ gives you a reminder on your instrument panel, Head-Up Display^{7,8} and top navigation screen.^{7,9}

Space That's Distinctly You

For those who feel more like themselves the more they are inspired. For those who respond to a space that expresses new tastes and endless possibilities. The QX50 is that space. Methodically crafted with high-quality materials, contrast textures and a multi-toned color combination, your personal aesthetic will shine brightly. Make every ride a positively striking experience with the available quilted semi-aniline leather-appointed seats and standard wireless charging pad.¹⁰ Use every inch of the QX50 to suit your needs. With a quick kick under the tailgate, open the available Motion Activated Liftgate with ease. And with an interior that's flexible, spacious and ready to accommodate your life, you can always express what's most important: you.

YOUR SENSES EXPANDED

We're always advancing automotive technology and striving to find new ways to help anticipate the obstacles around you. Some are INFINITI world's first technologies, like Predictive Forward Collision Warning,¹¹ which can alert you to a potential collision two cars ahead. Lane Departure Prevention¹² provides an audible warning and can even help steer to keep your vehicle from unintentionally drifting from your lane. The available Around View® Monitor with Moving Object Detection¹³ can help elevate your vision as you park with a virtual composite 360° view from above.¹⁴ Finally, you can expand your awareness with the available Head-Up Display.⁸

IN SYNC WITH YOUR LIFE

INFINITI InTouch® with wireless Apple CarPlay® integration lets you bring your compatible iPhone® experience along for the ride.^{10,15} Or make your Android Auto™-compatible phone your preferred driving companion.^{10,15} Either way, your focus is priority with dual screens that display available navigation up top⁹ and features like climate controls down below. Connection can extend to all of your passengers as well, with a Wi-Fi Hotspot for up to seven connected devices.^{10,15,16}

ADAPT TO THE MOMENT

Move the sliding and reclining second-row seats forward to expand capacity and carry longer cargo,¹⁷ such as a stroller without folding the seat, or slide them back to free up almost six inches of legroom.^{4,18} Passengers will enjoy the freedom to stretch out – and the comfort to open up.

Make a Stunning Finish

THE RIVETING QX50 SPORT

Sleek style makes a quick impression. So we've styled the edgy QX50 SPORT to express progressive design with a fast edge. Turn heads with a bold sport front fascia, distinctive black roof rails¹⁷ and black grille surround and inner mesh. Then make your intentions clear with exclusive black "S" badging on the rear liftgate. The sport expression is made complete with distinctive black exhaust tips that will surely make the impression last.

ROLL UP CONFIDENTLY

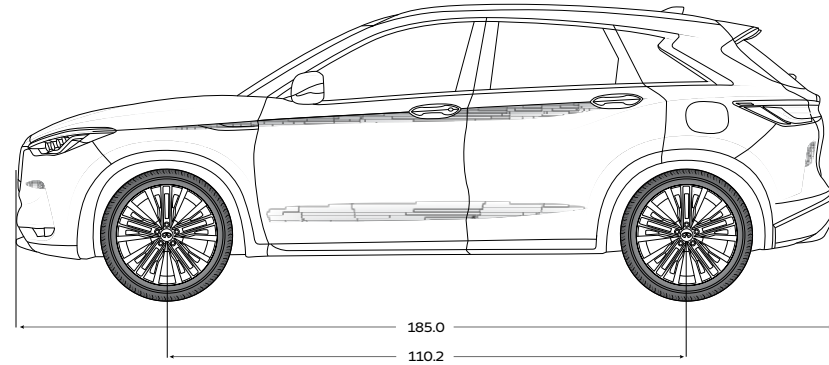

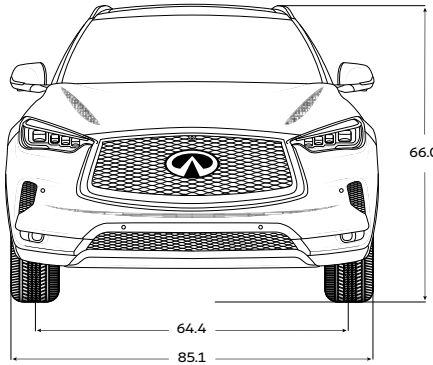

With unique 20-inch dark-painted and machine-finished wheels, the QX50 SPORT exudes plenty of performance character. This carries through to an exclusive interior trimmed in Black Aluminum accents, perforated semi-aniline leather-appointed seats and a graphite headliner.
