

Z[®] Roadster Touring Model shown in Daytona Blue.

PRINTED EXCLUSIVELY FOR

NISSAN Z[®] ROADSTER AND COUPE

PASSION. FREEDOM. A LITTLE SLICE OF HEAVEN. The Nissan Z[®] is one of those few examples of a pure sports car. On every level. From the 287-hp engine filled with racing technology, to the high-performance aluminum suspension, to the sleek lines of the driver-oriented cockpit, it's an experience you won't want to share. And we've yet to mention the Z[®] Roadster* — everything Z[®] plus a power-operated soft top that is designed to fold down in 20 seconds, a rear glass window, and available ventilated leather-trimmed net seats. But don't take our word for it. Drive one yourself.

* Limited availability.

■ Standard □ Optional A Accessory

¹ Limited availability. ² Part of Bose® audio system. ³ Factory-installed option. Never program while driving. Requires accurate GPS service to be available and operating for features to function properly. Mapping may not be detailed in all areas or reflect current road regulations. Some Nissan dealers may not appear on the current mapping areas. Periodic updates to the DVD-ROM will be available for an additional cost. See your Nissan dealer for details. ⁴ Please keep in mind that air bags are a supplemental system and must be used in conjunction with a seat belt. Never let children 12 and under ride in this vehicle unless a front passenger air bag on/off switch has been installed. Side air bags and side curtain air bags are designed to inflate in higher severity side collisions on the side of the vehicle impacted. Please see your owner's manual for more details. ©HomeLink is a registered trademark of Johnson Controls, Inc.

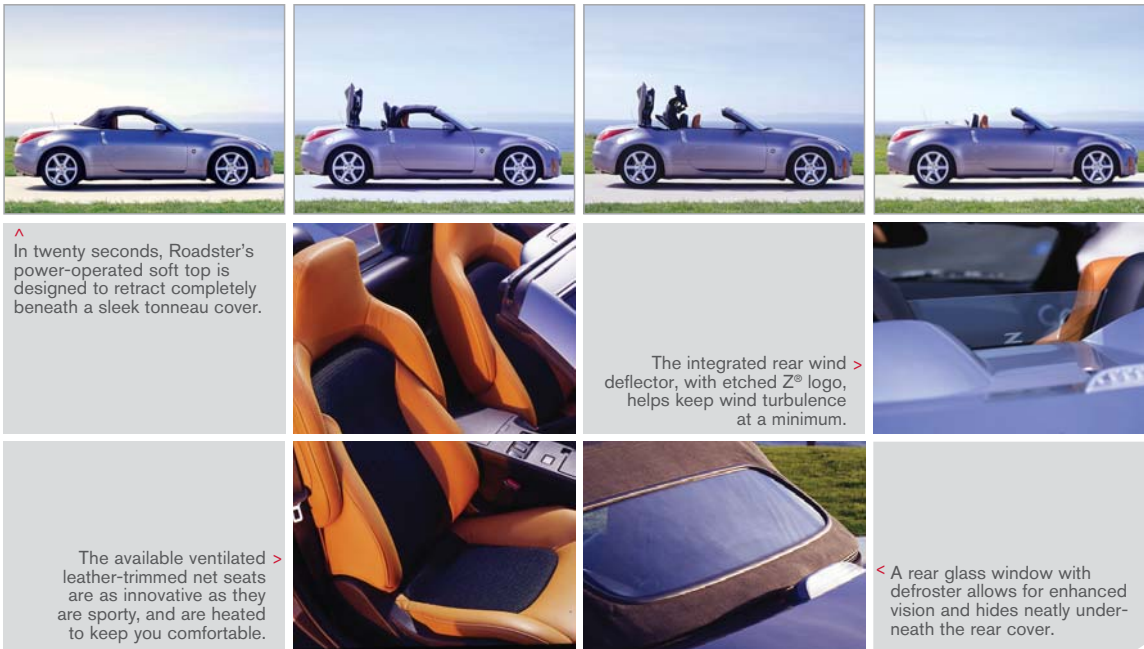

NISSAN Z® ROADSTER MODELS AT A GLANCE.

ENTHUSIAST

Enhance Z's traction even more with Traction Control System (TCS), viscous limited-slip rear differential, High Intensity Discharge (HID) xenon headlights, power seats and aluminum pedals.

TOURING

Dials up the amenities with Bose® audio system with in-dash 6-CD changer, leather-appointed seats, and heated seats/mirrors.

^ In twenty seconds, Roadster's power-operated soft top is designed to retract completely beneath a sleek tonneau cover.

The integrated rear wind > deflector, with etched Z® logo, helps keep wind turbulence at a minimum.

The available ventilated > leather-trimmed net seats are as innovative as they are sporty, and are heated to keep you comfortable.

< A rear glass window with defroster allows for enhanced vision and hides neatly underneath the rear cover.

SPECIFICATIONS

ENGINE

3.5-liter DOHC 24-valve V6 aluminum-alloy engine with CVTCS*
Horsepower – 287 hp @ 6,200 rpm
Torque – 274 lb-ft @ 4,800 rpm

DRIVETRAIN
