

2016
SEDONA

An impressive combination of style, comfort, and versatility

Presenting the 2016 Kia Sedona. Striking exterior styling promises that this is a new kind of vehicle that delivers an unexpected combination of sophisticated design and extensive capabilities. Its stylish interior is thoughtfully designed to give an exceptional driving experience for both driver and passengers. Spacious, available eight-passenger seating* and multiple seating configurations make Sedona remarkably

comfortable and versatile. A wealth of technologically advanced features, including available systems like Smart Cruise Control¹ and Blind-Spot Detection with Lane-Change Assist,² inspire confidence and enhance everyday convenience. Sedona includes advanced safety features that have helped it earn a 2015 Top Safety Pick by the Insurance Institute for Highway Safety (IIHS) and a 5-Star Safety rating from the National Highway Traffic Safety Administration (NHTSA).³ Like all Kia models, Sedona comes with an industry-leading, 10-year/100,000-mile warranty program³ — a reflection of its outstanding quality and reliability.

INSURANCE INSTITUTE FOR HIGHWAY SAFETY
FOR THE 2016 SEDONA

NHTSA Overall 5-Star
Crash Safety Rating³

1, 2, 3. * See Features and Specifications pages for availability and endnotes. Not all optional features are available on all trims. Cover and this page: SX LIMITED WITH TECHNOLOGY PACKAGE SHOWN.

Spacious and adaptable

Sedona's interior adapts to your lifestyle, beginning with a choice of available seven- or eight-passenger seating.* Either way, you can configure the second- and third-row seats to carry passengers in comfort or stow extra cargo. Available tri-zone automatic temperature control* lets you select separate climate zones, while an available 12-way power-adjustable driver's seat* and available 8-way power-adjustable front passenger seat* provide added comfort.

SPACIOUS EIGHT-PASSENGER SEATING*

With available eight-passenger seating, the second row features an easily removable center seat. This unique design allows the second row to be configured for more spacious seating and convenient access to the third row, or for an additional passenger.

SLIDE-N-STOW™ SEAT DESIGN

When you need more cargo area, you can take advantage of the second-row seats' innovative Slide-N-Stow™ design. Instead of removing the seats from the vehicle, simply flip a lever to stand the seats upright, where they stay locked in place.

FOLD-IN-THE-FLOOR THIRD-ROW SEATS

Third-row seats conveniently fold down into the floor of the Sedona, allowing you to quickly create a spacious rear cargo area. They also feature a versatile 60/40 split-fold design, giving you the option of carrying a combination of passengers and cargo.†

TRI-ZONE AUTOMATIC TEMPERATURE CONTROL*

Available temperature control allows the driver and front passenger to adjust their settings to create individual climate zones. Both the second- and third-row passengers can also adjust separate ventilation outlets. In addition, the temperature control system includes a cluster ionizer that works silently and efficiently to help purify air in the cabin.

FOLD-IN-THE-FLOOR 3RD-ROW SEATS†

SPLIT 3RD-ROW STOWED AND 2ND-ROW CENTER SEATBACK FOLDED†

SLIDE-N-STOW™ SPLIT 2ND-ROW AND SPLIT 3RD-ROW STOWED†

2ND-ROW SLIDE-N-STOW™ SEAT DESIGN

4. * See Features and Specifications pages for availability and endnote. Not all optional features are available on all trims. SX WITH 8-PASSENGER TECHNOLOGY PACKAGE SHOWN.

1. PORTABLE RECHARGEABLE FLASHLIGHT* An available rechargeable flashlight in the cargo area has dual functions. Mounted in its place, it automatically lights the cargo area when the hatch is opened. It is also easy to detach for use as a portable flashlight. **2. CONVERSATION MIRROR** A specially designed rearview mirror in the upper console allows driver and front passenger to clearly see rear-seat passengers without having to turn around in their seats. **3. PADDED CENTER CONSOLE** The large center console features a padded flip-up and sliding armrest. Inside, it has a large, removable sliding tray and a storage compartment that is deep enough for a tablet computer, along with a 12-volt outlet and an available Rapid-Charge USB charging port*

4. DUAL GLOVE BOXES* An available large, cooling glove box lets you keep beverages chilled on long drives, while a second glove box provides additional storage space. **5. 115-VOLT POWER INVERTER*** With Sedona's handy, available 115-volt power inverter, you can plug electronic devices — from your laptop computer to a portable camcorder — right into an electrical power outlet. **6. SECOND- & THIRD-ROW SUNSHADES*** Rear-seat passengers can enjoy a cool and comfortable drive with available side-window sunshades. **RAPID-CHARGE USB CHARGING PORTS*** Sedona features available Rapid-Charge USB charging ports that provide higher amperage output to charge your portable digital devices quickly and conveniently.

Exceptionally easy to live with

Sedona is remarkably versatile, with a spacious cargo area⁴ and a number of innovative features designed for everyday convenience. An available Smart-Power Liftgate™* opens automatically if you simply stand next to it for three seconds with the available Smart Key* in your possession — which is especially helpful when you have your hands full. Plus, the Liftgate automatically retracts if it meets resistance, and you can set it to open and hold at different heights.

4. * See Features and Specifications pages for availability and endnote. Not all optional features are available on all trims. SX LIMITED WITH TECHNOLOGY PACKAGE SHOWN.

Driver-focused

Sedona's cabin is designed to provide the driver with superb ergonomics. The shift lever is located in the center console to give the driver ready access to the Sportmatic® transmission. Everything from the steering-wheel-mounted controls⁵ to the available voice-command navigation system^{5*} is intuitively placed for convenient operation. In addition, an abundance of upscale soft-touch material throughout the interior surrounds driver and passengers alike with sophisticated styling.

5. * See Features and Specifications pages for availability and endnote. Not all optional features are available on all trims. SX LIMITED WITH TECHNOLOGY PACKAGE SHOWN

Confidence-inspiring technology

Sedona features an array of technologically advanced features and innovative systems dedicated to providing an exceptional level of comfort, control, and convenience. Advanced, available systems like Front and Rear Park Assist,^{1*} Rear-Camera Display,^{2*} and Smart Welcome system^{*} make everyday driving a pleasure.

1. FRONT & REAR PARK ASSIST SYSTEM¹

An available sonar system is concealed in the front and rear bumpers. When you're parking, it gives an audible warning if it detects certain objects close to your vehicle.

2. REAR-CAMERA DISPLAY^{2*}

To help you see things behind your vehicle that you might not see by looking over your shoulder, Sedona features an available Rear-Camera Display with a large, bright screen.

3. VOICE-COMMAND NAVIGATION

The convenient, available voice-command navigation system features a vivid 8-inch color screen and delivers continuously updated highway conditions from SiriusXM Traffic⁵

4. INFINITYTM AUDIO SYSTEM^{*}

The available premium InfinityTM audio system includes eight speakers, an external amplifier, and a subwoofer. It provides exceptional audio entertainment and surrounds driver and passengers with crisp, balanced sound.

5. HEATED & VENTILATED SEATS^{*}

Enjoy optimal comfort in warm weather with available ventilated driver and front-passenger seats. Available heated front seats with three temperature settings and heated second-row seat outboard cushions help ensure comfortable driving in cold weather.

6. LCD SUPERVISION METER CLUSTER^{*}

The available Supervision meter cluster's 3.5-inch LCD screen has sharp, high-contrast color graphics for outstanding readability of the speedometer, tachometer, and other gauges.

7. SMART WELCOME^{*}

The available Smart Welcome system is activated by the available Smart Key remote. When you get close to your Sedona, interior and door-handle lights go on and the power-folding mirrors unfold.

8. STAIN-RESISTANT SEATS

YES EssentialsTM cloth seating features repel-and-release technology for stain resistance so even messy spills clean up easily. Plus, advanced fibers help eliminate lingering smells that moisture can leave behind.

Highly intelligent features

Sedona is equipped with impressive systems that monitor your driving environment. Innovative available features include Smart Cruise Control,^{12*} Rear Cross-Traffic Alert,^{10*} and Blind-Spot Detection with Lane-Change Assist,^{9*} which utilizes a radar system to detect vehicles in the driver's blind spot and recognize those approaching from behind.

9. BLIND-SPOT DETECTION WITH LANE-CHANGE ASSIST^{9*}

The available radar system helps detect vehicles in the driver's blind spot and then provides alerts. Lane-Change Assist helps detect vehicles approaching from behind.

10. REAR CROSS-TRAFFIC ALERT^{10*}

Available Rear Cross-Traffic Alert warns the driver of cross-traffic while the vehicle is in reverse by activating audible and visual alerts to help reduce the likelihood of a collision.

11. LANE DEPARTURE WARNING SYSTEM^{11*}

Available Lane Departure Warning System is designed to detect the vehicle moving out of its lane without the turn signal being used. When it does, the advanced system alerts the driver with a combination of audible and visual warnings.

12. SMART CRUISE CONTROL^{12*}

Available Smart Cruise Control uses radar to help maintain a predetermined distance from the vehicle directly ahead, automatically slowing or accelerating your Sedona when appropriate.

13. FORWARD COLLISION WARNING SYSTEM^{13*}

Available Forward Collision Warning System activates alerts when the vehicle detects objects immediately ahead that may cause a potential impact, encouraging the driver to decelerate.

14. HID HEADLIGHTS WITH AUTO-LEVELING & HIGH-BEAM ASSIST^{14*}

Available High-Intensity Discharge (HID) headlights are auto-leveling and provide bright, crisp lighting. To help ensure courteous driving, High-Beam Assist can automatically dim to low when oncoming traffic is present.

15. SURROUND-VIEW MONITOR^{15*}

Available Surround-View Monitor utilizes four cameras, located at the front, rear, and sides, to provide visibility all around the vehicle. This helps enhance the driver's view when maneuvering into parking spaces.

16. PUSH-BUTTON START^{16*}

To make everyday driving more convenient, the available Smart Key remote lets you start or stop the engine with the push of a button, even when you have the key fob in your pocket or purse.

It's nice to be well connected

ADVANCED VOICE RECOGNITION*

UVO eServices^{5*} advanced voice-recognition technology lets you conveniently manage your music and enjoy hands-free² use of your phone — with simple, intuitive verbal commands.

LOCAL SEARCH POWERED BY GOOGLE™™™

UVO eServices^{5*} can access Local Search powered by Google™™™ when it is connected wirelessly to an Internet hotspot.³

MY POINTS OF INTEREST*

UVO eServices^{5*} allows you to use a web-enabled computer to send locations that you find on Google Maps™™™ mapping service to the navigation system for route guidance.

PARKING MINDER**

Parking Minder can record your vehicle's location whenever you park. Then you can use your compatible smartphone⁹ to help find your car. It also lets you take pictures of the surrounding area for reference, write a reminder note, or set an alarm if you're parked at a meter.

911 CONNECT™

In the event that an airbag is deployed, 911 Connect automatically initiates a call to emergency services. In some circumstances, UVO eServices^{5*} can also transmit your vehicle's location to the emergency services operator.

ENHANCED ROADSIDE ASSIST**

You can call for roadside assistance by touching an icon on the smartphone⁹ app¹ screen. UVO eServices^{5*} then sends your location to the Call Center and connects you to an operator.

VEHICLE DIAGNOSTICS**

Vehicle Diagnostics lets you perform a diagnostics check at any time or schedule one to occur on a monthly basis. Diagnostics Trouble Code (DTC) automatically alerts you to schedule an appointment or request roadside assistance if the system detects a critical powertrain issue.

UVO — short for “your voice.” Sedona is available with the innovative UVO eServices⁵ Infotainment System with voice-command navigation.* It provides you with an easy, hands-free² way to connect to your vehicle by seamlessly integrating your compatible smartphone⁹ with your Sedona. UVO eServices^{5*} also lets you

stream music, download apps from the App Download Center, monitor your vehicle's driving habits, access 911 Connect¹⁰ or Enhanced Roadside Assist¹¹ and check maintenance requirements with Vehicle Diagnostics¹² on the large 8"-capacitive touch screen.* Additionally, there are no subscription fees³ to enjoy all these benefits.

5, 6, 9, 10, 11, 12, 13, 14, 15. * See Features and Specifications pages for availability and endnotes. Not all optional features are available on all trims. Actual component appearance may vary. Siri™ compatible with iOS 6 and above only. UVO eSERVICES INFOTAINMENT SYSTEM WITH VOICE-COMMAND NAVIGATION SHOWN.

UVO eSERVICES APP*

An available free app allows you to integrate your compatible smartphone⁹ with your vehicle — and make the most of UVO eServices.^{5*} This app can be downloaded at the App Store™™ and Google Play™™ Store.¹¹

MY CAR ZONE*

My Car Zone provides Curfew, Speed, and Geo Fence alerts based on your targeted presets. You may also use the touch screen to check driving habits — including the history of preset violations for curfew time, speed limit, or geographical radius parameters.

eSERVICES^{5*} GUIDE*

To learn more about UVO eServices^{5*} features, you may access an automated user manual by using the touch screen on the vehicle.

VOICE-COMMAND NAVIGATION*

The available voice-command navigation system has a vivid 8-inch color screen and delivers continuously updated highway conditions from SiriusXM Traffic¹³.

MYUVO.COM WEB/MOBILE*

MyUVO.com lets you check Vehicle Diagnostics¹² and schedule service appointments with your preferred or nearby Kia retailer using your home computer or mobile device.

APP DOWNLOAD CENTER*

Wirelessly connect to an Internet hotspot³ and download available apps to your Sedona.

APPLE™ SIRI™ COMPATIBLE*

UVO eServices^{5*} enables you to access your iPhone™™ Siri™ with the vehicle's steering-wheel-mounted² controls.

DUAL SUNROOF*

Front and rear sunroofs on Sedona SX Limited[†] let you enjoy a feeling of spaciousness and fill the cabin with fresh air. They also feature dual sliding sunshades that are easy to open and close.

DRIVER'S MEMORY SEAT & MIRRORS SYSTEM*

Available memory settings for two drivers are located on the driver's door. They provide the luxury and comfort of personalized ergonomics for the available 12-way power-adjustable driver's seat and outside mirrors.

HEATED STEERING WHEEL*

Sedona SX and SX Limited include a wide variety of luxurious features designed to provide comfortable driving all year long. The available heated steering wheel is especially nice on cold winter mornings.

PREMIUM NAPPA LEATHER SEATS*

With premium full-grain Nappa leather seat trim for both first- and second-row seating, the Sedona SX Limited[†] combines an elegant feel and upscale styling for traveling in extraordinary comfort.

A higher standard of comfort

Sedona SX Limited provides truly luxurious accommodations. Premium two-tone, Nappa leather seat trim[†] is elegant and extraordinarily comfortable. Reclining second-row, first-class lounge seats^{16†} slide forward and backward as well as side to side for remarkable adjustability. They also feature aviation-style, contoured headrests and adjustable armrests and footrests for exceptional comfort.

16. * See Features and Specifications pages for availability and endnote. Not all optional features are available on all trims. [†]Not available on SX Limited 8-Passenger Technology Package. SX LIMITED WITH TECHNOLOGY PACKAGE SHOWN.

The power of exceptional engineering

Sedona delivers a refined driving experience. With its powerful, 276-horsepower Gasoline Direct Injection (GDI) V6 engine and Sportmatic® transmission, you get strong acceleration whenever you need it. Sedona also features a rigid, yet lightweight ISO-Structure™ body complemented by a low center of gravity. Combined with four-wheel independent suspension and outstanding interior insulation, this unique design provides a smooth, quiet ride and responsive, sedan-like handling.

GASOLINE DIRECT INJECTION (GDI) V6 ENGINE

Sedona features a 3.3-liter Gasoline Direct Injection (GDI) V6 engine that generates 276 horsepower. It's tuned for outstanding midrange torque for impressive acceleration.

SPORTMATIC® TRANSMISSION

The six-speed automatic transmission provides smooth, seamless shifting. Its Sportmatic® function allows you to choose between automatic mode or, for even sportier driving, clutch-free manual shifting.

REFINED SUSPENSION

MacPherson-strut-front and multi-link-rear suspension systems offer exceptional handling, directional stability, and smooth operation.

HIGH-TENSILE STEEL BODY CONSTRUCTION

To help create a more rigid body structure, Sedona incorporates advanced high-strength and press-hardened steel. The result is more precise handling characteristics, along with reduced weight, noise, and vibration. In addition, the body includes an isolated rear-suspension sub frame that results in a smoother ride for rear-seat passengers.

DRIVE MODE SELECT SYSTEM

To suit your style of driving, available Drive Mode selectable electronic steering and powertrain control allows a choice of normal, ECO, or comfort settings.

STRONG TOWING CAPACITY

The 3.3-liter Gasoline Direct Injection (GDI) V6 engine produces 248 lb.-ft. of torque, giving Sedona a towing capacity of 3,500 lb.¹⁷

SMOOTH, QUIET RIDE

Rough road conditions are no problem for Sedona. Four-wheel independent suspension features available high-performance shock absorbers for a smooth ride even over most bumpy roads. Plus, extensive interior insulation helps provide an exceptionally quiet ride.

17 See Specifications page for endnote. Not all optional features are available on all trims. SX LIMITED WITH TECHNOLOGY PACKAGE SHOWN.

2015 Top Safety Pick
INSURANCE INSTITUTE FOR HIGHWAY SAFETY
FOR THE 2016 SEDONA

**NHTSA Overall 5-Star
Crash Safety Rating²**

**Advanced safety systems —
because life is full of curves**

Sedona features advanced standard safety systems designed to help give you peace of mind every time you drive. Each one is engineered to help you maintain control, even in harsh road conditions and in some emergency situations.¹ These safety systems are designed to function automatically, leaving you free to focus on safe driving.

ELECTRONIC STABILITY CONTROL (ESC)

ESC provides improved directional stability, which helps you maintain better control in difficult driving situations. During emergency maneuvers, it can control the engine and brakes to help keep your Sedona on course.

TRACTION CONTROL SYSTEM (TCS)

When TCS senses wheelspin during acceleration, it uses a combination of engine power and brake force to help transfer power to the wheels that have the most traction.

ELECTRONIC BRAKE-FORCE DISTRIBUTION (EBD)

To help maintain more consistent braking as vehicle loads and weight distribution change, EBD automatically adjusts the front-to-rear balance of brake pressure.

BRAKE ASSIST SYSTEM (BAS)

If BAS detects emergency braking, based on how quickly you step on the brake pedal, it instantly applies full braking force, which helps shorten your overall stopping distance.

CORNERING BRAKE CONTROL (CBC)

CBC provides side-to-side brake-pressure proportioning using the Electronic Brake-force Distribution system, resulting in optimized vehicle deceleration and stability when braking into a turn.

HILL-START ASSIST CONTROL (HAC)

To help keep your Sedona from rolling backward when starting off on a steep hill, the HAC system automatically holds the brake pressure for two seconds after you take your foot off the brake pedal.

¹No system, no matter how advanced, can compensate for all driver errors, driving conditions, accidents, and/or injury. Always drive responsibly. ²See Specifications page for endnote. SX LIMITED WITH TECHNOLOGY PACKAGE SHOWN.

ISO-STRUCTURE™

Sedona features a uniquely engineered body that combines various high-tensile strength steel alloys. This body structure helps provide crash protection, better driving dynamics, and is the foundation for a quieter ride.

AIRBAG & SEAT-BELT SENSORS

This advanced system monitors the severity of certain impacts, the presence of a front passenger, and seat-belt use, and then controls airbag inflation accordingly.¹⁸

FRONT SEAT-BELT PRETENSIONERS

Pretensioners have been designed to tighten the front seat belts in the event of certain collisions. This helps to reduce the likelihood of injuries in some situations.

HEIGHT-ADJUSTABLE SEAT-BELT ANCHORS

The front height-adjustable seat-belt anchors allow the driver and front-passenger seat belts to be raised and lowered for a proper fit.

FRONT & REAR 3-POINT SEAT BELTS

Three-point seat belts are standard for all seating positions, so that each person is protected with both an over-the-lap and shoulder seat belt.

SIDE-IMPACT DOOR BEAMS

All doors are reinforced with steel beams to help absorb impact energy and deflect side-impact force. In addition, the A and B pillars are also reinforced, further helping to strengthen the body of the vehicle.

FRONT & REAR CRUMPLE ZONES

Both front and rear crumple zones are specially engineered to help absorb and dissipate impact energy, helping to preserve the basic structural integrity of the passenger compartment in certain collisions.

LATCH SYSTEM

Sedona features easy-to-use Lower Anchors and Tethers for Children (LATCH) system. It is engineered to let you securely install a compatible child seat in the second row and passenger-side third row.

Designed to help protect driver and passengers

Sedona is equipped with passive safety systems designed to help minimize injury when certain traffic accidents are unavoidable. An advanced airbag system helps protect driver and passengers with dual front, front seat-mounted side, and full-length side curtain airbags.¹⁸

No system, no matter how advanced, can compensate for all driver errors, driving conditions, accidents, and/or injury. Always drive responsibly. Inflated airbags are shown for illustration only. ¹⁸ See Specifications page for endnote. SX LIMITED WITH TECHNOLOGY PACKAGE SHOWN.

Delivering on a promise

Kia is committed to producing world-class vehicles to suit most every driving need. This commitment has led to the development of stylish vehicles with an extraordinary combination of precision engineering, outstanding performance, innovative features, and advanced safety systems. Kia's dedication to quality and value has been widely recognized — one reason why Kia has been named as a top 100 brand in Interbrand's 2014 Best Global Brands report.¹⁹

TAKING ON THE COMPETITION

The Kia Racing team is dedicated to competing against world-class competition — and winning. Motorsport is a proven test bed for reliability, durability, and performance, and the knowledge gained on the race track helps Kia manufacture award-winning vehicles that perform beyond your expectations. In only its third season of competition, the Kia Racing team won the 2014 Pirelli World Challenge GTS-class Manufacturer Championship with two turbocharged Optimas — scoring 13 podium finishes, including five wins, during the 16-race season, and leading more on-track miles than any other brand.

COMMITMENT TO AMERICA

Kia Motors has invested over \$1.1 billion in its manufacturing plant in West Point, Georgia. Utilizing the latest manufacturing processes and state-of-the-art robotics, the plant produced its one millionth vehicle after less than four years of operation. The Sorento crossover and certain Optima midsize sedans are currently being assembled at this plant.²⁰ Together with on-site and local suppliers, the Georgia facility is responsible for the creation of more than 15,000 jobs in West Point and the surrounding areas. It's all part of Kia Motors' commitment to America — a commitment that is sure to grow and strengthen in the years ahead.

INDUSTRY-LEADING WARRANTY PROGRAM¹

Kia engineers are passionate about producing vehicles that are exceptionally well designed and reliable. Their dedication to quality and attention to detail give Kia the confidence to back every model with an industry-leading warranty program.¹

- 10-year/100,000-mile limited powertrain warranty
- 5-year/60,000-mile limited basic warranty
- 5-year/100,000-mile limited anti-perforation warranty
- 5-year/60,000-mile 24-hour roadside assistance

COMPELLING DESIGN

Kia vehicles have captured worldwide attention for their interior and exterior styling, which represents the collaborative work of designers who have created a look that makes every Kia as bold as it is distinctive. Today, the lineup consists of vehicles that fill owners, as well as Kia's designers, with pride.

KIA GT4 STINGER CONCEPT VEHICLE SHOWN (not available for sale).

B.R.A.K.E.S. PRO-ACTIVE DRIVING SCHOOL FOR TEENS

Kia understands that teaching teenagers safe driving skills can save lives. To accomplish this goal, Kia has formed a partnership with the B.R.A.K.E.S. (Be Responsible And Keep Everyone Safe) Pro-Active Driving School for Teens (www.PutOnTheBrakes.org), with support including a fleet of 32 vehicles. B.R.A.K.E.S. provides teenagers 15-19 nationwide with no-cost, hands-on defensive training on a closed course in a controlled environment to respond to real-world driving scenarios.

DONORSCHOOSE.ORG

Kia is committed to providing assistance to those in need. That's why Kia became the first car company to partner with DonorsChoose.org, an online charity that allows organizations and individuals to donate to classrooms in need. Together with thousands of citizen philanthropists, Kia has raised more than \$7 million to fund nearly 15,000 projects across all 50 US states, impacting more than 1 million high-need public-school students in just three years.

SPECIFICATIONS

ENGINE

Type	3.3L V6, aluminum block & head
Valve gear	DOHC, four valves/cylinder, Continuously Variable Valve Timing (CVT)
Displacement	3,342 cc
Compression ratio	11.5:1
Horsepower (SAE net)	276 hp @ 6,000 rpm
Torque (SAE net)	248 lb.-ft. @ 5,200 rpm
Fuel system	Gasoline Direct Injection (GDI)
Transmission	6-speed electronically controlled Sportmatic,® overdrive

DIMENSIONS

Wheelbase	120.5 in.
Track (front/rear)	68.5 in./68.8 in.
Length	201.4 in.
Width (w/o side mirrors)	78.1 in.
Height (w/o roof rails & sunroof)	68.5 in.
Ground clearance	6.7 in.
Headroom (w/o sunroof)	
(front)	39.8 in.
(middle/rear)	39.4 in./38.9 in.
Shoulder room	
(front)	63.9 in.
(middle/rear)	63.1 in./59.4 in.
Legroom	
(front)	40.9 in.
(middle/rear)	40.6 in./34.8 in.
Hip room	
(front)	59.3 in.
(middle/rear)	65.8 in./50.0 in.
Cargo volume (SAE)	
(behind 3rd row)	33.9 cu. ft.
(behind 2nd row)	78.4 cu. ft.
(behind 1st row)	142.0 cu. ft.
Luggage/cargo volume	62.1 cu. ft.

ENDNOTES

1. These features are not substitutes for safe driving, and may not detect all objects surrounding vehicle. Always drive safely and use caution. 2. Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (www.safercar.gov). 3. Warranties include 10-year/100,000-mile powertrain and 5-year/60,000-mile basic. All warranties and roadside assistance are limited. See retailer for warranty details. 4. All cargo should be evenly distributed, properly secured, and never piled higher than the seatback. Images shown for illustration purposes only. 5. Distracted driving can result in a loss of vehicle control. When operating a vehicle, never use a handheld device or vehicle system that takes your focus away from safe vehicle operation. Navigation is for information purposes only, and Kia does not make any warranties about the accuracy of the information. App uses your smartphone data service. Normal cellular service rates will apply. Internet hotspot connection can be made to your personal wireless Internet at home or to a smartphone with Internet service plan (normal cellular service rates may apply). 6. SiriusXM® audio and data services each require a subscription sold separately, or as a package, by Sirius XM Radio Inc. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change.
