

# PAJERO

# Dakar Rally Legend

# PAJERO

I have seen the sun rise over Saharan dunes and set on Pacific waves. I have made my own roads through jungles and over mountains, and triumphed over my rivals in races that stretch the bounds of endurance. I have travelled with the great beasts of the land as they migrate across the savannah, and experienced adventures no words can describe. This is my story. This is my legend. I am Pajero.

What story will you tell?

## WITH GREAT POWER COMES GREAT DESTINATIONS

### RÉSUMÉ

# THE ULTIMATE 4X4

# SAFETY AND RELIABILITY

Accidents happen. Mitsubishi knows that sometimes the road throws an unexpected surprise in your path, so Pajero is equipped with an array of advanced active and passive safety technologies. Enjoy your drive with the peace-of-mind of knowing that you and your passengers are safe and secure.

## SAFETY FEATURES

- / RISE (Reinforced Impact Safety Evolution) Body Construction
- / 6 Airbags (Driver, Passenger, Seat and Side Curtains)
- / ABS (Anti-lock Braking System)
- / EBD (Electronic Brake-force Distribution)
- / BAS (Brake Assist System)
- / ASTC (Active Stability and Traction Control)
- / Keyless Entry with Central Locking
- / ISO-FIX Child Seat Anchors
- / Immobiliser and Alarm

## 3.2L 16-VALVE DOHC COMMON RAIL DI-DC

The 3.2-litre DI-DC (Direct Injection Diesel) engine provides superior torque, especially at low and mid rev ranges. The Common Rail injection system electronically controls fuel intake to deliver precisely the right amount to each cylinder, while the direct injection system enables far more efficient combustion for better fuel efficiency and reduced emissions.

## INDEPENDENT SUSPENSION

Pajero's rally-proven all-wheel independent suspension gives drivers confident, predictable handling in even the most unpredictable conditions. The independent front wishbone-type suspension and rear multi-link double wishbone independent suspension provide quick and natural responses, especially when cornering.

## SUSPENSION TRAVEL

The independent suspension, coil springs and monocoque body all work together to provide a greater degree of suspension travel. The result is impressive road-handling and greater stability even over the roughest off-road conditions.

# SUPER SELECT II 4WD WITH REAR DIFFERENTIAL LOCK

Mitsubishi's rally-proven Super Select II 4WD lets you move from smooth 2H mode highway performance to rugged 4H mode traction without breaking stride. With shift-on-the-fly convenience at up to 100km/h, the right driving mode is always at your fingertips.

## 2H (2WD HIGH RANGE)

2H mode shifts you into rear wheel drive for smooth, quiet, fuel-efficient performance.

## 4H (4WD HIGH RANGE)

Switch to 4H mode for added traction. The dynamic 33:67 front/rear torque split gives you greater control for high-speed driving.

## 4HLC (4WD HIGH RANGE WITH CENTRE DIFFERENTIAL LOCKED)

Keeping you on track even in rugged or slippery conditions, the 4HLC mode distributes power equally to all 4 wheels for off-road excitement with a 50:50 split for a steady sense of control.

## 4LLC (4WD LOW RANGE WITH CENTRE DIFFERENTIAL LOCKED)\*

Switch to 4LLC when you need all the tractor-like crawling power you can get. Maximised low-end torque pulls you through even the roughest terrain.

\*Vehicle has to be stationary to engage in this mode.

# PAJERO SWB

## SPECIFICATIONS

### GENERAL

	<b>3.2L DI-DC GLS SWB A/T</b>
Engine Type	DOHC Intercooled Turbo Diesel
Fuel System	Common Rail Direct Injection
Max. Output	140kW@3800rpm
Max. Torque	441Nm@2000rpm
Transmission	5-speed A/T
Turning Radius	5.7m
Ground Clearance	235mm
Fuel Tank Capacity	69L
Fuel Consumption	9.5L/100km (Combined Cycle)

### SAFETY FEATURES

- / RISE (Reinforced Impact Safety Evolution) Body Construction
- / 6 Airbags
- / Side-impact Protection Bars
- / ISOFIX Child Seat Anchors
- / ASTC (Active Stability and Traction Control)
- / ABS (Anti-lock Braking System)
- / EBD (Electronic Brake-force Distribution)
- / BAS (Brake Assist System)
- / Rear Park Distance Control
- / Rear View Camera

### SEATING

- / Electrically Adjustable Driver Seat
- / Heated Front Seats
- / 60/40 Split Rear Seats with Tumble Type Fold-up Function

### INTERIOR

- / Tilt Adjustable Steering Wheel
- / Multi-function Leather/Wooden Steering Wheel with Audio and Cruise Control
- / Bluetooth with Hands-free Voice Control
- / Multi-information Display
- / Touch Screen Radio/CD and MP3 Player
- / Automatic Air-conditioning (Front)
- / Electric Windows with Anti-trapping Function
- / All Windows Auto Up/Down with Key-off Timer
- / USB and Accessory Sockets
- / Fully Trimmed Leather Interior
- / Chromatic Rear View Mirror
- / Automatic Headlamp Beam

### EXTERIOR

- / HID Headlamps with Automatic Levelling Function
- / DRL (Daytime Running Lights)
- / Electrically Adjustable Fold-away Mirrors with Indicator Light
- / Headlamp Washer
- / 17" Alloy Wheels

### POWER AND PERFORMANCE

- / Super Select II 4WD System
- / Rear Diff Lock
- / 2800kg/3300kg\* Towing Mass (Braked)
- / 36.7° Approach Angle
- / 34.8° Departure Angle
- / 25.2° Ramp Breakover Angle

# CREATURE COMFORTS

## **MULTI-FUNCTION STEERING WHEEL**

Designed for extra levels of safety and added driving convenience, the Pajero's Multi-function Steering Wheel lets you operate the vehicle's Audio and Cruise Control functions without ever having to take your hands off the wheel. It's now also equipped with Bluetooth capabilities for complete Hands-free Voice Control, keeping you connected and in control whatever the driving conditions you are facing.

---

## **ROCKFORD FOSGATE® SOUND SYSTEM\***

Designed, engineered and tuned to provide multi-channel audio performance typically reserved for only the finest of home theatres and professional recording studios.

\*LWB GLS Exceed model.

---

# COMFORTABLE AND VERSATILE

1.

With the 3<sup>rd</sup> row stowed, the 1<sup>st</sup> and 2<sup>nd</sup> row can be laid flat, creating a comfortable sleeping area.\*

2.

The 2<sup>nd</sup> row has a 60:40 split, allowing you to carry extra-long cargo while still seating four passengers comfortably.

3.

Fold up the 2<sup>nd</sup> row to make full use of the Pajero's massive carrying capacity.

\*LWB models only.

## 2<sup>ND</sup>- ROW CONFIGURATION

To provide as much carrying space as possible, the 2<sup>nd</sup> row can have the seatbacks folded down, and then the seats themselves can be folded up and out of the way. You can also fold down just one part of the 60:40-split 2<sup>nd</sup> row, for carrying extra-long cargo.

## 3<sup>RD</sup>- ROW CONFIGURATION

The 3<sup>rd</sup> row seats can be easily folded up and stowed away in Pajero's underfloor compartment, then folded out again when you need the extra seating capacity. This gives you plenty of room for groceries, suitcases or bulky cargo.
