DISCLAIMERS 1. Tire life may be substantially less than 15,000 miles (19-in), depending upon driving conditions. **2.** Availability and accuracy of the information provided by the Navigation System or any SiriusXM™ and/or HD Radio™ services mentioned (if installed) are dependent upon many factors. Use common sense when relying on information provided. Services not available in every city or roadway. Periodic Enform app updates do not include Navigation updates. Navigation updates are available at an additional cost from your local Lexus dealer. See Navigation Owner's Manual or contact Sirius XM for details. **3.** Mark Levinson® is a registered trademark of Harman International Industries, Inc. **4.** Coverage and services may not be available in all areas. **5.** HD Radio™ Technology manufactured under license from iBiquity Digital Corporation U.S. and Foreign Patents. HD Radio™ and the HD, HD Radio, and "Arc" logos are proprietary trademarks of iBiquity Digital Corp. **6.** Always drive safely, obey traffic laws & focus on the road while driving. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data, you are responsible for charges. Apps/services are subject to change. Apps identified by ™ or ® are trademarks or registered trademarks of their respective companies. For enrollment, cost and more details, see lexus.com/enform. **7.** Ratings achieved using the required premium unleaded gasoline with an octane rating of 91 or higher. If premium fuel is not used, performance will decrease. **8.** The SmartAccess system may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system. **9.** Bluetooth® audio devices must be enabled with A2DP and AVRCP. **10.** The Pre-Collision System is designed to help reduce the crash speed and damage in certain frontal collisions only. It is not a collision-avoidance system and is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, driver input and road conditions. See Owner's Manual for further information. **11.** Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection, range and clarity of the monitor. For a complete list of limitations and directions regarding use of the monitor see Owner's Manual. **12.** Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your turn signal. There are limitations to the function, detection, range and clarity of the monitor. For a complete list of limitations and directions regarding use of the monitor see Owner's Manual. **13.** The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Cold weather may limit effectiveness and view may be cloudy. **14.** Dynamic Radar Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. See Owner's Manual for further information/warnings. **15.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions. **16.** Area Tentative Models subject to change. Please contact your local Lexus dealer for the most up-to-date information.
