

KICKS®

2025

# Take on the universe

Get after it with the all-new, totally redesigned 2025 Nissan Kicks.<sup>®</sup> From the chiseled grille and sleek LED headlights to the bold two-tone colors,<sup>1</sup> Kicks is styled to turn heads. The available Intelligent All-Wheel Drive system lets you handle the elements with greater grip and control.<sup>2</sup> An impressive 141-hp engine and up to 35 highway mpg make every trip powerful and efficient.<sup>3</sup> And the available Bose Personal<sup>®</sup> Plus Audio System brings solid entertainment to every mile of the journey.

Nissan Kicks<sup>®</sup> SR AWD shown in Two-tone Deep Blue Pearl / Gun Metallic with optional equipment!

### Get into the action

The cool factor starts the second you step inside. The dual 12.3" displays are customizable, so everything important stays front and center.<sup>4, 5, 6</sup> Available soft-touch Automatic Temperature Control switches keep the dash clean and the controls easy to access. With Kicks,<sup>®</sup> you might question whether you're searching for action or already centered in it.

Dual 12.3" digital displays<sup>4, 5, 6</sup>

Wireless Apple CarPlay<sup>®</sup> integration<sup>4, 6</sup>

Wireless Android Auto<sup>™</sup> compatibility<sup>4, 6</sup>

Wireless charging<sup>6, 7</sup>

Nissan Kicks<sup>®</sup> SR shown in Charcoal Leatherette with Sport Cloth inserts, Apple CarPlay<sup>®</sup> integration,<sup>4</sup> and optional equipment.

The image shows the interior of a car, specifically the front seats and the panoramic moonroof. The seats are upholstered in Charcoal Leatherette with Sport Cloth inserts and red stitching. Blue sound waves emanate from the Bose speakers, illustrating the audio system's performance. The panoramic moonroof is visible, allowing light to enter the cabin. The overall atmosphere is clean, modern, and high-tech.

## Cool, calm, and collected

Before you even step into Kicks,<sup>®</sup> get the temperature inside just right with the available Remote Engine Start System with Intelligent Climate Control.<sup>®</sup>

Immerse yourself in the high-tech sound of the available Bose Personal<sup>®</sup> Plus Audio System with 10 rocking speakers and next-level PersonalSpace<sup>®</sup> technology that optimizes the acoustics inside. Up front, two Bose UltraNearfield™ speakers are built into the headrests and can be adjusted to fit any mood and genre.

If you're looking for clarity and serenity, look up. The available Panoramic Moonroof lets light in from sunrise to sunset and even shows starlight on clear nights.

Nissan Kicks<sup>®</sup> SR shown in Charcoal Leatherette with Sport Cloth inserts and optional equipment.

## Today's forecast: adventure

Don't let a few rain showers deter you. Kicks® will get you to the fun with an available Intelligent All-Wheel Drive system that adjusts grip depending on the weather conditions and helps you stay in control in poor weather.<sup>2</sup> The available unique multi-link rear suspension means more grip to handle the corners and the adventures to come.

Even more powerful and efficient than before,<sup>3</sup> the all-new Kicks is powered by an impressive 2.0L 4-cylinder engine that pumps out up to 141 horsepower and 140 lb-ft of torque. Engage one of up to four available Drive Modes to handle the unexpected conditions that might stand between you and Cloud 9.

### Four Drive Modes — countless possibilities

**Snow Mode** Snow on the horizon? Kicks has an available Snow Mode to help. This advanced system helps give confidence at every turn. Engineered to help you make fresh tracks, it knows to back off the throttle and shift to a higher gear ratio, helping you stay in control.<sup>6</sup>

**Sport Mode** For some people, driving is a sport. In Kicks, let it be yours. Give Sport Mode a try for higher revs and a tighter feel that can still get you straight to the finish line.

**Eco Mode** Running low on fuel? Switch it to Eco Mode, and the engine adjusts acceleration and throttle response to increase fuel economy.<sup>3</sup>

**Normal Mode** Your daily commute is made easier with Normal Mode. It has the power and agility you need to easily handle city streets and narrow alleys and brave even the worst congestion.

Up to  
**35**  
hwy mpg<sup>3</sup>

Up to  
**141**  
horsepower

Up to  
**140**  
lb-ft of torque

Nissan Kicks® SR AWD shown in Two-tone Yuzu Yellow Metallic/Super Black with optional equipment and Genuine Nissan Accessories!

### The streets are about to get safer

Consider Kicks® your neighborhood superhero. Nissan Safety Shield® 360 comes standard and includes six features that monitor in front of you, behind you, and on either side and can step in to help keep you safe.<sup>9, 10</sup>

Automatic Emergency Braking with Pedestrian Detection<sup>11</sup>

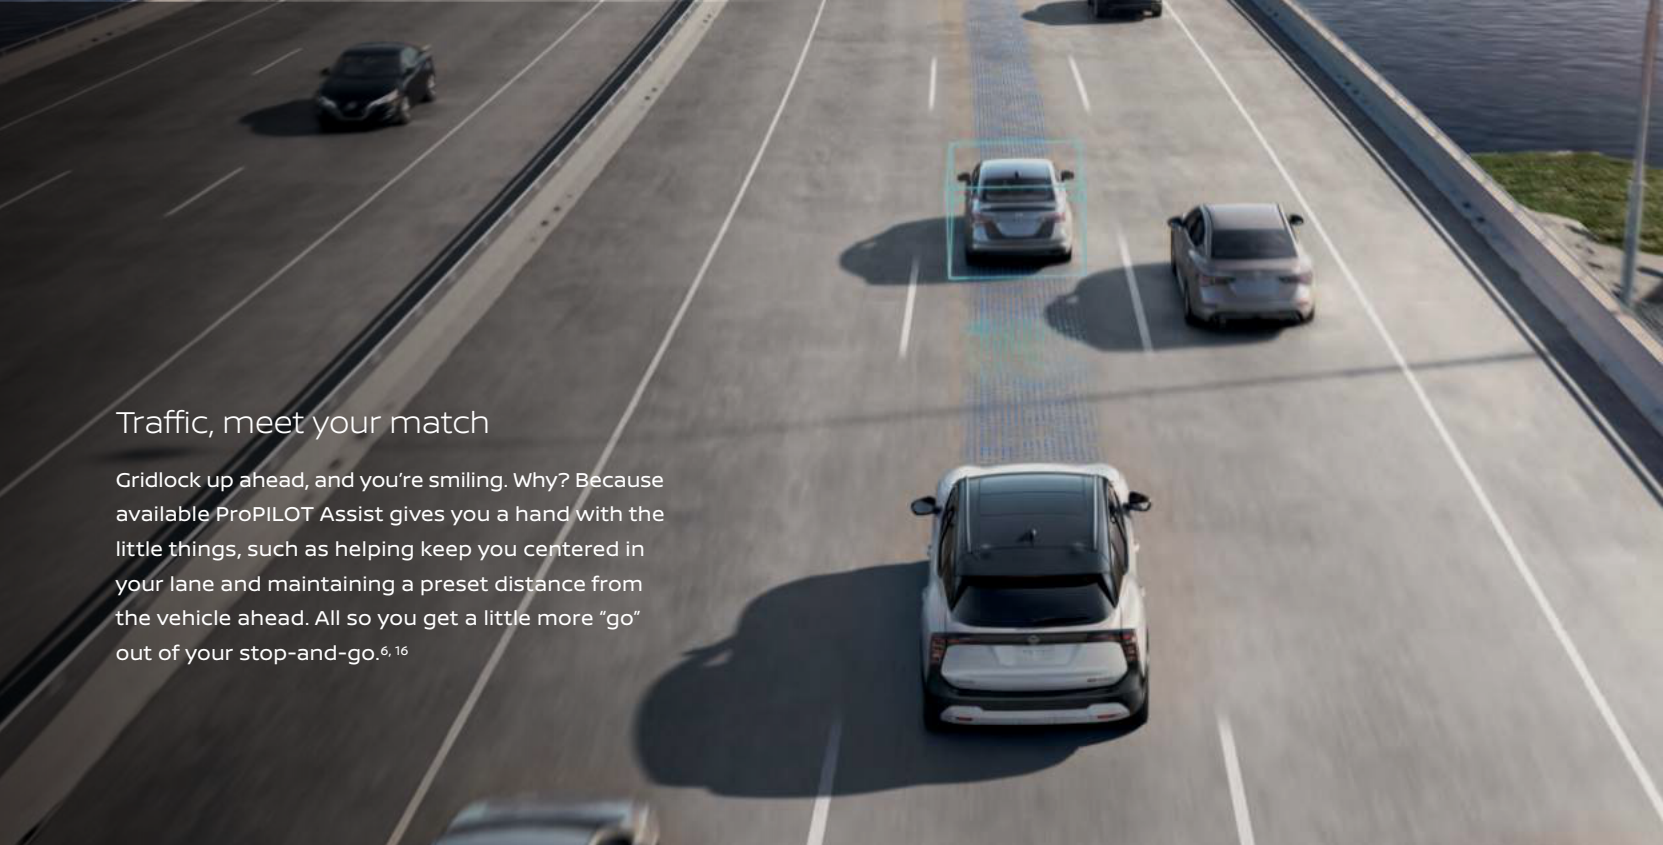

Rear Automatic Braking<sup>12</sup>

Blind Spot Warning<sup>13</sup>

Rear Cross Traffic Alert<sup>14</sup>

Lane Departure Warning<sup>15</sup>

High Beam Assist

### Traffic, meet your match

Gridlock up ahead, and you're smiling. Why? Because available ProPILOT Assist gives you a hand with the little things, such as helping keep you centered in your lane and maintaining a preset distance from the vehicle ahead. All so you get a little more "go" out of your stop-and-go.<sup>6, 16</sup>

### See the big picture

There's no view more comprehensive than a 360° view. And Kicks has it with the available Intelligent Around View® Monitor. It makes parking easier by giving you a virtual composite 360° birds-eye view of your ride. Select from split-screen close-ups of the front, rear, and curbside views to get the best fit possible.<sup>6, 17, 18</sup>

Pre-production model shown. Actual production model may vary. <sup>1</sup>Extra cost option. <sup>2</sup>Intelligent All-Wheel Drive cannot prevent collisions or provide enhanced traction in all conditions. Always monitor traffic and weather conditions. <sup>3</sup>Fuel economy based on targeted 2025 EPA fuel economy estimates for 2025 Kicks® - EPA data not available at time of publication. Targeted 2025 fuel economy 28 City MPG / 35 Highway MPG / 31 Combined MPG for Kicks FWD models. 27 City MPG / 34 Highway MPG / 30 Combined MPG for Kicks AWD models. Estimates based on Nissan internal testing results, subject to EPA confirmation. Actual mileage may vary with driving conditions. Use for comparison only. <sup>4</sup>Use only when safe and legal. Subject to third party service availability. For more information see [NissanUSA.com/connect/legal](https://www.nissanusa.com/connect/legal). <sup>5</sup>Information displayed is dependent on how vehicle is equipped. Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. <sup>6</sup>Features not equipped on all vehicles. <sup>7</sup>Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. External device not included. <sup>8</sup>Remote Engine Start System to be used only in accordance with laws or rules in effect in your vehicle's location. <sup>9</sup>Nissan Safety Shield technologies can't prevent all collisions or warn in all situations. See Owner's Manual for important safety information. <sup>10</sup>Availability of features vary by vehicle model year, model, trim level, packaging, and options. Please see Owner's Manual for important feature information. <sup>11</sup>Automatic Emergency Braking with Pedestrian Detection cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. <sup>12</sup>Rear Automatic Braking cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should always turn and check surroundings before driving and brake as needed to prevent collisions. See Owner's Manual for safety information. <sup>13</sup>Blind Spot Warning and Intelligent Blind Spot Intervention cannot prevent all collisions and may not detect every object or warn in all situations. Driver should always turn and look before changing lanes. See Owner's Manual for safety information. <sup>14</sup>Rear Cross Traffic Alert may not detect all vehicles. See Owner's Manual for safety information. <sup>15</sup>Lane Departure Warning and Intelligent Lane Intervention only operate when lane markings or road edge (if equipped) are detectable. See Owner's Manual for safety information. <sup>16</sup>ProPILOT Assist cannot prevent collisions. It is the driver's responsibility to be in control of the vehicle at all times. Always monitor traffic conditions and keep both hands on the steering wheel. System operates only when lane markings are detected. Does not function in all weather, traffic and road conditions. System has limited control capability and the driver may need to steer, brake or accelerate at any time to maintain safety. See Owner's Manual for safety information. <sup>17</sup>HD Intelligent Around View® Monitor cannot eliminate blind spots and may not detect every object. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information. <sup>18</sup>Virtual composite 360° view. <sup>19</sup>Intelligent Cruise Control uses limited braking and is not a collision avoidance or warning system. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. <sup>20</sup>Sonar System may not detect every object. Driver should always check surroundings before driving. See Owner's Manual for safety information. <sup>21</sup>Intelligent Driver Alertness cannot provide a warning in every situation. See Owner's Manual for safety information. <sup>22</sup>AWD models only. <sup>23</sup>Rear Door Alert System does not detect people or cargo. Always check rear seat before exiting. See Owner's Manual for safety information. <sup>24</sup>Traffic Sign Recognition may not detect and read all traffic signs in all conditions. Driver should monitor all traffic signs and obey all traffic laws. See Owner's Manual for details. <sup>25</sup>Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. <sup>26</sup>Air bags are only a supplemental restraint system. Always wear your seat belt. Rear-facing child restraints should not be placed in the front-passenger's seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents. See Owner's Manual for safety information. <sup>27</sup>For complete information concerning warranty coverage, conditions, limitations, and exclusions, see your Nissan dealer, [parts.NissanUSA.com](https://www.parts.nissanusa.com), and read your vehicle's Warranty Information Booklet. <sup>28</sup>Accessories shown are not genuine Nissan parts/accessories. Not warranted by Nissan. Refer to product manufacturer for warranty details. Nissan limited warranty does not cover damages or failures to the vehicle caused by improper installation or alterations of any accessory or component. Contact your dealer for details. <sup>29</sup>Genuine Nissan Accessory Roof Rail Crossbars have a maximum weight limit of 100 lbs. <sup>30</sup>Compatible smartphone and vehicle remote engine start system required. Virtual Key to be used only in accordance with laws or rules in effect in your vehicle's location. Actual maximum distance for operation will vary depending on obstructions between compatible device and vehicle. <sup>31</sup>Vehicle shown is for illustrative purposes only. Not representative of brochure's model year/model. <sup>32</sup>Dual Camera Drive Recorder to be used only in accordance with any laws or rules in effect in your vehicle's location that may apply to audio or video recordings of drivers and passengers. <sup>33</sup>It is not recommended to run vehicle through a car wash with this item installed. <sup>34</sup>Brake Assist cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. <sup>35</sup>Vehicle Dynamic Control cannot prevent collisions due to abrupt steering, carelessness, or dangerous driving techniques. It should remain on when driving, except when freeing the vehicle from mud or snow. See Owner's Manual for safety information. <sup>36</sup>Driving is serious business and requires your full attention. Do not operate any devices connected to the power outlets while driving. <sup>37</sup>Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. See Owner's Manual for safety information. <sup>38</sup>Vehicle must be on for the Easy-Fill Tire Alert to operate. <sup>39</sup>Roadside assistance coverage period varies by model year/model. For complete information concerning warranty coverage, conditions and exclusions, see your Nissan dealer and read the warranty information booklet for the model year/model. Android and Android Auto are trademarks of Google LLC. Compatible Android phone and compatible active data plan required. Wireless use of Android Auto requires a compatible Android 11.0+ phone and compatible active data plan.
