LEAD THE WAY

**HILUX**

**TOUGHNESS COMES  
STANDARD ON EVERY  
HILUX WORKHORSE,  
SINGLE CAB, XTRA CAB  
AND DOUBLE CAB.**

**TOUGH GETS YOU  
THROUGH THE ROUGH.  
THEN KEEPS GOING.  
TOUGH PUSHES  
BOUNDARIES. THEN  
SMASHES THROUGH  
THEM. AND IT DOESN'T  
GET TOUGHER THAN  
HILUX TOUGH.**

The Hilux doesn't just act tough, it looks tough too. A powerful body is held together securely with bold, modern lines. The stylish grille, headlights and tail lights grab attention and the no-nonsense bumper is perfectly integrated into the body of the bakkie. The interior is durable, spacious and so comfortable you might never want to leave.

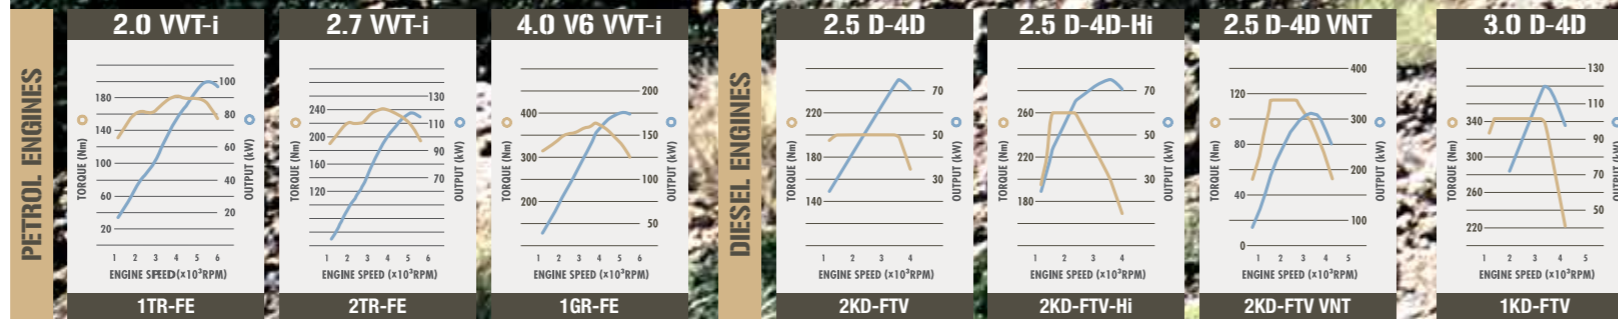

The Hilux has everything you're looking for in a bakkie. An unbreakable spirit. An uncompromising character. A great drive. Comfort. Style. Durability. Agile handling. From business to pleasure, from Workhorses to Single Cabs, Xtra Cabs to Double Cabs, there's no question that whether you're looking to work hard or play hard, or both, you won't have to look further than the Hilux.

# TRUE GRIT EVERY ENGINE IN THE HILUX RANGE ROARS AND REVS WITH NEVER-SAY-DIE PERFORMANCE.

Seven engines, one constant: pure power. From the 2.0 litre petrol, 2.7 litre petrol and 2.5 litre diesel engines to the 3.0 litre diesel and 4.0 litre V6 petrol engines, there's a Hilux that has just the right of amount of power to do exactly what you want it to do. And with great power comes great agility. The Hilux range was created with an extreme focus on manoeuvrability, excellent handling and stability. The 4x4 models deliver high capacity part-time transfer and shaft and AI (Artificial Intelligence) - SHIFT control on the 4.0 litre automatic models, which enables comfortable driving by automatically switching the shifting pattern according to any road condition and your intent as a driver.

Even when the going gets tough, the Hilux remains smooth and stable. The 4x2 models have a front suspension with a double-wishbone with coil spring and the 4x4 models have a high-mount-type upper arm front suspension. The rear suspension has a combination of leaf springs and twin tube shock absorbers to handle the toughest of terrains and road conditions.

**THE HILUX WAS  
DESIGNED TO BE  
MASCULINE,  
MUSCULAR AND  
MODERN.**

Every angle on the Hilux creates a demanding presence. From the bold front grille and rounded front bumper to the colour-coded front bumpers and rear combination lamps that complement the front design. The unmistakable over-fender and chrome-plated mirrors\* with integrated indicators\* give the Hilux a sharp image that rules the road. Fog lamps\* and a rear step-bumper\* with chrome trim\* don't go unnoticed. The wheels range from 15" and 16" steel and 15" alloys to 17" alloys on Xtra Cab Raider, Double Cab Raider and Single Cab Raider models. The rust-resistant body on all models will last for the long haul. The total tough package is wrapped up in dynamic and deep metallic colours.

# NO COMPROMISE ON COMFORT

## THE HILUX TAKES ON THE TOUGHEST TASKS IN STYLE AND COMFORT.

Every Hilux is built tough to take on anything you throw at it, be it commercial, adventure, or both. The interior is designed to store professional and personal items easily and securely. Smart storage solutions include a push-open overhead console\* and storage space underneath the rear seat of the double cab. Cup holders give great on-the-go convenience, and the Hilux is equipped with smart features that make handling tough tasks a pleasure; power steering, electrically adjustable windows\*, air conditioning\*, a Multi-Information Display (MID)\*, and an audio system\* complete with Bluetooth\* and USB and iPod inputs\*. The Hilux also sports a modern designed steering wheel and instrument panel with LED light sources and Optitron instrumentation\*. The two-tone grey fabric seats are modern and durable. Its highly rigid body makes for a quiet and comfortable drive with low noise, vibration and harshness (NVH) levels.

\*Available on selected models only. See the specification sheet for full details.

# TRIED AND TESTED TOUGHNESS

REAR SEAT BELTS (DOUBLE CAB)

The Hilux's body structure is only one of its many tough safety features. A specially engineered frame structure increases rigidity without compromising strength or durability. The Anti-lock Braking System (ABS)\* regulates the hydraulic pressure of the brakes and a load-sensing proportioning and bypass valve optimise the effectiveness of the rear brakes. The front seat belts have a 3-point ELR pretensioning system\* and seat belts are supplied for all passengers in the back seat of the Double Cab. Front, side and curtain shield airbags\* add extra peace of mind along with a wireless door lock\*, an immobiliser with a built-in alarm, a tailgate that locks\* and a spare wheel with an anti-theft lock.

\*Available on selected models only. See the specification sheet for full details.

# UNYIELDING

# THE HILUX WORK- HORSE MEANS BUSINESS.

A highly durable frame and reinforced loadbox can carry your equipment and tools without hassle. All Workhorses live up to their name and have strong towing capacities. And their brute force is complemented by power steering on all models and an Anti-lock Braking System (ABS) on 5 models. We haven't forgotten about style either. Every Workhorse features a colour-coded front bumper and a painted radiator grille.

# UNCOMPROMISING THE HILUX SINGLE CAB TAMES THE TOUGHEST TERRAIN.

Heavy-duty loadboxes carry the toughest outdoor gear so you and your Single Cab are ready for anything. Single Cab SRX models have electrically adjustable exterior mirrors, colour-coded bumpers and a painted radiator grille that add brawn to their image. Top-of-the-range Raiders, already loaded with luxury, have a high-mount brake light, indicator lamps set into the outer mirror, audio and Multi-Information Display (MID) with Optitron instrumentation, meter illumination control, steering wheel switches and USB and iPod inputs. Electrically adjustable windows also add a touch of luxury at the touch of a button.

# TOUGH LOVE

# THE HILUX IS TOUGH ON EVERYTHING, EXCEPT THE ENVIRONMENT.

Hilux drivers share a passion for the adventure and the beauty of the great outdoors. That's why we've made our bakkies with the environment in mind. The fuel-efficient engines of the Hilux range help reduce CO<sub>2</sub> emissions and the carbon footprint of the vehicles. Plastics that are highly recyclable are used in the instrument panel, door trims and the majority of the interior and exterior components. The plastic components have also been uniquely designed so that they are easier to dismantle for recycling.

Toyota is committed to combating the problems associated with waste tyres in the country and has therefore taken up its producer responsibility as defined by the Waste Management Act of 2008. Waste Tyre Registration Number: TPREG0031GAU

# TOUGH CHOICES

TOUGHNESS COMES IN MANY SHAPES AND FORMS. THE HUGE RANGE OF HILUX ACCESSORIES LETS YOU CUSTOMISE YOUR BAKKIE TO MAKE IT YOUR OWN.

### Keeping your Toyota Genuine

Buying a Toyota signals the start of an exciting journey, from the moment you take ownership of your vehicle until the day you trade it in. With ToyotaCare, our endeavour is to provide specialised vehicle maintenance and outstanding customer service throughout this journey. Keep Your Toyota Genuine with our range of Genuine Products and Approved Services to ensure an unparalleled ownership experience and complete peace of mind.

### Toyota Genuine Products

For guaranteed fit and function, Genuine Parts are essential in maintaining the safety and reliability of your vehicle. Genuine Parts comply with all safety, regulatory and environmental requirements, making it the obvious choice. The same exacting precision applies to Toyota Accessories, developed by engineers with extensive knowledge on vehicle integration - you can enhance the appeal and functionality of your Hilux without compromising its safety features or warranty. Warranties are about peace of mind, and the Genuine Extended Warranty is designed to provide superior cover (up to 6 years or 220 000 km) and a seamless claims process thanks to full integration with Toyota systems. The Genuine Extended Service Plan also enjoys exclusive approval by Toyota SA and provides flexible extension options up to 7 years or 195 000 km to suit your period of ownership. Paying today's rates for tomorrow's maintenance is a sensible way to protect the resale value of your Hilux by means of a full service history.

### Toyota Approved Services

Specialised vehicle maintenance requires first-class facilities, advanced equipment and expert knowledge. Toyota Quality Service not only promises accurate diagnosis and repair, but also a philosophy of building trust through a genuine concern for the needs of our customers. To complement the extensive network of Toyota dealers, we have vast number of Accredited Body and Paint Repairers, selected on stringent criteria to ensure outstanding workmanship and customer service. You can maintain your vehicle's pristine condition without compromising its warranty thanks to the exclusive use of Genuine Parts by our Accredited Repairers. Offering 24-hour access to a full complement of assistance and recovery benefits, Toyota Roadside Assistance provides the peace of mind that competent support is only a phone call away.
