

2024 WRX

The Subaru WRX. The rally legend for the next generation.

How do you spell victory with three letters?

WRX—it's the street car shaped by motorsports. After 16 United States national rally championship titles,¹ this all-wheel drive legend is sharper than ever—but you could probably guess just from the sound of its turbocharged SUBARU BOXER® engine. So experience the WRX for yourself. Then you'll truly know what it's all about.

Quick

With its 2.4-liter turbocharged SUBARU BOXER engine and broad torque curve, the WRX puts power right where you need it. No matter how you shift, the connection is immediate, thanks to a six-speed close-ratio manual transmission or the available Subaru Performance Transmission with paddle shifters.²

Responsive

The WRX delivers more of what it's already built its name on: precision and control. Its point-and-shoot 13.5:1 dual-pinion steering system works in unison with standard Subaru Symmetrical All-Wheel Drive to make maneuvers feel intuitive.

Fine-tuned

Meticulous engineering went into honing the WRX. It's built on the latest Subaru Global Platform, which now offers an even stiffer chassis to enhance both handling and safety. This is paired with a track-tuned suspension to deliver stability and confidence.

¹ Subaru Motorsports USA has won overall Rally America and American Rally Association (ARA) championship titles 16 times between 2006-2023. ² Availability varies by trim level. See your Subaru retailer for details.

Two ways to satisfy that
performance obsession.

WRX GT in Magnetite Gray Metallic.

WRX GT

Push your custom-tailored experience even further with the WRX GT. With its exclusive Drive Mode Select feature, you can personalize the dynamics of your drive by choosing from four preset options—or go rogue in Individual Mode. Precision and performance are heightened by electronically controlled dampers and the Subaru Performance Transmission, which is engineered to upshift and downshift with immediacy. You’d be on the edge of your seat, but Recaro® front seats have you locked in place.

Subaru Performance Transmission

18-inch Aluminum-alloy Wheels

WRX TR in Ignition Red.

Brembo® Performance Brakes

Recaro® Front Seats

WRX TR

It’s the WRX in its purest form, and you can only get it with a manual transmission. The WRX TR is designed for ultimate performance with 19-inch wheels, an updated suspension with stiffer springs and retuned dampers, and less excess weight all around. Authoritative braking power is delivered by Brembo® six-piston front and two-piston rear monoblock calipers and cross-drilled rotors. Strap into the Recaro® seats and get to know the true spirit of the WRX.

WRX Limited with Black Ultrasuede®.

60/40-split Flat-folding Rear Seatback

Wireless Apple CarPlay®

Leather-wrapped D-shaped Steering Wheel

Interior Comfort

WRX GT with Black Ultrasuede®.

Where you and performance **connect.**

It's comfortable, but it also gets your heart pumping. Inside the WRX, every detail caters to the driver's intuition—from the placement of the controls and D-shaped steering wheel to the available Black Ultrasuede® seats.¹ Connectivity and engagement are seamless, thanks to standard SUBARU STARLINK® Multimedia now with wireless Apple CarPlay® and Android Auto™ integration, along with a standard 11.6-inch touchscreen. Ease and versatility extend beyond the driver's seat—a spacious trunk and 60/40-split flat-folding rear seatback make the WRX capable of much more than weekend joy rides.

¹ Availability varies by trim level. See your Subaru retailer for details.

A high-angle, rear-quarter view of a dark gray Subaru WRX driving on a two-lane asphalt road that curves through a dry, hilly landscape. The car is positioned on the right side of the road, moving away from the viewer. The background shows rolling hills with sparse vegetation under a clear sky. The car's rear features, including the spoiler, taillights, and dual exhaust tips, are clearly visible. The license plate reads 'EBP 711'.

Precision. An approach and outcome.

Down to its core, the WRX is engineered to perform. It's built on the Subaru Global Platform, which provides high torsional and suspension mounting rigidity and is now stiffer for even tighter handling. Delivering blazingly fast upshifts and downshifts, the Subaru Performance Transmission¹ uses shift logic to downshift before a turn, hold a gear through the turn and upshift at precisely the right moment—all automatically. Even the rally-inspired styling of the WRX is functional, with its air vents, cladding texture and underbody covers all helping to improve aerodynamics.

¹ Availability varies by trim level. See your Subaru retailer for details.

2024 WRX | Trim Levels

WRX

- 271-hp twin-scroll turbocharged 2.4-liter 4-cylinder SUBARU BOXER engine
- Subaru Symmetrical All-Wheel Drive
- 6-speed manual transmission with Incline Start Assist
- Sport-tuned suspension
- 17-inch aluminum-alloy wheels with gray finish
- Auto-on/off LED headlights with High Beam Assist
- LED taillights
- Front and rear under spoilers
- Rear bumper with integrated diffuser
- Exhaust system with quad stainless-steel outlets
- Fixed roof crossbar mounting points
- Black cloth upholstery
- Performance-design front seats with red stitching
- 60/40-split flat-folding rear seatback
- Leather-wrapped D-shaped steering wheel
- Tilt/telescoping steering column
- SUBARU STARLINK 11.6-inch Multimedia Plus with wireless Apple CarPlay® and Android Auto™ integration, and 6 speakers
- Leather-wrapped shifter handle
- Front USB-A and USB-C input ports and audio jack
- Dual cup holders in center console
- Dual-zone automatic climate control system
- STARLINK® Safety and Security enabled¹
- Driver and front-passenger auto-up/down power windows
- EyeSight Driver Assist Technology²: Pre-Collision Braking System, Lane Departure and Sway Warning with Lane Departure Prevention, Advanced Adaptive Cruise Control with Lane Centering
- 7 airbags (SRS): dual-stage deployment driver and front-passenger, driver's knee, front and rear outboard occupant side curtain, and seat-mounted front side impact³
- Whiplash-reducing front seats with height-adjustable head restraints
- Front/rear passenger seatbelt warning light/chime, rear-seat reminder and child-safety rear door locks
- LATCH system: Lower Anchors and Tethers for CHildren
- Rear-Vision Camera

WRX Premium

- Includes WRX key features and adds:**
- 18-inch aluminum-alloy wheels with dark gray finish
 - Low-profile trunk spoiler
 - LED fog lights
 - Premium black cloth upholstery
 - Keyless Access with Push-Button Start
 - All-Weather Package: Includes heated exterior mirrors, 3-mode heated front seats and windshield wiper de-icer
 - Rear USB-A and USB-C charge ports
 - Rear center armrest with dual cup holders
 - Auto-up/down front and rear windows

Optional Packages

- Option Package (12): • Harman Kardon® 504-watt-equivalent premium audio system with 11 speakers • Power moonroof

- Option Package (13): • Subaru Performance Transmission with paddle shifters and 8-speed manual mode and SI-DRIVE® • Transmission oil cooler • EyeSight Driver Assist Technology with Pre-Collision Throttle Management²

WRX Limited

- Includes WRX Premium key features and adds:**
- Auto-on/off LED Steering Responsive Headlights
 - Body-colored exterior mirrors with integrated turn signals
 - Black Ultrasuede® upholstery
 - 10-way power-adjustable driver seat
 - Power moonroof
 - SUBARU STARLINK 11.6-inch Multimedia Navigation
 - Blind-Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert⁴
 - EyeSight Driver Assist Technology with Automatic Emergency Steering²
 - Harman Kardon® 504-watt-equivalent premium audio system with 11 speakers

Optional Package

- Option Package (23): • Subaru Performance Transmission with paddle shifters, 8-speed manual mode and SI-DRIVE • Transmission oil cooler • EyeSight Driver Assist Technology with Pre-Collision Throttle Management² • Reverse Automatic Braking⁵

WRX TR

- Includes WRX Limited key features and adds:**
- TR sport-tuned suspension with performance-tuned spring rates and dampers
 - 19-inch aluminum-alloy wheels with satin gray finish
 - Brembo® performance braking system
 - 8-way power-adjustable driver seat
 - Recaro® performance-design front seats with red stitching
 - Power moonroof delete

WRX GT

- Includes WRX Limited key features and adds:**
- Subaru Performance Transmission with paddle shifters, 8-speed manual mode and SI-Drive
 - Transmission oil cooler
 - 18-inch aluminum-alloy wheels with matte gray finish
 - Electronically controlled dampers
 - Drive Mode Select
 - EyeSight Driver Assist Technology with Pre-Collision Throttle Management²
 - Reverse Automatic Braking⁵
 - 8-way power-adjustable driver seat
 - Recaro® performance-design front seats with red stitching

Information current at time of printing.

Visit www.subaru.com for the most up-to-date product information.

An extra set of eyes every time you drive.

Every WRX now includes Subaru EyeSight Driver Assist Technology,² a suite of systems designed to watch the road, alert you and even intervene if necessary. EyeSight includes Advanced Adaptive Cruise Control with Lane Centering, Pre-Collision Braking, Lane Departure and Sway Warning, plus available Automatic Emergency Steering.⁶ Pre-Collision Throttle Management—another feature of EyeSight—comes standard on all WRX vehicles with the Subaru Performance Transmission.

WRX GT in Sapphire Blue Pearl.

Subaru is rated #1 in product quality for three years running.⁷

16 Overall United States Rally Championship Titles.⁸

The Subaru WRX has the Highest Retained Value, according to IntelliChoice.⁹

94% of Subaru WRX vehicles sold in the last 10 years are still on the road today.¹⁰

2024 WRX | Specifications

Engine and Drivetrain		WRX	WRX TR	WRX GT
Engine Power Torque	2.4-liter DOHC Direct Injection Turbocharged (DIT), intercooled, aluminum-alloy 16-valve 4-cylinder horizontally opposed SUBARU BOXER engine with Dual Active Valve Control System (DAVCS). 271 hp @ 5,600 rpm 258 lb-ft @ 2,000–5,200 rpm.	●	●	●
Intake System	Twin-scroll turbocharger with intercooler. Maximum boost pressure: 12.0 psi.	●	●	●
SI-DRIVE Engine Performance Management System	Subaru Intelligent Drive (SI-DRIVE) enables three distinctively different modes of vehicle performance characteristics by regulating the engine control unit (ECU), fine-tuning the electronically controlled throttle and adjusting the Subaru Performance Transmission shift characteristics.	○ ¹¹	—	—
Drive Mode Select	Drive Mode Select on the WRX GT allows the driver to manage the operating characteristics of the vehicle by selecting one of four preset modes or a customizable Individual Mode that adjusts the behavior of the engine management, steering, suspension, All-Wheel Drive, EyeSight ² and climate controls.	—	—	●
Transmission	Fully synchronized 6-speed manual with Incline Start Assist.	●	●	—
	Subaru Performance Transmission with 8-speed manual mode, paddle shifters and Auto Vehicle Hold (AVH).	○ ¹¹	—	●
Traction and Stability				
All-Wheel Drive Type	Subaru Symmetrical All-Wheel Drive	●	●	●
Active Torque Vectoring	Active Torque Vectoring works in tandem with Vehicle Dynamics Control to apply braking power to the inside wheels, resulting in better handling, sharper turn-in, more neutral steering and higher cornering limits when turning.	●	●	●
Fuel				
Fuel Economy	Manual transmission: city/highway/combined ¹²	19/26/22 mpg	19/26/22 mpg	—

WRX | Accessories

Ultrasuede® Center Console Lid. Add a sporty look and a soft texture and feel to the center console. The Ultrasuede® Center Console Lid includes red stitching accents to complement the interior of your WRX.

Exhaust Finisher. Precision-formed stainless steel trim pieces add a serious performance look to the rear of the WRX.

Ultrasuede® Instrument Panels. Stylish and durable Ultrasuede® Instrument Panels add a rich, textured appearance to the front dash. The panels are engineered for a precise fit around the dash vents and are finished with red stitching to complement the interior of your WRX.

LED Grille Emblem. Add an illuminated enhancement to the front grille of your WRX. This decorative accessory accentuates the Subaru emblem by adding a touch of soft white LED lighting. Illumination is activated when the vehicle is started and remains on while the vehicle is running.

Thule® Bike Carrier – Roof-Mounted. Manufactured by Thule®, this bike carrier features self-adjusting jaws that automatically wrap around the downtube for precise frame hold and ratcheting straps that secure the front and rear wheels. Adjustable mounting clamps make it easy to install and switch between multiple (compatible) vehicles. Fits most 20" to 29" wheel bikes with tires up to 2.6" wide. Includes one lock to securely lock the bike to the carrier.

Crossbar Set required. Consult vehicle Owner's Manual for total roof load limit.

Crossbar Set – Fixed. Increase your vehicle's cargo-carrying capabilities by adding a crossbar set. These fixed-style crossbars can be installed or removed in minutes. May be used in conjunction with Genuine Subaru roof attachments and carriers. Total roof load weight limit of 88 lbs. Consult vehicle Owner's Manual for total roof load limit.

STI Under Spoiler – Side. Give your vehicle a ground-hugging look down the rocker panels of the WRX. Kit includes both left and right side under spoilers. Includes STI logo.

Body Side Molding. Attractive, color-matched moldings coordinate with the styling of the vehicle while helping to protect doors from unsightly dings.

Cargo Net. Neatly holds cargo and prevents it from sliding while the vehicle is in motion.

Vortex Generator. Add a stylish look of performance to your WRX.

Thule® Cargo Carrier. Manufactured by Thule®, the roof Cargo Carrier provides 13 cubic feet of lockable storage capacity and features a dual-side opening for easier loading and unloading from either side of the vehicle. The low-profile aerodynamic design provides increased garage access without sacrificing box capacity, and the Quick-Grip® mounting system allows for an easy, tool-free installation and removal. Measures 65" L x 34.5" W x 16" H.

Crossbar Set required. Consult vehicle Owner's Manual for total roof load limit.

Thule® Kayak Carrier. Manufactured by Thule®, the steel design and adjustable padding helps protect your kayak, and the wide-mouth profile offers easier loading and unloading. The J-style carrier folds down when not in use for increased overhead clearance and improved fuel economy. Cradles and securely transports one kayak up to 36" wide and up to 75 lbs. Includes straps and tie-downs for transporting.

Crossbar Set required. Consult vehicle Owner's Manual for total roof load limit.

All-Weather Floor Liners. Custom-fitted, high-wall-design floor liners help protect the vehicle carpet from accidental spills, sand, snow, mud, dirt and moisture.

Not intended for use on top of Carpeted Floor Mats.

Sport Grille. Create a custom look for the front end of your WRX by replacing the stock factory grille with an accessory Sport Grille.

Thule® Paddleboard Carrier. Manufactured by Thule®, the telescoping design of this stand-up paddleboard (SUP) carrier provides a custom fit for boards up to 34" wide and can hold up to two boards. Heavy-duty, steel-reinforced webbing provides security, while the soft, weather-resistant padding helps to protect your boards during transit.

Crossbar Set required. Consult vehicle Owner's Manual for total roof load limit.

Thule® Heavy-Duty Cargo Basket. Manufactured by Thule®, the Heavy-Duty Cargo Basket provides additional storage space with easy access to gear of all shapes and sizes. The low-profile design and tapered side walls allow for easy loading and unloading. Includes a black stretch net with hooks and custom fairing to help deflect wind. Measures 50.25" L x 41" W x 6" H.

Crossbar Set required. Consult vehicle Owner's Manual for total roof load limit.

Side Sill Plates – Illuminated. Illuminated side sill plates feature the WRX logo in bright white lighting and add an attractive accent to the doorframe. Lighting is activated when the door is opened and turns off when the door is closed. Engineered to stand up to everyday wear and tear to keep your doorframe safe from scratches and scuffs.

STI Starter Switch. Upgrade the stock push start button with the STI Starter Switch. The cherry red button with the STI logo in the center gives the interior of your WRX a sporty appearance.

Take your WRX to the next level.

Customize and personalize with a wide range of functional and stylistic accessories developed in part by Subaru Technica International. Each is designed specifically for the WRX and crafted for optimal performance.

WRX Limited in Solar Orange Pearl with accessory STI Under Spoiler – Front, STI Under Spoiler – Rear Quarter, Vortex Generator and STI Performance Exhaust.

Protecting Your Investment

Once you're part of our family, we'll be there for you. Every Subaru comes with 24-hour roadside assistance for 3 years or 36,000 miles. And to protect you over the long haul, we offer Added Security®, which helps protect your car for up to 10 years or 100,000 miles with extended service agreements and maintenance plans backed by Subaru. And because we've been backing them for more than 30 years, they're agreements you can trust. Your retailer has full coverage details.

More Than a Car Company®.

For us, love is about the commitments we make. The Subaru Love Promise® is our vision to show love and respect to all people and the planet we all share. Subaru is headquartered in a zero-landfill office in Camden, N.J., and in 2004, Subaru of Indiana Automotive, Inc. (SIA) became the first manufacturing facility in the U.S. to reach zero-landfill status—nothing from its manufacturing efforts ever goes into a landfill.

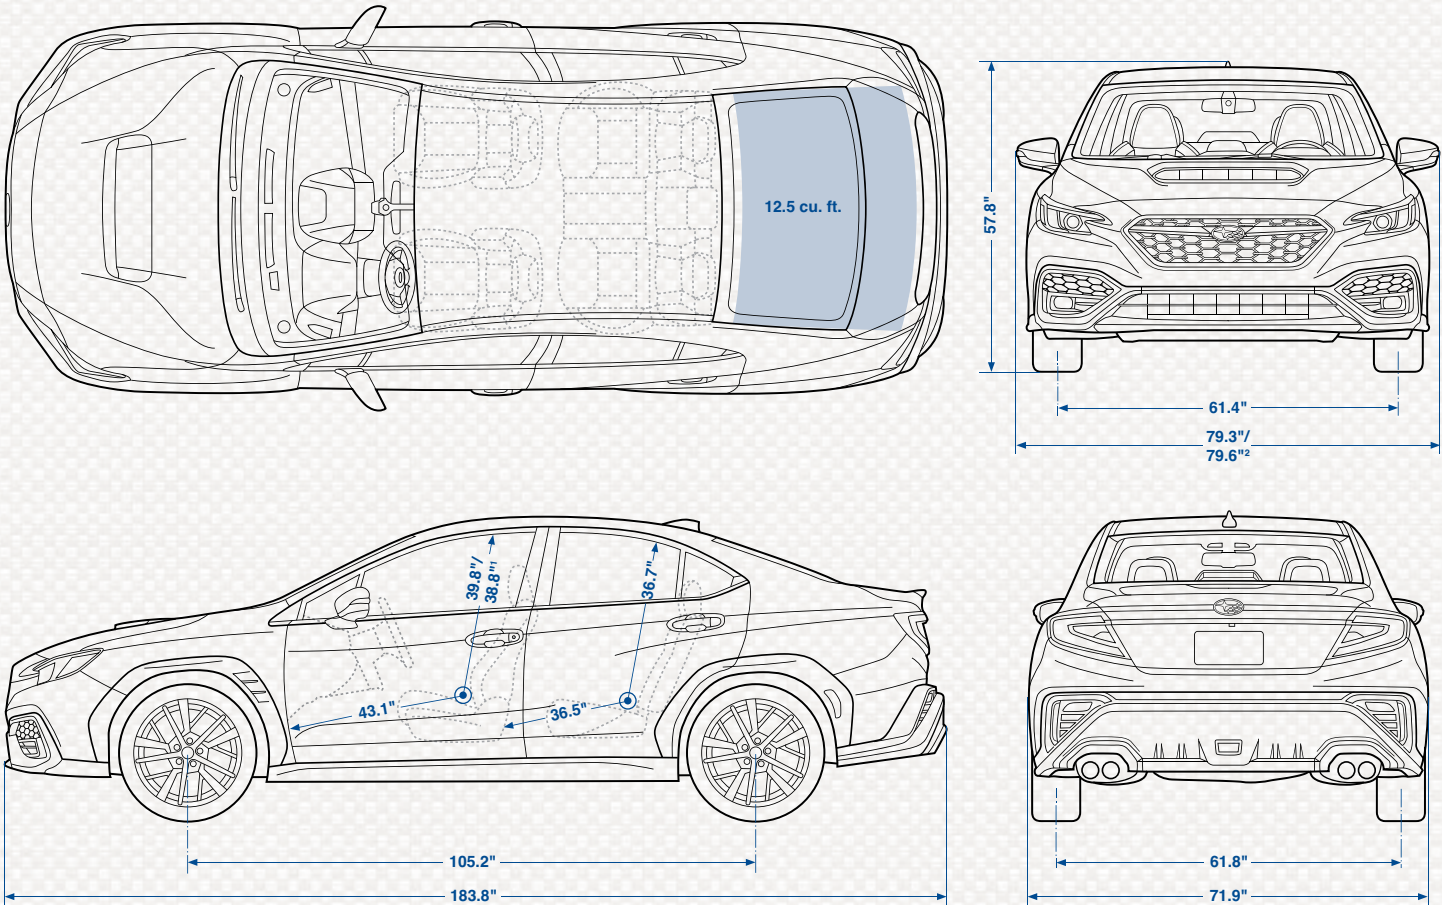

Warranties¹⁶

New Car Limited Warranty	3 years or 36,000 miles, whichever comes first.		
Powertrain Limited Warranty	5 years or 60,000 miles, whichever comes first.		
Wear Item Limited Warranty	3 years or 36,000 miles, whichever comes first. Repairs to the following items will also be covered under Wear Item Limited Warranty:	• Brake Pads • Wiper Blades • Clutch Linings	
Rust Perforation Limited Warranty	5 years, unlimited mileage.		
24-hour Roadside Assistance	3 years or 36,000 miles, whichever comes first.		

1 Activation with subscription required. Includes a 3-year trial subscription to Safety Plus services and a 6-month trial subscription to Safety and Security Plus services. The Concierge plan can be purchased annually or monthly. A credit card on file will be required for specific packages and for renewal purposes. Not available in all states. See your Subaru retailer for details. 2 EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. The Pre-Collision Braking System is designed to provide automatic braking that either prevents a collision or reduces the severity of a frontal impact. Pre-Collision Throttle Management is designed to reduce acceleration and minimize the severity of certain frontal impacts. Advanced Adaptive Cruise Control, Brake Light Recognition and Automatic Emergency Steering are designed to assist the driver and are not substitutes for safe and attentive driving. Automatic Emergency Steering requires Blind-Spot Detection and works in conjunction with and after Pre-Collision Braking has been activated by providing steering support at speeds lower than 50 mph to try and help avoid a collision. Lane centering function operates only when used in conjunction with Advanced Adaptive Cruise Control. The Lane Departure and Sway Warning with Lane Departure Prevention operates only when the lane markings are visible, and its effectiveness depends on many factors. See your Owner's Manual for complete details on system operation and limitations. 3 The Supplemental Restraint System (SRS) (airbags) affords the driver and the front passenger additional protection in moderate to severe frontal and side-impact collisions and outboard 2nd-row passengers additional protection in moderate to severe side-impact collisions. This system provides supplemental protection only, and seatbelts must be worn in order to avoid injuries to out-of-position occupants upon airbag deployment and to provide the best combined protection in a serious accident. Children should always be properly restrained in one of the rear seats. See your Owner's Manual for recommended seating position. 4 Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. 5 The Reverse Automatic Braking System is designed to assist the driver by detecting objects, to help avoid a possible collision, when the vehicle is moving in a low speed reverse direction. The system will provide automatic vehicle braking, if an obstacle is detected within its range. This system is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather and road conditions. Always exercise caution and use vehicle mirrors and the Rear-Vision Camera when backing up. See Owner's Manual for complete details on system operation and limitations. 6 Automatic Emergency Steering requires Blind-Spot Detection. Availability varies by trim level. See your Subaru retailer for details. 7 Compared to all other measured mass-market automotive companies in the 2023 American Customer Satisfaction Index (ACSI®) surveys of customers rating their own automotive company's performance. The #1 rating is shared with one other automotive company. ACSI and its logo are registered trademarks of the American Customer Satisfaction Index, LLC. 8 Subaru Motorsports USA has won overall Rally America and American Rally Association (ARA) championship titles 16 times between 2006-2023. 9 2023 IntelliChoice 5-Year Cost of Ownership Study © 2023 MOTOR TREND GROUP, LLC. 10 Based on Experian Automotive vehicles in operation vs. total new registrations for MY2013-2022 as of December 2022. 11 Available only with other features. See Option Package listings on trim levels page. 12 2024 EPA fuel economy estimates. Actual mileage may vary. 13 All SiriusXM® services require a subscription, sold separately by SiriusXM® after the trial period. Your SiriusXM® service will automatically stop at the end of your trial unless you decide to subscribe. If you decide to continue service, the subscription plan chosen will automatically renew and be charged according to your chosen payment method at the then-current rates. Fees and taxes apply. See the SiriusXM® Customer Agreement & Privacy Policy at www.siriusxm.com for full terms and how to cancel, which includes online methods or calling 1-866-635-2349. Available in the 48 contiguous United States, D.C., and Puerto Rico (with coverage limits and capable receiver). Visit <http://www.siriusxm.com/FAQS> for most current service area information. Availability of some services and features is subject to device capabilities and location restrictions. All fees, content and features are subject to change. SiriusXM and all related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries. 14 Activation and required monthly subscription sold separately. Includes 3-year trial subscription. See your Subaru retailer for details. 15 Requires Subaru Performance Transmission. See your Subaru retailer for details. 16 All Subaru vehicles sold by Subaru of America, Inc., are designed and built for normal driving conditions. The Subaru Limited Warranty, as well as the Added Security program, excludes damage or failure resulting from modifications or participation in competition or racing events. See the Subaru Warranty & Maintenance Booklet for further details.

These brochures were printed with vegetable-based inks and produced using a "Green Printing Process." The Forest Stewardship Council® (FSC®) is an international organization that brings people together to find solutions which promote responsible stewardship of the world's forests and environments.

By producing these brochures in a green way rather than by traditional methods, we saved 15 trees preserved for the future; 4,000 gallons of wastewater flow saved; 60 lbs solid waste not generated; 9,000 lbs net greenhouse gases prevented; 7,000,000 BTUs energy not consumed. Calculations provided by Environmental Paper Network. FSC® is not responsible for any calculations on saving resources by choosing this paper.

This brochure is printed in the U.S.A. on 10% recycled paper. ©2023 Subaru of America, Inc. 24.WRXSRB.525 (DSGN-P734, 30K, 1/24, KSL)

Love. It's what makes Subaru, Subaru.®
