

2023 **RX**

BIKE SHED MOTO CO

Can technology learn people?

Can a door be aware of your surroundings?

Can a subtle shift of power
heighten your feeling of control?

To craft the most amazing machines, you don't start with machines at all. You start with people.

The 2023 Lexus RX

RX 350

Reimagined from the ground up, the all-new RX boasts a 275-horsepower,¹ turbocharged 2.4-liter engine and eight-speed automatic transmission. Every RX features a suite of premium technology, including Lexus Interface² and an active Drive Connect³ trial or subscription that includes Intelligent Assistant and Cloud Navigation. Updated innovations now include standard Lexus Safety System+ 3.0⁴ and Digital Latch with Safe Exit Assist.⁵

RX 350h

Offering the best of all worlds, the RX Hybrid pairs a potent, naturally aspirated 2.5-liter four-cylinder engine with powerful electric motors for an impressive 246 total system horsepower⁶ and a 36-MPG combined estimate,⁷ along with refined all-wheel drive performance.

RX 350 F SPORT HANDLING AWD

For those who embrace their more daring side, the RX F SPORT Handling features bold interior and exterior styling, including F SPORT-exclusive bolstered sport seats, a lower front spoiler and 21-inch alloy wheels with Gloss Black finish. For added exhilaration, both F SPORT models also offer an advanced Adaptive Variable Suspension and Sport drive mode.

RX 500h F SPORT PERFORMANCE AWD

Our boldest expression of the RX, the first-ever RX F SPORT Performance thrills with its innovative turbocharged and electrified powertrain and intelligent DIRECT4 all-wheel drive system. With 366 total system horsepower⁶ and an impressive 406 lb-ft of torque,¹ this is our fastest, most powerful RX ever.

RX F SPORT Handling shown in Ultra White⁸ (left), RX Luxury shown in Nightfall Mica (center), RX F SPORT Performance shown in Copper Crest⁸ (right)

RX F SPORT Handling shown in Grecian Water

RX F SPORT Performance shown in Copper Crest®

RX Luxury AWD shown in Nightfall Mica

RX F SPORT Performance shown in Ultra White[®]

More than a concept. A statement. The all-new 2023 RX has been completely reimagined to offer an uncompromising vision of style, luxury and performance. Up front, its expressive reinterpretation of the signature spindle grille is flanked by a pair of exquisite, jewel-like headlamps. Its body, elegantly shaped to evoke power and grace. And in the rear, new Lexus badging and a distinct LED Blade Taillamp will ensure that this luxury SUV leaves an indelible impression.

SET YOUR NEXT BENCHMARK

For those who refuse to settle, this is the next generation of Lexus.

RX F SPORT Performance shown in Copper Crest®

A MORE SEAMLESS CONNECTION

An all-new, driver-focused cockpit connects you to your drive like never before.

Leave distractions behind. When crafting the interior of the all-new RX, Lexus designers focused on creating a space that was open and inviting, with easy access to the things a driver needs most. Front seats offer an ideal blend of comfort and support, and for the driver, an ergonomically shaped steering wheel and intuitive controls fall easily to hand. Seating position, and even the angle of the windshield, have been optimized to enhance outward visibility. And an elegantly concealed console storage area and available wireless charging tray⁹ help provide easy access to all those important day-to-day items.

RX F SPORT Performance shown with Rioja Red leather and Dark Graphite Aluminum interior trim

RX Luxury shown with Macadamia semi-aniline leather and Ash Bamboo interior trim

REDEFINE YOUR COMFORT ZONE

The RX offers a spacious cabin with a dramatic new take on personal luxury.

The best luxury is that which can be shared. That's why the new RX rewards the driver and all passengers with indulgent details that include available semi-aniline leather-trimmed seating and available open-pore wood trim. This ultimate comfort extends to the shape of the interior itself, with everything from the door panels and seatbacks considered and reshaped to help maximize interior space. Even the relationship between the seat cushions and windows has been optimized to allow everyone to better enjoy the stunning views outside. This is thoughtful luxury, for all.

PANORAMA ROOF

An available retractable panorama glass roof is seamless on the outside and larger than a conventional moonroof on the inside. While passengers in the rear enjoy the increased feeling of spaciousness, the entire cabin experience is elevated with more natural light.

GENEROUS CARGO SPACE

When it comes to life's greatest journeys, one size doesn't fit all. That's why the new RX features a reimagined cargo area.¹⁰ Its loading floor has been lowered to help ease the loading and unloading of everything from groceries to gear. And when more room is needed, the 40/20/40-split rear seats can fold down to help accommodate larger objects.

POWER REAR DOOR WITH KICK SENSOR

The available Power Rear Door with Kick Sensor¹¹ can be opened and closed using a button on the key fob, on the door lid or next to the steering wheel. For added convenience when your hands are full, the integrated kick sensor allows you to open the door by simply kicking your foot under the rear bumper.

RX F SPORT Performance shown with Black leather interior trim

TAKE IT ALL WITH YOU

With its reimagined cargo area, the new RX has room for all the things that matter most.

AMBIENT LED ILLUMINATION

Adding intrigue to the interior, available thematic ambient LED lighting can be tailored to suit one's mood with 14 preset themes or your own personalized selection, and can brighten and dim in a coordinated series to welcome the driver into the RX. Soft lighting also illuminates the area surrounding the vehicle the moment you approach, for added visibility and peace of mind.

MULTI-ZONE CLIMATE CONTROL

Customize the climate around you. Individual settings allow the driver and front passenger to adjust their preferred temperatures. And the three-zone climate-control system allows the driver or rear-seat passengers to fine-tune climate settings for the rear. To help ensure the cabin air stays fresh, an available smog-sensing climate-control system automatically switches into recirculation mode if it senses high levels of pollutants outside.

STUNNING IN EVERY DETAIL

When you're obsessed with perfection, everything matters. That's why the RX offers an abundance of unique extras to indulge and inspire.

Experience a cabin informed by thoughtfulness. A space that offers natural materials of extraordinary beauty. From the available semi-aniline leather trim to the available Ash Bamboo accents, every detail has been meticulously crafted to feel just right.

HEATED AND VENTILATED SEATING

Every RX features multistage heated front seats with available ventilation for optimized comfort, regardless of the weather. Available heated and ventilated rear outboard seating helps ensure your passengers can ride in complete, personalized luxury.

EXCEPTIONAL CRAFTSMANSHIP

Among its crafted touches, the available interior leather trim is carefully selected from around the world, and only a fraction is considered worthy. The available semi-aniline leather trim is dyed all the way through, unlike leathers with conventional surface dyes. A higher grade of leather must also be used, since imperfections cannot be hidden.

Every facet of the RX, from the engine to the suspension to the chassis itself, has been analyzed to ensure that it delivers a superior driving experience. Its all-new chassis is lighter, lower and stronger than before and is paired with an expertly tuned suspension to deliver agile handling and a ride that's as smooth as it is responsive. When combined with an array of performance features—including paddle shifters, an available Adaptive Variable Suspension and, on the F SPORT Performance, an all-new DIRECT4 all-wheel drive system—the result is a vehicle that does more than run the show. It stops it.

DARINGLY REFINED

The all-new RX is engineered to turn corners and overturn convention, so you can forge a deeper connection with your drive.

RX F SPORT Performance shown in Copper Crest[®]

POWER, REIMAGINED.

The RX goes beyond all expectations with three all-new powertrains.

Experience the powerful side of luxury. The all-new RX offers three distinct powertrains, each finely tuned to deliver the dynamic performance you desire, so you can take on those curves with confidence. A 2.4-liter turbocharged in-line 4 is rated at 275 horsepower¹ and utilizes a flat torque curve to help you more easily access its 317 lb-ft of torque.¹ Or opt for the 2.5-liter electrified hybrid powertrain, which pairs 246 total system horsepower⁶ and 233 lb-ft of torque¹ with undeniable fuel efficiency.

For the greatest thrill ever offered in an RX, the all-new F SPORT Performance features an exclusive electrified powertrain. Featuring a 2.4-liter turbocharged gasoline engine, a high-output battery and two electric motors, it delivers 366 total system horsepower⁶ and 406 lb-ft of torque.¹ It is tuned to deliver a drive unlike anything you've ever experienced and helps make the RX F SPORT Performance our fastest, most powerful RX ever.

RX Hybrid Luxury shown in Nightfall Mica (left), RX F SPORT Performance shown in Copper Crest⁸ (right)

RX Luxury AWD shown in Matador Red Mica

ALL-WHEEL DRIVE. *ALL-WEATHER CONFIDENCE.*

Technology designed to help elevate your confidence while driving, even in adverse conditions. Available electronically controlled full-time all-wheel drive doesn't just handle the road; it reacts to it. Monitoring surface conditions in real time, this system can automatically shift engine power between the RX's front and rear axles, and can send as much as 50% of available power to the rear wheels when needed. And on the RX Hybrid, the electronic all-wheel drive system features a rear electric motor that delivers instantaneous torque to the rear wheels when you need it.

THE RX F SPORT HANDLING

In addition to more aggressive styling inside and out, the RX F SPORT Handling boasts features that deliver even more control and exhilarating intensity. It is equipped with the same available Adaptive Variable Suspension found in high-performance Lexus vehicles, allowing you to customize the shock absorber settings for improved ride comfort or reduced body lean as you enter and exit turns. Steering-wheel-mounted paddle shifters put thrilling performance right at your fingertips, offering lightning-fast upshifts and heart-racing, split-second downshifts.

To help provide the highest level of responsiveness, all F SPORT models offer selectable drive modes to help you finely tune your drive to suit your desires. Sport mode adjusts the Adaptive Variable Suspension, while Custom mode allows you to personalize everything from road feel to responsiveness. Further enhancing the excitement, an exclusive performance-inspired gauge cluster provides real-time information such as G-force metrics, power distribution and more.

RX F SPORT Handling AWD shown in Grecian Water

THE FIRST-EVER RX F SPORT PERFORMANCE

Offering a daring new vision of what performance can be, this is our fastest RX ever.

Building upon the impressive F SPORT Handling, the first-ever RX 500h F SPORT Performance AWD is engineered to take exhilaration to even greater heights. Its unique electrified powertrain combines a potent, 2.4-liter turbocharged gasoline engine with a high-capacity battery that powers a front-mounted electric motor and an 80-kW high-output rear electric motor. The result: an astonishing 366 total system horsepower⁶ and an impressive 0-to-60 time of 5.9 seconds.¹¹² And with its rigid chassis, revised Adaptive Variable Suspension and performance-inspired interior, this SUV can deliver thrills like no other.

DIRECT4 ALL-WHEEL DRIVE

Fundamental to this RX's expression of performance is its innovative DIRECT4 all-wheel-drive system, which utilizes a high-output electronic axle (eAxle) to help drive the rear wheels. Highly intelligent, this system constantly monitors how each individual wheel is interacting with the road, imperceptibly shifting power as needed to optimize traction and heighten your feeling of control. Not only does this system also help provide instantaneous power off the line, it can seamlessly shift the character of the vehicle to better reflect the needs of your drive. Relaxing when you want it. Engaging when you desire it. This is driving, evolved.

RX F SPORT Performance shown in Copper Crest⁹

RX F SPORT Performance shown with Rioja Red leather and Dark Graphite Aluminum interior trim

FIND YOURSELF IN THE SEAT OF POWER

Forging a deeper connection between driver and car. This is the philosophy that goes into crafting the driver-focused cockpit of the RX F SPORT Handling and F SPORT Performance. In addition to exclusive race-inspired instrumentation and bold aluminum accents, you'll find performance upgrades, including bolstered front sport seats, a black headliner, a perforated leather-trimmed sport steering wheel and shift knob, aluminum pedals and more.

F SPORT BOLSTERED SEATS

Signature race-inspired F SPORT bolstered seats provide the ideal posture, control and visibility for enhanced driving performance. Featuring unique foam-injected construction and designed to contour to the needs of the driver, their low position helps place the driver's hip point as close as possible to the vehicle's center of gravity for a more dynamic driving experience.

A THRILL RIDE FOR ALL

For a passionate driving experience all can appreciate, F SPORT-exclusive details can be found throughout the interior. Headrests are embossed with the F SPORT logo. And available Rioja Red leather trim adorns the front and rear seats, and adds accents of bold color across the center console, door panels and armrests.

RX Luxury shown with Black semi-aniline leather and Black Open-Pore Wood interior trim

ON THE CUTTING EDGE

With features including Lexus Interface, an available 14-inch touchscreen and even more wireless connectivity, this is our most advanced RX ever.

What if there was an available technology so intuitive that having more of it actually felt like less? So intelligent that, over time, it learned from people rather than forcing people to learn how to use it? See more and do more with our most intelligent and capable voice recognition system to date. Access your favorite iPhone® apps via wireless Apple CarPlay¹³ integration. And, in properly equipped RX models, start your engine remotely and share access to your vehicle via your smartphone app.¹⁴ For added convenience, an available 14-inch touchscreen multimedia display is intuitively placed to provide easier access to Lexus Interface,² navigation¹⁵ and more.

RX F SPORT Performance shown with 14-inch touchscreen display and Rioja Red leather and Dark Graphite Aluminum interior trim

A NEW STANDARD OF CONNECTIVITY

Experience next-generation technology so intuitive and personal, it feels like an extension of you.

Go beyond interaction. Experience connection, where technology can learn to understand you. Case in point, Lexus Interface² seamlessly connects you via touchscreen—or voice—to the many benefits of an active Drive Connect³ trial or subscription. Its Intelligent Assistant feature gets smarter over time, and Cloud Navigation offers more accurate directions. Lexus Interface seamlessly integrates via Wi-Fi Connect¹⁶ subscription with Apple Music^{®17} and Amazon Music^{!8} Plus, it includes the convenience of Profiles,² which allows different drivers to create personalized settings that can be used across vehicles equipped with Lexus Interface. The product of relentless imagination and human-centered design, this is technology as it should be.

DIGITAL LATCH WITH SAFE EXIT ASSIST

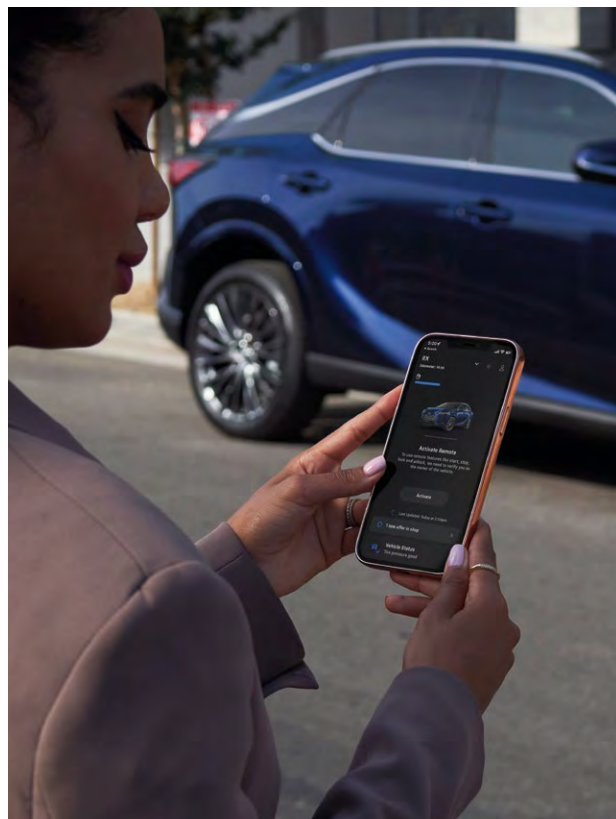

Experience where intuitive meets protective. This innovation⁹ is designed to warn of motorists and cyclists approaching from the rear to help prevent the door from opening until conditions are determined to be clear.

TRAFFIC JAM ASSIST

Like cruise control for when highway traffic isn't cruising. This available technology¹⁹ can monitor surrounding traffic in condensed, low-speed driving situations and automatically move forward and brake as needed to keep a set following distance behind the preceding vehicle. In addition to providing hands-free steering assistance, this system can automatically bring the vehicle to a complete stop, then resume its path of travel as forward traffic begins to move.

RX Luxury AWD shown in Nightfall Mica

COMMAND CENTRAL CENTERED AROUND THE DRIVER

Experience connected technology at your fingertips and at the forefront of driver convenience.

WIRELESS ANDROID AUTO

With wireless Android Auto,^{TM20} you can now seamlessly cast your device's interface onto the vehicle's touchscreen multimedia display. Play your music via your favorite apps such as Spotify^{®21} and Pandora,[®] send messages through a range of commonly used apps like WhatsApp,^{®22} navigate with Google Maps,²³ and request information—all with your voice. Just say "Hey Google" to get started. For added convenience, Android Auto can also help shorten your commute by automatically finding alternate routes if it detects heavy traffic.

WIRELESS APPLE CARPLAY

With wireless Apple CarPlay^{®13} integration, you can access the same familiar interface from your iPhone[®] through the vehicle's touchscreen multimedia display. Simply connect your iPhone to get directions, make calls, send and receive messages via Siri,^{®24} and get access to your favorite apps like Waze,TM Spotify and Apple Audiobooks.^{TM25}

DIGITAL KEY

Share vehicle access via the Lexus app. With an active Remote Connect trial¹⁴ or subscription, the available Digital Key feature makes it simple for you and up to seven friends to lock, unlock and start your RX by smartphone.

DIGITAL REARVIEW MIRROR

The available Digital Rearview Mirror can help increase your field of vision via a high-definition camera that's designed to provide an unobstructed view of the road behind you. Simply toggle the lever to switch between analog and digital mirror modes.

WIRELESS CHARGING

In addition to the convenience of wireless connectivity, the RX offers front seat occupants the ability to charge their device wirelessly⁹ when it is tucked into the centrally located storage tray.

HEAD-UP DISPLAY

To help keep your focus on the road ahead, an available 10-inch Head-Up Display projects key information, such as current vehicle speed or specific navigation directions, at customizable heights onto the windshield.

DELIVERY AND TECHNOLOGY SPECIALISTS

To help you get the most out of these and other features in your new Lexus, a Vehicle Delivery Specialist will walk you through nearly every setting and function you desire. And to answer questions that arise after delivery, a Vehicle Technology Specialist can offer expert guidance in person or without you ever leaving the driveway via camera-enabled apps like FaceTime.[®] Learn more about these services at lexus.com/specialists.

**MARK LEVINSON PUREPLAY
SURROUND SOUND**

Unlock a deeper appreciation of sound and experience music in its highest fidelity with available Mark Levinson^{®26} PurePlay Surround Sound. Boasting 1,800 watts and 21 speakers meticulously positioned throughout the cabin, this bespoke system envelops you in a three-dimensional soundscape that's crafted by the same masters who engineer six-figure home audio systems.

RX Luxury shown with Black semi-aniline leather and Black Open-Pore Wood interior trim

PEACE OF MIND, STANDARD.

Presenting Lexus Safety System+ 3.0, an integrated suite of class-leading standard active safety equipment.^{4,27}

PRE-COLLISION SYSTEM WITH PEDESTRIAN DETECTION AND INTERSECTION SUPPORT

With enhanced radar and camera capabilities, this system^{28,29} is capable of detecting motorcycles, and, under certain circumstances, can provide support to warn of or mitigate collisions with oncoming vehicles and vehicles that are crossing at intersections. This intelligent system can also detect bicyclists and pedestrians in certain situations, including while turning left or right at an intersection. Should the system detect a potential frontal collision, it can help provide steering assistance and/or automatically brake to help mitigate or avoid a collision.

ROAD SIGN ASSIST

This system³⁰ uses a built-in camera to help provide certain road sign information in the instrument panel or even on the available Head-Up Display. In addition to displaying speed limit information, the system can alert you of certain detected signs you otherwise might have missed.

LANE TRACING ASSIST

When All-Speed Dynamic Radar Cruise Control with Curve Speed Management^{31,32} is enabled, this hands-on system³³ monitors visible lane markings and can recognize vehicles ahead. To help the driver keep their vehicle centered in the lane, it can provide steering assistance. Designed for peace of mind, the system can even be used in traffic and on highways with gradual curves.

ALL-SPEED DYNAMIC RADAR CRUISE CONTROL WITH CURVE SPEED MANAGEMENT

Radar and camera technology help to keep you at a preset speed and distance from vehicles ahead, even in stop-and-go traffic. If the system^{31,32} detects you getting closer than the preset distance, it automatically slows your vehicle—even to a complete stop. At highway speeds, when the road ahead clears, your Lexus returns to its preset speed. This system is designed to detect curves in the road and automatically reduce vehicle speed as needed for a smoother, more confident driving experience.

LANE DEPARTURE ALERT WITH STEERING ASSIST

This system³⁴ utilizes a camera to monitor visible lane markings. If an inadvertent lane departure is detected at speeds above 32 mph, the system is designed to warn you so that you can steer back into the lane, and can even take slight corrective measures to help keep you within your visibly marked lane.

INTELLIGENT HIGH BEAMS

To help provide greater visibility for you as well as other drivers, Intelligent High Beams³⁵ offer added illumination to help keep you focused on the road. When the road ahead is clear, the system defaults to high-beam mode, then temporarily switches to low beams when it detects the headlamps or taillamps of vehicles ahead.

FEATURES

RX (RX 350/RX 350h)

Standard features:

- Multi-link rear suspension
- NuLuxe^{®38} interior trim
- 8-way power-adjustable driver's and front passenger's seats
- Interior ambient illumination
- Multi-zone climate control
- Heated front seats
- Paddle shifters
- Power tilt-and-telescopic steering column
- Power rear door
- 19-in five-spoke alloy wheels with Dark Gray and machined finish
- LED foglamps
- Lexus Interface² with 9.8-in touchscreen display
- 7.0-in multi-information display
- Lexus 12-speaker Premium Sound System
- Wireless Apple CarPlay^{®13} integration
- Wireless Android Auto^{™20} compatibility
- Lexus Safety System+ 3.0⁴
- Digital Latch with Safe Exit Assist⁵
- Safety Connect³⁹ Service Connect⁴⁰ Remote Connect¹⁴ Wi-Fi Connect¹⁶—with AT&T Wi-Fi hotspot trials and Integrated Streaming (Amazon Music^{®18} and Apple Music^{®17}) compatibility. Paid subscription required after trial. 4G network dependent. See lexus.com/interface for details.
- Drive Connect³ capability with Cloud Navigation, Intelligent Assistant (Hey Lexus) and Destination Assist (available by subscription). 4G network dependent. See lexus.com/interface for details.
- Lexus app (Remote Connect¹⁴ engine start, service scheduling, Vehicle Health Reports/ Alerts⁴⁰ and more)
- Complimentary scheduled maintenance services.⁴¹ (Please refer to the *Warranty and Services Guide* for details.)

Options:

- Power tilt-and-slide moonroof and aluminum roof rails
- Intuitive Parking Assist with Auto Braking⁴²
- Wireless charger⁹

PREMIUM (RX 350/RX 350h)

Includes RX features, and adds or replaces:

- Power tilt-and-slide moonroof
- Aluminum roof rails
- Intuitive Parking Assist with Auto Braking⁴²
- Heated and ventilated front seats
- Lexus Memory System for driver's seat, steering wheel and outer mirrors
- Wireless charger⁹
- Easy access power driver's seat

Options:

- Lexus Interface² with 14-in touchscreen display; Drive Connect³ with Cloud Navigation, Intelligent Assistant (Hey Lexus), and Destination Assist trial. Paid subscription required after trial. 4G network dependent. See lexus.com/interface for details.
- Heated wood- and leather-trimmed steering wheel
- Panoramic View Monitor⁴³
- Digital Rearview Mirror
- Advanced Park⁴⁴
- Power Rear Door with Kick Sensor¹¹
- 120V AC inverter (Hybrid only)⁴⁵

PREMIUM+ (RX 350/RX 350h)

Includes Premium features, and adds or replaces:

- Lexus Interface² with 14-in touchscreen display; Drive Connect³ with Cloud Navigation, Intelligent Assistant (Hey Lexus), and Destination Assist trial. Paid subscription required after trial. 4G network dependent. See lexus.com/interface for details.
- Leather-trimmed interior
- Heated wood- and leather-trimmed steering wheel
- Thematic Ambient Illumination
- Multi-zone climate control with automatic recirculation mode

Options:

- 21-in 20-spoke alloy wheels with Dark Gray Metallic and machined finish
- Panorama glass roof
- Premium Triple-Beam LED headlamps
- Mark Levinson^{®26} PurePlay Surround Sound
- Panoramic View Monitor⁴³
- Digital Rearview Mirror
- Head-Up Display
- Heated and ventilated rear seats
- Advanced Park⁴⁴
- Power Rear Door with Kick Sensor¹¹
- 120V AC inverter (Hybrid only)⁴⁵

LUXURY (RX 350/RX 350h)

Includes Premium+ features, and adds or replaces:

- Driver's and front passenger's 10-way power seats
- Semi-aniline leather interior trim
- Ultrasuede^{®46} interior door trim
- Luxury seat design
- 4-way lumbar support for driver and passenger
- Head-Up Display
- 21-in 20-spoke alloy wheels with Dark Premium Metallic finish

Options:

- Power rear seats
- Panorama glass roof
- Premium Triple-Beam LED headlamps
- Mark Levinson PurePlay Surround Sound
- Panoramic View Monitor⁴³
- Digital Rearview Mirror
- Heated and ventilated rear seats
- Advanced Park⁴⁴
- Power Rear Door with Kick Sensor¹¹
- 120V AC inverter (Hybrid only)⁴⁵

F SPORT HANDLING (RX 350)

Includes Premium features, and adds or replaces:

- Aluminum pedals
- Dark Graphite Aluminum interior trim
- F SPORT Performance-inspired instrumentation
- F SPORT front fascia, grille and rear valance
- F SPORT interior featuring front seats with enhanced bolsters, perforated leather-trimmed steering wheel and shift knob
- Ultrasuede^{®46} interior door trim
- Thematic Ambient Illumination
- Head-Up Display
- Multi-zone climate control with automatic recirculation mode
- Door scuff plate with white F SPORT logo
- 21-in 10-spoke alloy wheels with Gloss Black finish
- Opposed 6-piston aluminum front brake calipers
- Adaptive Variable Suspension

Options:

- Panorama glass roof
- Premium Triple-Beam LED headlamps
- Lexus Interface² with 14-in touchscreen display; Drive Connect³ with Cloud Navigation, Intelligent Assistant (Hey Lexus), and Destination Assist trial. Paid subscription required after trial. 4G network dependent. See lexus.com/interface for details.
- Mark Levinson PurePlay Surround Sound (includes Lexus Interface² 14-in touchscreen display and Drive Connect³ trial listed above)
- Panoramic View Monitor⁴³
- Digital Rearview Mirror
- Advanced Park⁴⁴
- Power Rear Door with Kick Sensor¹¹

F SPORT PERFORMANCE (RX 500h)

Includes F SPORT Handling features, and adds or replaces:

- Vehicle Dynamics Integrated Management⁴⁷ with Dynamic Rear Steering
- 21-in 10-spoke alloy wheels with Matte Black finish and summer tires⁴⁸
- Black brake calipers
- Color-keyed rocker panels and rear valance
- Door scuff plate with black F SPORT logo
- Leather-trimmed seats
- Active Sound Control

Options:

- 21-in split-10-spoke alloy accessory wheels with Gray Metallic finish
- 21-in 10-spoke alloy wheels with all-season tires
- Power rear seats
- Heated and ventilated rear seats
- Panorama glass roof
- Premium Triple-Beam LED headlamps
- Lexus Interface² with 14-in touchscreen display; Drive Connect³ with Cloud Navigation, Intelligent Assistant (Hey Lexus), and Destination Assist trial. Paid subscription required after trial. 4G network dependent. See lexus.com/interface for details.
- Mark Levinson PurePlay Surround Sound (includes Lexus Interface² 14-in touchscreen display and Drive Connect³ trial listed above)
- Panoramic View Monitor⁴³
- Digital Rearview Mirror
- Advanced Park⁴⁴
- Power Rear Door with Kick Sensor¹¹
- 120V AC inverter (Hybrid only)⁴⁵

INDIVIDUAL MODEL OPTIONS

Available on all models:

- Traffic Jam Assist¹⁹ Drive Connect³ subscription required after trial.
- Lexus Digital Key¹⁴
- Cold Area Package
- 3,500-lb towing capacity⁴⁹

Ten-year/150,000-mile Hybrid System Warranty. All warranties with zero deductible. See the *RX Warranty and Services Guide* at your Lexus dealer for details.

1. Ratings achieved using the required premium unleaded gasoline with an octane rating of 91 or higher. If premium fuel is not used, performance will decrease. **2.** Lexus Interface services depend on factors outside of Lexus' control, including an operative telematics device, a cellular connection, GPS signal and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. Service may vary by vehicle and region. Apps and services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data usage and charges may apply. See usage precautions and service limitations in *Owner's Manual* and lexus.com for additional limitations and details. To learn about Lexus' connected services data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacycts/>. All trials begin on the original date of purchase or lease of a new vehicle, with the exception of Wi-Fi for which the trial begins at the time of activation. Paid subscription required after trial in order to continue accessing the respective services. Terms of Use apply. **3.** Drive Connect availability and accuracy depend on factors outside of Lexus' control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Services not available in every city or roadway. Services subject to change at any time without notice. Requires app download/registration and subscription required after trial (if applicable). Terms of Use apply. See *Owner's Manual* and lexus.com for additional limitations and details. To learn about Lexus' connected services data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacycts/>. The Drive Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial (if applicable) to access the service. Terms of Use apply. **4.** Lexus Safety System+ 3.0 effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See *Owner's Manual* for additional limitations and details. **5.** Do not rely exclusively on Safe Exit Assist. Always look for approaching traffic before exiting the vehicle. There are limitations to the function, detection and range of the Safe Exit Assist system. See *Owner's Manual* for additional limitations and details. **6.** Ratings achieved using the required premium unleaded gasoline with an octane rating of 91 or higher. If premium fuel is not used, performance will decrease. 246 net combined horsepower for RX 350h. 366 net combined horsepower for RX 500h. **7.** Projected EPA-estimated MPG rating 37/city/34/hwy/36/comb for 2023 RX 350h as determined by manufacturer. EPA estimates not available at time of publishing. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov. **8.** Ultra White and Copper Crest available for an additional charge. **9.** Qi wireless charging may not be compatible with all mobile phones, MP3/WMA players and like models. When using the wireless charging system, avoid placing metal objects between the wireless charger and the mobile device when charging is active. Doing so may cause metal objects to become hot and could cause burns. **10.** Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area. **11.** Installation of a tow hitch receiver or other accessories located near the rear bumper or side-door kick sensors may require disabling or removing the kick sensor, and the sensor operation setting in your vehicle should be turned off. Water, weather, dirt, and other conditions also may cause the sensor to not operate properly or to operate unintentionally. See *Owner's Manual* for limitations. **12.** Performance figures are for comparison only and were obtained with prototype vehicles by professional drivers. **13.** Apps and services are subject to change at any time without notice. Data charges may apply. Apple CarPlay[®] functionality requires a compatible iPhone[®] connected wirelessly to the vehicle. Apple CarPlay and iPhone are registered trademarks of Apple Inc. **14.** Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Remote Connect depends on factors outside of Lexus' control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Digital Key also requires Bluetooth connectivity. Service may vary by vehicle and region. Requires app download and registration/subscription after trial (if applicable). Terms of Use apply. Data charges may apply. Services subject to change at any time without notice. See usage precautions and service limitations in *Owner's Manual* and lexus.com. To learn about Lexus' connected services data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacycts/>. The Remote Connect trial period (if applicable) is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Subscription required after trial to access the service. Terms of Use apply. **15.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Functionality, availability and accuracy of information provided by the system depend on many factors, and service may not be available in every location. Use common sense when relying on information provided. Services and programming subject to change. Updates may be available from your dealer at an additional cost. See *Owner's Manual* for additional limitations and details. **16.** Eligible vehicle and wireless service required. Wi-Fi Connect depends on factors outside of Lexus' control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Wi-Fi Connect coverage and service not available everywhere. Valid in the contiguous U.S. and Alaska. Do not drive distracted. Go to att.com/lexus for terms and conditions. Data usage and charges apply. Up to 5 devices can be supported using in-vehicle connectivity. Apps and services subject to change at any time without notice. The Wi-Fi Connect trial begins at the time of enrollment and expires the earlier of 3GB of data use or the 1-month trial period ends. Subscription required after trial. Integrated Streaming requires separate subscriptions to third-party provider services. Terms of Use apply. **17.** Apple and Apple Music are trademarks of Apple Inc., registered in the U.S. and other countries. **18.** Amazon Music and all related marks are trademarks of Amazon Technologies, Inc. or its affiliates. **19.** Traffic Jam Assist is not an automated driving system. The system requires driver supervision at all times and is designed to function on most controlled access freeways at speeds of 25 mph or less. Use this system in accordance with applicable laws. Before operating, refer to *Owner's Manual* for additional instructions and limitations. **20.** To wirelessly use Android Auto on your car display, you need a compatible Android smartphone with an active data plan. You can check which smartphones are compatible at google.com/android/autofor/requirements. Vehicle user interface is a product of Google and its terms and privacy statement apply. Apps and services vary by phone carrier and are subject to change at any time without notice. Android Auto is a trademark of Google LLC. **21.** Spotify is a registered trademark of Spotify Technology Holding. Apps, prices and services vary by phone carrier and are subject to change at any time without notice. Subject to smartphone connectivity and capability. Data charges may apply. Always drive safely and obey traffic laws. **22.** WhatsApp is a registered trademark of WhatsApp Inc. **23.** Google and Google Maps are trademarks of Google LLC. Always drive safely and obey traffic laws. Functionality depends on many factors outside of Lexus' control. Actions and services subject to change at any time without notice. To learn more, go to lexus.com/enform. To learn more about Lexus' data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacycts/>. **24.** Always focus on the road while driving. Siri is available on select iPhone/iPad models and requires Internet access. Siri is not available in all languages or all areas and features vary by area. Some Siri functionality and commands are not accessible in the vehicle. See Apple.com and phone carrier for details. Data charges may apply. Siri is a registered trademark of Apple Inc. **25.** Apple Audiobooks is a trademark of Apple Inc. All rights reserved. Always drive safely and obey traffic laws. Apps, prices and services vary by phone carrier and are subject to change at any time without notice. Subject to smartphone connectivity and capability. Data charges may apply. **26.** Mark Levinson is a registered trademark of Harman International Industries, Inc. **27.** 2023 RX vs. 2022/2023 competitors. Information from manufacturers' websites as of 7/2/22. **28.** The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle, a pedestrian or a bicyclist. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian or bicyclist, and weather, light and road conditions. See *Owner's Manual* for additional limitations and details. **29.** Do not overly rely on the Intuitive Intersection Support/Front Cross-Traffic Alert system. Always visually confirm that it is safe to proceed. There are limitations to the function, detection and range of the system. See *Owner's Manual* for additional limitations and details. **30.** Do not rely exclusively on Road Sign Assist (RSA). RSA is a driver support system that utilizes the vehicle's forward-facing camera and Navigation System (when data is available) to recognize certain road signs and provide information to the driver via the multi-information display and/or Head-Up Display. Effectiveness is dependent on road, weather, vehicle and sign conditions. Use common sense when using RSA and do not drive distracted. See *Owner's Manual* for additional limitations and details. **31.** Dynamic Radar Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors, including road, weather and traffic conditions. See *Owner's Manual* for additional limitations and details. **32.** Do not overly rely on the Curve Speed Reduction function. It is always the driver's responsibility to be aware of the road geometry and environmental conditions and safely operate the vehicle. See the *Owner's Manual* for additional limitations and instructions. **33.** Lane Tracing Assist (LTA) lane centering function is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. See *Owner's Manual* for additional limitations and details. **34.** Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual and audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. **35.** Intelligent High Beams operate at speeds above 21 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness, requiring the driver to manually operate the high beams. See *Owner's Manual* for additional limitations and details. **36.** Projected EPA-estimated MPG ratings determined by manufacturer. EPA estimates not available at time of publishing. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov. **37.** For accessories purchased at the time of the new-vehicle purchase, the Lexus Accessory Warranty coverage is in effect for 48 months/50,000 miles from the vehicle's in-service date, which is the same coverage as the new-vehicle Basic Warranty. For accessories purchased after the new-vehicle purchase and installed by a Lexus dealer, the coverage is 12 months for the parts and labor, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new-vehicle warranty, whichever provides greater coverage. Accessories purchased over the counter are covered for 12 months from the date of purchase. Refer to your Lexus Accessory Limited Warranty or documentation that accompanies accessory purchase for coverage and conditions. Warranty honored at all Lexus dealerships nationwide excluding Hawaii. **38.** NuLuxe is a registered trademark of Toyota Motor Sales, U.S.A., Inc. **39.** Safety Connect depends on factors outside of Lexus' control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. Automatic Collision Notification activates only in limited circumstances. Requires app download/registration and subscription after trial (if applicable). Service subject to change at any time without notice. Terms of Use apply. Service may vary by vehicle and region. See usage precautions and service limitations in *Owner's Manual* and lexus.com for additional details. To learn about Lexus' connected services data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacycts/>. The Safety Connect trial period (if applicable) is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Subscription required after trial to access the service. **40.** Information provided is based on the last time data was collected from the vehicle and is not real-time data. Service Connect depends on factors outside of Lexus' control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Service may vary by vehicle and region. Registration required after trial. Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. See usage precautions and service limitations in *Owner's Manual* and [lexus.com/enform](https://lexus.com) for additional details. To learn about Lexus Enform's connected services data collection, use, sharing and retention practices, please visit <https://www.lexus.com/privacycts/>. The Service Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Subscription required after trial. Service Connect renewal will be included when Safety Connect, Enform Remote, or Destination Assist connected service renewal is selected. Service Connect is not renewable as a stand-alone service. **41.** Lexus provides complimentary maintenance for your first two scheduled visits at the earlier of 6 months/5,000 miles and 12 months/10,000 miles. To schedule these services, contact your Lexus dealership. Please refer to your vehicle's *Warranty and Services Guide* for service details. These services apply to Lexus vehicles registered and normally operated in the continental United States, U.S. territories and Canada. **42.** Intuitive Parking Assist with Auto Brake is designed to assist drivers in avoiding potential collisions at speeds of 9 mph or less. Certain vehicle and environmental factors, including an object's speed, shape, and size may affect the system's effectiveness. Always look around outside the vehicle and use mirrors to confirm clearance. See *Owner's Manual* for additional limitations and details. **43.** The Panoramic View Monitor does not provide a comprehensive view of the area surrounding the vehicle. You should also look around outside your vehicle and use your mirrors to confirm surrounding clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. **44.** Do not overly rely on Advanced Park and use only in accordance with applicable laws. When parking using the hands-free feature, always pay attention to the vehicle's surroundings. Before operating, refer to *Owner's Manual* for additional instructions and limitations. **45.** Rated for 1500 watts for a single two-prong outlet. See *Owner's Manual* for additional limitations and details. **46.** Ultrasuede is a registered trademark of Toray Industries, Inc. **47.** Vehicle Dynamics Integrated Management (VDIM) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VDIM will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details. **48.** Tire life may be substantially less than mileage expectancy, depending on driving conditions. **49.** Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your *Owner's Manual*. The maximum you can tow depends on base curb weight plus the total weight of any cargo, occupants, and added vehicle equipment. "Added vehicle equipment" includes additional standard/optional equipment and accessories added by the manufacturer, dealers, and/or vehicle owners. The only way to be certain of your vehicle's exact curb weight is to weigh your vehicle without passengers or cargo. See *Owner's Manual* for limitations. **50.** This floor liner or floor mat was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each liner or mat must be secured with its fasteners. Do not install a floor liner or mat on top of an existing floor liner or mat. **51.** Ball mount, trailer ball and tow hitch sold separately. Please consult your Lexus dealer or *Owner's Manual* for towing and load specifications. Some models require factory tow package option. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your *Owner's Manual*. The maximum you can tow depends on the total weight of any cargo, occupants and available equipment. **52.** Genuine Accessory Warranty will only apply when the installation is performed by a trained Lexus-approved installer. See Lexus dealer for details. **53.** Lexus Universal Tablet Holder is intended for passengers only. Drivers should always be sure to obey traffic regulations and maintain awareness of the road and traffic conditions at all times. Use of aftermarket accessories may pose an increased risk of injury to occupants in the vehicle in the event of an accident. Tablet, phone, music and video player sold separately. **54.** Genuine Lexus Paint Protection Film by 3MTM is designed for specific sections of the vehicle most prone to chipping and may vary depending on vehicle model. Select applications may require an additional charge. Lexus Genuine Accessory Warranty only applies when installation is performed by a trained Lexus-approved installer. See Lexus dealer for details. **55.** Do not overload your vehicle. See *Owner's Manual* for weight limits and restrictions. Always properly secure cargo and cargo area.

Lexus strives to build vehicles to match customer interest, and thus they typically are built with popular options and option packages. Not all options/packages are available separately, and some may not be available in all regions of the country. See lexus.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. Specifications, features, equipment, technical data, performance figures, options, and color and trim are based upon information available at time of publishing, are subject to change without notice, and are for mainland U.S.A. vehicles only. Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary. Colors depicted may vary based on multiple factors, including ambient lighting and the format in which they are being viewed (e.g., computer, mobile device, or print). See your Lexus dealer for details. Lexus reminds you to wear seatbelts, secure children in rear seat, obey all traffic laws and drive responsibly. For more information, call 800-USA-LEXUS (872-5398) or visit lexus.com. To learn more about your financing options, contact your Lexus dealer or call Lexus Financial Services at 800-874-7050.
