MAZDA BT-50

mazda.co.za     | The impossible made possible.

The Mazda BT-50 is built to take on any task, and to do it in style. It delivers grunt when you need it, and refined comfort with every drive. Fill it with gear, pull a load or take it off road. As a workhorse or a weekend warrior, it's always up to the challenge. The spacious cabin is a stylish surprise, with a level of passenger comfort that makes it feel more like a car. And, when it comes to your protection, safety features like 6 air bags, EBA and DSC ensure that you always feel secure behind the wheel. Equipped for work, play and everything in between, the Mazda BT-50 can do it all.

Powerful yet refined

When it comes to the Mazda BT-50, looks are just the beginning. Built for fun as much as it is for hard work, the exterior is bold and adventurous. With its refined features, it's a cut above others in its class. Styled with tough lines to match its solid capabilities, the bold new front is strong and powerful for a commanding street presence. The slightly lowered angle toward the front gives it a sense of forward motion – and the perfect balance of strong and sleek.

Bring it on

When it comes to performance, the Mazda BT-50 brings the goods. Built tough from the ground up, its ladder frame chassis provides reinforcement for maximum rigidity. The resulting stability can be felt in car-like handling, while the powerful engine makes towing light work. Harnessing the power is up to you - choose from a rugged 6-speed manual for complete control, or a versatile 6-speed auto that also allows for smooth manual changes.

2.2L ENGINE

Boosted by a variable geometry turbocharger to reduce lag, the 2.2L engine delivers 110kW and 375Nm using just 7.6L/100km (manual).

3.2L ENGINE

Feel the grunt of a five-cylinder engine with common-rail direct injection and intercooling. Pumping out 147kW and 470Nm of torque from 9.3L/100km (combined), you get effortless muscle for every task.

BODY

High-tensile steel is behind the the Mazda BT-50's durable body shell. Exceptionally strong, it also keeps overall weight down.

CHASSIS

Reinforced with a rigid ladder frame chassis, The Mazda BT-50 is ready to take on the heavy-duty jobs. Front wishbone suspension and rear leaf suspension cushion the ride for car-like handling on and off the road.

AUTOMATIC TRANSMISSION

Let the intelligent six-speed auto do the work for you, or step in for manual gear shifts when the mood strikes. In auto mode, Active Adaptive Shift (AAS) kicks in - intuitively changing gears to suit your driving conditions.

MANUAL TRANSMISSION

Enjoy the smooth ride of a six-speed manual that delivers fluid precision-shifting ratios. Transition through gear changes with ease for a true sense of control over your vehicle's performance.

A gutsy performance every time

Make the most of generous power with responsive performance. The Mazda BT-50 takes on the toughest challenges with effortless grunt, thanks to advanced common-rail direct injection. A variable geometry turbocharger reduces lag on the gutsy 2.2L, delivering an effortless 110kW and 375Nm of torque. Choose the 3.2L, and you get 147kW with an impressive 470Nm.

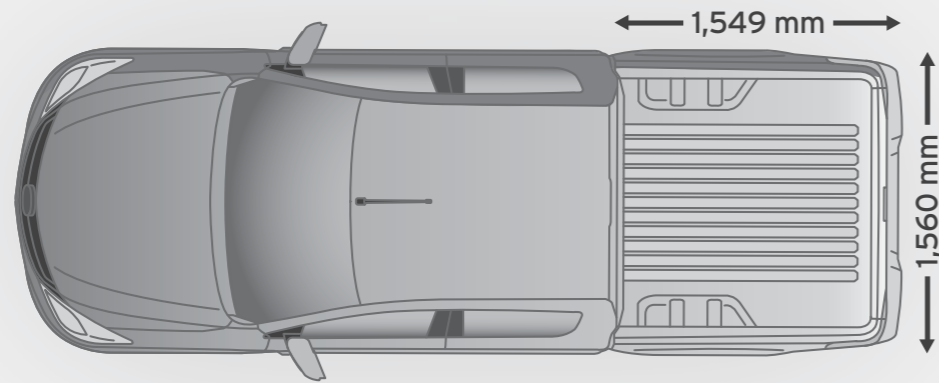

The strength to take on any challenge

The Mazda BT-50 is equipped with power, backbone and an enviable towing capacity of up to 3500Kg. Venture off the beaten track with the rugged 4x4 that's backed by the latest driver technology, making it easy to conquer uneven terrain. Jump between 2-High and 4-High at the flick of a switch without stopping the vehicle and get maximum traction on uneven terrain with electronic Locking Rear Differential (eLRD) that's operated via a console switch. Lock the rear wheels to evenly distribute torque between them, so if one loses grip, the other continues to provide power, turning the wheel to get traction on the ground.

Ready, willing and able

Whether it's navigating new terrain, carrying serious cargo or towing a few tons, The Mazda BT-50 handles it all without breaking a sweat.

Room to move

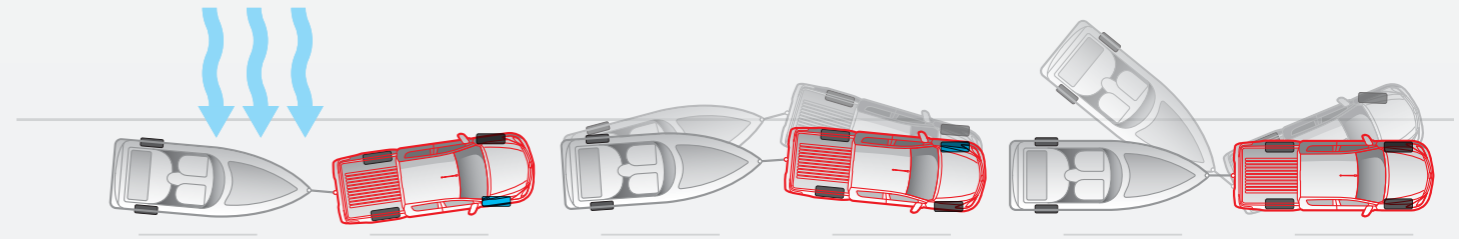

Whether it's power, strength or capability, the Mazda BT-50 consistently delivers more. When it comes to space, it's no different. While the Mazda BT-50 boasts a generous cargo box in the back, you'll be surprised how much smart storage can be found around the cabin too. Tuck your gear away in the split-level centre console space, or the sizeable glove box that will hold a 16-inch laptop. Drinks and sunglasses have their own dedicated spaces, keeping them within grabbing reach on every trip.

The confidence of full protection

Feel confident driving a vehicle that's big on safety. Driver support begins with a rigid ride and accurate handling, giving you the capacity to avoid potential hazards. In the event the Mazda BT-50 does run into trouble, it's well equipped to deal with it. The reinforced body shell is fitted with front airbags and head-protecting curtain airbags in all models. Double Cab models also come with the addition of side (front) airbags. And when your cargo raises the Mazda BT-50's centre of gravity, you have Load Adaptive Control (LAC) for extra stability. Load Adaptive Control (LAC) is available on 4WD models only.

Dynamic Stability Control (DSC) helps keep traction in all conditions, managing the engine power and braking force delivered to individual wheels to avoid skidding or loss of grip. ABS brakes feature Electronic Brake-force Distribution (EBD) which matches braking to vehicle load, while Emergency Brake Assist (EBA) boosts stopping power when emergency braking is sensed. An Emergency Stop Signal (ESS) activates the hazard lights to warn following drivers of sudden deceleration.

Safety reflex

Trailer Sway Control (TSC) adjusts braking and torque to correct any side-to-side swinging movement of towed loads. Available on 3.2L 4WD models only.

Better braking

Inclines made easy

Remove your foot from the brake on an incline and Hill Launch Assist (HLA) keeps the brakes applied, releasing them when there's enough power for a smooth start. While you're on steep slopes, you can engage Hill Descent Control (HDC) to maintain steady control of your speed. Standard on 3.2L 4WD models only.

MAZDA BT-50 DOUBLE CAB SLX

The Mazda BT-50 Double Cab features include:

BT-50 2.2 DE SLX 4x2

- Max power: 110kW @ 3700rpm
- Max torque: 375Nm @ 1500 - 2500rpm
- 6-Speed manual
- 6 Speakers
- 16" Alloy wheels
- Bluetooth®
- Integrated audio system
- Steering wheel switches
- Cruise control
- Locking Rear Diff (LRD)
- Tailgate lock
- Cloth seats
- Temperature display
- Front power windows
- Driver & front passenger airbag, seat side airbag & side curtain airbag
- Side step

MAZDA BT-50 DOUBLE CAB SLE

The Mazda BT-50 Double Cab features include:

BT-50 2.2 DE SLE 4x2

- 6-Speed manual/automatic transmission
- Dual zone ATC air conditioner
- Leather seats
- Chrome power windows
- Integrated audio system - high
- Headlamps auto on/off
- Rain sensing wipers
- Parking sensors
- Reverse camera
- Auto dimming mirror
- Electrical seat adjustment (Driver)

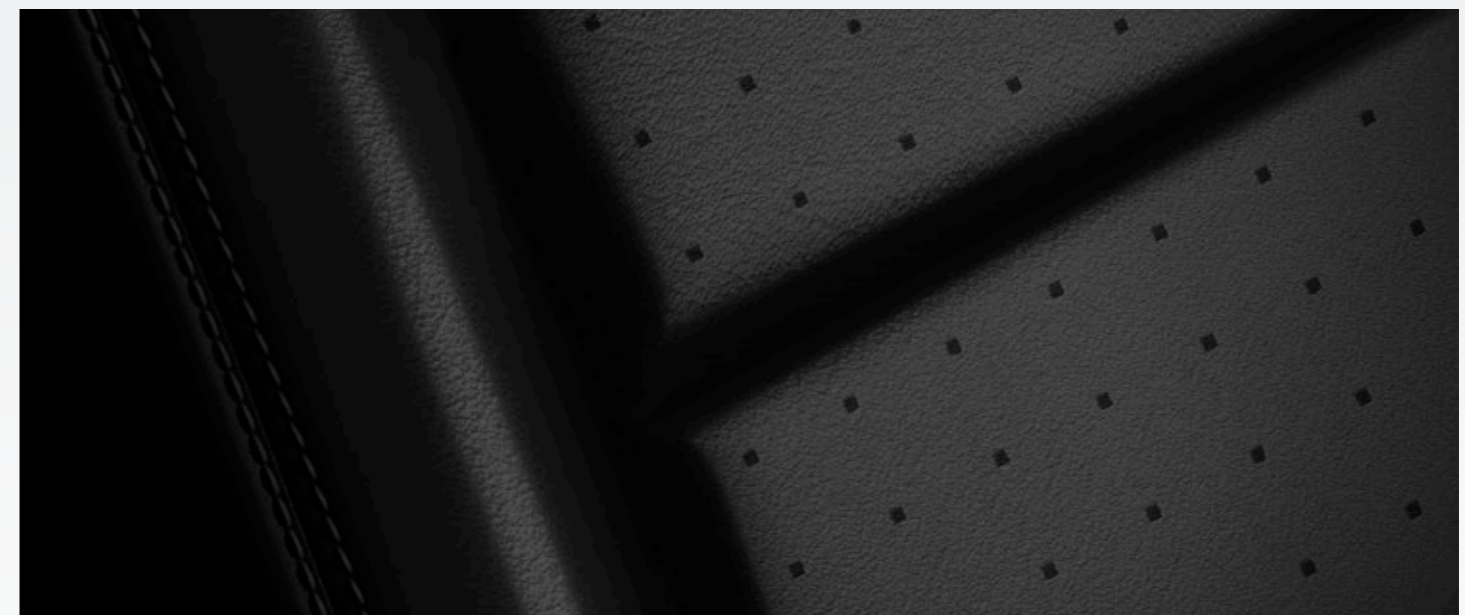

BT-50 3.2 DE SLE 4x4

- Max power: 147kW @ 3000rpm
- Max torque: 470Nm @ 1750 - 2500rpm
- Load Adaptive Control (LAC)
- Trailer Sway Mitigation
- Roll over Mitigation
- Hill Launch Assist (HLA)
- Hill Descent Control (HDC)

Space and style

Accommodate five adults comfortably in cloth seating, or select indulgent leather.

Get comfortable

Inviting leather seats feature 8-way power adjustment for maximum driver comfort. This is available on the SLE model only.

■ 3-Year ***MAZDA*** Unlimited Kilometre Warranty

Every Mazda is designed and built to the highest standards of performance and reliability. To give you further reassurance on how much we believe in our vehicles, our Mazda vehicles are backed up by a 3-year, Unlimited Kilometre Factory Warranty.

■ 3-Year ***MAZDACARE*** Unlimited Roadside Assistance

Mazda cares about offering you peace-of-mind motoring. That is why we offer a 3-year Unlimited Roadside Assistance Plan to keep you moving every minute of the year. It includes toll-free calls and services such as free towing rescue due to minor or major mishaps and emergency medical help.

■ 3-Year ***MAZDACARE*** Unlimited Kilometre Service Plan

MazdaCare has designed a Service Plan to suit your needs. It covers scheduled services for 3 years, regardless of your mileage. The service plan operates alongside the Mazda Unlimited Kilometre Warranty.
