

CITROËN C4 AIRCROSS

*FOR EVERYDAY DRIVING
AND TOUGH CONDITIONS...*

*With immaculate attention to detail, the CITROËN C4 AIRCROSS combines strength, power, style and efficiency. The harmonious, sophisticated design features a broad front end, a front bumper housing vertical LEDs, visible day and night, and extra-wide wheel arches. Thanks to Citroën's Créative Technologie, you can easily switch from two-wheel drive (2WD) to four-wheel drive (4WD ON DEMAND), or even to the LOCK mode for extreme conditions. Urban users can opt for the 2WD model.

MODULAR TRANSMISSION*

2WD

Both in the city and offroad, the CITROËN C4 AIRCROSS lets you choose your driving style, depending on the road conditions and your mood. With the driving mode selector, the integral transmission system switches easily from two-wheel drive (2WD) to four-wheel drive (4WD ON DEMAND). In the city and on dry tar roads, the 2WD mode combines minimum fuel consumption with maximum manoeuvrability.

*Exclusive model only

4WD ON
DEMAND

The recommended and most commonly used transmission mode is 4WD ON DEMAND. With its latest-generation transmission system, the CITROËN C4 AIRCROSS can be driven in 4WD ON DEMAND mode all the time: the torque distribution between the front and rear axles is calculated electronically depending on the surface, to ensure maximum safety, as well as optimised driveability and road holding at all times. And if conditions are really tough, the LOCK mode gives the car maximum grip. In all circumstances, the power-assisted steering is precise and effortless.

*FROM CREATIVITY
TO ELEGANCE*

*The first impression onboard the CITROËN C4 AIRCROSS is comfort. The equipment and materials exude elegance and harmony, with an option of smooth and perforated leather and soft touch features throughout the cabin. The audio system can be operated from the steering wheel, as can the cruise control and the Bluetooth hands-free kit.

*Features are model specific. Refer to specification sheet for details. (Standard on Seduction and Exclusive models).

TECHNOLOGY FOR SAFETY

*In the CITROËN C4 Aircross, there is a strong emphasis on safety and driving aids. The CITROËN C4 Aircross offers the Electronic Stability Program (ESP) and hill-start assist, which works in forward and reverse gear (only on the 4WD model). And to make parking easier, the vehicle is also fitted with rear sensors.

*Model dependant

CONNECTED TO THE WORLD OUTSIDE

The optional panoramic glass roof fills the cabin with light, both in the front and the rear. At night, the atmosphere is warm and muted in the soft amber glow of the LED light guides (which have a dimmer) running along either side of the roof.

To enhance on-board comfort, the CITROËN C4 Aircross also boasts the latest technology. You can enjoy superior sound from the

audio system with a built-in MP3 decoder, with up to six speakers. The Bluetooth hands-free kit¹ includes voice command, so you can make phone calls without touching the buttons on your mobile phone. Plug your compatible handheld music, video, and multimedia players into the auxiliary and USB outlets, cleverly located under the front central armrest, and the system will recognise them instantly.

With the WiFi box, available as an accessory, passengers can connect and use their electronic devices at the same time. The box runs on a 3G/3G+ Internet SIM card, which you can purchase at an Internet Service Provider of your choice.

¹Optional

UNLIMITED PRACTICALITY

The CITROËN C4 AIRCROSS has plenty of storage space. In the front, there's a two-tier storage compartment under the central armrest containing the USB, auxiliary and 12V ports and a storage tray. The glovebox is especially generous, and is ventilated on models with automatic climate control. Storage nets and pockets on the back of the front seats provide storage for the rear passengers. The boot capacity (384 litres with the full-size spare

wheel) can be easily increased by manually folding down all, or some of the rear seats. Once the rear seats have been folded down, the boot has an almost flat bottom that can easily accommodate all kinds of bulky objects. The rear seat includes a ski flap ideal for long objects. A robust, waterproof, non-slip boot box, available as an accessory, is specially designed to transport all kinds of objects without damaging the boot, and is made of recyclable materials. The

hitch-mounted bike rack, also available as an accessory, has been designed with top quality materials and with safety in mind. Loading and fastening bikes is easy, avoids contact with the bodywork and doesn't impede access to the boot.

ESSENTIAL CARE. CITROËNS ARE RENOWNED FOR THEIR RELIABILITY – AND THE CITROËN C4 AIRCROSS IS NO EXCEPTION.

WITH THE ADDED REASSURANCE OF A WARRANTY, ROUTINE SERVICING AS WELL AS 24-HOUR ROADSIDE ASSISTANCE, YOU ARE PROTECTED AT EVERY TURN.

› CITROËN WARRANTY

Every new CITROËN car has the benefit of a 3-year/100 000km manufacturer warranty*, plus a 12-year anti-perforation warranty**, and a 3-year paint warranty***. CITROËN now gives you the option of upgrading your warranty to a 5-year/100 000km FULL MANUFACTURER WARRANTY.

*Manufacturing defect, excludes maintenance and wear

**Perforation caused by corrosion from the inside

*** Original bodywork paint or lacquer defect

› CITROËN FREEDRIVE

CITROËN now offers you the FREEDRIVE option, which includes a 5-year/100 000km warranty and a 5-year/100 000km full maintenance plan.

› CITROËN ASSISTANCE

For all models: In response to a free telephone call: 0860 77 24 24, CITROËN Assistance brings rapid expert roadside assistance to you in an emergency. It comes free of charge for the duration of the warranty and operates 24 hours a day in all parts of South Africa, Swaziland, Lesotho, Botswana and Namibia. As a member of CITROËN Assistance, not only will help be at hand immediately in the unlikely event that your car experiences a breakdown, but you will also receive a comprehensive range of benefits such as free medical advice, arrangement of emergency transportation and a 24-hour information service. CITROËN Assistance is aimed at a stress-free motoring experience. Please note, CITROËN Assistance only applies to incidents covered by the new vehicle warranty, and excludes non-vehicle faults, such as running out of fuel, misfuelling, loss

of keys, lock-ins, road traffic accidents and punctures/wheel changes.

› CITROËN SERVICE

In order to give you total peace of mind, in addition to your manufacturer warranty, the CITROËN C4 AIRCROSS comes with a 5-year/100 000km service plan, which covers all the costs associated to the routine scheduled services as laid out in the Warranty and Service Records Book.

To find out more, contact your CITROËN Dealer or CITROËN Authorised Repairer.

› CITROËN CUSTOMER CARE

A customer care hotline is available 5 days a week during standard working hours (8am to 5pm) to take your queries: 0860 211 112 as well as a fully-supported email service: customer@citroen.com

OWNING A CITROËN IS REWARDING

REWARD YOURSELF

With CITROËN you'll always have a reason to smile. From the moment you join the CITROËN family, you'll receive a welcome gift, which could be anything from subscription vouchers to weekend getaways. By sharing your CITROËN ownership experience with friends and family, and they too purchase a CITROËN, we'll reward you even more in cash* as a thank you for being a valued and loyal customer.

Be part of the CITROËN family and enjoy great rewards today.
