AMERICA'S BEST COMMERCIAL VAN LIMITED WARRANTY
5-YEARS/100,000 MILES¹

Going above and beyond is the Nissan way. After passing all of the brutal quality and durability testing we can think of, we're sure you'll have a van you can count on. To prove our confidence and our commitment, we are pleased to introduce America's Best Commercial Van Limited Warranty. A full bumper-to-bumper limited warranty for 5 years or 100,000 miles, whichever comes first. And that means we've got your back, so you can keep moving forward. For more details of the limited warranty, please go to NissanCommercialVehicles.com or ask your Nissan Business Certified Dealer.¹

¹Claim based on years/mileage (whichever occurs first) covered under the 2015 New Vehicle Limited Warranty basic coverage. Comparison based on *Ward's* Light Vehicle Segmentation. 2015 Nissan NV200[®] Compact Cargo versus 2014 Small Van Class. Comparison based on publicly available information on manufacturers' website. Nissan's New Vehicle Limited Warranty basic coverage excludes tires, powertrain coverage, corrosion coverage and federal and California emission performance and defect coverage (applicable coverage is provided under other separate warranties). The powertrain coverage is 5 years or 100,000 miles (whichever occurs first). Other general exclusions and terms and conditions also apply. For complete information concerning coverage, conditions and exclusions, see your Nissan dealer and read the actual New Vehicle Limited Warranty booklet.

HEAT CHAMBER

WAGON TRACK

HIGH-SPEED OVAL

BELGIAN BLOCK

The Nissan Arizona Testing Center. Think your drive is tough? Welcome to one of the most challenging places on earth. We test day and night, in scorching heat, freezing cold, on high-speed ovals and in torturous road conditions. But the results are worth it – the most rugged commercial vans you can buy.

Click here to see how far we go to create a vehicle you can trust. Or go to bit.ly/cargodqr

SALT SPRAY TUNNEL

FIXED STONE

OVER 530000¹ MILES AND 6,600 QUALITY AND DURABILITY TESTS.

ONE UNSHAKABLE COMMITMENT. Fanatical? Maybe. But when it comes to making the toughest commercial vans you can buy, we go the extra distance for you, and it's no Sunday drive. We simulate years of corrosion where we soak a vehicle with salt, bake it, and pound it around a test track. We wreak havoc with suspension and body components by driving through potholes, dips and over 4 x 4 beams. Special chambers crank up the heat to 140 degrees and humidity to 95% to break down seals and age interiors.

We even have machines that can simulate nearly any road in the world, and we run our vehicles on them non-stop for 12 hours, 24 hours, or even more. Do we really need to go to such extremes, just to make a Nissan Commercial Van the best you've ever owned? Yes, because every day, you depend on it to do your job. That's the motivation for us to do ours.

NV200® COMPACT CARGO.
READY FOR BIG JOBS AND SMALL PARKING SPACES.

With the Nissan NV200® Compact Cargo, you've got the right-size commercial vehicle for your business. It's got over 122 cubic feet of cargo space that's easily accessed by wide-opening 40/60 rear doors and a sliding door on each side. You can even fit a 40" x 48" pallet.¹ The cabin offers impressive comfort and security, with loads of thoughtful features that make it a convenient mobile office. It's the perfect size for getting around even the most crowded cities and fitting into tight parking spots and low garages, while its impressive 25 MPG combined² and advanced CVT transmission help deliver a low cost of ownership. Nissan NV200® Compact Cargo.

¹Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. ²2015 EPA Fuel Economy Estimate 25 MPG combined. Actual mileage may vary with driving conditions — use for comparison only.

One conveniently small step for man. It doesn't take a rocket scientist to figure that easy access to a van's cargo area is vital for a commercial vehicle. That's why the NV200[®] Compact Cargo features two easy-sliding side doors with low step-in heights and an innovative 40/60 split rear door. And with the available Rear Sonar System helping you get close to the curb or loading bay, you can work smarter while maximizing cargo efficiency out of every trip.^{1,2}

¹The Sonar System is a convenience, not a substitute for proper parking and/or backing procedures. Always check that it is safe to do so before moving vehicle. May not detect every object. ²Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle.

NISSAN UPFIT ENGINEERING INNOVATION THAT YOU CAN BUILD ON.

With Nissan Upfit Engineering, NV200® Compact Cargo has been designed to let you create a commercial vehicle that is small on the outside, but creates lots of room on the inside. From flat wheel wells to a fold-down passenger seat, every available inch is ready to work – it can easily carry a 40" x 48" pallet. And with integrated reinforced cargo-mounting points and integrated roof-mounting points, the NV200® Compact Cargo is an upfitter-friendly base to build your business on.¹

Fold-down passenger seat helps make room for long items.¹

Integrated reinforced cargo-mounting points allow cargo racks, partitions and bins to be securely mounted, resisting loosening and tearing away from the interior wall.¹

Integrated roof rack-mounting points help secure racks and reduce likelihood of rusting caused by drilling into sheet metal.¹

To learn more about available upfits see page 13.

122 CU. FT.
Cargo Capacity¹

Six integrated exterior roof rack-mounting points

20 Integrated reinforced cargo-mounting points

Room for a 40" x 48" pallet

¹Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle.

READY FOR BUSINESS,

WHATEVER IT MAY BE.

A lot of thought went into making NV200[®] Compact Cargo accessible, no matter what you need to bring along. The rear suspension was specially designed to minimize intrusion into the cargo area. Open the rear doors, and you'll find squared-off corners that provide easier access when loading with a forklift. And when you're the forklift, the exceptionally low cargo floor is a real back-saver when loading and unloading heavy items.¹

¹Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle.

122 CUBIC FEET OF STRENGTH, CAPABILITY AND INNOVATION!¹

The more your commercial vehicle can carry, the more efficient and productive each trip can be. So whether it's bulky items, numerous smaller ones, oversized items or heavy ones, NV200[®] Compact Cargo has been engineered to help you get the most out of every trip!

A. 6 Folding tie-downs – Make securing packages a cinch and are rated up to 1,124 lbs. They even fold flat and out of the way when not in use.

B. Flat wheel wells – Help you use every inch of available space, a real help when stacking things in the back.

C. 180° 40/60 split rear doors – Many delivery drivers prefer to use just one door, so the right side is larger for easier access. The shorter left side door intrudes less into traffic when it is open.

¹Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle.

SAVES DOLLARS. TURNS ON A DIME.

With NV200® Compact Cargo's 2.0-L 4-cylinder and efficient Xtronic CVT® transmission, you get a smooth and powerful drive while keeping a watchful eye on the bottom line, with an impressive combined rating of 25 MPG.¹ Add in responsive handling and excellent outward visibility, and NV200® Compact Cargo is as good at maneuvering in crowded urban environments as it is at avoiding big fuel bills.

36.7' TURNING DIAMETER

NV200's incredibly tight turning diameter helps you negotiate narrow streets and tight parking structures, while letting you place the vehicle as close as possible to your drop-off locations.

**FITS WHERE
YOU GO.**

With a small overall footprint, NV200® Compact Cargo easily negotiates tight parking structures and narrow city streets. Inside, it's an efficiency expert, with smart storage helping to keep you organized, and clutter to a minimum.

**FITS WHAT
YOU NEED.**

Fold-down passenger seat

Flexible center console

Wear-resistant patches

Deep cup holders

Under-seat sliding drawer

Recessed dashboard tray

UPWARDLY MOBILE OFFICE.

Thoughtful design of NV200[®] Compact Cargo's cabin makes it a better space for drivers and a smarter place to work. The driver sits high, with excellent outside visibility. And when it's time to get down to business, the NV200[®] Compact Cargo converts easily into your mobile office. The fold-down passenger seat creates a work desk, while smart storage and power outlets are all within easy reach. To help you work efficiently on the road, the available Technology Package features a convenient RearView Monitor,¹ NissanConnectSM with Navigation and Mobile Apps,^{2,3} and a suite of high-tech features easily accessed through a 5.8" touch-screen.

¹Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle.
²Driving is serious business. Only use NissanConnectSM services when safe to do so. Subscription Agreement required. Compatible smartphone required. Not all app features are available for all models. Some apps have late availability. May require dealer service visit or software upgrade to activate. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. Cellular network not available in all areas. Cellular network, apps, and services, including Google[®] services, are provided by independent companies not within Nissan's control and may require subscription and owner consent to activate. Should provider terminate/restrict service, service may be terminated without notice or liability to Nissan and/or its agents. Nissan not responsible for any equipment or app replacement/upgrades, or associated costs, that may be required for continued operation. Terms and conditions of Subscription Agreement apply. 36-month trial period starts on vehicle sale date; subsequently a paid subscription is required at the then current rate (excludes Pandora[®]). Standard text rates and/or data usage may apply. See retailer and check NissanUSA.com/connect for details. ³Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status.

BECAUSE BUSINESS IS ALL ABOUT CONNECTIONS.

Never miss a beat with the available Technology Package. Featuring NissanConnectSM with Mobile Apps,¹ you've got a suite of high-tech features to help you keep you in business, easily accessed through a 5.8" touch-screen with voice recognition. The package also includes the advanced Nissan Navigation System,² hands-free text messaging assistant,³ Bluetooth[®] hands-free calling and a convenient RearView Monitor.^{4,5}

TAKE THE NEXT STEP

One of the most attractive features about NV200® Compact Cargo is its ability to fit the needs of your business. Simply click on the links below and you can design a vehicle – inside and out – that's perfect for you. Upfits are available exclusively through your Business Certified Dealer.

Build and price your own upfit package. Design a space that makes sense for your day-to-day business. Go to nissancommercialvehicles.com, and you can browse partitions, shelving units, and accessories, and start building from the floor up.

Visualize your logo on an NV200® Compact Cargo. Ready to put your advertising strategy on wheels? Go to nissancommercialvehicles.com, and see how great your new vehicle looks with your logo.

WHAT IS A BUSINESS CERTIFIED DEALER?

It's a Nissan Commercial Dealer that specializes in selling and servicing the entire NV lineup.

Only Business Certified Dealers offer exclusive commercial incentive packages, while providing dedicated Commercial Vehicles Account Managers and Priority Service.

We offer complimentary upfit packages as part of our exclusive commercial incentive program. We also offer Commercial Lending Programs, and much more.

Here are just some of the key benefits you will discover when using a Business Certified Dealer:

- Complimentary shuttle service
- Available Demonstrator Vehicles
- Mailings with notice of special offers and incentives
- Access to Commercial Vehicles inventory
- Commercial service advisors to get you on the road quickly and minimize downtime
- Qualifying customers will receive support from the Commercial Upfit Incentive Program, and will be able to choose from the following complimentary options: cargo management equipment, graphics packages, or cash back – offers vary by model:

NV® Cargo = 5 options to choose from²
 NV® Passenger = 2 options to choose from²
 NV200® Compact Cargo = 5 options to choose from²

▪ Priority Service with Next Available Bay and Next Available Technician

▪ Special Commercial Lending programs, including available lines of credit

▪ Dedicated Commercial Vehicles Account Manager to handle commercial customer transactions at your location

▪ Fleet Pricing available for qualified accounts

▪ 24-hour towing with Roadside Assistance, including Trip Interruption reimbursement on select models¹

▪ A commercial sales and service experience that fits your schedule

CUSTOMER COMMITMENT

Your vehicle is more than just basic transportation, it's what makes your business run efficiently. At Nissan Commercial Vehicles, we understand our part in making your business run cost-effectively. That's why we've partnered with our commercial certified parts and service dealers to ensure we are there for you when you need us. As part of our parts and service commitment to you, you will experience the following at every Nissan dealer:

Roadside Assistance and Trip Interruption. Our commercial vehicles come with the confidence of Roadside Assistance, offering lockout support, towing services, emergency fuel delivery, tire changes and dead-battery jump-start service. Our Trip Interruption benefits offer assistance if your vehicle becomes disabled more than 100 miles from your company's location.¹

Service and maintenance plans. Developed specifically for Nissan Commercial Vehicles and backed by Nissan, a wide variety of service plans are available to you, including high-mileage options. Your authorized Nissan dealer has all the details, and will be glad to help you find the plan that best fits your business needs.

We've got you covered. The NV200® Compact Cargo is covered by a 5-year/100,000 mile (whichever occurs first) bumper-to-bumper limited warranty. Nissan's New Vehicle Limited Warranty basic coverage excludes tires, powertrain coverage, corrosion coverage and federal and California emission performance and defect coverage (applicable coverage is provided under other separate warranties). The powertrain coverage is 5 years or 100,000 miles (whichever occurs first). Other general exclusions and terms and conditions also apply. For complete information concerning coverage, conditions and exclusions, see your Nissan dealer and read the actual New Vehicle Limited Warranty booklet.

¹Roadside Assistance and Trip Interruption available during the first four years after initial new vehicle delivery. Restrictions apply. See Owner's Manual for details. ²Customer can choose from additional upgrade options, with a participation fee. At NissanUSA.com, you'll find virtual product demonstrations, a way to "build your own Nissan," a dealer locator, and more information about key Nissan support services. Or if you'd prefer, call **1-800-NISSAN-3** for answers to specific questions about NV200® Compact Cargo or any other Nissan vehicle. The Nissan names, logos, product names, feature names, and slogans are trademarks owned by or licensed to Nissan Motor Co. Ltd. and/or its North American subsidiaries. **Always wear your seat belt, and please don't drink and drive.** ©2014 Nissan North America, Inc.
