## *AN SUV LIKE NO OTHER*

Here at Mazda we like to do things a little differently and defy current thinking. It's this spirit of individuality that got us producing some of the most exciting cars on the road today. Like the all-new Mazda CX-5 which is the first car to have the new 'KODO - Soul of Motion' design at its core. With KODO we're taking car design beyond the functional sturdiness of the typical SUV, and reaching a new level of emotion and sophistication. The stylish design cues are complemented by the introduction of Mazda's intelligent SKYACTIV Technology. Together, the next generation of highly efficient engines, transmissions, body and chassis make the Mazda CX-5 safe, but oh so exhilarating to drive.

## *A THRILLING DRIVING EXPERIENCE*

Mazda CX-5 is the first new generation vehicle to boast the revolutionary SKYACTIV Technology. This breakthrough innovation minimises fuel consumption and reduces CO<sub>2</sub> emissions, allowing you to use as little as 6.9\*litres of fuel per 100 kilometres. Alongside the new six-speed automatic and manual transmissions, the 2.0i SKYACTIV-Engine provides a powerful and efficient driving experience: The SKYACTIV-DRIVE automatic transmission delivers linear acceleration and a direct shift similar to a dual clutch transmission, while the SKYACTIV-MT manual transmission, with its compact architecture and enhanced gear structure, delivers a light and crisp gear shifts. This gives you the ideal balance of driving pleasure, ingenuity and efficiency that Zoom-Zoom is all about.

\*according to Mazda's testing conditions.

A man with short dark hair, wearing a dark blue sweater over a light green checkered shirt, sits in the driver's seat of a Mazda CX-5. He has his arms crossed and is smiling at the camera. The car's interior is visible, including the steering wheel, dashboard, and center console. The background is a dark, slightly blurred view of the car's interior.

## *ROOM FOR EVERYTHING - EXCEPT COMPROMISE*

The Mazda CX-5's interior is spacious and inviting, with room for you and your passengers to sit back, relax and enjoy the journey ahead. It has ample legroom and luxurious seats with stylish cloth trims and leather on the Individual model. It also features the innovative Karakuri seating system with 40/20/40 split rear seats that fold flat at the flick of a lever, ensuring maximum flexibility in your daily routine. That being said, the best place to enjoy the dynamic and sporting ambience of the all-new Mazda CX-5 is right behind the steering wheel. Settle into the driver's seat and see how the cockpit wraps around you, bringing all controls within easy reach. A multi-information display puts information and entertainment at your fingertips, including audio controls across the range, cruise control and Bluetooth with voice control on Dynamic and Individual, as well as a BOSE® system on the Individual model. All this, while soft touch materials and piano black finishes exude style, comfort and true craftsmanship.

## *OUTSTANDING PROTECTION WITHOUT COMPROMISE*

With a 5-star Euro N-CAP Safety rating, the Mazda CX-5 has been engineered to provide comprehensive all-round protection for you and your passengers. The highly rigid SKYACTIV body provides excellent collision performance in the event of an accident, as well as enhancing handling stability for exceptional driving dynamics. It's also fitted with six airbags and ISOFIX child seat anchor points, as well as advanced safety features such as Anti-lock Braking System (ABS) with Electronic Brakeforce Distribution (EBD) and Emergency Brake Assist (EBA), hill launch assist, smart keyless entry, Adaptive Front Lighting system, and Dynamic stability control with traction control to enhance the driving experience, but give you extra peace of mind. The CX-5 delivers on fun to drive without compromising your safety.

## SKYACTIV - TRANSMISSIONS

### SKYACTIV-Drive

Supporting improved fuel economy, the six-speed SKYACTIV-Drive automatic transmission features a new lock-up clutch and provides linear acceleration with a smoother, more direct shift feel.

#### Benefits

- Smooth start-up and acceleration
- Smooth, vibration-free gear shifting
- Advanced design contributes to improved fuel efficiency

### SKYACTIV-MT

Sportier and precise, the six-speed SKYACTIV-MT manual transmission is compact and lightweight in design and generates less internal friction. This results in greater fuel economy and a shift feel reminiscent of a sports car.

#### Benefits

- Short, crisp and light gear shift
- Direct sporty gear shift
- Increased transmission efficiency improves fuel economy

## SKYACTIV G PETROL ENGINE

The new SKYACTIV-G petrol engine features the compression ratio for a production engine of 13:1. With new 4-2-1 exhaust system, lightweight cavity pistons and numerous other innovative measures, it achieves highly competitive fuel economy and reduced CO<sub>2</sub> emissions - and an equally impressive increase in torque across the entire rev range.

#### Benefits

- Combined fuel consumption of 6.8ℓ for MT and 6.9ℓ for AT according to Mazda's testing conditions
- Power is at 114kW @ 6000rpm
- Torque is at 200Nm @ 4000 rpm
- CO<sub>2</sub> emissions of 158g/km for MT and 161g/km for AT

## SKYACTIV-BODY

State-of-the-art car safety doesn't happen by accident. It takes time and dedication to create a body that's light in weight, yet offers outstanding crash protection. Using an innovative frame structure combined with lightweight high-tensile steels and the latest bonding methods, our engineers achieved a bodysell that's both rigid and lightweight.

#### Benefits

- Outstanding crash protection
- Lightweight - enhancing fuel economy
- High body rigidity for a more rewarding and responsive drive

## SKYACTIV-CHASSIS

The new SKYACTIV-CHASSIS marks a major step forward in driving dynamics. By concentrating on agility, stability, precision and comfort we have created a chassis that's lightweight, highly rigid and delivers the 'fun to drive' element that you have come to expect of a Mazda.

#### Benefits

- Direct connection between driver and car
- Responsive braking performance
- Balances precise handling with excellent ride comfort

## *Mazda WILDLIFE FUND*

The Mazda Wildlife Fund was established in 1990 in an effort to defend our ecosystems against environmental damage. Since then, we've provided more than R27.5 million to over 140 conservation, education and research projects including the Zululand Nile Crocodile Research Project. Through supporting projects like this, we're hoping to rebuild nature's defences.

At Mazda Wildlife Fund we care about every aspect of protecting our wildlife. Please go out there and enjoy your adventure, but always be aware of our delicate environment and take every precaution to protect it for future generations.

By supporting Mazda, you too can play your part in protecting the vulnerable Nile Crocodile. Visit [www.mazda.co.za](http://www.mazda.co.za) or [www.facebook.com/mazdawildlife](http://www.facebook.com/mazdawildlife) or [www.twitter.com/ZoomZoomSA](http://www.twitter.com/ZoomZoomSA)

The Mazda Wildlife Fund is proud to celebrate the 22nd Anniversary of our commitment to protecting wildlife and ecosystems.

## COMPLETE PEACE OF MIND MOTORING

### **What is MazdaMotion?**

MazdaMotion is a collection of value-added services and products that allow you to enjoy a hassle-free driving experience. Within MazdaMotion, the Mazda CX-5 offers you a 5-year / 90 000km Service Plan, 4-year / 120 000km Fully Comprehensive Warranty and 3-year/Unlimited Roadside Assistance, along with a hand-selected group of Mazda Approved Body Repair Centres. You will always have the advantage of a highly-trained Mazda Dealer Network and a team of dedicated Mazda people ready to back your car to the hilt.

### **The MazdaMotion Service Plan**

To protect you and your investment MazdaMotion has designed a service plan which covers scheduled services on your vehicle for 5 years or 100 000km, whichever comes first. This plan can be extended, as an option, for up to 200 000km- or upgraded to a maintenance plan, whichever suits your requirement. Consult your Mazda Dealer for further details

### **The MazdaMotion Roadside Assistance**

This is a standard, 3-year/Unlimited assistance plan courtesy of Mazda Southern Africa and The Automobile Association of South Africa. It guarantees every Mazda owner total peace of mind every minute of the year and includes toll-free calls and services such as free towing, "rescue" due to minor or major mishaps and emergency medical help.

### **The MazdaMotion Warranty & Extended Warranty**

All Mazda vehicles are backed by a 4-year / 120 000km Fully Comprehensive Warranty\*, which can be extended by a further 2-years / 80 000km (whichever comes first). This gives you 6 Years / 200 000km fully comprehensive warranty coverage which allows you to spend more time living your life and less time worrying about your car. You may take advantage of this innovative opportunity by purchasing the MazdaMotion Extended Warranty option. Consult your Mazda Dealer for further details

### **The MazdaMotion Approved Body Repair Centres**

Mazda Southern Africa has established a countrywide network of Approved Body Repair Centres. These centres ensure that all repairs meet our meticulously high standards. We offer detailed cost estimates, minimal inconvenience, help with claims, professional repair work and courtesy services. Paint, body and workmanship are guaranteed.

For further information contact your nearest Mazda Dealer. You can also call 08600MAZDA or visit [www.mazda.co.za](http://www.mazda.co.za)

All children instinctively know it / A few adults still remember it / One unique car company refuses to outgrow it / In grown-up language, it means the exhilaration and liberation that comes from experiencing sheer motion / But, as usual, children put it much better, and simply call it Zoom-Zoom / We practice it every day, it's why we build the kind of cars we do.

Mazda, Always the Soul of a Sports Car.
