that excites

# NISSAN JUKE

## ~~WE MAKE PROMISES.~~ WE KEEP PROMISES.

INTRODUCING NISSAN ASSURED, IT'S MORE THAN A PROMISE. AS PART OF THE NISSAN FAMILY YOU'RE GUARANTEED OUR COMMITMENT TO CUSTOMER CARE. A LASTING BOND BETWEEN YOU, YOUR VEHICLE AND THE NISSAN BRAND. THAT'S OUR PROMISE.

### **CUSTOMER EXPERIENCE**

We promise to make your Nissan experience one to cherish, from your delivery day and everyday after, our commitment is to deliver a service experience you can trust – and believe in.

### **CUSTOMER SUPPORT**

**ROADSIDE ASSISTANCE**  
We keep you on the road 24/7. Should anything unexpected happen we guarantee you 24-hour roadside assistance, no matter the age of your Nissan, because it's still a Nissan. Just call **0800 NISSAN (46 77 26)** anywhere, anytime. Terms and Conditions do apply.

### **LICENCE RENEWAL REMINDER**

We'll remind you in advance so you can keep your licence disk up to date.

### **3 YEAR OR 90 000KM SERVICE PLAN**

For the first 3 years or 90 000km of driving your car, whichever comes first, you can rest easy knowing that our promise to you is kept one. We'll make sure your car is running smoothly and always on the road.

### **6 YEAR OR 150 000KM WARRANTY**

As long as your car is under our warranty, we'll always have you covered if anything goes wrong. You don't need to stress for the first 6 years or 150 000km, whichever comes first.

### **SERVICE AND REPAIRS**

**FREE VEHICLE HEALTH CHECK**  
We'll give your car a free health check on every major and minor service prior to any work being carried out, so you know exactly what needs to be done, and how much it will cost.

### **COMPETITIVELY PRICED PARTS**

We deliver the highest care for your Nissan by fitting only Nissan Genuine Parts. The expertise of our Nissan trained teams will also guarantee best value-for-money by finding the most competitively priced part for your local dealer.

### **COURTESY CAR**

We will arrange a courtesy car for all warranty repairs should the components required not be available within 48 hours.

## TESTED TO THRILL

Look what just rode into town. And looks set to take over. Nissan JUKE is the compact sports crossover with an attitude to match its unique urban styling, a head-turner with high ground clearance and visibility that puts it head and shoulders above the rest. And packed with the latest integrated technology – to make sure it stays there. If you've been searching for a one-of-a-kind vehicle, the Nissan JUKE is the one you've been waiting for.

## BREAK FREE

Looking for a good time? The Nissan JUKE offers that in spades, and loads more. From the first glimpse of its audacious headlights, to the imposing grille and lower fender, and across its sleek upper body sportscar styling, the Nissan JUKE makes a bold statement with every arrival: Thrill seeker on the move. Combined with 370Z-inspired rear tail lights and cleverly concealed rear door handles, you have a city trailblazer with more than enough attitude to own the urban jungle.

**STEP INSIDE**  
**DRIVING PASSION  
TO THE CORE**

If you thought the exterior was distinctively audacious, wait till you step inside. The superbly styled interior puts you firmly, comfortably, completely in control.

**Ramp up the refinement.** Premium touches throughout reinforce the feeling of uniquely bold elegance that's so striking, you can't wait to get inside. Which, thanks to the Nissan Intelligent Key\*, is easy: now you can lock and unlock the doors without even taking the key out of your pocket.

\* Available on certain models.

### Hooded Gauges

The superbike-inspired circular gauges with hood cover add an extra-sporty look to the instrument panel.

### Sport-bolstered Seats

Special seat bolsters hold your body in place during active driving, and add a generous helping of style to the ride.

### Powered Sunroof\*

Open up the thrill factor with a sunroof that lets the outside in at the touch of a button.

## SPORTY INTERIOR IT'S ALL ABOUT THE CONTROL

Travel in the style you deserve – and demand. Nissan JUKE's interior is dynamic by design, and it shows beautifully. A pulse-raising centre console inspired by the radical lines of an Italian superbike. Large, easy-to-read circular gauges display information in the blink of an eye. And unique stitching on the sport seats, steering wheel, and gear knob (except Xtronic gearbox) add striking finishing touches\*.

\* Available on certain models – International model shown.

## A HEART PUMPING RIDE

# CHOOSE TO OUTPERFORM

Looks are important. But you want instant gratification under your right foot as well. The 1.6DIG-T engine with Xtronic CVT delivers soul-stirring acceleration, with dual injectors for superb combustion and precise torque to get the power down fast even at low speeds.

Looking for a kick with astonishing fuel efficiency? Nissan JUKE's 1.2 DIG-T delivers both, with loads of low end power thanks to its low gearing, and a silky smooth drive, sublimely suited to city driving.

P.S. It's a whole lot of fun to drive.

| Engine    | Fuel   | Axle | Transmission | Power (kW) | Torque (Nm) |
|-----------|--------|------|--------------|------------|-------------|
| 1.2 DIG-T | Petrol | 2WD  | 6-speed MT   | 85         | 190         |
| 1.5 dCi   | Diesel | 2WD  | 6-speed MT   | 81         | 260         |
| 1.6 DIG-T | Petrol | 2WD  | 6-speed MT   | 140        | 240         |
| 1.6 DIG-T | Petrol | 4WD  | XTRONIC CVT  | 140        | 240         |

## NISSAN DYNAMIC CONTROL SYSTEM

# CUSTOMISE YOUR RIDE ON THE FLY

Your moods can change – why shouldn't your driving style? Nissan JUKE's Integrated Control (I-CON) System lets you customise your ride at the push of a button. Whatever mood you're in, Nissan JUKE has the driving mode. You can tailor your driving style, adjust the climate and keep stats on your performance, all while you're out and about.

**Stats Keeper.** Stay on top of your performance stats with the Nissan Integrated Control System drive computer. It stores information about everything from maximum G-forces to trip mileage and daily fuel economy. The more information you have, the smarter you'll drive.

**Performance Expert.** Get torque, boost or efficiency exactly when you need it.

**Normal Mode.** The perfect combination of performance and efficiency.

**Sport Mode.** Feeling racy? Immediately feel the steering, transmission and throttle adjust for more responsive driving.

**Eco Mode.** Steady your pace and get the most out of every fill-up.

**Take the perfect weather with you.** In addition to ride style, Nissan Integrated Control System gives you complete control over interior comfort. Simply switch from D-Mode to Climate Mode, and the display changes over to all the selections you need to make the cabin as toasty or cool as you like.

## NISSAN ALL-MODE 4X4-I WITH TORQUE VECTORING\*

# LEFT OR RIGHT, THE POWER IS ON YOUR SIDE

Traditional All-Wheel Drive (AWD) systems only distribute power from front to back. But Nissan JUKE is anything but traditional. The torque vectoring AWD\* available on Nissan JUKE adjusts power side-to-side to the rear wheels for more on road control than ever. When cornering, this means the outside rear wheel gets more power, helping you rotate into the curve and accelerate out.

### Torque Vectoring

In a turn, this multi-sensor system automatically transfers rear-wheel power to the left or right, depending on which needs it more, so any change in direction can be performed smoothly and securely.

### ALL MODE 4x4-i\* Display

The digital readout between the centre gauges provides real-time AWD\* feedback for all four corners.

**354L CARGO CAPACITY\***

## PACK IN THE UNEXPECTED

You want it all? You've got it now. Looks, performance and loads of space to boot. Interior roominess in the Nissan JUKE is way more than you'd expect, thanks to the flexibility of its 2-stage adjustable cargo floor (2WD only). With the second-row seats up and cargo floor lowered, there's plenty of space for luggage or sports equipment. Fold the seats down and you can adjust the floor to a higher position, creating a flat cargo floor for even more versatility.

### Adjustable Cargo Floor

Large luggage fits surprisingly well inside the Nissan JUKE. Simply adjust the cargo floor down, and there is ample space for your gear behind the second-row seats.

### Flat Cargo Floor

Longer items are far easier to store on a flat surface. Fold the second-row seats down and adjust the cargo floor up to create a flat floor surface. And for any items you want hidden, you'll find a covered storage area under the cargo floor.

NissanConnect

## YOUR WORLD ON DISPLAY

In touch, on the move. Your world's always within reach with NissanConnect® smart technology. And with NissanConnect® Apps, your Nissan JUKE becomes your smartphone's best friend, with music, information and the apps that you love, all coming together through the 5.8" touch screen display and audio system.

**Nissan Navigation System.** The latest maps, the most direct routes and the smartest way to get to your destination on time and as fuel efficiently as possible.

**Online Search – powered by Google®.** Based on the latest information, Google® Online Search helps you pinpoint your desired destination, even if you're not sure of the name or category.

**Facebook®.** Launch the Facebook® app and see your events for the day. When you get to your destination, check in to let your friends know what you are up to.

Bluetooth  

## NISSAN AROUND VIEW MONITOR PINPOINT PARKING EVERY TIME

**A rearview monitor for reversing?** Once again, Nissan JUKE takes it up a notch. Because when it comes to parallel parking, you need to see more than just what's behind you. Nissan JUKE's Around View Monitor\* consists of four cameras to give you a virtual 360° bird's-eye view of your vehicle, with selectable split-screen close-ups of the front, rear, and curbside views, so you know exactly what's going on around you. And since not all obstacles are stationary, Moving Object Detection keeps an eye out for any moving objects detected in your vicinity. Pets and shopping trolleys included.

### DON'T BUMP YOUR NOSE.

In Drive, the display gives you both a front and overhead view, so you know just how far to pull up – without going too far.

### SPARE YOUR WHEELS.

In Drive or Reverse, push the camera button to switch on the overhead camera for a side view – and precise curb parking, every time.

### COMPLETE THE PICTURE.

Located under your driver's side mirror, this camera helps round out your virtual 360° bird's-eye view, whether you're in Drive or Reverse.

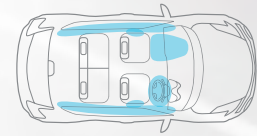

### LOOK OUT BELOW.

In Reverse, the display helps you see what's directly behind you, while the overhead view helps with shorter objects otherwise hidden below your window.

# NISSAN SAFETY SHIELD PHILOSOPHY

## SURROUND YOURSELF WITH CONFIDENCE

As adventurous as the Nissan JUKE is, we've packed in enough safety features to make it seriously sensible too. Nissan Safety Shield technologies are a comprehensive approach to safety that guides the engineering and development of every vehicle we make. Features included here are just some of the ones built into your Nissan JUKE, helping to protect you by focusing on three key areas: keeping an eye on your vehicle's systems and the surroundings, assisting in handling unexpected situations, and helping to keep you safe should an accident occur. Beauty, brawn and brains, all in one bold package.

**6 Standard Air Bags.** When a collision is unavoidable, Nissan's Zone Body Construction helps absorb the impact, while the advanced seat belt and air bag systems help protect passengers.

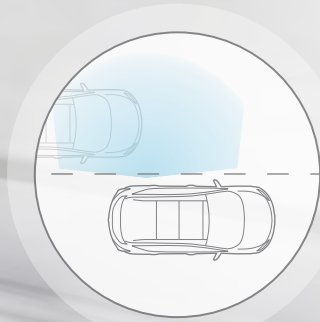

**Electronic Stability Program (ESP).** Nissan's Electronic Stability Program system automatically activates the ABS and traction control features during difficult manoeuvres such as a sudden lane change.

### Moving Object Detection\*

Around View Monitor doesn't just help you park, it can also help you to reverse out safely. When equipped with Moving Object Detection, visual and audible alerts are provided when it detects movement around the vehicle.

In the commitment to "Real World Safety", Nissan pursues innovation as part of its Safety Shield concept. Based on the idea that cars should help protect people, advanced, proactive safety technologies help driver and passengers to avoid danger and injury in a wide range of circumstances.

### Blind Spot Warning System\*

If another vehicle is detected in your blind spot area, an indicator appears which then flashes and chimes should you put on your turn signal to make a move.

### Lane Departure Warning System\*

This system gives you a visual and audible heads-up if it detects you straying from your lane. And it's so smart, it's designed to stop the warnings when you engage your turn signal.

**Safety Award** in 2011, Nissan JUKE was awarded the maximum five-star rating by EURO NCAP (European New Car Assessment Programme).

**Nissan's commitment to the environment**  
Nissan's environmental philosophy embraces people, vehicles and nature. In the pursuit of a sustainable mobile society, the Nissan Green Program aims to reduce the environmental impact of Nissan vehicles at every stage of the vehicle life cycle, while corporate activities address environmental challenges.

**Nissan's commitment to quality:** provide all customers with a consistently high level of quality. Nissan applies the standard worldwide, to ensure that all Nissan owners enjoy peace of mind for the lives of their vehicles. The approach is based on quality from the customer's perspective on three key elements: 1. The expectation of a smooth driving experience with complete peace of mind 2. The intangible appeal of a vehicle, its power to captivate and excite, with features that capture attention and imagination. 3. The level of attentiveness and service during the sales process, and long after the sale is concluded.

**LEGAL NOTICE**

Every effort has been made to ensure that the content of this brochure is correct at the time of going to print (August 2016). This brochure has been produced featuring prototype or accessorised vehicles exhibited at motor shows and, in accordance with the company's policy of continuously improving its products, Nissan South Africa reserves the right to change the specification and the vehicles described and shown in this brochure at any time. Nissan Dealers will be informed of any such modifications as quickly as possible. Please check with your local Nissan Dealer to receive the most up-to-date information. Due to the limitations of the printing processes used, the colours shown in this brochure may differ slightly from the actual colours of the paint and interior trim materials used. All rights reserved. Reproduction in whole or part of this brochure without the written permission from Nissan is forbidden. Quoted fuel consumption and emission values have been established using the prescribed method of measurement (United Nations Economic Commission for Europe "ECE" Regulation R101 in the current version) as required under current legislation. This data does not pertain to the specific vehicle and does not comprise part of the offer, but is supplied for the purpose of comparison between the various types of vehicles, in accordance with 1999/94/EC. Driving behaviour / conditions and other non-technical factors contribute towards a vehicle's fuel consumption and CO<sub>2</sub> emissions over and above the determined fuel efficiency of a vehicle.
