

2020 NAUTILUS

ALWAYS BEGIN ON A BRIGHT NOTE

Each time you approach, Nautilus greets you with a warm embrace. Available dynamic LED signature lighting flows gracefully outward beneath the available advanced LED multi-projector headlamps. Backlit door handles extend an invitation, while luminous Lincoln welcome mats appear on the ground. The available ambient lighting beautifully illuminates the elegant interior, and the autofold power sideview mirrors with available memory deploy to your personalized settings as you take your seat. Every departure brings the opportunity for new adventures in the 2020 Lincoln Nautilus.

INDULGE IN DISTINCTIVE DESIGN

Wherever your journeys lead, Nautilus is thoughtfully designed to help you revitalize and recharge along the way. Configure the gracefully curved 12.3" digital instrument cluster to your liking using controls on the hand-stitched, leather-wrapped steering wheel with available heat. Enjoy your favorite podcast while your phone rests on the available wireless charging pad¹ inside the media bin. And do it all while relaxing in the available Ultra Comfort front seats with 22-way power adjustability – including power thigh extenders and head restraints – plus, ventilated settings and Active Motion[®] massage functionality. They can even help reduce muscle fatigue in your upper legs and lower back after a long day of driving. Yet another reason to make Nautilus yours.

STAY INFORMED AND ENTERTAINED

SiriusXM[®] gives you ad-free music, plus sports, comedy, news and talk – inside your Nautilus and on the go – with a 6-month All Access trial subscription.² With the available Voice-Activated Touchscreen Navigation System, you'll also enjoy a 6-year subscription² to SiriusXM Traffic and Travel Link[®] services.

ENGAGE WITH EXCLUSIVE AUDIO

Lincoln is the only automaker to offer you available Revel[®] and Revel Ultima audio systems. You won't just hear their expertly engineered level of precision and musical accuracy – you'll feel it. With personalized listening modes, it can seem like you're in the "Audience" or up "On Stage." The outstanding, multi-dimensional sound is courtesy of advanced cabin correction tuning, QuantumLogic[®] Surround sound technology, and Revel Waveguides. Revel Ultima features 19 speakers and patented Clari-Fi[™] music restoration technology that enhances satellite radio, streaming services, MP3s and other digital sources – for clear, wide, dynamic sound.

¹Qi wireless charging may not be compatible with all mobile phones. ²All SiriusXM services require a subscription, sold separately by SiriusXM after the trial period. Fees and taxes apply. See SiriusXM Customer Agreement for complete terms at <http://www.siriusxm.com>. All fees, content and features are subject to change. Traffic information not available in all markets. SiriusXM satellite service for 2020 model-year Lincoln vehicles is not available in Puerto Rico; SiriusXM streaming service is available for purchase.

REFINE YOUR SURROUNDINGS

Nautilus is designed to be your sanctuary, from the sound-dampening materials beneath its plush carpeting to its acoustic-laminate windshield and front-door glass. It even features Active Noise Control that sends precisely chosen sound waves through the speakers, helping to cancel out unwanted noise and refine engine sounds.

You have an array of richly toned interior palettes from which to choose, including this available Coffee-colored luxury leather and Espresso Ash Swirl open-pore wood pairing. In the back, passengers can enjoy plentiful rear leg room, while streaming content on the vibrant 8" screens of the available Lincoln Play with DVD Rear-Seat Entertainment System. An available wireless charging pad,¹ four 12V powerpoints, 2 smart-charging USB ports, and an available 110V power outlet can help you charge lots of devices.

To activate the available hands-free liftgate, simply kick your foot beneath the rear bumper with your key fob tucked away in a pocket or bag. Inside, you can take advantage of a flat load floor when both sides of the EasyFold® 60/40 split rear seat are folded down. After loading your cargo, close the liftgate with just the press of a button or another kick.

¹Qi wireless charging may not be compatible with all mobile phones.

TURBOCHARGE YOUR DAY

For a virtually instantaneous surge of power on demand, Nautilus Reserve offers you an available Twin-Turbocharged 2.7-liter V6 engine. Paired with Intelligent all-wheel drive (AWD), the 2.7-liter combines turbochargers with direct fuel injection and twin-independent variable camshaft timing (Ti-VCT) to produce an inspirational 335 horsepower¹ and 380 lb.-ft. of torque.¹

DELIGHT IN EVERY DRIVE

The foundation of the all-turbocharged Nautilus engine lineup is the Turbocharged 2.0-liter I-4. It uses a twin-scroll, low-inertia, single turbocharger to produce 250 horsepower¹ and 280 lb.-ft. of torque.¹ A broad torque curve means it offers you plenty of torque through the powerband for sustained acceleration. Whether you prefer front-wheel drive or available Intelligent AWD, the 2.0-liter delivers.

EXPERIENCE AN ELEGANTLY SMOOTH RIDE

Both engines are paired with an 8-speed SelectShift[®] automatic transmission designed to provide the right gear at the right time, contributing to driveability, smoothness and refinement. They also feature Auto Start-Stop Technology that can shut the engine off when the vehicle comes to a complete stop to help save fuel. When you release the brake pedal, the engine seamlessly restarts.

¹Horsepower and torque ratings based on premium fuel per SAE J1349[®] standard. Your results may vary.

GLIDE EFFORTLESSLY

Imagine yourself gliding effortlessly along – at peace with your surroundings. The available Adaptive Suspension can take you there by helping to isolate your Nautilus from road imperfections. Engage the Sport drive mode to enjoy tighter suspension tuning, firmer steering calibration, and more powerful engine sounds in the cabin – all while feeling steadfastly connected to your vehicle and the road.

Available Intelligent all-wheel drive (AWD) goes beyond helping to enhance overall handling. Designed to help save fuel, AWD Disconnect can enable or disable driveline torque to the rear wheels, seamlessly and automatically, without the driver having to engage the system at all. So you can focus on the joys of your drive.

COMMAND: WITH YOUR VOICE

SYNC 3 voice-activated technology¹ connects your tech with your Nautilus, and puts you in control of calls, music and more with the tap of a button on your steering wheel and simple voice commands. You can also tap or swipe the stunning 8" touchscreen. To see your phone's familiar interface on the large screen, you can take advantage of compatibility with Apple CarPlay^{®2} for your iPhone[®] or Android Auto^{™2} for your Android[™] smartphone.

LINK: TO WHAT MATTERS MOST

Nautilus also lets you enjoy voice control of compatible mobile apps on your connected phone using SYNC 3 AppLink.^{®3} The system works with your Lincoln Way[™] App⁴ and many others. You can use it with the Waze^{™5} community-based traffic and navigation app on your iPhone. It also works with the Lincoln+Alexa app,⁶ so you can ask Alexa to play music, listen to audiobooks, check the weather, control smart home devices and more while inside your Nautilus.

CONNECT: WITH IN-VEHICLE WI-FI

Since Nautilus has the ability to seat up to 5 people, a vast array of smartphones, tablets, gaming systems and computers may come along for the ride. Lincoln Connect^{™7} with 4G LTE Wi-Fi hotspot capability provides a strong connection for up to 10 devices at once.⁸ So everyone can enjoy their favorites – from inside of Nautilus and up to 50' away.

NAUTILUS

GALA

Treat yourself to the sparkle and mystique of a prestigious cosmopolitan event with the glamorous Gala theme. Within this gorgeous space, Carmine Venetian and Onyx leathers mingle in decadent contrast, while Linking-L perforation pattern seat inserts, intricate Nouveau Armor aluminum appliqués and the sueded feel of the Alcantara® headliner add to the seductively tailored details that create the Gala experience.

THOROUGHBRED

This dynamic theme is for those with a penchant for sporting refinement. Richly toned Chestnut leather is accented by Chilean Maple open-pore wood trim. The suede-like headliner is wrapped in Jet Black Alcantara. Jet Black Venetian leather seats feature Diamond-L perforation pattern inserts and Terra Cotta accent stitching. Honoring American equine culture, Thoroughbred exudes the majesty and strength of a champion.

CHALET

The breathtaking Chalet theme evokes the contrasting pleasures of cool, crisp mountain air and the warmth of an après-ski lodge. Alpine Venetian leather seats feature the Lincoln Star perforation pattern inserts. Alpine and Espresso colored leathers combine with the softness of an Alcantara headliner and the beauty of Silverwood appliqués to create a welcoming space that inspires rejuvenation.

See Lincoln.com for features and options.
