NOT JUST A PRETTY FACE

The all new Mazda5 looks unlike anything else. But the elegant shape curving around that spacious, versatile, family-friendly interior is no mere styling exercise. Mazda5 changed the way we view family cars and the traditional people carrier, with its exceptional functionality, versatility and sporting dynamics, all wrapped up in a new stylish design language - NAGARE.

BEAUTIFULLY POISED

The new Mazda5 expresses an alluring design based on Mazda's NAGARE (meaning "flow" in Japanese) design language. NAGARE is inspired by the beauty of nature, in particular the flow of water or the effect of wind. The NAGARE motif on the side of the body gracefully continues the dynamic flow of the lines from the front to the rear in a beautiful fashion.

BEAUTY AND BRAINS

Imagine the fulfilling warmth experienced when spending quality time with family and friends in a comfortable environment. Now blend that with expressive styling, an innovative package, stable handling and dynamic yet clean performance so remarkable, you'll question whether you could really be driving a minivan.

ATHLETIC BEHAVIOUR

The Mazda5 is designed to deliver a fresh new level of Zoom-Zoom driving pleasure coupled with all the grace and virtue of a luxury vehicle. The Mazda5 adapts to the needs of everyone, further strengthening the sense of oneness between car and driver.

NATURAL BORN PERFORMER

Not only does the all new Mazda5 have the soul of a sports car, it has the underpinnings of a sport sedan. The ultra-refined Mazda5 offers more driving pleasure and better fuel efficiency to please the driver as much as the rest of the family. Turn on the ignition and awaken its powerful 2.0L MZR engine, which is specially engineered to match up to the Mazda5's superior body. With a power output of 107kW and maximum torque of 185Nm, it adds even more to Mazda's Zoom-Zoom experience.

MORE ROOM TO PLAY

The Mazda5 inherits the highly acclaimed innovative package with NAGARE design motifs featured throughout the interior for an even sportier look. It is clear from the moment you slide into the driver's seat that the Mazda5 has been designed with craftsmanship and functionality foremost in our minds. Instrumentation is positioned where it is clearly visible without having to divert your eyes from the road ahead. For safety and convenience, key features such as the audio can be operated from the steering wheel mounted controls. And all essential controls and storage are comfortably within reach and easy to use with key functionalities highlighted with premium chrome accents.

*Vehicle illustration shown might not be available in South Africa.

LIFE, NOW MORE ACCESSIBLE

The all new Mazda5 is blessed with large sliding doors on both sides. Unlike any other minivan in this class, these doors operate effortlessly and without worry, even when space is tight around the Mazda5. The '6 + One' packaging concept was developed to realise an open space between independent second row seats in the cabin's centre, and to promote free and open interaction between occupants of all three rows.

The '6 + One' packaging concept of the Mazda5 offers the versatile '+ One' functions of the Karakuri seventh seat, the Karakuri utility box, and the centre walk-through passageway. The Mazda5 initiates a new dimension of versatile functionality and stylish elegance.

3-YEAR MAZDA UNLIMITED KILOMETER WARRANTY

Every Mazda is designed and built to the highest standards of performance and reliability. To give you further reassurance on how much we believe in our vehicles, our Mazda vehicles are backed up by a 3-year, Unlimited Kilometer Factory Warranty.

MAZDACARE ROADSIDE ASSISTANCE

Mazda cares about offering you peace-of-mind motoring. That is why we offer a 3-year Unlimited Roadside Assistance Plan to keep you moving every minute of the year. It includes toll-free calls and services such as free towing rescue due to minor or major mishaps and emergency medical help.

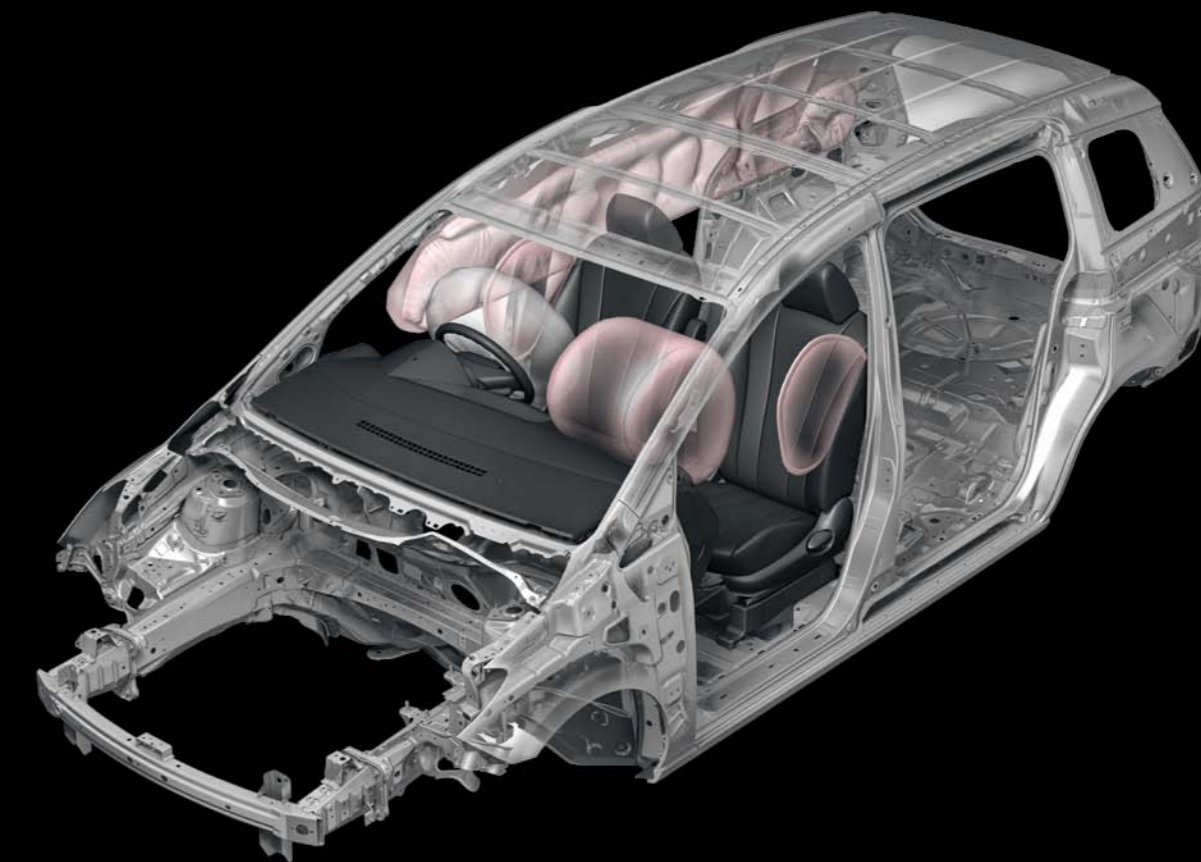

MAZDACARE SERVICE PLAN

MazdaCare has designed a Service Plan to suit your needs. It covers scheduled services for 3 years regardless of your mileage. The service plan operates alongside the Mazda Unlimited Kilometer Warranty.

LIFE IN THE SAFE LANE

The Mazda5 not only cares for you but for your passengers too. The new Mazda5 employs a sliding door latch mechanism that is used for the first time on any Mazda car. The door latch engages with a striker to firmly support the sliding doors, thus preventing the doors from breaking away or deforming in the event of a collision. Touch sensors in the power sliding rear doors protect fingers as the doors close. Mazda5 features dual front airbags, front-row side airbags and curtain airbags for all three rows. In the event of a collision, Mazda5's occupant safety cell and Supplementary Restraint System (SRS) combine to offer excellent protection for those inside, while an energy-absorbing structure in the bonnet and front bumper helps reduce the potential for pedestrian injury.

All children instinctively know it / A few adults still remember it / One unique car company refuses to outgrow it / In grown-up language, it means the exhilaration and liberation that comes from experiencing sheer motion / But, as usual, children put it much better, and simply call it Zoom-Zoom / We practice it every day, it's why we build the kind of cars we do.

MAZDA, ALWAYS THE SOUL OF A SPORTS CAR.

THE IMPOSSIBLE MADE POSSIBLE.
