

FJ CRUISER

*With 60 years of
Land Cruiser in its blood,
the FJ takes the road
very seriously.*

FJ Sport Cruiser shown

With its unique modern-retro styling, unapologetic attitude and power, the FJ Cruiser is as far from middle-of-the-road as you can get. This is not your typical, wanna-be-the-real-deal suburban SUV. The FJ Cruiser has real backbone that's born from real heritage – the indestructible Land Cruiser. Two models are available: the FJ Cruiser and FJ Sport Cruiser.

FJ Sport Cruiser shown

COUP DET

RAIT

*the power of
Independence*

A true revolution in motoring. The FJ is as powerful as it is tough, with its go-anywhere-do-anything attitude. The engine is a powerhouse that kicks out 200 kW of power at 5 600 r/min and 380 Nm of torque at 4 400 r/min. The FJ is not just strong but is also loaded with smart features: an Electronic Fuel Injection (EFI) system, Artificial Intelligence (AI) – SHIFT Control automatically switches the shifting pattern according to the road conditions and your intent as a driver, Vehicle Stability Control (VSC) helps ensure stability by automatically adjusting engine output and the braking force of each wheel to prevent oversteering and understeering on corners, Active Traction Control (A-TRAC) helps ensure excellent traction by controlling the brake pressure if the wheels slip when running off-road when in 4-wheel drive. With a ground clearance of 245 mm, the highest in the Land Cruiser family, no matter how rough the road ahead, the FJ can tackle it.

the Groundbreaker in you

FJ Sport Cruiser shown

ROGUE

The exterior design has an unapologetic, bold extroverted look. The FJ has a wild side, a rogue in the city yet confident off-road. Modern yet retro, the FJ's unique styling demands a unique driver who's not afraid to break the rules.

The FJ's signature white roof makes a bold style statement that is complemented by rugged black bumpers and silver mirrors that are electrically adjustable. 17" alloy wheels and a full-size alloy spare wheel that is mounted on the rear door complete the look. The rear spoiler has an integrated brake light and side steps with covers are standard. The extra wide windscreen comes equipped with a 3-arm wiper system and there's a retractable rear window wiper that's housed on the hatch door. Another unique feature is that the rear privacy glass windows wrap around the back of the FJ to further add to its distinct style. What's even cooler is that the FJ has double door openings so the doors open out from the middle. The Sport Cruiser comes standard with chrome trimmings to add a bit of bling to the door handles, front bumper, hood bulge, grille, mirrors and scuff plates, and also has a hard spare wheel cover in black.

Street cred. Check! The FJ's style isn't just skin-deep, the look outside is perfectly coordinated with the look inside – the interior colour panels match the exterior body colour. The overall impression is bold and confident.

Black leather interior (FJ Sport Cruiser)

Carpet set (FJ Sport Cruiser)

FJ Cruiser scuff plates (FJ Sport Cruiser)

With inner space that's big on technology with Bluetooth and USB and iPod inputs, you'll always be connected. The FJ delivers an exceptional acoustic experience with its 6-speaker audio system, including two ceiling-mounted speakers. And no matter how long or hard the road ahead, cruise control makes for smooth sailing. Add to that power steering and electrically-operated windows to make the trip that much easier. The back monitor that's integrated into the rear view mirror automatically switches on when the vehicle is in reverse – one less thing to stress about. Since the FJ is built for adventure, it is also as practical as it is sophisticated: smart storage spaces are ideal for small items and a rear seat that splits 60:40 with removable cushions make it easy for you to take large items on the road. The seats are water-repellant and the interior is easy to clean. The Sport Cruiser comes standard with black leather seats and a distinctive FJ Cruiser carpet set. And to keep you cool(er) on the road, there's air conditioning, of course.

BOOY GUY ARRR

full Metal jacket

Not all bodyguards wear black and mirrored sunglasses. The FJ Cruiser not only has your back but has you covered from every angle. The Anti-lock Braking System (ABS) prevents wheels from locking when the going gets tough and slippery and Electronic Brake force Distribution (EBD) maximises the force of the brakes between the front and rear wheels so that you can better steer clear of obstacles and bring your FJ safely to a stop. And for more control when you need it most the Brake Assist System (BAS) gives you additional braking power if you have to stop suddenly at a high speed. And just like a bodyguard, you'll also have 'eyes' at the back of your head with a back sonar and ultrasonic sensors that can detect objects behind you. For all of its might, the FJ is also family-friendly with ISO-FIX child restraint seat belts. Add to that the extra safety ammo of front and side airbags for the driver and front passenger, curtain shield airbags that protect all occupants, power door lock and immobiliser, and you're good to go. Anywhere.

TRUCK

FJ Cruiser shown

Being 'green' can be a challenge when you are one of the world's most respected go-anywhere-do-anything vehicles. With its 'means-business-take-no-prisoners' presence and power, it's understandable that it's hard to see that the FJ also aims to make peace with the environment. In line with Toyota's Environmental Plan – ECO-Project, the FJ has been designed to be as green as it can be. Here's what you have to understand to understand the FJ's green side: Toyota is committed to reducing the use of substances that contribute to global warming and uses recyclable materials wherever possible. The FJ uses an environmentally-friendly chrome-free substrate in the air conditioner evaporator and lead pollution is minimised by using aluminium in the heater core materials. The FJ also keeps recycling top of mind by using 100% polyester materials in the clean air filter that facilitates easy waste disposal and by using recyclable materials with excellent qualities (Thermo Plastic Olefin) throughout the interior and exterior of the vehicles. The FJ has a Euro Step 3 emissions rating. So while there's no doubt that the FJ is a mean machine, it is also as green a machine as a mean machine can be.

Toyota is serious about combating the problems associated with waste tyres in the country and has therefore taken up its producer responsibility as defined by the Waste Management Act of 2008. Waste Tyre Registration Number: TPREG0031GAU

FJ CRUISER Fuel Consumption (l/100 km)	11.9*	FJ CRUISER CO ₂ Emissions (g/km)	278*
---	-------	--	------

*The fuel consumption and CO₂ values of your vehicle may vary from those measured. Driving behaviour, as well as other factors such as road conditions, traffic, vehicle conditions, installed equipment, load and number of passengers play a role in determining a car's fuel consumption and CO₂ emissions.

2KP SANDSTORM

2KQ TIDAL BLUE

The FJ Sport Cruiser is available in 2KC Raven Black only.

All FJ Cruiser models come standard with an Ivory White roof. Speak to your dealer for additional colour and accessory package options.

ToyotaCare

Buying a Toyota signals the start of an exciting journey. From the moment you take ownership of your vehicle until the day you trade it in, ToyotaCare is committed to providing you with outstanding customer service and complete peace of mind along the way.

ToyotaCare Service Plan

All FJ Cruiser models feature a standard 5 year or 90 000 km ToyotaCare Service Plan that provides for all scheduled service items and labour. Visit www.toyotacare.co.za for full details on the list of items covered by the ToyotaCare Service Plan as well as the required maintenance schedule on all FJ Cruiser models. The ToyotaCare Service Plan will give you a totally new meaning to peace of mind motoring.

ToyotaCare Warranty

All FJ Cruiser models are covered by the ToyotaCare Warranty for a period of 3 years or 100 000 km against any defective materials and workmanship. Included in this cover is Roadside Assistance, a 3-year Corrosion Perforation Warranty as well as a 12-month warranty on the vehicle's battery. The ToyotaCare Warranty enjoys full endorsement by Toyota South Africa and is supported by all authorised Toyota dealers throughout Southern Africa (including Namibia, Botswana, Swaziland and Lesotho).

ToyotaCare Extended Service Plan

The standard ToyotaCare Service Plan can be extended up to a maximum of 7 years or 200 000 km and guarantees fixed pricing on all service parts and the associated labour. For pricing and full information on the cover provided please visit www.toyotacare.co.za or consult with your Toyota dealer.

ToyotaCare Extended Warranty

The ToyotaCare Warranty can be extended up to a maximum of 6 years or 220 000 km. The ToyotaCare Extended Warranty offers the same level of cover as the standard warranty and is not subject to any claim limits. With full backing by Toyota South Africa, the ToyotaCare Extended Warranty promises exceptional peace of mind through the superlative cover it offers.

ToyotaCare Maintenance Plan

The ToyotaCare Maintenance Plan upgrades the cover offered by the ToyotaCare Service Plan to a maximum of 200 000 km through the inclusion of wear and tear items and electrical components. This means absolute hassle-free motoring as all service and maintenance costs are covered. For detailed information on the ToyotaCare Maintenance Plan, please visit www.toyotacare.co.za or consult with your Toyota dealer.

ToyotaCare Roadside Assistance Programme

The ToyotaCare Roadside Assistance Programme is applicable to all FJ Cruiser models covered by a ToyotaCare Warranty or Extended Warranty and entitles you to 24-hour roadside assistance. The ToyotaCare Roadside Assistance Programme is applicable in South Africa, Namibia, Botswana, Swaziland and Lesotho. Visit www.toyotacare.co.za for more information on the benefits of the Roadside Assistance Programme.

Toyota Book of Life

The Book of Life is proof that your Toyota has been maintained in accordance with Toyota Quality Service standards and gives the assurance that only Toyota Genuine Parts were used.

At Toyota Financial Services, we believe that purchasing your Toyota should be as enjoyable as driving it. Toyota Financial Services is the fast, flexible and convenient means of financing your FJ Cruiser. We have created a range of financial products that suit both private and business customers, easily accessible through your local Toyota dealer. We take the hassle out of arranging finance. Toyota Financial Services (South Africa) (Pty) Ltd is an authorised Financial Services Provider and Registered Credit Provider (NCRCP62).
