

NEW FIGO

Go Further

An awesome drive to freedom

Discover a car that offers you all the style, technology and freedom that comes with owning your very own vehicle.

Substantial package

The breathtaking Kinetic Design cues of the FIGO's enhanced exterior give the car a sporty and athletic appearance.

The power to get you there safely

The two available powertrains - one petrol, one diesel - are built to deliver fuel efficiency, high performance and long lasting durability.

The new **FIGO** comes standard with more safety features, from dual front airbags to ABS with EBD.

Boot space

The boot offers up to 284 litres of space, while the rear seat adds loads more too when folded forward.

Space for your life

The new FIGO is extremely spacious with the added comfort of manual seat height adjustment on Trend models, making it a stylish and inviting interior.

*Compatible with most Bluetooth enabled devices.

Connected mobility

Connect your phone to your audio system with Bluetooth, which allows for smarter ways to answer calls and switch between radio, CD/MP3 and your iPod easily.

Sporty instrument cluster

The illuminated, sporty looking instrument panel has features from a digital odometer to an accurate distance-to-empty display for your remaining fuel.

Driving dynamics

Every effort has gone into the FIGO's engineering to ensure that nothing will hinder your smooth driving experience.

Interior design

Space, style and functionality all meet in the FIGO's interior design. With careful thought put into each element from seats to stowage areas, dash to door trims, its interior is truly a space you can make your own. With an all-new seat design and new fabrics, all FIGO models have a striking appeal.
