T-Cross

Own your way

The new Volkswagen T-Cross is a car that's ready to pump the brakes on routine.

Volkswagen's first ever compact SUV is built to cross the city, cross the province and overtake old habits. Let the most connected Volkswagen yet put you in touch with your world and see what it feels like to play by your own rules.

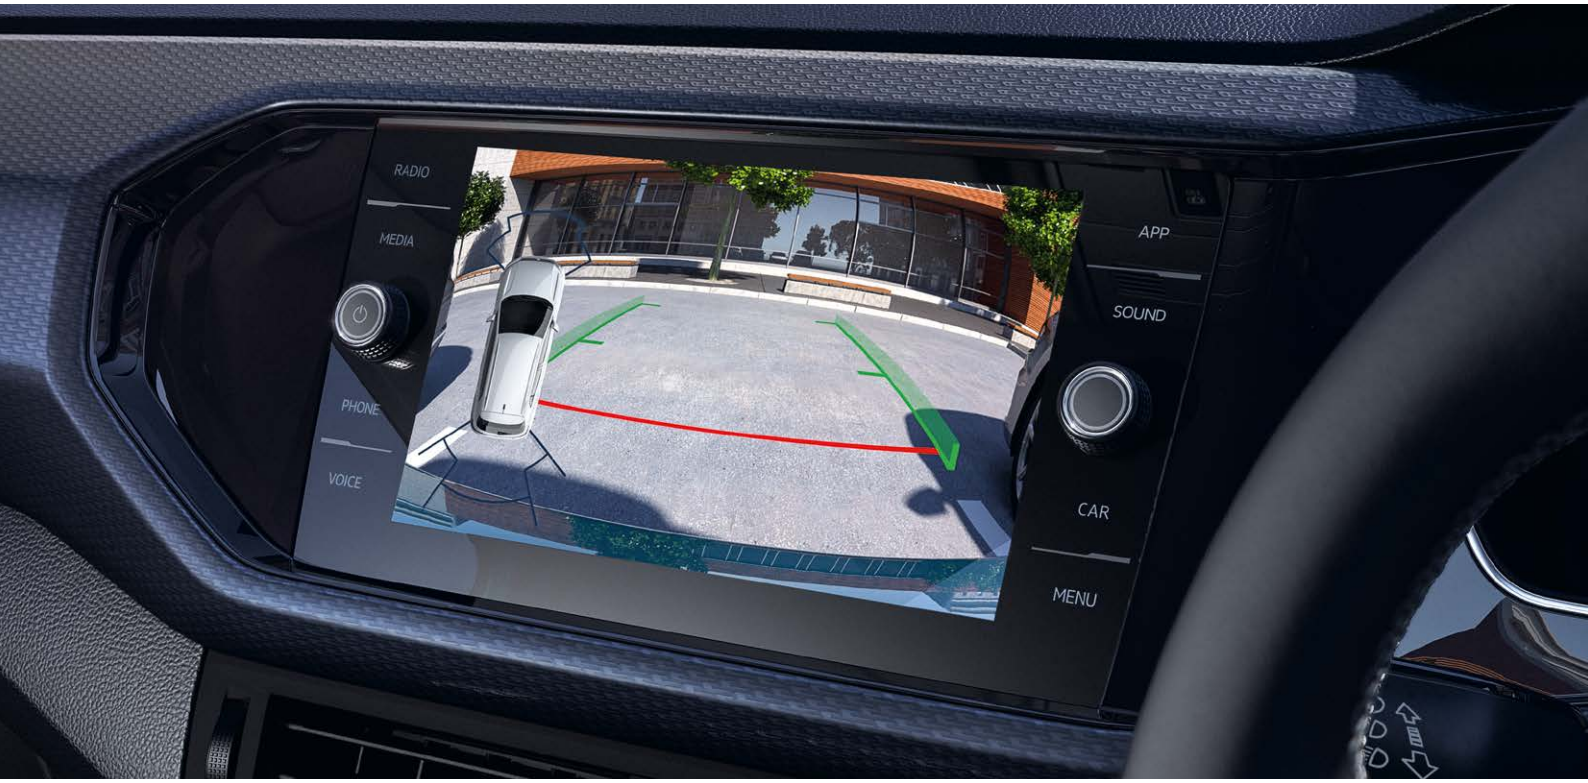

Lights, colours, **action**

The Volkswagen T-Cross has been designed to be bold, confident and stand out. With features like the eye-catching LED lights and rear reflective band, it's a car that catches the eye and turns heads no matter where it is.

Seize the chance to choose from a variety of exterior colours that speak to your adventurous side.

Be safe
But don’t play it safe

Equipped with the latest Volkswagen safety features, your T-Cross is intuitive on the roads and built with your safety as its highest priority.

Safety features include:
- Park Distance Control
- ISOFIX for fastening children’s seats
- Park Assist

With many more features, the T-Cross lets you play with confidence.

Room to **do you**

With the T-Cross' stylish and spacious interior, you'll always have enough room to do the things you've always wanted to. The T-Cross' adaptable rear seats are both foldable and slidable. Which means you can turn 377 litres of boot space into 455 litres of rear cabin space.

Always **on track**

Climb into the T-Cross and take your drive to a whole new level with Discover Navigation, and a colour touchscreen Infotainment system.

With the most advanced Volkswagen technology on offer, you can upgrade to the latest sound from beats™ (optional) and drive the future with Active Info Display, which has advanced graphics to keep track of useful driving information with ease on a 12.3-inch screen.

Connect to **new possibilities**

The ultra-connected T-Cross is right on the cutting edge of useful and playful technology.

We Connect Go lets your car and your digital world connect through your mobile phone using the Data Plug.* It comes standard on Comfortline and Highline and is an option on Trendline.

You can charge your mobile wirelessly by simply laying it in the Inductive charging tray.**

The T-Cross comes standard with App-Connect, which brings your smartphone onto your vehicle's touchscreen and includes the latest software applications such as MirrorLink™, CarPlay™ from Apple and Android Auto™ from Google.

Active Info Display shows useful data that's uniquely configured by you, so that you can enjoy the drive while staying in touch with the car's driving data. The display also lets you view the Discover Navigation map if you want to.

*Available for purchase from your Dealer.
**Only for compatible devices.

Rule **breaker**

The ultimate T-Cross comes in the ultimate package. The T-Cross R-Line upgrade is a powerfully unique design package that's ultra-modern and even bolder. Drive the R-Line with design stand-outs like the 17" "Manila" Alloys on Comfortline and 18" "Nevada" Alloys on Highline.

Innovation
Meets Style

First-class features at your fingertips.

The T-Cross 1.0 TSI 70kW Comfortline has arrived. Equipped with a five-speed manual gearbox, this bold newcomer takes driving to the next level. With its comfort-first enhancements, the new T-Cross epitomises style. Inside and out.

Interior upgrades include a leather multi-function steering wheel. Exterior upgrades include eye-catching fog lights, 16-inch “Belmont” alloy wheels and black roof rails.

The Comfortline blends safety and efficiency with features like Park Distance Control and Cruise Control with a Speed Limiter. Innovative technology, like We Connect Go and Touch Screen Infotainment, lets you make the most of work and play.

Enjoy all this with the security of a 3-year or 45 000 km EasyDrive Service Plan when you purchase the new T-Cross Comfortline.

Be driven **to do more**

Be one of the first to top convention with the 110kW R-Line DSG® T-Cross.

The T-Cross 1.5 TSI R-Line arrived in July 2020 and has all the latest showstopping VW features. Design features include the exterior R-Line notes as well as Sports Seats, LED lights (front and back), 18-inch 'Nevada' alloy wheels and a choice of 6 colours.

Its technology is right on the cutting edge of VW innovation with features like Composition Media, App-Connect, Active Info Display and Driving Profile Selection. It even comes with wireless charging, so you're always powerfully connected.

The T-Cross comes standard with a 3 year or 120 000 km warranty, a 3 year or 45 000 km Volkswagen Service Plan and a 12-year anti-corrosion warranty. Service interval is 15 000 km.

Colours
